**W**ell, we made it through Hermine with little damage. Most by wind, some from water leaks, and one street light pole bumped. At the north end of the park the water in the canal reached the top of the bank but did not come over the top. On the Grosse Point side the docks were under water, all we could see was the top handrails. One of my neighbors said she saw a gator cruise by. For those of you further up in North America, the rain we got in 2 days in Largo would have equalled 110 inches of snow!

The new house, Lot 480, is coming along. The “For Sale” sign is up but we need a dry spell to dry up the ground to get the electric running. We have had several private sales of homes and some of the new residents will be full timers. The new homes for 352 and 345 have been delivered and put together. Both will add to the beauty of our park.

Be safe. Stay healthy. We’re looking forward to all of us being together again. Best regards to all, Ed.

## PARK MANAGER'S REPORT

Michael W. Davis, Office phone: 727 584-1413, email: mdavis@associagulfcoast.com

---

The mowing schedule continues in effect - every Tuesday weather permitting.

The clubhouse interior painting project is almost completed. We continue to assess the effectiveness of the two removable speed bumps installed at the second entrance. Signs have been placed on either side of the street to alert drivers. These are recyclable rubber & short in height. **Please everyone be mindful of our 10 MPH speed limit throughout the park and observe all stop signs – for everyone's safety.**

Julie Williams from the Largo PD is scheduled to talk at KK during October about safety issues. We hope that many residents will attend. Many thanks to Angela for having Suzanne from City of Largo speak on the 14th at KK regarding hurricane/storm preparedness. I am very pleased we did not have severe damage from the recent storm.

The owners of new coach at # 484 have moved in and the new coach at #480 is for sale. Anyone interested in the new coach should contact Desiree, our licensed dealership agent. A sign has also been placed at lot #366 stating that it is available for any one to put their new home there. The new privately owned home at #352 is in place now & the second privately owned new home at #345 is in place and near completion.

I continue to work with Mathew Gredzlo, Pinellas County canal rep, regarding the growth in the canal and along the banks. We continue also to remove any dead trees and invasive plants throughout the park. Please notify the office if you see anything that needs our attention.

We were happy to have City of Largo Parks Director Brian Usher speak at KK in August and explain the workings of his department as related to the canal between FSE and Pointe West.

Beware of Alligator signs have been placed along canal areas.

**It is important for all our residents to let Desiree know when you leave the Park and, of course, when you return. This updates our computer system for necessary mailings and other park information.** And for the safety of all residents it is imperative that we know which units are occupied or unoccupied.

It is always helpful to know when guests are visiting. If they are using the pool, please be sure that they are wearing green identification bracelets. **And a reminder to all: if you are the last person out of the pool, remember to put the rope back across the pool. We could be cited if the pool is empty and the rope is not in place – should a Department of Health inspector make a surprise visit.**

If you notice a street light out in your area, jot down the number on the pole and give Desiree a call. She will notify Duke Energy for repair. We have one light pole in the middle circle waiting to be replaced by Duke Energy after being damaged by a car which was a hit & run.

For those owners who wish to have Alexander's (or any individual/other company) care

*...continued on page 10*

for your planter and/or flower beds while you are away, I am requesting that you deal directly with Alexander's and contract with them. Many letters have just gone out to those residents that need to clean up weeds in beds, & such. The FSE office will not be responsible for any contractual agreements between a home owner and Alexander's (or any individual/other company). You must deal directly with the company (or the individual) – phone 727-535-7314 or [info@alexanderspm.com](mailto:info@alexanderspm.com). Ryan Hudson is our representative and is usually in the Park on Tuesdays.

We also continue to appreciate your cooperation on our trash/recycling pick-up days. Trash in a covered trash receptacle will keep the streets clean and the animals and birds under control. An instructional flyer will be left at your coach's door when a proper trash receptacle is not implemented. Our Maintenance Team is doing a great job – thanks, Joe, James and Leo.

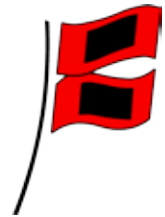

For those residents that make a purchase of any major appliance, be advised that the store/company from which you purchased that new appliance will usually take the older appliance with them when the new one is delivered at no cost.

Many thanks for all your steadfast cooperation.

## A MESSAGE FROM OUR PARK CHAPLAIN

Chuck Truitt, #173, 902-8094, email: [truittwc@aol.com](mailto:truittwc@aol.com)

**B**enjamin Franklin once said, *“Dost thou love life? Then do not squander time, for it is the stuff life is made of.”*

God had his Apostle Paul pen this in a letter to a church in Asia Minor, Ephesians 5:14–17 - *“Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil. Wherefore be ye not unwise, but understanding what the will of the Lord is.”* So, what would you do if you had a bank that credited your account each morning with \$86,000? It carried over no balance from day to day, allowed you to keep no cash in your account, and every evening cancelled whatever part of the amount you failed to use during the day, what would you do? Withdraw every cent every day, of course, and use it to your advantage!

Did you realize that you have just such a bank as that! That bank is The Bank of Time. Every morning it credits you with 86,400 seconds. Every night it roles off as lost if you failed to invest into a good purpose. It carries over no balances, it allows no overdrafts. Each day it opens a new account with you. If you fail to use the day's deposits, the loss is yours. There is no going back. There is no drawing against tomorrow.

Even better than having riches is having time. But just like money, you can invest your time in whatever you want. Some people choose to invest it in themselves by living in luxury, comfort, and wealth. Others choose to invest it in a company by working overtime, taking work home, and constantly working. And some people choose to invest in others by taking time to help a hurting friend, talking with someone in need, and loving those around them.

How would Christ invest His time were He here? The answer can be found by examining His earthly ministry. While the Pharisees invested in religious teaching, Christ taught of His Father. While the tax collectors invested in their own wealth, Christ invested in heavenly wealth. While the Romans invested in conquering lands, Christ conquered sin and death.

The Lord spent His time investing in others and in the work of God. How will you spend your time? Will you be like the Pharisees, tax collectors, or Romans? Or will you, like Jesus, invest in God’s kingdom and in the lives of others?

Determine today to think of others before yourself. Take time to help someone. Spend a few more minutes of your day showing someone else how they can know Christ. The best returns you get won’t be from your investment in a bank, but from your investment in the lives of others.

If you are away from the park at any time, you can view our Forum newsletter in full color - go to [www.monthly-media.com](http://www.monthly-media.com). It looks terrific! You will also be surprised to see how many other parks are serviced on a monthly basis by our publisher. There are 5 zones, 60 parks, and over 21,000 homes! Four Seasons is listed in the Sandpiper Zone. The newsletter on line is available each month between the 1st and 4th of the month.

I encourage you to check out the Services Directory printed each month in our Four Seasons Forum; use the vendors listed and thank them for choosing to advertise with Monthly Media. Our newsletters come to us without charge due to the advertising in each issue.

## SOCIAL ACTIVITIES CLUB

*Tom Ritchie, President, Social Activities Club, #110*

---

Well, your Social Activities Club is gearing up for a fun-filled winter of activities and special events. Friday Night Bingo starts this month with Betty G. and her team. Be sure to remind your neighbors and friends.

A Craft Show is scheduled in December, our Annual Flea Market and Murder Mystery Show in January, Tea and Fashion Show in February – what fun! All of our events can only be successful if you join in – and volunteer to help where needed. If you would like to host a dinner, potluck, or other group activity for the winter months, be sure to contact Bob Mendes who manages the calendar. It's important to have your date locked in early so there is no conflict.

## MUSIC AND FRIENDS

*Art Payne, #429, 286-7877*

---

It's that time again when we get together in the clubhouse for a fun evening of music-making with our friends. Our first night is scheduled for Wednesday, October 19th. If you would like to sing or play an instrument, contact Art. The more, the merrier!

## RECYCLE ITEMS IN THE CLUBHOUSE

---

**D**on't throw away those old cell phones, eyeglasses, or flags. They can be recycled! There are baskets in the credenza in the clubhouse (by the office) – we gladly accept your items for recycling. Also box-tops for education are collected and brought across the street to Fuguitt School. **The annual flag retirement ceremony is scheduled for November 12.** A small group of faithful helpers have spent several hours after KK to help Joyce prepare the flags for the ceremony. I'm sure we'll do it again (even a couple of times) this month so that all will be in order by November. Thanks for your help!

## VETERANS WALL OF HONOR

*Dan Gregorio, #378, 584-8236*

---

**T**hank you, veterans, for your service. If you have served in the military, we would like for you to take your place on the Wall of Honor in our clubhouse. We would like to have a picture of you in uniform and a current picture. Pick up an info sheet from me or Desiree in the office, to provide certain stats and I will prepare them for the wall. You may also drop off your photos and info to Desiree or me. You'll notice that a small dove is placed on the photo of those park veterans who are deceased. We are very proud of each of our residents who served our country. And we are very proud of our Wall of Honor – it is a beautiful tribute to all of our Park veterans.

## VETERANS DAY/REMEMBRANCE DAY SERVICE 2016

*Dan Gregorio, Lot 378, 584-8236*

---

**M**ark your calendars and plan to attend our Annual Veteran's/Remembrance Day Service. Show your thanks and support to our men and women actively serving and to those who have answered their country's call to duty in the past. The Service is on Friday, November 11th at 11:00 AM in the Four Seasons Clubhouse. We will begin the Service at 11:00 AM sharp, so plan to arrive at least 15 minutes early.

Lorraine and Frank Meinert, #221

---

**A** trip to Missouri to visit the Wrights - We left the Greater Pittsburgh Airport on June 11th, flying into Chicago then into MC airport in Missouri. After recovering our luggage, we started for the exit and heard this loud “HEY”. We recognized the voice of Don, who came to pick us up. He drove us to the DAV club to pick up Pat and have some refreshments. Then a short drive to Raymor (their area), stopping for dinner, then on to their beautiful house.

Sunday morning after attending Mass and breakfast, we drove into Kansas City to visit a museum displaying the steamboat Arabia. It sunk in the Missouri River in 1862 (the ship was built on the Monongahela River a few miles up from Pittsburgh). In 1987 it was located under 45 feet of dirt. After 20 years of excavation, most of the 200 ton payload was uncovered in pristine condition. Amazingly, some of the jars of food were still edible.

In the afternoon we took a trolley tour of Kansas City and left the next day for Branson where we saw a great 50’s show. Tuesday we went to another show, visited the Casino and in the evening went to see the Japanese violinist, Shoji Tabuchi.

On Wednesday it was back to Raymor. We visited the dog and horse tracks where Don worked for 15 years. Then off to another Casino, where I recovered all my losses, plus a little extra, which Lorraine took and lost! On Friday, the Wrights cooked a wonderful shrimp dinner, which we shared with Pat’s brother, Jerry. We also visited with their granddaughter in Kansas. We had fun singing and guitar playing and, before we knew it, it was Saturday and time to leave. We enjoyed a final dinner/fish fry at the DAV club. So much food and refreshments! We had a safe flight home after a wonderful week with the Wrights – memories made with good friends!

## HERE WE GROW AGAIN!

Desiree Jenkins, Office Manager, phone (727) 584-1413, email [DJenkins@associagulfcoast.com](mailto:DJenkins@associagulfcoast.com)

I'm very happy to welcome Jack and Cindy Stiles to our Park – they are the new owners of #484. A new home at #480 is complete and for sale. Lot #366 is also available for anyone wishing to put their own new home at this location.

I am a licensed agent and our Park Agent of Record. I have completed the necessary courses and became licensed through the State of Florida as a sales representative under the Four Seasons Estates Dealership License to sell Four Seasons inventory homes ONLY.

It is a pleasure for me to be working with the ROC Board, FSE Management and our

newest homeowners. Please contact me at the phone number above or email me if you have any questions about our New Home Program.

## RENTAL CONNECTION

Bob Mendes, [bobm@fourseasonsestatesroc.com](mailto:bobm@fourseasonsestatesroc.com), 727 437 2340 or 781 326 7685

---

**B**y way of the ROC web site, I receive upwards of 100 inquiries a year looking for seasonal rentals. My stock response has been "sorry, there is no central listing of homeowners desiring to rent out their homes".

The ROC board of directors has authorized me to create a simple list of owners willing to rent, which I would then send out to anyone inquiring about a rental. This is being done as a service to all owners in the park. The list will consist of owner's name, lot number, contact info, single/doublewide, number of bedrooms and baths, and months available. It will NOT include anything about rental terms, promotional descriptions, or anything else that implies recommendation. The interested party will contact you and you can then "do your magic" to negotiate a deal.

If you want your home to be listed, you can pick up a form from Desiree or just email the information to me.

## RESIDENT UPDATES

Angela Shuman, #144, red5hot0moma@hotmail.com, phone, 727 200-3240

---

**N**ot sure where summer went but we are now into the autumn of the year. Our northern friends/family will be returning to 4 Seasons over the next couple of months and I would like to wish them safe travels.

We have some new neighbors: Prescott Arnold just moved into Lot 460 and he is from St Petersburg and will be a full time resident. Also Missy and Brutus Leslie moved into Lot 137 and will also be full time residents. Lloyd Wilson and Kathy Simmons just moved into Lot 138 full time. I would like to welcome you all to our family and invite you to join us in the clubhouse on Wednesday mornings for Koffee and donuts. Doors open at 8 am while our weekly meeting starts at 9 am. This is where we bring residents up to date on birthdays, anniversaries, and activities for the next week – some weeks we have a special speaker. The cost is 50 cents with free coffee/tea refills. Hope to see you soon.

Just received notification that Pete Hanson, Lot 230, will now be living in Anchorage, Alaska with his daughter and son in law (Patti & Bob) I have posted his new address on the board. Sandy Kurt, Lot 192, had hip replacement surgery and is home recuperating.

Eileen Kelly, Lot 454, is home from rehab. We signed a card for her 94th birthday in August. Congratulations Eileen. Lynn Wheal, Lot 235, had surgery and is home recovering. Chris Helopoulos, Lot 372, was admitted to hospital but is home recovering.

Moe Ducharme, Lot 106, passed away on September 2nd. Also Isabel Tramble's, Lot 181, sister Claire MacDonald, passed away August 30. We extend our sympathies to the families and friends.

## FOUR SEASONS TELEPHONE DIRECTORY

Angela Shuman #144

---

**W**e have a new 2016-2017 Park Telephone Directory (yellow book). The summer residents received their copy delivered with the September newsletter. Returning residents can pick up a copy from Desiree in the office. If you are new to the park or need to change your information as listed, Desiree has the appropriate form.

These directories come to us from Dial Directories, Inc. at no charge thanks to the advertising of the various service providers. And to ensure your privacy, I also urge you not to give your directory to anyone outside of our community.

## OFFICE HOURS

**F**SE Office hours are Monday-Friday 9-3PM. The office phone is 727-584-1413. Please be sure to see Desiree if you need to update your emergency contact information or address/phone. It's also important to notify Desiree when you leave the park for any extended time (or when you return for the winter months). This assures the safety of all residents to know which homes are occupied or unoccupied.

## FLORIDA TROPICAL STORM SEASON JUNE - NOVEMBER

*Submitted by Angela Shuman*

---

**T**WO MORE MONTHS TO GO! We had more than 16” of rain with a Tropical Storm and then Hurricane Hermine the last week of August. But the Park did well – no major damage or flooding – we can be thankful for that. However, we still need to remain vigilant. Let’s not be caught off guard!

Because we live in a mobile home we are required to evacuate in case of a hurricane. Where will you go? Do you have your medications at the ready with a supply of them in case you are gone for an extended length of time? What about food and water and clothes, etc?

First thing - where would you go? Friends or family? Hotel? Do you need help by police/fire - there are forms that must be filled out and turned into them before a disaster strikes. Which hotel would you go to? How long will it take you to get ready to leave? Remember you have to also prepare the outside of your home - bring in “flying” objects like outside chairs, tables, plants, decorations, BBQ grills, etc. how long will this take? Put your awnings down! Will you need help? Fill up your gas tank before the storm is upon us - the gas pumps won't work if no power! Do you have cash in case there is no power and you can't withdraw from an ATM - most stores won't take a credit/debit card.

**FOOD?** What do you have in your evacuation kit? Put high protein non-perishable food items like tuna, chicken, beans, peanut butter, spam, maybe some dry cereal cups, crackers. How about non-refrigerated milk? Can opener? Plastic utensils, paper plates, napkins.

**BEDDING?** If you have to leave do you need to bring bedding supplies with you? Your favorite blankets or pillow? What about bath towels?

**CLOTHING?** What will you need for a couple of days? What about a week? Take warm clothes in case of a chill? Rain gear? Footwear? Anything special?

**MEDICATIONS?** Do you have your medications together? Do you have enough for a couple of weeks in case pharmacies are closed or shipments can't be delivered? If the medications are in the refrigerator do you have a note in your evacuation kit to remind you to grasp. Do you need needles? Alcohol swabs? Do you have a first aide kit at the ready?

**DO YOU HAVE A NOAA weather alert radio/device?** Make sure you have it on and if it needs batteries put them in just in case of an electrical outage. Are you listening to the weather to keep track of updates? **DONT PANIC BUT BE PREPARED!**

**IMPORTANT PAPERS:** take them with you. If you have a fireproof box, take it with you! Let your family and friends know where you will be staying for the duration. Let the office at 4 Seasons know where you are going and when you are leaving. Let the office know when you return to your home.

Most of the local newspapers have hurricane readiness information and this came from the Verizon/Frontier telephone book. God bless us and keep us safe.

## MONTHLY MEDIA NEWSLETTER DISTRIBUTION

Mandi Harman-Ashley, #373, 255-2437

We are asking all residents to provide a container for their monthly newsletter. You could use a basket or box or purchase one of the park mail pouches made by the Monday Craft Club. Even if you are a seasonal renter, you still need a receptacle. The publisher delivers only enough newsletters for our park – one per coach. We generally don't have any extras and many are blown away or get wet unless there is a park mail pouch. If you don't get a newsletter delivered to your door, please pick one up in the clubhouse on the credenza by the office, after the 1st of the month.

These are our current Four Seasons Forum delivery people. If you would like to help out, please let Mandi know.
