Four Seasons Estates Roc, Inc

Dan Gregorio President, 727-584-8236 Lot #378, email: dmgreg@aol.com

Hello FSE,
Well, the weather in the Buffalo, NY area is certainly telling us that it's time to head south. They're calling for temps in the low to mid 30s with snow in the higher elevations of our southern tier. BRRRR. Jackie and I hope you all enjoyed your summer and have remained healthy wherever you are.

Work on the installation of the new water valves has been completed and we will probably move into the final phase of this project in mid November. This will allow us to identify what valve or valves shut off the water to the various sectors of the Park. We will be asking residents to volunteer to help with this phase of the project to determine which homes are affected by which valves. If you will be in the Park during the period in mid November and would like to

volunteer to help, please contact Desiree and she will put you on the list. If you will not be in the Park at that time but have someone in the Park that looks after your home, please contact them and authorize them to monitor your home. The more help we have the faster the project will be completed. Thank you all in advance for your support and participation.

Now, to another matter. It has been reported that some of our residents are still feeding the animals (birds, cats, ducks, gators, etc.) in our Park. Let me remind all that it is against Florida State law to feed wild animals. State animal control has a zero tolerance policy regarding this law and will assess individuals a very significant monetary fine to those who violate the law. A word to the wise should be sufficient, but evidently for some it is not. I guess it will take somebody actually getting fine before it sinks in. If so, so be it.

HOMEOWNERS ASSOCIATION

By Gary Skelding, President email: gn.skelding@hotmail.com & JaniceLamore, Secretary at hotdancer2@comcast.net

The H.O.A. is still collecting \$20 per coach for 2014 annual membership dues payable to Four Seasons H.O.A. Checks may be dropped off to Ernest Simon at Lot #103 or mailed to Ernie at the park as he is a full time resident. Our By-Laws are given with paid membership dues at H.O.A. meetings. Please note we need the support of every home owner for our Association in order to be a viable concern.

The next meeting of the H.O.A. will be on November 5, 2014 at 7 p.m. As it will be our first meeting of the season, it will be reserved for homeowners only.

If you have any issues or concerns to add to our November agenda, please provide to Janice Lamore at hotdancer2@comcast.net.

SOCIAL ACTIVITIES CLUB

Nora Skelding: gn.skelding@hotmail.com

Iam looking forward to the fall and lining up lots of activities for the 2014-2015 season. Eventually, I would like to see an “at-a-glance” calendar of a full season of events – for display which includes dances and other special events.

As mentioned in the last newsletter, I am putting my mind to the Annual Flea Market, which will need a chairperson identified THIS MONTH!! I asked in the last newsletter for a volunteer and haven’t had anyone step up yet..... hint, hint!! Please send me an email with your interest for the Chair position. I will be in the park from October 22 – November 24, so if you would like to discuss the role, please give me a call and we can arrange to meet. It’s a wonderful experience, and the past chairpersons have the process well documented to ensure

UPCOMING EVENTS: As some of November's events are still being confirmed, please watch the bulletin board for details. A WELCOME BACK dance is tentatively scheduled for Saturday November 8 from 7-11 pm., but confirmation wasn't available in time for submission of newsletter articles, so please watch the bulletin board at the clubhouse. Also, we would appreciate a good turnout for the Flag Retirement Ceremony (November 8th at 6PM) and Veteran's/Remembrance Day Service at the clubhouse on November 11th. Worldwide, we have lost soldiers fighting for freedom and human rights, so please make an effort to attend this service to honor those lost – whether from USA, Canada, United Kingdom or elsewhere. Their contributions mattered and we need to reflect on them and pay due respect for their service.

Nov 6 – SAC Meeting – 7 pm

Nov 8 – Flag Retirement Ceremony

Nov 8 – WELCOME BACK Dance (to be confirmed)

Nov 11 – Veteran's/Remembrance Day Service

Nov 19 – Tea & Fashion show

If you would like to reserve use of the clubhouse for any event, be sure to contact Bob Mendes at BobM@fourseasonsestatesroc.com to ensure it is available.

The Monthly Media magazine for mobile home parks changed ownership last month. We are working with the new owners on our issues regarding local companies who advertise and prizes that are awarded. So stay tuned. The new name of the newsletter is "Community Media".

I would like to acknowledge Mandi again for her efforts on the FaceBook page for our Board. It has been a great means to spread the word on important events in the park and was helpful in the notifications for water shut offs in the park last month. I know there are some who are not FaceBook users or supporters, but if it is just used as a means of communication within the park and sharing pictures and information on our events, it is worthwhile.

NEXT MEETING: The next regular SAC Meeting will be held on Thursday, November 6, 2014 at 7 p.m. Please attend to provide your input into the issues for discussion or ideas for the Board's consideration.

FOOD COLLECTION RESUMES FOR THE RCS (RELIGIOUS COMMUNITY SERVICES) FOOD BANK

Sponsored by the Social Activities Club

Paul & Jean Rumbold have kindly offered to continue the collecting of non-perishable food items at the clubhouse for the 2014-2015 season. There are large blue containers near the office entrance for your convenience. Please be certain that the items donated have not passed the "use by" date.

The RCS Food Bank distributes food to people at their Clearwater warehouse and delivers food to local food pantries, homeless shelters, domestic violence safe houses, soup kitchens and housing programs for the disabled and elderly to ensure access to food in the neighborhoods that need it most. Children, age 5-13 years are the largest demographic receiving food from RCS.

Thank you for your past and future participation.

COMPUTER CLUB

Bob Mendes, # 124, bmendes@comcast.net, 727 437 2340

The computer club meets on the first and third Tuesdays (and fifth if there is one) at 10AM. We will not be meeting in November -- first meeting will be December 2. All residents and friends with an interest in sharing and improving their computer skills are welcome. The computer club provides security-enabled wireless internet in the clubhouse. The name of the network is "ccnet2.4"; see any of us or Desiree for the password. There is no charge for park residents. In addition to problem solving, we can arrange to have small group sessions which cover diverse areas such as electronic book readers, pocket computers, internet telephone, and the "hidden" features which allow you set up security on the internet browser. Everyone around the world is experiencing more and more security problems, be they stolen passwords or infection with the incredible number of new viruses which seem to crop up nearly every day. Word to the wise -- be careful out there!

Because we've been so successful in past years, and newer residents tend to be very computer savvy, the beginners' class is no longer being offered. If you need help with a problem, please attend the regular meetings, where we will be very pleased to answer questions and offer advice to the best of our collective abilities.

ARTS AND CRAFTS

Cathy Mendes, # 124, cathymen@comcast.net, 727 437 2340

The crafts group meets every Monday morning at 10 through early April. First meeting is scheduled for November 17th.

We will have items for sale at the Tea and Fashion Show on the 19th.

Thank you for supporting us all last season. Remember, all proceeds from the sale of our items go directly to the Social Activities Club to support other projects.

Our group has continued to grow! Everyone is welcome! If you enjoy doing crafts of any kind, please come join us. You don't need to know how to sew but, if you want to learn, we'll be glad to offer some instruction.

The club meets every month throughout the season on the 2nd Sunday of each month. The November meeting, however, will be on the 3rd Sunday, which is November 16th. Although most of our members are from one of the New England States, we also have many folks from other northeastern states and Canada.

The annual Christmas dinner and party is scheduled for December 14th, once again at The Pub, followed by an evening of fun at the club house. Nancy will take care of a Yankee Swap. Sign up will begin at the November meeting. Final details at the meeting and in the December newsletter.

SAVE THE DATE -- February 22 -- dinner show at the Early Bird.

We look forward to seeing everyone this month to begin yet another great season.

Just a reminder, about the Flag Retirement Ceremony, that will be held on November 8, 2014 at 6 PM. This service will be performed by Boy Scout troop #321 from Pinellas Park. Everyone can participate by adding strips of the flag to the burning barrels. If possible, please bring your own chairs.

In the mean time please bring your flags to my home (Joyce/Chuck Fosdick, at 203), or put them in the bottom drawer of the plastic recycling box in the Activities room.

WELCOME LADY

Angie Simon Lot 103 telephone 330-612-5822

H! This is your Welcome Lady, Angie Simon, reminding all new residents that even if you do not want to have an interview with me, I would like to have some information such as your birthday(s) and anniversaries, if applicable, so this can be passed along to the newsletter editor. We would like to know when to announce birthdays, anniversaries, and special occasions at the Koffee Klatch meetings, and feel that all of you newer residents are a part of our friendly Community. Thank you, I hope to hear from all of you soon! Just give me a call.

Let's give Chuck and Jackie Dersom, who live in coach #344, a very warm welcome into our beautiful community! The Dersoms are from Columbus, Ohio and are full time residents. Chuck is a retired attorney and Jackie is a homemaker. Columbus was their home most of their lives. They moved here in April and are still getting settled. (As we all know, it takes time!) Chuck served as a navigator in the USAF from 1957 until 1959. They lived in Houston, Texas and also Vacaville, California during that time. Community members that they have met here have all been helpful in their transition, and they want to say how appreciative they are for the help. Their son lives in Largo and has also been a tremendous help to them. Chuck's birthday is November 11th, and Jackie's is December 9th. Their anniversary is February 6, 1957. Their phone number is (727) 330-6625. Give these fine folks a welcome when you see them. We are glad you chose to be a member of our growing Four Seasons family!

NEIGHBORHOOD WATCH (NHW) PROGRAM

Gary Skelding Lot 105 Email gn.skelding@hotmail.com

From a crime perspective, there has been nothing noted or reported in our park this past month. You may be aware of a shooting near the intersection of Ulmerton and Seminole in October – details of the event are available online through various news agencies but had no relevance to our park. Neighborhood Watch or Community Watch is not totally about crime in our neighborhood. It's about looking after each other to prevent crime in our park, or victimization of our residents.

NOTE: Please ensure any thefts, break-ins etc. are reported to police. As a courtesy, please let the office know so they can make everyone aware as well.

If you have donations for the shed needing to be picked up please call Allen Fullerton #437 at # 603-455-2783. Pick-ups can be arranged Tuesday through Thursday.

MEDICAL SHED

If you are in need of anything from the Four Seasons Medical Shed, please call Paul Rumbold, Lot 176, phone: 584-6685.

POOL ETIQUETTE

Fall is here, and our Four Seasons Pool couldn't be more welcoming! (Special thanks to Clay and his team for beautifying the patio and pool area – it's looks great!) Although we have days with a lot of rain, we seem to be in a dry spell right now! If the potted plants look like they need watering, please feel free to water them. There is a watering can by the hose along the back wall of the clubhouse. Thanks.

1. If you are the last one out of the pool, always be certain that the rope is secured across the pool. Please ask your guests to be aware of the importance of this as well.
2. If you are a smoker and use the 'butt' buckets – please clean them out once in a

while. Make sure the 'butts' are completely out before you put them in the trash can.

3. The life preserver is for emergencies only – it is not a toy – do not let children play with it in the pool.
4. Observe special times for your young visitors. Children under the age of 16 may use the pool between the hours of 10AM - 1PM and 5PM till dusk, and should be accompanied and controlled at the pool by their host/s or a designated adult.
5. Straighten the chairs and tables whenever you move them around – don't leave them for someone else to rearrange.
6. If you put an umbrella up – make sure you put it down and tie it when you leave the pool. Winds can blow up quickly - we wouldn't want anyone to be injured by a flying umbrella.
7. The green wrist bands serve to identify residents and guests – it's important for everyone's security to know who belongs here and who doesn't. **PLEASE WEAR THEM.**
8. Be sure to dispose of trash properly – there is a special covered can to recycle aluminum cans – do not put household/personal trash in the trash can – **NO GLASS ALLOWED IN THE POOL AREA** (this is for everyone's safety).

Treat the pool as if it was your own – actually it is!!

CLUBHOUSE SCHEDULING

Bob Mendes # 124, bmendes@comcast.net,
727-437-2340 or 781-326-7685 (both numbers work all year)

If you wish to schedule the club house for a function or private party, please contact me at least a month in advance so it can be placed in the calendar.

Thanks for your cooperation.

RECYCLING PROGRAM AND TRASH COLLECTION

We now have a recycling program, using your blue bins. The following items should be put into your blue bin:

- Glass jars and any color glass bottles
- Juice and milk containers
- all types of cans
- plastic jars and bottles
- clean papers including newspapers

- flattened card board
- shredded paper (only if placed in a paper bag)

NO PLASTIC BAGS OR STYROFOAM SHOULD BE PLACED IN YOUR NEW BLUE BIN. THEY SHOULD BE PLACED IN YOUR REGULAR TRASH CONTAINER. UNDER NO CIRCUMSTANCES SHOULD ANY TRASH BE PUT INTO YOUR BLUE RECYCLING BIN.

There are also recycling bins in the Clubhouse Card Room for eyeglasses, cell phones, flags, and Labels for Education. There are recyclable buckets in the clubhouse by the soda machine and by the pool shower. We will pick up trash and recyclables EVERY MONDAY AND THURSDAY. Please rinse any jars, bottles, and cans. THANK YOU FOR HELPING OUR ENVIRONMENT!

Trash may be deposited 24/7 in the garbage dumpster behind the gate in the maintenance area. Do not leave anything outside the gate. Our trash pickup days are Monday and Thursday – unless a holiday falls on the usual pickup day. This will be noted in the monthly calendar. Please put your trash in a can with a lid to deter animals from getting into it and spreading food, etc. all over the streets.

Also, please be sure to remove your blue recycle bin and other garbage cans from the curb as soon as possible once the trash has been picked up.

HELPFUL HINTS

Beryle Patton #202, 1hotgranny@tampabay.rr.com

This is something I can do each month, if any of you would send to me via email, your suggestions or idea that might be helpful to our many readers.

Once upon a time, we had a beehive in our backyard. I loved being an amateur beekeeper and we especially loved having a source of (really) local honey. Unfortunately, the kids didn't love the occasional stings from stepping on a bee, and we had a devastating winter and wax moths took over the hive. Our love of raw, local honey stuck around though, and while we don't use it that often in cooking or eating (since we try to really limit sugar and fructose), I still have many daily uses for honey.

1. As a Natural Face Wash

Sound strange? I thought so too at first, but after trying it, I am a believer. I usually use the oil cleansing method to cleanse my skin naturally, but if I wear makeup or need to wash my face more than once per day, I use honey. Honey is naturally antibacterial and is a much gentler way to cleanse skin than harsh soaps and detergents. It doesn't strip the skin's natural oils but can help soften skin and remove blackheads or whiteheads.

2. To Speed Skin Recovery from Cuts and Burns

The same antibacterial properties that make honey excellent as a natural face wash make it wonderful for speeding recovery from cuts and burns. Raw manuka honey is now being used in medical settings to help protect wounds (especially with burns) and speed recovery. I've seen it work several times in our family- once when my husband had a bad cut on his foot and once when I sliced through most of my finger with a spiral slicer. Regular raw/manuka honey can be used and I keep both of those on hand, but I also keep a specific medical-grade honey on hand since it has been verified to have a high concentration of manuka for additional antibacterial properties. I have the following three things at our house for burns and cuts: Medihoney Gel for burns and cuts; Medihoney wound paste; Medihoney wound dressings for big wounds.

3. Honey as a Cough Remedy

In the rare event that someone in our family comes down with a cold or flu, I use honey to make a natural herbal remedy. This is one of the most simple natural uses for honey. I combine herbs like Ginger, Cinnamon and Marshmallow Root with raw honey to create a natural cough suppressant that also boosts the immune system to help the body bounce back more quickly.

4. Herbal Cough Drops

If you're feeling really ambitious, you can even make herbal cough drops with honey and herbs. I'll warn you, it can be tricky to get just right and really frustrating if you lose a batch, but if you manage to get them just right, the resulting cough drop is really effective and free of the artificial flavors and dyes that most cough drops have.

5. Honey Shampoo

Honey isn't just food for the skin- it is good for hair as well. I usually use my homemade mud shampoo or my coconut milk shampoo, but sometimes, when I want my hair to be extra silky, I'll wash or rinse with raw honey. The method is simple: just massage a small amount of honey into the scalp and hair and rinse. It is like a shampoo and conditioner in one and it works really well. I often follow this with my homemade sea spray if I want extra volume or just let my hair air dry for super-silky hair.

6. For DIY Marshmallows

Store bought marshmallows are a disgusting combination of corn syrup, sugar, cornstarch, emulsifiers, and artificial flavors and colors. Traditional marshmallows (while still high in natural sugars) were a much better alternative of real food sweeteners and gelatin (which has many benefits itself). We don't make them often, but occasionally we make homemade probiotic marshmallows with real marshmallow root, raw honey, probiotics and gelatin. These are a great treat for the kids without the artificial ingredients.

7. Natural Sleep Aid

I don't usually have trouble sleeping, but when I do, I have a simple go-to remedy that has never failed me. I simply scoop out a teaspoon or so of raw, organic honey and sprinkle it with about 1/2 tsp of salt. Instant sleep. From my understanding (thanks to my wonderful doc), in a perfect world, we would have a natural cortisol spike in the morning, which would slowly decline through the day and reach a low at night. This isn't happening in most cases, many people have elevated cortisol in the evenings. It is important not to consume carbs in the morning. Consume them in the evening since carbs naturally raise insulin and lower cortisol. You don't want this in the morning, but when it is hard to fall asleep, this is exactly what you need. It sounds crazy but it works wonders. Author unknown.

would probably be able to absorb some 1,096 joules of energy per second from our sun. They then calculated that to fly for eight hours at an altitude of 30 kilometers, our hero would require 207 billion joules to overcome drag forces and gravity. That means Superman's solar efficiency would have to reach over 600,000 percent (Earth's best solar cells have a 44.7 percent efficiency), which indicates that he would use more energy flying "up, up, and away!" than he could get from the sun—a violation of the laws of physics (specifically, the law of conservation of energy).

The students theorize that Superman must have either an alternate energy source or the ability to store up energy for future flights. Others might speculate that these guys have way too much time on their hands.

CLUBHOUSE DECORATING:

Mandi Harman Ashley, #373

We are looking for volunteers for upcoming decorating of the clubhouse for the holidays, especially Christmas. We will need helpers for both interior & exterior to make our park festive. We are only asking for 2 hours of your time. The interior decorating will be Sat or Sun. following Thanksgiving. You DON'T need to be a decorator. Ladder & decorations holders are needed. Bin carriers are needed. If you can help put together the trees it would be wonderful. Can you string lights?

This year we plan to have a large card tree in addition to a much larger main tree which will need lights. We have lights & lots of decorations. Last year 2 people did ALL the interior. It was exhausting. We need more help to really do it nicely.

PLEASE PUT THIS ON YOUR CALENDAR NOW – DON'T BE SHY - VOLUNTEER!

THOUGHT FOR THE MONTH

I'm Proud To Be A Veteran

I proudly served my country
I did all that I could do
To protect our land... keep it free
Its causes great and true

For freedom is a precious gift
That never can be lost
Worth living for... worth dying for
To protect at any cost

And thought I can no longer serve
You will always see in me
Someone proud to be a veteran
And someone thankful to be free
