GATEWAY ACTIVITIES ORGANIZATION

GAO as we are commonly known is responsible for the operation of the Gateway social activities. The activities in turn are the responsibility of a multitude of unpaid year-around and seasonal resident volunteers. The volunteer officers, President, Vice-President and Secretary are elected to two-year terms, the volunteer treasurer serves at the pleasure of the members. The GAO Steering Committee is made up of the appointed chairmen in charge of the various activities and meets monthly October through April to plan and co-ordinate the activities. Residents with interest in any of our activities and events and especially new residents who wish to become a part of the active Gateway ‘social’ scene will find the monthly meetings provide an informative overview of activities. Information about our GAO is available from any of our Steering Committee Chairpersons or by contacting the officers or editor of NewsNDos.

GAO SUMMER SEASON

Summer is upon us and along with the heat comes our Summertime Activities. Last month featured our Memorial Day Picnic and I am sure a good time was had by all who attended. June brings our Annual Summertime Carport Sale. If you haven't signed up for this as of yet please contact Dorinda Barnes at 727-578-5471. Hopefully the weather will cooperate so this comes off without a hitch.

Don't forget we also have a monthly Koffee Klatch and Potluck supper. Sewing Central is also going on each Tuesday morning for any of our ladies who wish to sew and do crafts or play games. As you can see there are things going on at the Clubhouse throughout the summer.

Watch our bulletin boards and display cases along with the NewsNDos monthly calendar for notifications as to when each of these activities will be taking place. Hope to see you all there!

For all our seasonal 'Snow Birds,' I hope you all have a safe and wonderful summer. See you soon.

Cheryl Welch-Williams, President GAO Activities

SEWING CENTRAL

Ellen Mickelson

Our wine glass painting class turned out to be so much fun everyone asked when we could do it again. Since so many of us are leaving for the summer, we may have to wait until the fall. I would like to thank Gail for all her help in organizing and teaching our glass painting class. We had about 14 attend and their glasses turned out beautiful.

We continue to meet in the sewing room each Tuesday and play games, sew or do crafts. The second Tuesday in May we had around 11 people come to the Clubhouse. We played games and then went to the Outback Steakhouse for lunch. We enjoyed the food and most of all the company. Hope we see you on any Tuesday for fun and games.

Everyone is welcome.

SUMMER POTLUCK SUPPER

Our first Potluck Supper will be Wednesday, June 15th at 5pm. Please bring a covered dish to share and have a fun filled evening with friends. We will be showing a movie after dinner. The Summer Potluck Supper is a once a month event held on the third Wednesday of each month, June through September.

Further details please contact:
Dorinda Barnes 727-578-5471.

WELCOME TO GATEWAY

Pat Oliverio and Emma Nebel

This month we would like to welcome Jayne Naska who moved to Bay Street in 2015. Jayne works investigating credit card fraud and has pets, Coco and Teano. She makes jewelry, enjoys dancing and kayaking and is interested in coming to our clubhouse activities.

Gary Allen lives on Bay Street and came to Gateway this year. He has 2 children and 1 grandchild. Gary is a retired police officer from Saint Louis, Missouri and is currently a college professor at Saint Petersburg. He has a dog, Joseph, enjoys motor cycle riding and loves the neighborhood here at Gateway.

We welcome Jayne and Gary to the Gateway Community!

GATEWAY MEN'S GOLF

Gateway golfers have been splitting their early morning Tuesday and Friday rounds between Mainlands Golf Club and Cypress Links at Mangrove Bay.

For you new golfers at Gateway, we play twice weekly (early mornings) Tuesday and Friday. Mainlands Golf Club offers a very affordable Back 9 with a cart for the first 6 tee times. Cypress Links is Par 3, comparably priced with Mainlands with a cart, though some choose to walk. Cypress Links is located east of 4th Street off 62nd Ave North, while Mainlands is accessed off US 19 just north of Walmart/Park Blvd. Each are between 10 and 15 minutes from Gateway. Following our round we often stop for coffee and chat at the 4th Street McDonald's just south of Gandy or breakfast at Spring Gardens on 62nd Avenue.

NEWS FROM THE FRONT POND

Our pair of swans do not appear prepared to nest and start raising a family. Our lone swan at the back pond is getting on famously.

RUMOUR MILL

Last count showed the Park with 13 empty lots, and three (3) singles FOR SALE on Bay Street, and; two (2) double-wides and four (4) singles on 1st Way. Needless to say the park is full.

There have been reports of thefts from yards and carports in the park, some even during the daytime hours. So take care to secure your belongings and be watchful for people lurking about for no apparent reason.

THOUGHTS ON MOTHERHOOD

One of the best things about raising children, is that you get to relive your own childhood. I had a wonderful childhood and I wanted to give that to my children and maybe I did because I remember mostly great times with them as they were growing up. Some of the times were harder than others, but the good was so much more than the not-so-good.

I wanted to spend part of Mother's Day looking thru photo albums to help me remember some of the special times I enjoyed in my own growing up years then look at pictures of my children thru their own growing years.

OH! I am sure there were negative times in both sets, but I don't think there were that many and I have chosen not to dwell on them, but to remember all the good ones.

To all my family –Great and Grand- as you go thru your daily life, try to fill it with so much good stuff so you can enjoy it over and over again in the future. Take a lot of pictures so you can help yourself to recollect experiences when they begin to fade. Hold on to the good and happy, pack away the sad.

Enjoy and re-enjoy your childhood and your childrens' lives thru adulthood over and over until Happiness is all that is left.

BY LANA KENNEDY 5/8/2016

GATEWAY LET'S CONNECT

June Boudreau, Coordinator

Want to be reminded of the activities schedule for the park? Then join in Let's Connect by sending your e-mail address to juneboudreau3@aol.com with a Subject Line of Let's Connect.

Let's Connect is a great way to stay aware of those once a month Gateway activities that we usually remember just hours before or the next day after the event. Event emails usually arrive a few days ahead but just in time for you to adjust your schedule and post a reminder to your calendar.

The Let's Connect notices now go to over 100 throughout the Park and is a great way to be reminded of events and regular activities.

Did you know that June is also...

Adopt a Cat Month. Thousands of cute cuddly kittens and mellow older cats are waiting in shelters across the country for someone to take them home. Members of the shelter staff are ready to help you adopt your very first cat or bring home a friend for another beloved cat.

Alzheimer's and Brain Awareness Month. Around the world 47 million people are living with some form of dementia, and that number is expected to climb to 76 million by 2030. Learn how to maintain your brain's health, and help raise awareness and support of research aimed at treating brain illnesses.

National Zoo and Aquarium Month. Explore your local zoo and aquarium as well as the websites of America's great zoos and aquariums. Many of them have excellent educational resources—photographs, videos, facts, lesson plans, and activities for the whole family.

PTSD Awareness Month. Post Traumatic Stress Disorder can affect anyone, and its effects are felt throughout every community. The purpose of PTSD Awareness Month is to encourage everyone to raise public awareness of effective treatments and to help all those affected by PTSD.

Sun Safety Week, June 5-11. Sponsored by The Sun Safety Alliance, which believes that a focus on skin cancer prevention, education, and awareness will improve public knowledge of the importance of sun safety.

Men's Health Week, June 13-19. Celebrated each year during the week leading up to Father's Day to heighten awareness of preventable health problems and encourage early detection and treatment of disease among men and boys.

Superman Week, June 9-12. An event held in Metropolis, Ill., to celebrate the adventures of the Man of Steel in comics, film, and TV.

Animals Rights Awareness Week, June 19-25. An annual event to raise awareness for the care and concern for animals of all varieties and to educate the general public about the humane treatment that all animals deserve whether they're someone's pet, wildlife residents, residents of a zoo, or raised as food sources.

National Running Day, June 3. Put on your running shoes and some sunscreen and go out for a run!

Father's Day, June 19. Remember your dad—and fathers everywhere—on this special day.

Teach children or grandchildren this important skill

Problem solving is a skill that's valuable throughout your children's lives, from school to their adult careers. You can teach your children how to tackle any problem they're facing by sharing these steps:

- Identify the problem. This is the most important step, and often the most overlooked. Your child can't solve a problem until he or she can state what it is.
- Come up with a list of solutions. Brainstorm possible solutions, even ones that initially seem farfetched. Just keep the ideas flowing.
- Assess each idea. Now is the time to evaluate the merits of each idea, weighing the pros and cons thoroughly.
- Pick one or two ideas. Have your child pick the top two solutions and give his or her specific reasons for choosing those possible solutions.
- Put the decision into action. Before going forward, talk about possible outcomes. What are the potential obstacles? What help can you expect? How can you avoid traps?
- Evaluate and learn. How did the solution work? What changes need to be made to make it work better? What would your child try the next time?

The hungry thief

Joe and Sam went into a bakery. When the cashier wasn't looking, Joe quickly slipped three doughnuts into the pocket of his jacket.

"What are you doing?" Sam whispered. "You just stole those!"

"So what?" Joe asked. "Nobody saw a thing."

Sam waved the cashier over. "Give me a doughnut, and I'll show you a magic trick."

Intrigued, the cashier handed over a doughnut. Sam ate it, then asked for a second one, and then a third.

"So what's the trick?" the cashier asked, skeptically.

"You know where those doughnuts are now?"

The cashier frowned. "Where?"

"Look in my friend's pocket."

Coffee may keep you healthy

Is drinking coffee good for you? A recent article on The New York Times website linked to a number of different studies touting the positive effects of caffeine on several different health problems. They include:

- Liver damage. A review of data collected by studies of more than 430,000 people found that coffee may lower the risk of cirrhosis of the liver, a disease associated with overindulgence in alcohol (among other causes).
- Tinnitus. Researchers kept track of more than 65,000 women and found that those who drank more than one 8-ounce cup of coffee a day were less likely to suffer from tinnitus, that persistent ringing or buzzing in your ears.
- Auto crashes. A study of truck drivers who routinely work on long hauls found that coffee drinkers (or consumers of other caffeinated drinks) seem 63 percent less likely to be involved in crashes while driving.
- Melanoma. An analysis of health and dietary data involving more than 400,000 people ages 50-71 found that those who drank four or more cups of coffee a day were 20 percent less likely to develop skin cancer. (The researchers cautioned that avoiding exposure to the sun's ultraviolet rays is still the most important way to avoid melanoma.)

State of health: What's the best place for you to live?

Where you live may affect your health, at least according to the Gallup/Healthways Well-Being Index. Their most recent report (using data from 2014) ranked all 50 states in order of health. The top 10 healthiest states?

- Alaska
- Hawaii
- South Dakota
- Wyoming
- Montana
- Colorado
- Nebraska
- Utah
- New Mexico
- Texas

The least healthy state, according to the Index, was West Virginia. The Index looks at a variety of factors, including purpose, social relationships, financial stability, community, and physical health.

Get more from your to-do list

A to-do list can help you organize your time and energy effectively, but successful people know that it's just a start, not an end in itself. Get the greatest impact from your list by following this advice:

- **Start the night before.** Instead of making your list in the morning, finish your day by planning tomorrow's work. You'll arrive fresh and ready to tackle your most important tasks right away.
- **Keep it short.** A list of 100 items is intimidating. Limit your to-do lists to tasks that add maximum value to your organization, not routine busywork.
- **Prioritize your tasks.** Don't list items at random. Decide which job to tackle first, second, and third so you don't waste time on less important tasks.
- **Categorize your tasks.** After you've identified your two or three most important jobs for the day, go through your list and group similar tasks together—answering phone calls and emails, meeting with co-workers, organizing various projects. You'll get more done by not switching between different kinds of tasks all day.
- **Get specific.** Include the results you want, not just the name of the task. "Work on Johnson report" doesn't give you a goal; "Finish Johnson report by 3:30" will help you focus on what you want to achieve.
- **Expect the unexpected.** No matter how organized you are, interruptions will occur. Build in enough time to deal with them so you're not thrown off by the day-to-day demands of the workplace.

Quick Thinking

A stockboy in the produce section of the supermarket one day had a customer who asked to buy half a head of lettuce. The stockboy told him that they sold only whole heads of lettuce.

The man insisted that he didn't need the whole head and wouldn't pay for a whole head if he wanted half of it. Finally the stockboy said he had to ask his manager about the situation. As he walked into the back room, the stockboy blurted out: "Some jerk out there wants to buy only a half a head of lettuce."

The manager's eyes grew wide in shock. The stockboy turned around to find the customer standing right behind him

He quickly said, "And this gentleman here wants to buy the other half."

Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

14,492 manufactured home residents have won over \$130,374 since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or [mail your paid receipt](mailto:mail_your_paid_receipt@monthlymedia.com) to us at **Monthly Media • PO Box 1023 • Venice, FL 34284**. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.
