FROM THE DESK OF THE PRESIDENT

Kitty Wagner

Just some friendly reminders:

1. Rentals have a three (3) month minimum and a six(6) month maximum per calendar year. Any guest staying more than three (3) days must register at the office. Please, refer to the Documents you all signed agreeing to abide by those Documents.
2. Speeding! Please, check your odometer for your speed. You might be going faster than you
3. Please, observe the fifteen (15) mile per hour speed limit at all times.
4. Beautification will begin April 15th or possibly sooner depending on Board Member's schedules.
5. Pets! Dogs and cats must be on a six(6) foot leash when outside. Please, pick up after your pet. If you are impaired and unable to do so keep them in your own yard. Also, out of for your neighbors do not walk way up into their yards for your pet to do their business. **DO NOT FEED STRAY'S OF ANY KIND!** According to Pinellas County Animal Services if you feed own it and need to be prepared to take full financial responsibility for the animal. We have been getting a lot of complaints about cats spraying on outside furniture, grills, car tires, etc. That is an awful smell and it's tough to remove. The following is a quote from the Condominium Documents: "The owner of each pet shall be responsible for the behavior of his/her pet(s). This shall include any behavior of the pet which causes any disturbance or creates a nuisance within the Community."

"Failure of any Owner to abide by the pet restrictions will result in the right of the Association to require the removal of the pet from the Community on a permanent basis. The Rules & Regulations that apply to residents' pets also extend to renters and guests."

I am aware we have a stray cat, raccoon, and opossum problem. Feeding these animals is NOT going to solve that problem! Please, abide by the Condominium Documents! Thank you for your cooperation.

CARD PARTY LUNCHEON

Judy Lee

54 card players and 11 other guests gathered at the Belleview-Biltmore Golf Club on March 2 to enjoy lunch and cards. Chef Mark Thomas provided a great buffet lunch. I cannot praise the committee enough for their generous commitment of time and resources: Sue Archambault and Barb Mucci from Ways & Means, Glenna Fasold, Gertie Buswell, and Shirley Roslan who donated ALL the door prizes. Each card table group received new jumbo cards for their future games and Glenna "decked out the decks." Sue and Gertie baked. The Social Committee treasury also provided generously for us. Thanks be to each of you!

FROM THE SOCIAL COMMITTEE

Catherine Cutting, President

Spring is here! Glenwood will celebrate "April Fool's Day" with a pool party, April 1st at 4:00 p.m. Hot dogs and chips will cost \$2.00. Feel free to bring sides, snacks, friends, and be ready to participate in games.

A Pot Luck Dinner/Casino Night is scheduled for Friday, April 15th. Dinner will begin at 6:00 p.m. followed by Casino fun. Please bring one of your favorite dishes to share. On that note, in preparing that dish or side dishes for dinners, please consider the number of people who will be sharing your dish. Remember to bring your place setting. Coffee and soda will be provided.

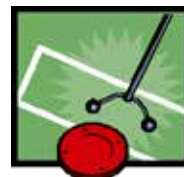

Social Committee workshop – April 12 @ 10:00 a.m.

Social Committee Meeting – April 16 @ 9:00 a.m.

SHUFFLEBOARD

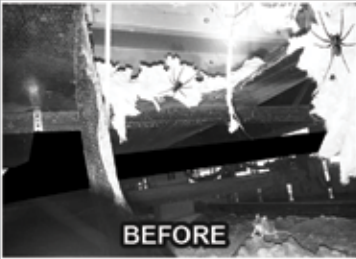

Joyce Herbort

The weather is getting warmer, and people are coming to shuffleboard at 3 PM on Monday's. Maybe you should give it a try! Just bring a quarter for prizes, and come to the courts at 2:45 Monday. Come play!

TOURS & TRAVEL

Carol Smerker & Joyce Herbort

Time passes quickly and if you haven't looked at the travel board or gone on a trip yet; you don't know what you may be missing out on. If something interests you, come and see Joyce or Carol to your name on the list for a trip. If you enjoy live shows you may want to see Chicago at Capones Dinner Theater which includes beer and wine. That show is April 14th; or maybe Grease at The Show Palace Dinner Theater on April 24th. How about Funny Girl at the Broadway Palm Dinner Theater in Ft. Meyers on May 1st; May 19th the show Menopause the Musical is at the Broadway Palm also.

There is a trip scheduled April 4th to Jellyrolls at Disney's Boardwalk Resort; April 7th a trip to Snook Haven with the Suncoast Banjo Society and BBQ; Key Lime Festival at Fisherman's Village may be for you or May 15th Disney on Ice. The sheet on the board is extensive and too long to list each trip or details. See for yourself at the travel board left of the office.

April Is...

Financial Literacy Month. With taxes due, this may be a good time to learn more about good financial practices. Are you ready to accept responsibility for changing your financial situation? Do you believe that you can and will change the way you make financial decisions? If so, it's time to start.

Month of the Military Child. More than 2 million children in grades K-12 have parents who are serving in our military. Make a difference in the life of a military child by seeking out opportunities to acknowledge their sacrifice, volunteering for organizations that support them, and recognizing their contribution to the nation.

National Autism Awareness Month. A nationwide effort to promote autism awareness, inclusion, and self-determination for all and to ensure that each person on the autism spectrum is provided the opportunity to achieve the highest possible quality of life.

National Garden Month. Gardening grows fun for the whole family. Whether you're digging in the dirt, enjoying the magic of a small seed transforming into a beautiful flower, or observing the bugs, birds, and butterflies, gardening is a delightful way to celebrate the coming of spring.

Weekly

National Robotics Week, Apr. 2-10. The purpose of National Robotics Week is to celebrate the United States as a leader in robotics technology development, educate the public about how robotics technology impacts society, and advocate for increased funding for robotics technology research and development.

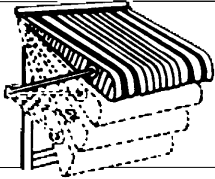

Animal Control Officer Appreciation Week, Apr. 10-16. This week recognizes the hardworking men and women who risk their lives and devote huge amounts of personal time and resources while serving the public and helping animals when no one else can.

National Environmental Education Week, Apr. 17-23. The nation's largest celebration of environmental education, EE Week reaches hundreds of thousands of students and educators across the United States with non-biased, high-quality, environmental education materials grounded in accurate, timely scientific information and tied to local, state, and national learning standards.

National Pet ID Week, Apr. 17-23. Collars and tags are a reliable way to identify your pets should they become lost. Make sure your dog, cat, or other animal friend always wears a current identification tag. Pet supply catalogs, stores, veterinary offices, and animal shelters often have forms to order ID tags.

April Fool!

It's April 1st—the day for practical jokes large and small. If you're looking for inspiration, remember one of the all-time great media hoaxes.

In 1957, the BBC's respected news program Panorama ran a story celebrating a bumper spaghetti crop in Switzerland—thanks to a mild winter and the near elimination of the destructive “spaghetti weevil.” The program included footage of Swiss farm workers pulling strands of spaghetti from trees and laying them in the sun to dry.

Although some viewers caught on—and chastised the BBC for playing fast and loose in a news program—others fell hook, line, and pasta ladle. Many even telephoned the network to ask where they could get their own spaghetti trees.

Make new friends all through your life

Building friendships and creating thriving social circles is a key component of good health throughout your entire life. From Mayo Clinic's HealthQuest newsletter come these suggestions for making new friends no matter how old you are:

- Take your pet for walks. Make conversation with folks who stop to chat.
- Join a hobby group.
- Volunteer in community groups or at a hospital, church, or school.
- Take a course at your local community college.
- Shape up while meeting new people in an exercise class.
- Get active in a social cause or goal.
- Go out to lunch with a work or social acquaintance at least once a month.
- Ask a small favor of a neighbor or co-worker, and do the same for him or her.
- Volunteer to usher at your local community theater.

Fast and funny

Looking to get a few quick laughs? Try some of these short zingers:

- Explaining puns to kleptomaniacs is hard because they always take things literally.
- What's the best thing about Switzerland? I don't know, but its flag is a huge plus.
- I told my doctor that I broke my arm in two places. She told me to stop going to those places.
- I asked my friend in North Korea what living there is like. He said he couldn't complain.
- I was wondering why the Frisbee seemed larger the closer it got. Then it hit me.
- Have I told you this déjà vu joke before?
- I didn't know my husband stole things from construction sites, but when I got home all the signs were there.
- They all laughed when I said I wanted to be a comedian. Well, they're not laughing now.

A bull by the tail

An old rancher filed a lawsuit against a railroad company when his prize bull went missing because a train damaged a section of his fence. The rancher only asked to be paid the fair value of the bull.

A date for the hearing was set, and the railroad sent a slick lawyer to represent it. Just before the hearing began, the railroad attorney approached the rancher and started to pressure him to settle the case immediately. After a few minutes, the rancher gave in, agreeing to half the money he was asking for.

After signing the settlement papers and handing over the check, the lawyer said, "You know, I have to admit, you would have won this case. The engineer was asleep and the train was going too fast when it passed your farm."

The old rancher shrugged. "I was a little worried myself. The darned bull came back this morning."

The planets: A quick tour of our solar system

Think you know a lot about the solar system we live in? The UPI website shares these intriguing facts about Earth's local neighborhood:

- **Mercury.** The planet closest to the sun can reach temperatures of 800 degrees Fahrenheit, but also a chilly low of -279 degrees at night.
- **Venus.** Farther from the sun but hotter than Mercury, Venus's surface has an average temperature of 875 degrees, hot enough to melt lead.
- **Earth.** Our rotation is slowing, but don't panic. The decrease is only about 17 milliseconds per 100 years, so we won't have 25-hour days for 140 million years. 
- **Mars.** Looking for a rock from Mars? You can find them here on Earth. Meteorites from the red planet have been discovered in the Sahara, Antarctica, and other places.
- **Jupiter.** This gas giant has a magnetic field so powerful it draws space debris into its orbit, thus protecting the inner planets.

- **Saturn.** Saturn is famous for its ring, but they aren't unique. Jupiter, Neptune, and Uranus also possess rings, but they're harder to see from Earth.
- **Neptune.** Winds on Neptune can reach a speed of 1,500 miles per hour or more.
- **Uranus.** All planets rotate, but only Uranus does so on its side. Scientists speculate that a collision with another large object may have caused its tilt.
- **Pluto.** The dwarf planet really is small, relatively speaking. With a diameter of just 1,475 miles, Pluto is much smaller than the continental United States.

TO RAISE NEW QUESTIONS, NEW POSSIBILITIES, TO REGARD OLD PROBLEMS FROM A NEW ANGLE, REQUIRES CREATIVE IMAGINATION AND MARKS REAL ADVANCE IN SCIENCE.

At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.
