Board of Directors

Please keep in mind that the members of our Board of Directors are volunteers. While we have an exhausted listing of residents who volunteer on a regular basis, the members of the Board work diligently every day to oversee the operations of our community.

This includes an operating budget of \$750,000; a reserve budget of \$300,000; overseeing our facilities including the pool; irrigation, services throughout the community, such as pest control, lawn care, trash disposal, security, and maintaining the appearance of the park. Keep in mind that neighboring communities pay in excess of \$700 per month for the services Glenwood provides at \$190 per month. The Board needs the help of this community to continue to provide the services that we will enjoy. Please consider volunteering. I am also requesting that our

Board members are treated with the respect they deserve. We not indentured servants. I would like to extend my sincere gratitude to every member of our Board for their dedication to this community.

Thank you for your consideration.

I want to express my gratitude to all Glenwood Residents for their patience during this very difficult time. Our residents have been more than patient looking at our beautiful pool, wondering if we would ever get it open. They have been following CDC guidelines as we slowly move toward getting back to some sort of normalcy.

Stay safe and Thank You for your consideration.

GLENWOOD NEEDLEWORK

We are adjourning for the summer season. We will be beginning again in the fall on Monday October 12, 2020 at 10:30 am. I hope all of you and your families stay well this summer. I'm looking forward to seeing some new members this fall. If you would like to learn to crochet or knit something small, such as a gift for a grandchild, maybe a red hat? We look forward to getting you started.

Barbara Strachen

LIBRARY

Why do the library shelves look so empty?

This is a question I've heard lately. For your information, when residents return in the fall, many bring in shopping bags, boxes, etc. of all the books that they read during the summer. At that point our shelves are bulging! We were running out of room, the board had two choices . . . buy more book shelves. . or purge the books. A few years ago, I started removing books older than 2000, then 2005. This year with the help of friends, we thoroughly deleted soft cover books older than 10 years, as well as all the duplicate books. We won't do another purge until we run out of room again. *What do we do with these books?* They are donated to the Library. (I believe these are the books sold by the bag in their resale shop.) Marge Giroux

Volunteers

Even though residents in Glenwood have not enjoyed social gatherings for at least 90 days, we appreciate our two volunteers who prepare for monthly events. Jan Troke assures that a host or hostess for the Singles group has arranged for a luncheon site and that everyone has a ride. Jan Kearney assures that a hostess for the First Tuesday of the Month (usually called the Mad Hatters) group has secured a site for these luncheons. We hope that both these ladies will soon be busy with their volunteer activities when Glenwood is allowed to re-open for social business.

Saturday coffees have not been scheduled for at least 14 weeks, but our volunteer music committee pianists are ready when we are allowed to gather again. We appreciate Jerry Archambault and Maxine Lasecki who have talent, training, and willingness to practice for events as they occur. Thank you both and hope to see and hear you soon. Judy Lee

Editor's Comments

I was hoping as I wrote a few remarks from the editor this month that our crazy world would be seeing some signs of healing. While some countries are trying to open up others are remaining shut down for a while longer. No one knows what the right answer is as we are all in a different circumstance. The statistics I have included are for the 5 hardest hit countries. Today is May 13th .You can get daily updates about the pandemic on Worldometer.

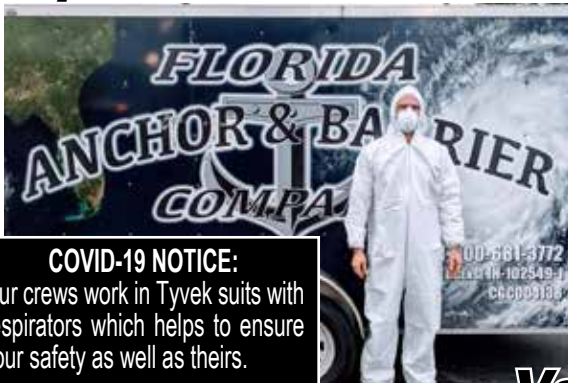

This global crisis has brought the world to a screaming halt and has changed us all forever. Let's hope that at the end of this ordeal we are able to sit together and share pandemic stories that are filled with love and humor. Please stay safe, and look after each other. Kathy

The Weed

When the "weed" first started growing, Paul Giroux was ready to pull it out. Then he realized it was a tomato plant, probably seeds from last years garden. He let it grow and now it measures over 6 feet high and produced a tremendous bounty, he has proudly shared with many neighbors.

Two Days We Should Not Worry

Author Unknown

There are two days in every week about which we should not worry, two days which should be kept free from fear and apprehension.

One of these days is Yesterday with all its mistakes and cares,
its faults and blunders, its aches and pains.

Yesterday has passed forever beyond our control.
All the money in the world cannot bring back Yesterday.

We cannot undo a single act we performed;
we cannot erase a single word we said.
Yesterday is gone forever.

The other day we should not worry about is Tomorrow
with all its possible adversities, its burdens,
its large promise and its poor performance;
Tomorrow is also beyond our immediate control.

Tomorrow's sun will rise,
either in splendor or behind a mask of clouds, but it will rise.
Until it does, we have no stake in Tomorrow,
for it is yet to be born.

This leaves only one day, Today.
Any person can fight the battle of just one day.
It is when you and I add the burdens of those two awful eternities Yesterday and Tomorrow
that we break down.

It is not the experience of Today that drives a person mad, it is the remorse or bitterness of
something which happened Yesterday and the dread of what Tomorrow may bring.

Let us, therefore, Live but one day at a time.

WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are screened and treated in a separate area. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information:** [BayCareEmergency.org](https://www.baycareemergency.org)

Bereavement Committee

We offer our condolences to Maureen Robak for the passing of her husband Joseph Robak #61 on April 21, 2020.

The Bereavement Committee is a part of the Social Committee. The Social Committee donates \$ 50.00 to each family in memory of their departed loved ones.

Since we have so many new home owners in our park we thought we would explain why the flag is lowered at times. It is lowered when someone in park has passed. When a person who lives in the park passes away, we go to the family to see what we may do to assist them. We explain that they can have a Celebration of Life in the Clubhouse. We will assist by setting up the hall and helping the family. Often families share the memories of their loved ones is by providing Saturday morning coffee and confectionaries for their friends and neighbors in our community.

This year the Bereavement Committee consists of Jan Kearney and Marge Giroux. If you know of someone passing, please notify us.

Food Glorious Food

Lime Bars (delicious and easy)

Submitted by Kathy Moore

Ingredients

FOR THE PASTRY BASE

- 1 cup cold butter, cut in small pieces
- 1/2 cup sugar
- 2 cups flour

FOR THE LIME LAYER

- 1 1/2 cups sugar
- 1/4 cup flour
- 4 eggs
- Zest of two limes, very finely chopped
- Juice of 4 to 5 small limes, around 2/3 to 3/4 cup juice

TO MAKE THE PASTRY BASE

1. Using a pastry cutter or in a food processor blend together the butter sugar and flour.
2. Press evenly into the bottom of a greased and parchment paper lined 9×13 inch baking pan.

Bake for 20 to 25 minutes at 350 degrees F
(325 degrees F if you are using glass bake-ware)

FOR THE LIME TOPPING

1. Simply whisk together the sugar flour, eggs, zest and lime juice until the sugar is dissolved.
2. Allow the topping to sit for about 10 minutes before whisking together well again and pouring over the baked shortbread base.
3. Bake at 350 degrees F for about another 20- 25 minutes or until the top is slightly browned and the custard appears to be set. The bottom should just be beginning to brown slightly at the top edges. Cool completely. Sprinkle with icing sugar when cool or try adding a meringue topping.

Burgundy Pork Tenderloin

Ingredients:

- 2 pounds Pork Tenderloin
- ½ teaspoon Salt
- ½ teaspoon Black Pepper (ground)
- ½ teaspoon Garlic Powder
- ½ Onion (thinly sliced)
- 1 stalk Celery (chopped)
- 2 cups Red Wine
- 1 (.75 ounce) packet Dry Brown Gravy Mix

Directions:

Preheat oven to 350 degrees F (175 degrees C). Place pork in a 9x13 inch baking dish, and sprinkle meat with salt, pepper and garlic powder and gravy mix. Top with onion and celery, and pour wine over all. Bake in the preheated oven for 45 minutes. When done baking, remove meat from baking dish, and place on a serving platter.

Just For Giggles

Food Memory

An elderly couple is worried that they are starting to forget simple things, so they go to a doctor for a checkup.

The doctor looks them over top to bottom but doesn't find anything.

"It seems you two are perfectly fine so all that I can suggest is anytime you want to remember something, simply write it down".

The couple believe that's a great idea and so they go home with renewed confidence.

Later that evening, the couple are watching television and he decides to grab a drink.

"Need anything my dear" he asks?

"Could you grab me some ice cream. Here write it down" she tells him.

"No need my dear, ice cream coming up"!

"Oh, and some chocolate sauce please. Want to write it down"?

"Ice cream with chocolate sauce, got it".

"And a cherry dear" she asks "sure you don't want to write it down"?

"Ice cream with chocolate sauce and a cherry. I've got it, Hun".

The elderly man is gone for 10 minutes and the woman begins to worry. He comes back with scrambled eggs, bacon and orange juice. The woman looks at the food and says

"Oh dear, you forgot the toast"! –

A Daily Drive

One night a state cop saw a car going only 22 miles per hour. He pulled the car over. When he approached the driver's side, he noticed five old ladies were seated in the car and all them looked to be in shock. They were all very pale.

The old lady driver greeted him, "Officer, Why did you pull me over? I was going the speed limit exactly. What is the issue?"

"Ma'am you weren't going over the speed limit, however driving under the limit is just as dangerous."

"But I was going 22 mph, the exact speed limit."

"No, ma'am, 22 is not the speed limit, it's the route number," he laughed.

Feeling embarrassed the older woman thanked him.

"Before I let you go, is everyone ok? The other ladies seem a bit unsettled."

"Oh, they'll be fine in a minute. We were just on route 119." -
