FROM THE DESK OF THE PRESIDENT

Shirley Roslan

We are now into month three of hurricane season and I would like to remind you that Indian Rocks Christian Church offers Glenwood residents the safety of their gymnasium should we have to evacuate. They will **NOT** accept pets. Please, do not insist they take your "Emotional Support Animal". They are not a designated shelter and can rescind their kind invitation at any time for any reason. This will force everyone to go to one of Pinellas County's shelters designed to house evacuees. Residents who own pets need to see to their safety **BEFORE** a storm threatens us. Talk with your Vet or make reservations at a "doggie day care" (they take cats too) facility. They will keep your pet safe, and happily, see to their care.

MAD HATTER'S LUNCHEON

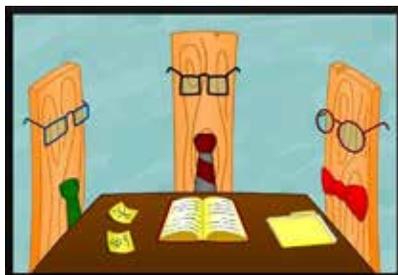

JoAnne Pumphrey

The Mad Hatter's Luncheon will be on Tuesday, September 5th. Our Hostess this month is JoAnne Pumphrey and we're going to Columbia Restaurant. The address is 1241 Gulf Blvd. in Clearwater Beach. If you need a ride call JoAnne 727-612-9763.

A special thank you goes to Sandy Warner our Hostess for August. We had a great time at Johnny's Italian Restaurant.

FROM THE BOARD OF DIRECTORS

We recently had an incident in the Park when a well meaning resident brought a neighbors trash can up from the street. Unfortunately the resident, being sight impaired, didn't see the trash can in their driveway and took a tumble. Fortunately they are OK but it could have turned out differently. Most of us want to be neighborly and our hearts are in the right place. If you do want to perform an act of kindness for another resident let them know, so that person can navigate around any physical limitations they may have.

FROM THE SOCIAL COMMITTEE

Jan Kearney, Secretary

We have had a hot summer this year, especially since we have had our pool down for repairs this past month. Thank goodness we can dip in, relax and enjoy it again.

Our Ice Cream Social we had on August 13th was fun way for beating the heat for a day. A nice turn out by our summertime residences. We served approximately 50 people. A big thank you goes to Nancy Osborne for her assistance.

Labor Day Picnic on September 4th at 2 PM. Please prepare your favorite dish and bring to share.

We have a Mexican Nite on September 16th which is something different that was asked for so let's all come out and enjoy.

****Important, please, read and let us hear from you.****

We have been asked to consider having a Craft Show/White Elephant in the fall. If we can get participation from the residents of our community.

If you have a desire to be part of this endeavor, please, contact a member of our Social Committee of your interest. We will discuss this at our Workshop Meeting in September, and you are welcome to attend.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

SHUFFLEBOARD

Joyce Herbort

It's been a long summer. Shuffleboard will resume on September 11 at 3PM. I hope you've missed it as much as I have. Make sure you bring your quarter and come to the courts 15 minutes early so I know how many are playing. Let's have some fun!

FROM THE EDITOR

Jeanne Humphrey

Copy for October's Gazette is due in the office by September 12th.

A RECIPE TO SHARE

Jim Wildes

SIMPLE BBQ SHRIMP

- 2 tablespoons olive oil
- 1/2 cup white wine
- 2 tablespoons lemon juice
- 1 teaspoon sea salt
- 1 teaspoon pepper
- 1 teaspoon cayenne pepper
- 2 cloves garlic, minced
- 1 1/2 pounds large shrimp peeled and deveined, tails left on (leave peels on shrimp and cut down back to devein, if you prefer)
- 2 tablespoons chopped parsley
- Lemon wedges for garnish

Advanced preparation: 1 to 2 hours to marinate shrimp. In bowl, mix olive oil, wine, lemon juice, salt, pepper, cayenne, and garlic. Add shrimp and toss to coat. Marinate, covered in the refrigerator for an hour or two at the most. If you leave it longer, lemon juice will start to "cook" shrimp. Heat grill to medium heat. Skewer shrimp and grill until just cooked through, about 3 minutes on each side. Sprinkle with parsley and garnish with lemon wedges.

SPEED LIMIT

Brett Whipple

We all live here together. Some are new to the park and we welcome you!

This a friendly reminder that the speed limit in our park is 15 mph. There's a very good reason for this. We have is citizens walking, walking dogs, on golf carts, etc. We really need everyone's compliance, please for the safety of us all. Anything above 15 mph is not acceptable. Additionally, it's also your responsibility to advise your guests of all by-laws, including our pool, overnight parking, and dog size.

We want to make the park safe and enjoyable for all!

Thank you for your consideration in this matter. We sincerely appreciate your cooperation.

WHO AM I?

No one correctly guessed WHO AM I? from August so I will archive it to run at a later date. Here is September's picture and your clues. Have fun and good luck.

I am a southern girl. I've been in Glenwood for 5 years currently living in my second home. I enjoy bringing you good news every month. WHO AM I?

Did you know that September is also...

Blood Cancer Awareness Month. Lymphoma is a type of blood cancer that occurs when lymphocytes—white blood cells that help protect the body from infection and disease—begin behaving abnormally. Lymphoma may develop in many parts of the body, including the lymph nodes, spleen, bone marrow, blood or other organs. This year’s theme for Blood Cancer Awareness Month is “Light it Red for Lymphoma.”

National Child Awareness Month. During National Child Awareness Month, a wide array of organizations set aside their individual agendas to focus on the bigger picture of children in America today and what can be done to address their growing challenges and needs tomorrow.

National Cholesterol Education Month. National Cholesterol Education Month is a good time to get your blood cholesterol checked and take steps to lower it if it’s high. It’s also a good time to learn about lipid profiles and food and lifestyle choices that will help you reach your personal cholesterol goals.

National Piano Month. A good month to sign up for piano lessons. Although invented around the year 1700, the piano took several decades to become a favorite of composers and performers alike. In the 19th century the instrument grew larger and more powerful. At the same time, the instrument became the primary source of home entertainment, and learning to play the piano became an important part of childhood education.

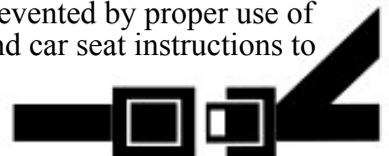

Substitute Teacher Appreciation Week, Sept. 3-9. Five days dedicated to the hundreds of thousands of education professionals who fill in at the schools every day across the United States. This nationwide event is recognized by the U.S. House of Representatives, schools, and school districts around the country.

National Suicide Prevention Week, Sept. 10-16. High schools, colleges, and universities can create their own activities for National Suicide Prevention Week. These locations are ideal to promote public awareness of the goals of suicide prevention, educate the public about the prevalence of suicide, and involve young adults in prevention activities.

Child Passenger Safety Week, Sept. 17-23. Car crashes are a leading cause of death for children up to 13 years old. Many deaths and injuries can be prevented by proper use of car seats, boosters, and seat belts. Getting safety information and car seat instructions to parents and caregivers is crucial to saving young lives.

Complete dinosaur skeleton is spectacular find

Most dinosaur fossils consist of a few bones or teeth, but in 2011 a heavy-equipment operator in Alberta, Canada unearthed something unique—the complete fossilized remains of a newfound type of nodosaur, part of the ankylosaur family, which lived between 100 million and 112 million years old.

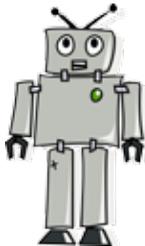

As reported on the National Geographic website, the dinosaur is still getting paleontologists excited today. The dinosaur is so well preserved that it “might have been walking around a couple of weeks ago,” says paleobiologist Jakob Vinther, who’s studying the ancient beast at Alberta’s Royal Tyrrell Museum.

Because of its preservation, the fossil is providing new insights into the structure of nodosaurs’ armor, letting paleontologists see how sheaths of keratin—material also found in human fingernails—exaggerated the armor’s size and shape.

Robot can grasp complex objects with new hand

Most robotic hands are clumsy and have a hard time picking up odd-shaped objects like shoes or spray bottles. But according to the Science News website, roboticists at UC Berkeley have created a robot that can pick up and move awkward objects with a success rate of 99 percent.

The robot, DexNet 2.0, uses a process called deep learning to handle objects. The roboticists created a database of three-dimensional shapes using 6.7 million data points. A neural network learned ways to grasp, lift, and move irregularly shaped objects, and then was hooked up to a robotic arm with a 3D sensor. DexNet 2.0 studies an object placed in front of it and then chooses the right grasp to pick it up and move it.

DexNet 2.0’s success rate could be applied to industry, possibly revolutionizing manufacturing and supply chains.
