JUST FOR GIGGLES

In Praise of Women Who Read...

One morning a husband returns to the cabin after several hours of fishing and decides to take a nap. Although not familiar with the lake, the wife decides to take the boat out, since it is such a beautiful day.

She motors out a short distance, anchors, and reads her book. Along comes a Game Warden in his boat.

He pulls up alongside the woman and says, " Good morning, Ma'am, what are you doing?"

"Reading a book," she replies , (thinking, "Isn't that obvious?")

"You're in a Restricted Fishing Area," he informs her. "I'm sorry, officer, but I'm not fishing, I'm reading."

"Yes, but you have all the equipment. I'll have to write you up a ticket. "

"For reading a book," she replies. "You're in a Restricted Fishing Area ," he informs her again ."

"But officer, I'm not fishing, I'm reading."

" Yes, but you have all the equipment. For all I know you could start at any moment. I'll have to write you up a ticket and you'll have to pay a fine." "If you do that, I'll have to charge you with sexual assault," says the woman."

"But I haven't even touched you," says the Game Warden .

"That's true, but you have all the equipment. For all I know you could start at any moment."

"Have a nice day ma'am," and he immediately departed.

MORAL:

Never argue with a woman who reads. It's likely she can also think.

Buried treasure

In a small village lived a hardworking farmer who owned a vast vineyard. Year after year the vineyard provided a rich harvest, and the farmer became very successful. He had three sons who were young and energetic but never bothered to work hard. As the farmer grew old, he began to worry about his sons' future.

Then he fell very ill and realized his death was fast approaching. He called the sons and told them: “Dear sons, I see my death nearing me, but before I bid goodbye to all of you, I want to share a secret. There is a treasure hidden under the fields. Dig the entire field after my death to find it.”

The old farmer died. After the funeral, the sons began to dig for the treasure without leaving any part of the field untouched, but they found nothing. However, their digging of the field led to a healthy crop and resulted in huge earnings. This made the sons realize what their father meant.

Moral: Hard work always pays off. Fruits of hard work are always sweet whether or not they are in the form you expect.

Toss of a coin

A great warrior was going to war with a fierce enemy with only one-tenth the number of soldiers the opposition commanded. He knew that he could win the fight with a well-planned strategy, but his soldiers were in doubt.

On the way to the battle the leader stopped at a temple and told his men: “After my visit here I will toss a coin. If the head comes up, we will win; if tails, we will lose. Destiny holds us in her hand.”

The warrior entered the temple and offered his prayers. Then he came forth and tossed a coin in front of his men. Heads appeared. The soldiers were filled with confidence and eager to fight the battle, which they won.

“No one can change the hand of destiny,” one of the soldiers told the leader after winning the battle.

“Indeed not,” said the leader, and showed the coin—which had heads on both sides.

September Monthly

Baby Safety Month. Parents and caregivers have many responsibilities, but keeping their baby safe and healthy is a No. 1 priority. Whether you are expecting your first baby, adding to your growing family, or are a grandparent, this is an ideal time to put into action some simple steps to keep baby safe.

National Cholesterol Awareness Month. September is a good month to get your blood cholesterol checked and take steps to lower it if it's high. It's also a good time to learn about lipid profiles and about food and lifestyle choices that help you reach personal cholesterol goals.

Prostate Cancer Awareness Month. Prostate cancer is the second-most common cancer in U.S. men. Learn about prostate cancer to start stepping up against it. The "Step Up for Blue" campaign empowers men to take control of their health and encourages their loved ones to support them.

National Self-Improvement Month. Is there something in your life that you want to improve? September is National Self-Improvement Month. Usually there is a list of things people want to change about their lives. Many items on that list are often things over which we have no control. Stop dwelling on them and focus on what you can change—you.

Weekly

Suicide Prevention Week, Sept. 6–12. National Suicide Prevention Week is the week surrounding World Suicide Prevention Day, Sept. 10. It's a time to share resources and stories, as well as promote suicide prevention awareness. The week focuses on informing and engaging health professionals and the general public about suicide prevention and warning signs of suicide.

National Waffle Week, Sept. 6–12. The word "waffle" comes from the Dutch "wafel," which comes from Middle Dutch "wafele" and stretches as far back as the 13th century. Before that, the French called it "walfre" from the Frankish "wafra," which meant "honeycomb" or "cake." No matter what you call it, no one can deny its deliciousness.

Deaf Dog Awareness Week, Sept. 20–26. Deaf dogs, like other special needs pets, make wonderful furry family members. Their deafness in no way reduces their potential to bring joy to your life and become a loving companion for your family.

Banned Books Week, Sept. 27–Oct. 3. An annual event celebrating the freedom to read, Banned Books Week spotlights current and historical attempts to censor books in libraries and schools.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
