## President's Report

By Ray Lamoureux #9

The cameras are all installed after some long delays due to several problems along the way. The cameras will pick up the license plate and the drivers face coming into the park from Main St. We also have a camera at the back gate to see the plate when leaving the park. The cameras around the clubhouse to look at the clubhouse doors and Robert's work shop. The last camera is at the hobby shop to see all the action going on in that area and the dumpster. A total of nine cameras are being recorded for better security.

The new law in Florida means all business done by the board other than approval of maintenance must be voted on at a scheduled board meeting. The budget is one of the items that must be completed by the board before sending out to the shareholders. We will have a meeting when we get some of the board back in the park in October the other will be on telephone conference calls. The budget must be mailed out by November 5th for the December 5th budget meeting.

We had problem with one of the large 5-ton air conditioners in the clubhouse. The repair technician said the compressor unit has limited life left in it and recommends that it be replaced due to the cost of a new compressor would be close to the price of a new unit. Karin got three bids to replace the whole system since all the components are the same age and the other parts could fail. This will be proposed at the next board meeting.

We have one unit for sale as of this writing. Unit 130 on First Street, two units were sold over the summer and they went quickly. Unit 216 on Fourth Street is being removed and a new unit installed on that lot.

The board hopes everyone has had a safe and healthy summer and will see you in Florida soon.

Greetings:

October is here already. Happy Days are here again, the park will start filling up again, and we will connect with all our friends, Happy Days are here again. (I couldn't help myself)!

On October 8th we celebrate Columbus Day when Christopher Columbus arrived in the Americas. In the US it is celebrated by all states except Hawaii, South Dakota, and Alaska.

Of course, no one forgets October 31st - Halloween (All Hallows Eve). So, dress up in your

favorite costume, go trick-or-treating, go to a haunted house, or watch scary movies all night.

Many thanks to all who provided articles and pictures for this month's newsletter. Please keep the articles and pictures coming, whether it's a vacation or just visiting family and friends.

If you are traveling to Golden Acres this month, have a safe and enjoyable journey.

Until next time,

May God bless and keep you well and safe...

## Greetings from the Office

**P**lease welcome to the neighborhood Robert & Anne Knott, #189. Congratulations and may you find much happiness at your new residence.

Please sign in when you arrive in the park. Sign in sheets are in the library and the office. A mailer is being sent from Progressive Management the first week of November and they need to know what address to send it to.

## Summer Bingo

---

**T**hanks to Fran Clark #47 and Marilyn McKay #198 the afternoon of bingo was lots of fun! About a dozen people came to play and win. The prizes couldn't have been better.

Almost everyone went home with a prize. Let's hope we can do a summer bingo every year. Again, Thank you so very much Fran and Marilyn!

## Labor Day Picnic

By Timmie Strader #129

Pictures by Cindy Hubbard #114

---

**T**hanks to Winn Dixie and Publix the food was wonderful. Lori made baked beans and as usual everyone loved them. Again, we had more deserts than we could ever eat. Carol Spinney's relatives brought corn bread that was a huge success. As usual we couldn't manage such great times without everyone helping. Mary Ann and Terry jumped in and helped serve. About 35 people came out to enjoy the food and visit with people they don't see very often. Thanks for all the desserts everyone provided. Bob Sheire said grace. One or two more functions and our Summer Fun will be over. We hope everyone has enjoyed all the activities we planned for you. If anyone has ideas for fun things to do let us know.

## Thinking of a fast? Try these approaches

**M**any people practice intermittent fasting—going without food for a limited period of time. Benefits include fat loss, greater longevity, and better overall health. The Medical News Today website offers these strategies for fasting:

- **Twelve hours.** Some researchers say that fasting for 10–16 hours can cause your body to start burning fat and turning it into energy. The easiest way to do a 12-hour fast is to start at night. Fasting from 7 p.m. to 7 a.m., for example, means you won't spend all day reminding yourself that you're not eating, so you avoid the temptation to give in when hunger pangs start to rise.

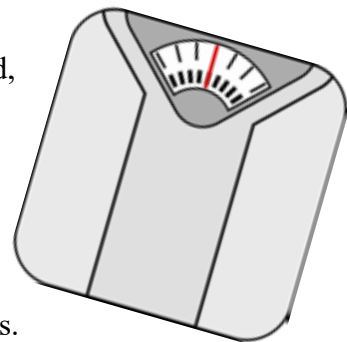

- **Two-day fast.** You don't have to go completely without food, but under this plan, men should eat only 600 calories a day and women should consume 500. Separate the days—don't go two days in a row. Instead, plan at least one non-fasting day between your efforts. Studies suggest that this can help reduce weight and also improve insulin levels.

- **Every other day.** Again, limit yourself to 500–600 calories per day on your fast, but eat as much as you want on non-fast days. One study found that this is effective for weight loss and heart health. It's a little extreme, though, and may not be suitable or sustainable for long periods of time.

- **Twenty-four hours.** Once a week, abstain from eating for a full 24 hours—maybe from one breakfast to the next. You can drink coffee, tea, or other calorie-free beverages during your fast. Return to your normal routine afterward. Be aware, though, that this fast can cause fatigue, headaches, and/or irritability.

- **Skip a meal.** This type of fast is good for beginners. Instead of fasting for long periods of time, simply skip breakfast, lunch, or dinner. Just remember to eat nutritious and healthful foods during your other meals.

It's important to stay hydrated during your fast, with lots of calorie-free drinks. Try not to obsess about food—plan distractions, like going to the movies or catching up on chores. Finally, avoid strenuous activity when you fast. Rest and relaxation will help you maintain your motivation.

## Nanotubes in your clothes may power your phone

**S**omeday you may not have to remember to plug your smartphone in to recharge it. Scientists are working on clothes that will charge your phone for you, according to the Science Daily website. The fabric contains carbon nanotubes, replacing polyester and other artificial fibers. At present the nanotubes are too expensive to mass produce, but researchers are looking at military applications that may allow soldiers' equipment to recharge—lights, communication gear, and night-vision capabilities.

## Favorite places to eat, 2018 edition

---

**W**hat's your favorite place to eat? The American Customer Satisfaction Index's Restaurant Report 2018 ranked consumer preferences based on such factors as food quality, food order accuracy, courtesy of servers, and food variety. The top full-service restaurants in the United States are:

- Texas Roadhouse
- Olive Garden
- TGI Friday's
- Ruby Tuesday
- Cracker Barrel
- Outback Steakhouse
- Applebee's
- Denny's
- Longhorn Steakhouse
- Red Lobster
- Chili's

## Trends in U.S. dining: Quick decisions and lots of delivery

---

**D**iners in the United States are pretty spur-of-the-moment when it comes to deciding where to go out to eat, according to a survey cited on the Fast Casual website. Eighty-five percent make their dinner decision on the day of the meal.

Delivery is a popular option among all age groups, from Baby Boomers to Generation Z (born 1995–2010 or so). Fifty-one percent in the survey said they'd gotten food delivered in the past three months, with millennials doing the most ordering—77 percent of the age group.

What are people ordering?

- Burgers (28 percent)
- Wings (27 percent)
- Mexican (21 percent)
- Barbecue (14 percent)
- Desserts (11 percent)

**Anyone who considers arithmetical methods of producing random digits is, of course, in the state of sin. For, as has been pointed out several times, there is no such thing as a random number—there are only methods to produce random numbers, and a strict arithmetic procedure of course is not such a method.**

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## Did you know that October is also...

**National Apple Month.** Because apples are high in fiber and contain no sodium, cholesterol, or fat, they make a great snack. With more than 2,500 varieties grown in North America, it won't be difficult to find one you can enjoy chopped into your morning oatmeal, baked into a pie, or cored and sliced any time of the day when you want a delicious treat.

**International Augmentative and Alternative Communication (AAC) Awareness Month.** AAC is a set of strategies, tools, and devices used by people to overcome communication challenges. People who rely on AAC might use sign language, text, pictures, symbols, speech-generating devices or a combination of these for their basic communication. This month let's increase our awareness of the possibilities that could develop when everyone has the ability communicate effectively.

**National Work and Family Month.** In 2003 the U.S. government designated October as a time to promote sensible, flexible, and healthy work environments, as well as the benefits of work/life balance. Don't wait for your employer to create an initiative or perk to combat the daily grind. Take a day or more of PTO to decompress from your busy life and reconnect with your family.

**Positive Attitude Month.** Researchers believe people who embrace a positive outlook have less stress, an increased sense of well-being, better coping skills, and longer life spans. Purge the negativity from your life: Meditate, pray, practice positive affirmations, and surround yourself with only happy people. Do whatever you must, but always look on the bright side.

**Fire Prevention Week, Oct. 7-13.** This year's motto is "Look. Listen. Learn. Be aware. Fire can happen anywhere." Look for and eliminate potential fire hazards in your home. Listen for the sound of smoke alarms. Learn two ways of exiting every room in the event of an emergency. Visit the National Fire Protection Association website at <https://www.nfpa.org/Public-Education/Campaigns/Fire-Prevention-Week> to access more information.

**Bone and Joint Action Week, Oct. 12-20.** It's estimated that more than half of the U.S. population over 18 is dealing with some sort of musculoskeletal issue. This can include arthritis, osteoporosis, back pain, injuries or other conditions causing pain, disability, and a diminished quality of life. There is hope. Visit the website for the U.S. Bone and Joint Initiative at <https://www.usbj.org/> to find out about research, prevention, and initiatives targeting bone and joint issues

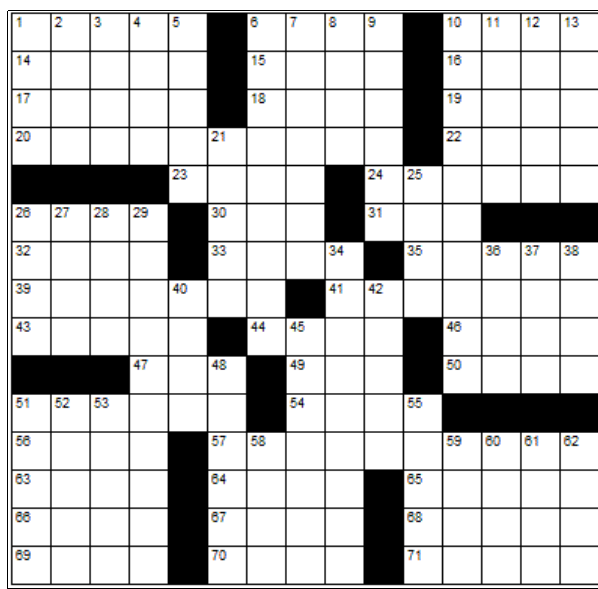

**National Taco Day, Oct. 4.** Have one for breakfast, lunch, dinner, or any time of the day. We celebrate the taco on this day just to give you one more reason to enjoy them.
