# President's Report

By Ray Lamoureux #9

The holidays are now in the past and the residents will be returning from their Christmas holidays. The park will be full until spring. All the activities will be in full swing and your dance schedule will be full. A new unit will be going in to replace the old unit in lot 216.

The board had the budget meeting with the residents on December 5th. The 2019 budget was approved by a vote of 95 in favor and 6 against. The monthly maintenance fee is still the same for next year.

At the same meeting regarding adding more palm trees and barriers around the water valves was tabled until more bids are received for these projects. The crash bars on the doors to the clubhouse were discussed about how they are not working properly and may need to be replaced. The board is looking into getting quotes to repair or replace the hardware to these doors. The other subject at the meeting was to have the clubhouse change to a digital sign. The residents were asked what they thought about going to a digital sign. The vote by residences was to change the sign to digital. We also discussed having the hazardous waste workers do a collection in the park in March. The residents at the meeting thought it was a good idea. We have one problem in that we need 300 units. We are asking Golden Crest to join us in this collection, so we have enough units to meet their rules. We will get back to you on the outcome.

**The residents talked about the SPEED of CARS, MOTORCYCLES and BIKES driving on our roads in the park. They mentioned that the stop signs are not being obeyed and asked for a solution to make the violators be held responsible for their actions.**

Elections of board officer will be held in February. The intent to run form must be submitted to PMI no later than January 4th with your resume. We have two opening on the board up for election. Please if you are interested in getting involved in our community submit your form and run for the board.

The board hopes everyone had a safe and happy holiday.

**H**appy New Year:

A new year is upon us. Wow! I hope that everyone had a wonderful holiday wherever and with whomever you've chosen. Now get ready for a busy social life here at Golden Acres. The calendar is really chocked full of fun things to do this month.

I hope that you made New Year's Resolutions that are easy to keep, if you made any at all. One resolution I would welcome is for everyone to continue contributing articles and pictures for our monthly newsletter. Your input is what makes this newsletter a success, so please keep them coming throughout 2019.

As January progresses, here are some important days to remember:

On Tuesday, January 1st, everyone knows that it's New Year's Day.

On Monday, January 21st, we celebrate the life of Martin Luther King who promoted Civil Rights through non-violent civil disobedience.

On Friday, January 11th, Sir John A. Macdonald Day commemorates Canada's first Prime Minister and one of the architects of the Confederation; drafting much of the Canadian Constitution and the British North American Act (ultimately leading to the birth of Canada as a nation).

For those of you who just arrived from the north, welcome. For those of you confined to the north for whatever reason, we'll miss you but stay warm and have confidence that before long it will warm up again. May the New Year bring all of you good health, with much happiness and prosperity.

Until next time,

May God bless and keep you well and safe...

## Greetings from the Office

By Karin Desmone #1

**P**lease welcome Mario and Kathy Spadafore, #183 to the park. Congratulations and may you find much happiness at your new residence.

A complaint was submitted in writing to the office about the Work Shop on 3rd Ave. Tools are missing and safety guards on equipment have been removed. Complainant is asking that if you use equipment and/or tools to please return them to where you found them and do not remove safety guards from power tools. Safety guards are there for your own protection. Thank you in advance for your attention in this matter.

Reminder – All complaints and/or suggestions must be in writing and given to the office

## Recreation Report

The park looks very festive creating the spirit of the holiday season. Thanks to Donna Delf #27 and the many volunteers and their efforts in putting out the decorations, lights and trimmings.

The December Holiday Potluck was a special treat hosted by Ed and Jean Morin #134 who always provide a nice atmosphere for us to enjoy tasty dishes and good conversation.

## Thanksgiving Dinner

*By Timmie Strader #129*

**A**gain, this year it looks like the Golden Acres Thanksgiving Dinner was a huge success. We had approximately 80 to 85 people attend. Such fun to see friends and neighbors get together. The food was plentiful (we didn't run out of mashed potatoes) and everything tasted great.

There is no way I can thank everyone who helped this year personally, so to all of you I am extending a special THANK YOU! Nothing would ever happen without all of you.

On a personal note - this year has been especially rewarding for me. Hosting the Thanksgiving Dinner and co-hosting the summer activities has allowed me to meet and get to know so many of my G.A. neighbors.

Again, thank you so very much - Timmie

## Food Drive

By Nancy Baker #103

The volunteers at the Food Bank were very happy to see us and your donations again this year.

The facility has greatly changed since we were there in the Spring and it is beautifully organized. They have acquired a huge construction trailer with separate entrances for those requiring help and those donating food. Previously, all donors and the needy were crammed in the same single entrance to the storage area. As well, we all had the same limited hours to arrive. Now, they have also expanded the hours to donate so that it is not so confusing for the volunteers as they must weigh everything as donations come in.

And you will never guess!! The peanut butter shelf was full, but they had no jelly! So, stock up during the BOGO sales and get ready for our February jam and jelly collection.

THANKS for your donations and your generosity. Having such wonderful neighbors is why we all choose to live here.

## AquaFit

By Nancy Baker #103

Well, this must be the rockiest start we have ever had for AquaFit! In all the years we've been here, I don't remember weather that was so up-and-down. Between Mother Nature and my cold, it has not been the best start to the season. Nevertheless, we will hope for a great season ahead - looking forward to it! Hope you are too!

## Toy Drive

By Nancy Baker #103

My thanks to all those who donated toys and gifts for the youngsters. Now you can be assured that they will have a joyful Christmas morning. Innocent little children shouldn't suffer because of situations beyond their control. To all those kind hearts who donated MANY THANKS, and may you have a wonderful Christmas and a happy and healthy NEW YEAR.

Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## Coffee aids in kidney disease fight, study says

**A**mong coffee's health benefits may be a reduced risk of death from kidney disease, according to the Healthline website.

A study recently written up in the journal *Nephrology Dialysis Transplantation* examined data from 4,863 Americans.

The subjects were divided into four groups. Group One consumed the amount of caffeine in one cup of iced tea per day. Group Two took caffeine equivalent to one cup of coffee per day. Group Three had one or two cups, and Group Four had multiple cups per day.

Subjects in Group Two, researchers found, had a 12 percent lower risk of dying from kidney disease. Group Three showed a 22 percent lower risk, and Group Four, which consumed the highest amount of caffeine per day, saw a 24 percent lower risk.

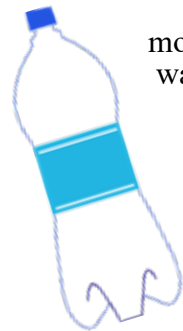

Scientists caution that caffeine poses other health risks, and patients on fluid-restricted diets should take coffee into account of their daily fluid intake. Cream, creamers, and syrups can also cause problems for people with kidney disease, including increased phosphorus and potassium levels. Check with your doctor, as always.

## Water might help reduce women's UTIs

**W**omen who suffer from frequent urinary tract infections (UTIs) may find relief by simply drinking more water, an article on the WebMD website advises.

A yearlong study in Europe followed 140 premenopausal women who experienced recurring UTIs at high rates. At the beginning, the subjects drank less than six eight-ounce glasses of water per day. As the year went on, half the participants drank slightly more than six glasses, while the rest kept to the same regimen.

Researchers found a significant reduction of UTIs among the women who drank more water per day. The average number of UTIs among subjects in the first group was 3.2, but dropped to 1.7 for women whose water intake increased.

“Drinking more water to improve one’s health is probably safe and, if tap is used, pretty inexpensive,” said one doctor (who was not involved in the study). “Producing additional urine—and thus increasing voiding frequency—may raise one’s awareness of the importance of keeping the bladder as empty as possible, which can help reduce UTIs.”
