President's Report

By Ray Lamoureux

The park was almost empty of snowbirds when we left on April 30th. Most of the projects were completed; the only one not done was repair to the fencing on fourth street. We had some holes in the fence due to trees being removed. We were having the fence company close these holes with new fencing.

We never got to complete the water leak survey on phase two of the water project. We need to address this in the fall when we return. Phase two is to inspect each unit for internal leaks. This can be done without going in the units. We will put a gage on the outside faucet and see if the pressure drops.

The water breaks this winter were small and fewer breaks than last winter. I don't know why they are on the decrease but it helps our water budget with less lost water spilling in the ground.

We replaced some more of the Holley trees with new palm trees. The new palms are a different type and are easier to maintain. They also cost slightly more than the queen palm that we've been planting in the past. They are also on the arborist list of trees he would like to see us plant in the park. They withstand strong winds better than the queen palms.

The board did a re-inspection before we left the park in April. Most of the people that received letters completed the problems that were found. Others responded and gave a completion date to the office.

The board hopes everyone traveling north for the summer has a safe trip home.

From the Editor's Desk

By Sue Bailey, suebail@tampabay.rr.com

Hooray for Summer! June is a wonderful month of graduations, weddings, boating, fishing, gardening and even just spending time outdoors in the sunshine; getting a high dose of Vitamin D, but please don't forget the sunscreen and please don't forget to keep us posted with any activities you encounter over the summer along with pictures.

The month of June is named after the goddess Juno, goddess of marriage. It is also the month with the longest daylight hours in the year. June's birth flowers are the honeysuckle and the rose and the birthstone is pearl representing purity of heart and faith. Lest not forget a bug named June. The June Bug deposits its eggs in the ground and the young larvae bury themselves in the soil in the autumn and stay there for two years. They then come out in June as adult beetles. Notable events for June include:

Did You Know About These Great Monthly Media Services?

Summer Mailings - If you are heading north for the summer but still want to receive a printed copy of your monthly newsletter, just call our office and sign up for Monthly Media's Summer Mailing Service. We will ship (USPS 1st Class) a printed copy of each month's newsletter to your northern address, for as long as you're away, the cost is \$4 per month. Dozens of residents are already taking advantage. Please see our brightly colored insert for more information.

Get Your Picture on the Cover - We select a new and interesting picture every month to be printed on the cover of your newsletter. If you or your neighbors have fun events or activities please send in a picture and we'll enter it to be selected. Please include a description of the image and a brief release allowing us to reprint the picture. Our mailing and email address are located the bottom of this page.

Emporium/Classified Listing - Do you have an event in your community such as a Bake Sale or Flea Market? An item for sale like an old set of golf clubs that needs to go? Help needed or vendors wanted for an event? Maximize the people that see your listing and use the Emporium! Your listing will be printed & delivered to over 20,000 homes in Pinellas County. See the Emporium page toward the end of the newsletter for more info.

Larger Print Newsletters - At the request of some residents we are now offering Larger Print Newsletters to those who request them. The newsletter type will be approximately 20% larger (16 pt article body type vs. 12 pt normally). There is a small service charge of \$2 per newsletter for those who request. The larger type newsletters can either be delivered to you every month like they are now or we can mail them directly to your home for an additional \$2 per issue shipping charge. Please call Monthly Media (phone number listed below) for more information.

On June 6th D-Day is observed in the U.S. in memory of the Normandy landings in France in which American soldiers and allied forces fought to end World War II in Europe.

Flag Day is observed in the U.S. on June 14th to honor the United States flag and to commemorate the flag's adoption by displaying the American flag at homes and public buildings.

June 17th marks the anniversary of the Battle of Bunker Hill since 1775 on the Charlestown Peninsula, Boston Harbor in Massachusetts. The Siege of Boston took place during the Revolutionary War, a.k.a. the American War of Independence. It is a state holiday in Massachusetts. Wow, we get to celebrate the beginning of summer and Father's Day on the same day this year, Sunday, June 21st! So Happy Father's Day to all you Dads and Happy Summer to everyone.

Have a joyous and plentiful summer wherever your journey takes you.
Until next time,
May God bless and keep you well and safe...

Welcome New Full-Time Residents Rick & Pricilla Schau Unit 111

By Jo Ellen Bryant

Kalamazoo, Michigan natives, Rick and Pricilla Schau, are skilled at making plans and staying on track. It's a story of wanting to be near their only daughter and her family who had moved to Lutz, Florida. In 2006 they relocated to Lake Mary, FL where Pricilla worked with AAA's corporate office in charge of Benefits and Human Resources. Living and working in Lake Mary, FL enabled them to be near the kids and grandchildren. Rick, a retired Army Vet, worked in the auto industry in numerous capacities from selling to finance manager. He knows his high-end Ford cars. Their daughter discovered Dunedin on a chance visit to dinner, and quickly told her parents that it was a must to see this area. Being open minded planners, they saw Golden Acres as a retirement opportunity and purchased unit 111. Not only did they become friends with Carol Spinney, but they purchased her father's unit. The amazing fact, is that Rick and Pricilla have not lived in Golden Acres during the winter months of January through March since they purchased in 2009, but have always rented the unit. At last, after both being retired, they are making Golden Acres their full-time home. The problem was the stuff, and the home they still owned in St. Mary. Both are collectors and they had to adopt a new attitude about stuff in order to downsize. The two 10X15 storage units can give some magnitude of the "stuff". They became gypsies when their home sold in 4 days, and have been biding their time until they could move into their unit.

NOW THEY ARE HERE. The small trips they used to take weekly to Golden Acres and the 2 week vacation last week helped prepare the unit for this months' live-in date. The stressful working life is now a thing of the past, and they both want to relax and enjoy their retirement. Already during the month of April they met so many wonderful new friends in Golden Acres.

It's the simplistic life for which they have pined. They will return to their old hobbies hopefully of golf for Rick, and perhaps bowling for both of them. Pricilla likes to be active and stay fit, and will be seen walking regularly. They are open to new adventures as well. Of course now, the best part is enjoying their two male grandchildren. The eight-year old is the number one golfer for his age in Florida! The little four year old is already into sports as well.

We are so happy that at last they have reached their paradise in Golden Acres. They are both quite delightful and eager to begin this next phase of their retirement life! Let's welcome them as if they are new owners, and make their decision a positive one.

Food Drive Results 2015

By Steve Swann

Wanted to let you know that we had 151 lbs of food donated by our residents! With the help of John West, the food was delivered Monday, April 20th to RCS food bank in Clearwater, FL. They asked me to please convey their appreciation for supporting the community need.

My Number 1 Helper, John West.

Welcome to Coffee Hour

By Norma Miller

COME ONE, COME ALL

A Great Big Thank You to Donna and Skip Delf for their coffee making skills for coffee hour this past winter. Now it's Shirley Toohey, Norma Miller, and Bob Sheire (doughnut run) on the coffee shift for the summer.

So, for all of those who do not normally join us for coffee and tea on Wednesday mornings from 8:30 am to 9:30 am, come see what it's all about. It is really informal. Get to know us and the others who come.

Goodbye

By Shirley Richards

With great sorrow I am saying goodbye to my friends and neighbors at Golden Acres. It has truly been a pleasure and a privilege to call you all family. Thank you to all who visited me, sent cards, called and provided many large and small services. Bernie enjoyed our life here as much as I did. He went from a heaven on earth to Heaven. My adult children have suffered enough worries and hardships over my broken leg, the nursing home and now the loss of my beloved husband. I cannot, in good conscience put them through this kind of ordeal again.

God willing, I hope to visit sometime in the future. I pray our good Lord shower blessings on each of you.

Elvis

By Roz Frabotta

Elvis has left the park....and arrived in O-H-I-O!! On May 9th, our Golden Acres neighbors Kurt (aka Elvis) and Gail Novakowski were at Bar Louie in Legacy Village, which is about 20 minutes from my home. I was delighted to be invited to attend this special show by the legend himself!!!

This was the ninth year that "Elvis" has performed in the Cleveland area at what began as a private birthday party and has morphed into an annual pre-Mother's Day engagement. "Patsy Cline" and "Roy Orbison" performed before "Elvis" took the stage. Good food and beverages at a cozy venue, new friends, and, of course, great music, made for a delightful evening.

Viva Golden Acres!!! Looking forward to rockin' good times next winter with the Novakowskis, our personable new friends and neighbors!

Shuffleboard

By Norm Sanford

I hope everyone returned home safely, and hugged your friends and family.

The shuffleboard had a lot of new and old activities and many new participants. One of the new events (Under the Stars) was well attended when the weather was in our favor. The event enabled many new players to understand the game and make new friends and have fun and share some cheer and conversation. I hope the shuffleboard will continue this event. I would like to thank Norm Sanford, Charlie Nadjiwon, Gene Binette and Barbara Sanford for their hard work making this a fun event.

Here are some more pictures from the Shuffleboard Banquet held on March 25th.

Ed and Donna Richtmyer June 28
Richard and Belinda Sezbenski June 28

Wellness

By Jean Binette, JGBEE@aol.com

Shirley Richards (unit 174) is out of rehab at Manor Care and went back to Pennsylvania with her daughter. Your prayers were very much appreciated.

Condolences

Bernie Richards (unit 174) passed away on April 16th while his wife, Shirley, was still in rehab at Manor Care. Please keep Shirley and the family in your prayers for their loss of Bernie.

Carol Spinney (unit 187) is in Paraguay, South America, with her daughter and family. Baby Joshua was born on April 14th weighing in at a little over five pounds. He was perfect on the outside, but had complications on the inside and passed away on April 17th. Your prayers are needed for Carol and her family during this most difficult time.

Jim Thompson (unit 206) passed away on April 20th. Please pray for Diane and family during this most trying time of the loss of Jim.

Anna Spinney (former resident of unit 111 with Clyde Spinney after their marriage in 2006) passed away quietly on April 23rd. Clyde Spinney lived in unit 91 from 1979 to 2006. Your prayers are needed for Carol Spinney and family for their loss of Anna.

Suzanne Roberson (unit 56) passed away. Please pray for her husband Tom and family for their loss. Suzanne is also the daughter of Mrs. Hardin whom our clubhouse is named after.

Eat Better to Spur Creativity

Some great artists and writers are known to have used drugs or alcohol to seek inspiration, but you don't have to risk your health when you need a creative boost. The Medical Daily website suggests trying some of these foods to help stimulate the brain:

- **Fruit.** Fruits have lots of an amino acid called tyrosine, which helps synthesize proteins and may influence your ability to think deeply. In one study, students performed better at completing puzzles when they drank orange juice strong with tyrosine.

- **Chocolate.** The flavanols in chocolate may enhance short-term cognitive skills, according to one British study, because flavanols boost the amount of oxygen in the brain. Try a cup of hot cocoa before you need to be at the top of your mental game.

- **Carbohydrates.** Carbs deliver a quick dose of glucose to your body and brain, providing aid to concentration and memory. Potatoes, oatmeal, and other carbs may have a beneficial effect on brain function.

- **Walnuts.** Rich in omega-3 fatty acids, walnuts can help memory and increase brain function, according to the journal *Plant Foods for Human Nutrition*. The results of one study showed that rats given a diet of raw walnuts for 28 days showed better learning and memory than rodents on another diet.

Money Matters

Try these smart shopping tips at the grocery store

Everyone wants to stretch his or her food dollars. You don't have to live on ramen noodles and cold cereal three times a day to do it. Here are some tips for savvy shopping at the store:

- Don't fall for fancy displays. Items stacked at the end of the aisles, like sodas, aren't necessarily on sale. The display can make them seem like they're marked down, but often they're still regular price.

- Remember that you pay for convenience. Skinless chicken breasts cost more than those packaged with skin. The same applies to the pre-cleaned and cut carrot sticks. In both cases, they're a little more expensive. Decide whether the convenience is worth the extra money.

- Try the store brands. If you compare the contents and nutritional value of name-brand versus no-brand items, you'll often discover that they're almost identical. In many cases, they're made in the same plant and just packaged with the store label.

- Use coupons. How often have you clipped coupons only to allow them to expire? Develop a system that will ensure you remember and use them.

Scientists delve deep into the heart of the world

Jules Verne's Journey to the Center of the Earth described an inner world of jungles, seas, and dinosaurs. The reality is quite different, but no less interesting to scientists, and it's changing all the time.

The latest discovery about the nature of the Earth's core comes from a professor at the University of Illinois at Urbana-Champaign. The inner core, about 3,000 miles beneath the world's crust, actually contains a second core about half the radius of the outer one. This inner core contains iron crystals, which are oriented in an east-west alignment. The outer inner core's crystals align north-south, although they appear to have flipped several times in the distant past.

Scientists liken the twin cores to the rings on a tree, which allow researchers to peer directly into the past. The discovery could provide important clues to the formation and development of our world.

'New' solar system is the oldest ever found

The oldest solar system in our galaxy is 11.2 billion years old, according to data from NASA's Kepler space telescope. By comparison, our home solar system is about 4.5 billion years old. The new find is about 117 light-years from Earth, with five Earth-sized planets in an orbit too close to their star to allow for life. But the discovery of a solar system's formation only a few billion years after the Big Bang some 13.8 billion years ago suggests that life could have proliferated throughout the cosmos much earlier than scientists previously believed.

Sophie the Stegosaurus steps on the scale (sort of)

How much did the dinosaurs weigh? That question has been answered—at least for one specimen at London's Natural History Museum.

Sophie the Stegosaurus is about 150 million years old, and was discovered in 2003 by paleontologists in Wyoming. It now resides at the British museum, its skeleton 85 percent intact. According to the Yahoo News website, British researchers created a 3-D digital version of the skeleton, then calculated the amount of flesh it would have had around its bones, and compared that with data from modern animals of a similar size.

The result? Sophie tipped the scales at about 1.6 tons, with a body mass roughly equivalent to a small rhinoceros. Knowing its weight will allow paleontologists to learn more about stegosaurus metabolism, food needs, and growth rate.

Where there's a will, you need a plan

It sounds like the setup for a joke: A rich uncle dies and leaves you a fortune. But what happens next in real life? A financial windfall, large or small, needs to be managed well. Here are some tips on what to do if you come into some money:

- Stash it away. Put the money away for at least six months. Trying to decide what to do with the money too soon after a relative's death may lead to questionable decisions. Put it into a money market or savings account for a little while.
- Assess your debt situation. Before you decide to invest or buy something with the money, determine whether the funds would be better spent wiping out any debt you may have.
- Seek advice. If you receive more than \$20,000, consider hiring a financial advisor who can tell you how to gain the largest or safest return on your investments.

Fly Old Glory with pride on Flag Day

Flag Day became an official national celebration in 1916, when President Woodrow Wilson proclaimed June 14 Flag Day to commemorate the adoption of the Stars and Stripes by the Second Continental Congress on that day in 1777.

The idea of setting aside a special day to celebrate the U.S. flag wasn't new, though. One of the earliest observances of Flag Day occurred in Hartford, Conn., in 1861, at the suggestion of George Morris, to pray for the preservation of the Union at the beginning of the Civil War.

In 1885, a Wisconsin schoolteacher named Bernard J. Cigrand held a formal observance of what he called "Flag Birthday" at his school. Cigrand went on to become a passionate promoter of Flag Day, delivering more than 2,000 speeches on the subject, and he is generally considered to be the "Father of Flag Day."

In 1914, Secretary of the Interior Franklin K. Lane delivered a Flag Day speech in which he said the flag had spoken to him that morning: "I am what you make me; nothing more. I swing before your eyes as a bright gleam of color, a symbol of yourself." In 1949, President Harry Truman signed an Act of Congress formally establishing June 14 as National Flag Day.
