# President's Report

By Ray Lamoureux #9

The board elections are two days away, but this newsletter has to be in before the election. We have four residents running for the board and I hope everyone reading this newsletter voted. Your vote counts on how your community is run. So please take the time and vote for the candidates of your choice.

We finally had the company finish sealing all the roads. They did not do the job to the board's satisfaction, but the roads are sealed for another three years. The contractor's we hire most of the time we have used on several occasions, are reasonably priced and do a good job. They also go out of their way to service us as soon as we call.

The Hardin house is still waiting for all the inspections and appraisal to be completed. We had trouble finding an appraiser to do the work. We went to three different places looking to get one. I talked to one on the phone and he said he doesn't do the type of zoning the house is located at. He gave me another name and he is taking the job, but he is over a week out to get us an appraisal.

We have noticed an increase in traffic in the park lately. We have also noticed an increase in the speed of cars and trucks going thru the park. Please obey the 15 mile an hour speed limit and tell your company the same. If you have a contractor working for you tell them to obey the speed limit also. We have narrow streets and people tend to walk on the streets so let everyone drive the speed limit.

The board completed all of the inspections throughout the park. If you happened to get a letter, please inform the office when the violation is completed or when it will be completed. It will save us a lot of time and money, so a second letter won't be sent out.

Everyone have a safe and happy time in Golden Acres.

**H**appy St Patrick's Day!

Another packed month of events for Golden Acres in March! In addition to our Weekly Repeats, be sure to check out the dates on the March Activities Calendar. There are many fun things to do, so join in and have some fun.

Many thanks to all of you that provided articles and pictures for this month's newsletter. Please keep the articles and pictures flowing every month in 2020. ## **Recreation Report**

*By Mark Johnson #174*

**T**he 2020 activities calendar for February, at Golden Acres, is always full.

Congratulations go out to the Kansas City Chiefs, and their fans, following an exciting victory over the San Francisco 49ers, in NFL Championship 54.

The annual carport sale attracted many visitors to the park on Saturday, February 8th. Hopefully, residents and visitors were able to find a great deal, or that special hidden treasure, they were searching for. Many items were on display and thank you to all who participated in the sale. Special acknowledgment to Ann Stewart #89 for providing helpful maps for the event.

The 50th Anniversary Celebration on Sunday, February 9th, recognized Anita and Leigh Herington #83 for their success in reaching this milestone. A very meaningful program was enjoyed by all who attended. The event was hosted by Kathy Schmitt #217 and Paula Bunevith #202. Mary Heffernan #90, was once again, our master of ceremony. Belinda Sezbenski #48 and Carol Spinney #187 entertained us with their music and vocal talents. Beautiful floral arrangements were provided by Norma Moore #54 and Staicy Boyd #46.

A heartfelt thank you of appreciation goes out to the multitude of volunteers who assisted the hosts for each of these events. A high level of teamwork was once again on full display and something we can all be proud of here at Golden Acres.

Thank you to those of you, who stepped forward, to sign up to serve on the Rec Committee. It is sincerely appreciated.

## AQUAFIT

By Nancy Baker #103

Well, January wasn't all that kind to us considering all the cool weather we had. Nevertheless, February is looking up and we're hoping that March will bring warm AquaFit days and warm water also.

In class you should go at your own pace. People who have an injured arm, leg, etc. say it's better when they do AquaFit. Even if you don't join the class, get in the water. Walk, paddle and/or chat with friends - just keep moving.

# Darts

By Wayne & Moya Bettridge #147

The darts have been finding the Bulls Eye more often this season as our group has improved their marksmanship from last year.

As you can see by the photograph everyone is enjoying the format as teams are formed randomly for each new game.

There are usually three/four players on a team and we play three games each Tuesday evening from 7 to 9 pm.

It is wonderful to hear all the spontaneous laughter during each game as teammates and rivals kid and cheer for one another.

If you would like to join in, come on out and we'll fit you in. Darts are supplied, and you never know how much fun you're missing until you take aim!

## AARP Fraud Watch Network

Free Helpline at (877) 908-3360 or

<https://www.aarp.org/benefits-discounts/all/aarp-fraud-helpline/>

In a new public service announcement, the chief of the Social Security Administration (SSA) warns that scammers continue to call and email people, pretend there is a problem with their accounts and demand money or sensitive data.

"Some of these scammers may say threatening things like, 'You will be arrested if you don't make payments or provide personal information,'" Commissioner Andrew Saul says in the minute-long video.

Officials said the rash of calls are part of an ongoing nationwide scam. In the 12 months ending Sept. 30, 2019, the SSA's Office of Inspector General (OIG) received more than 450,000 impostor complaints, or 1,230-plus a day, according to a report. There were only 15,221 such complaints in the previous 12-month period.

Some victims have been threatened with arrest if they don't call back; have been told that their Social Security number has been linked to criminal activity and been suspended; have been informed that for a cost-of-living increase they must supply their name, Social Security number and date of birth; or have been told that they must provide their banking data, officials say.

### Hang up, then report

The SSA occasionally makes legitimate calls to people who have ongoing business with the agency. Generally, employees call those who have recently applied for a benefit, are receiving payments and need to update records or have requested a call from the agency. But if you receive a suspicious call, hang up, officials say, and report it to [oig.ssa.gov](http://oig.ssa.gov). It is important to keep in mind that Social Security employees will not:

- Tell you your number has been suspended.
- Demand immediate payment and ask for a credit or debit card number by phone.
- Demand you pay a debt without the ability to appeal it.
- Require a specific way to pay a debt, such as cash, a prepaid debit card or gift card.

If there is a problem with a person's Social Security number or record, in most cases the agency mails a letter, officials say.

In a twist on the phone scam, fraudsters have been emailing fake documents to try to compel people to comply with their demands. Victims have received emails with attachments that appear to be letters or reports from Social Security or its watchdog arm, the OIG. These letters may use official letterhead and government jargon to persuade victims they are legitimate, but red flags include spelling and grammar errors, officials say.

AARP's Fraud Watch Network can help you spot and avoid scams. Sign up for free "watchdog alerts," review our scam-tracking map, or call our toll-free fraud helpline at 877-908-3360 if you or a loved one suspect you've been a victim.

# Golden Acres' Paddle Club

By Gil Callingham #159

**W**e have been out only twice this year as the weather has not been cooperating. The two cruises: 1. Upper Tampa Bay and 2. Alligator Lake. Both were well attended and even though the weather was cool at first the warmth came after noon.

Come join us as we explore the areas around us. It is a great way to try kayaking with a group and with good rental rates and service.

Let's keep paddling.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

## Golden Acres 50th Wedding Anniversary Celebration

By Paula Bunevith #202 & Kathy Schmitt #217

On Sunday February 9th we celebrated Leigh and Anita Herington's 50th Wedding Anniversary. They had their daughters and close family members and friends in attendance to help celebrate, along with many community members. Also recognized were the 60 plus Anniversary couples. Everyone enjoyed refreshments and good fellowship.

Anyone who is celebrating a 50th in the year 2021, please let us know.

## Welcome Back Pajama Dance

By Jackie Cunningham #166 & Paulette Belanger #192

The Welcome Back Pajama Dance turned out to be quite a laugh. From the very first song played by our entertainers “AT LARGE”, the dance floor was never empty. We could have had a PJ fashion show featuring everything from shower caps and rollers to fancy boxer shorts. These old folks still love to have fun.

The props for the “PHOTO SHOOT” were also a big hit. Many posed with their favourite story books and stuffed animals.

Six lucky people won gift certificates from our generous local restaurant that many of us cater to. Thanks to the new owners.

Based on many comments, everyone loved the music and certainly want them back again.

Next year’s Welcome Back Dance may have another theme. Perhaps a 50’s and 60’s revival, so get those poodle skirts and bobby socks out.

Thanks to everyone who helped set up before and after the dance. We live in a great park.

## Dunedin Cares Food Bank

By Nancy Baker #103

**M**y sincere thanks to all those that have previously donated goods to help the less fortunate. The pancake mix and syrup have been our focus for Mardi Gras, but any unopened food or toiletries are appreciated. Don't forget that we will still have the "clean out the cupboards" drive until the end of March. The food bank will need a good deal of supplies to last them over the summer. Thanks everyone!!

## How I Got My Driver's License

By Mary Rose Williams ##55

**R**ecently a group of friends and I were discussing and comparing how we got our driver's licenses and I think I won the "prize" for the most original. Having recently graduated from college and never having had a car or a reason for one, I found myself in Ethiopia, Africa where I was committed to teach for three years. This was sort of a "payback" for church and college scholarships. I came from a very generous Presbyterian church and college where, as a bonus, I received an excellent education.

An experience traveling in the mountains of Ethiopia convinced me that I needed a car. I invested in a very old but durable VW "Bug". I learned to drive the mountains where cars vied for the road with cows, sheep and goats, as well as, camels. On one trip, I traveled with friends to visit a site far up into the mountains and far from home. Leaving the friends, I confidently hired a "van", a common means of travel at that time, to take me in the desired direction (I thought). I was the only passenger for a while until a group flagged down the driver. It was decided that the van was going in the desired direction of the most passengers, and I was in the minority (came alone). I got out of the car and asked the driver, "what do I do now?" The standard reply in such a situation is "walk to the nearest village and ask a child to flag down a Lorrie (Italian driver) and just get in the truck. I did!! Most of the Ethiopian children spoke English because it was taught in most of the remote village schools, but I felt myself fortunate and set out to enjoy the ride. Not much conversation ensued, but I did enjoy being in desartous mountains gazing down at camel caravans. The driver, fortunately, was headed in "my" direction and we arrived at the East coast where I caught a train. From that point on, I decided that if I wanted to make the most of my three years in Africa, a car would be most useful.

My three years in Africa proved to be among the richest in my life as I had opportunities to travel to several countries (North, South, East and West). Being a teacher with my summers free was great. I did what I could to learn the Ethiopian language, Amharic, but our students were tested in English with this being a secondary school. I would highly recommend this experience to young people or to anyone who has the opportunity.
