As we journey together through the uncharted territory of COVID-19, remember these words of strength:

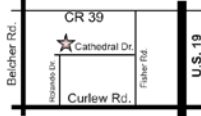

So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand. Isaiah 41:10

For God has not given us a spirit of fear, but one of power, love, and sound judgment. 2 Timothy 1:7

Our prayers are with those affected by COVID-19, as well as all health care workers, first responders, and those on the frontlines. Please use "sound judgment" and follow the guidelines set for us so that you may stay safe and stay healthy.

President's Report

By Ray Lamoureux #9

Golden Acres is a different place with everything shut down in the park. Half the winter residents have gone home and most that are left are staying till the worst is over in their home states. The pool has been closed for a couple of weeks and the clubhouse for a little over a week. Everyone has been staying in their own units and walking by themselves. The store shelves are empty of some needed items but are still operating at reduced hours.

The Hardin House passed with a vote of 183 yes and 9 nos. It is in the lawyer's hands to get the sale completed. By state law when a homeowner association buys more property we have to have a survey to add that property to our map. That is in progress as of this writing.

There are still questions of property lines on the Hardin House to the bank. We must have that solved before the sale can be completed. The meeting when the vote was final the board announced that when most residents are back in January that they can tour the house and make recommendations on what to do with the house. So, if you would like to have input please look at the house and let the board know your ideas.

The weather is getting hot again here. The daily weather this week is 90-degree temperature and 80 percent humidity and no rain lately. Everything in the park is dry and needs water. Summer has started in Florida.

The board had street drains repaired and the project is still on going as of this writing. We have no other project going on as of this writing.

We had unit #20 up for sale and a few people have toured the unit and it needs a lot of work. We have received three bids so far and others are still interested in bidding. We have no units for sale currently.

The board recommends that everyone stay safe and hope to see you when you return in the fall.

Greetings,

Since all activities for the month of April have been canceled due to the COVID-19 pandemic, there isn't much to report on activities for this month. However, the newsletter must be published in order to maintain normalcy and to remain in contact with each other. I want to thank everyone who contributed by writing articles for this newsletter. It is very much appreciated. CAN/AM was not published in April's newsletter, so it is in this month; read about how to protect yourself and keep these scammers at bay with an article from the Fraud Watch Network; an update on the creation of our GA task force; Good Advice from Debra Farris; Bingo Wrap-up; St. Patrick's Dance; Virus Musings since we all can use a good laugh; and more.

As May approaches, here are some notable events to remember:

- “Feliz Cinco de Mayo”, Happy Fifth of May! It originated with Mexican American communities in the American West to commemorate the cause of freedom and democracy during the first years of the American Civil War, and today the date is observed in the United States as a celebration of Mexican heritage and pride.
- Mother's Day is May 10th honoring mothers and motherhood. It is always on the second Sunday of May. So Happy Mother's Day to all and enjoy a relaxing day!
- For our Canadian counterparts, Victoria Day is May 18th to celebrate Queen Victoria's Birthday. Her actual birthday was May 24th, but it is now observed as the last Monday before the 25th. It is also known as the “May Long Weekend” or “May Two-Four” and is informally considered the beginning of the summer season in Canada. So Happy Victoria's Day!
- Memorial Day is May 25th to honor all Americans who have died while serving in the military. It is not to be confused with Veteran's Day (Nov. 11th) which celebrates the service of all military veterans. It is also informally considered the beginning of the summer season in the U.S. So Happy Memorial Day!

Until next time,
May God bless and keep you well and safe...

Recreation Report

By Mark Johnson #174

At the time of this writing, we find ourselves in the midst of the coronavirus epidemic. It most certainly has caught the world off-guard as we experience the traumatic effects of this dangerous virus. We find ourselves in uncharted waters from a global health policy standpoint, and a crisis resulting from a virus and infectious disease that is, of now, not totally understood.

Golden Acres has heeded the advice of our health professionals, practicing containment and social distancing. With this in mind, all of our recreational activities have been canceled for this spring, and quite possibly, into the summer months.

As it pertains to the virus, we are starting to get a picture of what works. Looking at Asia (China, Taiwan and South Korea) we have seen the fruits of containment and social distancing. If we can follow the increasingly strict containment procedures, which may be lifted by July or August, peak infection appears likely to occur sometime in the next 30 to 60 days.

As it appears Americans are observing the recommended distancing measures, there may be room for some optimism.

Please look forward to any updates, for park policy regarding meetings and activities, as we continue to battle covid-19. When practical and safe, we will be able to hopefully return to our normal schedules.

Stay safe and a friendly distancing elbow bump to you all.

Golden Acres Community Task Force Formed

By Sue Bailey #188

Phone # 727-242-7352

Email: suebail@tampabay.rr.com

Our Golden Acres Community Task Force is operational. The overall support that has been received from the email sent to those currently in our park and those who have already left and are home in their own communities is outstanding! The list of volunteers is also very welcoming. Our current volunteers include Debra Farris #28, Paula Bunevith #202, Mary Ellen Hearn #18, Claudia Burke #141, Deb Douthit #60, Jacqueline Meunier #14, Bob & Cathy Eckland #168, Steve & Susan Toner #199, Carol Spinney #187, and Jack & Sue Bailey #188. Many thanks to all of them for helping with this task force. Others have indicated that they are willing to help as well. We discovered that there are many who have reached out to their friends and neighbors on an individual basis prior to this task force creation and I applaud them for their thoughtfulness, caring and generosity.

As I indicated in the email, this is a work-in-progress, but already our volunteers have

reached out to the residents with no email address in order to cover all our park and to ensure that everyone with “needs” are provided for. As of this writing, the “needs” of those in our park have been fulfilled. Thanks to so many of our caring residents. The generosity that I have witnessed here in our park has been awe-inspiring.

Once we are past this pandemic, I would like to continue with this community outreach program, not only for any “needs”, but also to reach out to those without email for important park information. The newsletter distribution list has been an important tool in communicating park information with each other as well as the distribution of the eNewsletter. There are currently about 51 residents and about 24 year-round residents without email. Maybe if we all assigned ourselves the task of reaching out to our non-email friends and neighbors, we will all be informed? This could be accomplished with a simple phone call to each. Just a suggestion, and I welcome your ideas and suggestions for a solution.

Lastly, I am volunteering to be the point-of-contact for anyone with “needs”. My email address and my phone number are below the heading of this article. I will then reach out to our task force to assist in fulfilling the need.

St. Patrick's Day Dance

By Steve & Linda Swann #219

Hello all! With the cancellation of all Golden Acres events and social distancing in place, Linda and I are hoping that everyone is staying healthy and safe. Our annual St. Pat's dance was cancelled by our BOD and the Rec committee in the interest of our safety.

Thanks to our scheduled band, "Joel and Lynn" (along with our Rec committee), a full refund was provided due to circumstances. We are looking forward to being entertained by them next year!

Also, I would like to give a shout out to some of our local merchants that donated attendance prizes. These merchants are in our immediate area and I hope we can say thanks when we shop at their stores. Mention you are from Golden Acres and appreciate their support of our park.

1. Julian's Italian restaurant (next to Beall's Outlet)
2. Country Boy's restaurant (1353 Main street, Dunedin)
3. Eddie's Bar and Grill (1283 Bayshore Blvd, Dunedin)
4. Ace Hardware (1750 Main street, Dunedin)
5. Auto Shine car wash (1435 Main street, Dunedin)

The gifts were awarded to the winners by a drawing by Mark Johnson and Steve Swann. Each dance ticket purchased had an entry for the drawing. Congratulations to the winners!

Looking forward to next season in Golden Acres! Stay safe!

Good Advice

From Debra Farris #28

LMT, Massage/Bodywork Therapist, Corrective Exercise Specialist, Holistic Practitioner

With the onset of the COVID-19 quarantine, we are required to Shelter in Place. Maybe this has allowed us to get a few projects done, clean out a closet, read more, get creative, or meet some new and different folks in the park. For many, it also means long periods of sitting. This can be sitting watching TV, working at a computer desk, sitting at the kitchen table playing cards and more.

As a Massage Therapist and Body worker, I know that sitting can wreak havoc on the physical body. It's even been said that "sitting is the new smoking". Sitting too long can cause a myriad of undesirable symptoms, including stiffness, loss of balance, sciatica, low back pain, hip issues, groin pain, neck problems, headaches and postural deterioration.

It's important to alternate your sitting with other activities at least once every hour by getting up, walking around, stretching, clenching your muscles, then releasing them, shrugging your shoulders then releasing them, flex and point your toes, or attending to whichever area feels stiff or sore as necessary. Our fascia, which is a protective netting just under our skin, gets stuck from non-movement. Did you ever peel the skin off a piece of raw chicken and see that filmy stuff right underneath? That's fascia. Humans have it too. It gets tight and stuck when we don't move around. It also clusters around injuries and scar tissue, which creates more stiffness and immobility, and even pain.

Pain is an indicator that something is out of balance. Pain wants attention; so, if you are experiencing pain, please attend to it. This could mean giving the area a rub or stretch, soaking feet/body in an Epsom salt bath, applying topical analgesics, and/or drinking more water. When it's hot outside, it's a good idea to drink a beverage with Electrolytes in it. Smart Water, Vitamin Water, Emergen-C packets, Propel and Gatorade are just a few of the electrolyte choices available. Electrolytes help replenish the essential cell salts, nourish the kidneys, and transport lactic acid and toxins from the muscles.

Now is such an important time to take care of ourselves; to stay in balance and stay healthy. Diet is another major factor. If you are moving less, eat less. Try eating "cleaner". The virus is said to lodge in the mucous membranes of the body and is especially hard on people who are congested. Wheat, Dairy and Sugar are usual suspects for creating congestion and inflammation in the body. There are multitudes of healthy natural alternatives now that are easier on the body, and still taste great. Eat more food from the Earth, and less food from boxes and cans.

Be well and thank you for being part of this wonderful community! If you have any questions, or have a physical issue that is bothering you, I would be so happy to assist you.

When it comes to Coronavirus, protect your health and your wallet

By Sue Bailey #188 as an AARP Fraud Watch Fighter

Free Helpline at (877) 908-3360 or

<https://www.aarp.org/benefits-discounts/all/aarp-fraud-helpline/>

How It Works

- Scammers may set up websites to sell bogus “coronavirus products”. From face masks to vaccines to cure-alls and use fake emails, texts and social media posts to get you to share payment or sensitive personal information.
- You may come across emails or social posts claiming to promote awareness or give prevention tips, including fake information about cases in your neighborhood.
- Scammers may use this to tout a new can’t-miss “investment opportunity”. For example, in face masks or a cure.
- You may get donation requests claiming to raise money to help victims.

What You Should Know

- Know that there is currently no vaccine available for coronavirus.
- Any “investment opportunity” that claims to ride the wave of economic activity due to the virus is probably an opportunity to lose money to a scam.
- Your best resources for information on the virus are the ones you know and trust, but first verify that the resource is who you think it is.

What You Should Do

Don’t click on email links from sources you don’t know. They could download malware on your device.

Ignore any online offers for vaccinations or treatments. If a vaccine or treatment is developed, you will hear about it in the news, not from an online ad or sales pitch.

If you receive a communication claiming to be from a government agency like the Centers for Disease Control and Prevention, close the email and then visit the agency’s website directly at www.cdc.gov.

Engage your inner skeptic when confronted with donation requests. Before giving, check out charity watchdogs like give.org or charitynavigator.org.

CAN/AM 2020

By Cheryl & Lorne Taylor #136

Pictures by Mary Wittenbols #65

Wow! Another great dinner and show. February 27th seems so long ago, and we apologize for the late report. Life changed very quickly for us once we decided it was important for us to return to Canada as soon as possible.

Our clubhouse was alive with conversation, laughter, and good food that day. What a wonderful testimony to the spirit of our GA community that we were able to begin the evening with a prayer and then singing each other's National Anthems. Thanks Don Webb and Lorne Taylor.

Moya Bettridge, Glenda Spafford and Mary Lou Webb did a great job setting up the hall and organizing the wonderful dinner. Such fun! Thanks to the 20 hostesses who invited guests and planned the meal for their table. Don Webb and Frank St. Peter did a fantastic job baking and setting out the ham. It was nice to see some hostesses adding their own table decorations. It has been suggested that we promote that for our next dinner.

After dinner, the show began. We have such wonderful talent at GA. Singers, actors, dancers and more. The show went on for nearly 2 hours. I (Cheryl), was happy to emcee the show and thoroughly enjoyed watching from the sidelines. It was fun for us to see some of the acts for the first time that evening, too. Thanks to the efforts of all the performers, all the costumes were a complete surprise to us. A few actors even added their own touch to rehearsed acts!

The show opened with a Barbershop Quintet (Jim Schmitt, Rene Wittenbols, John McLaughlin, Roger Sutton, Lorne Taylor) entering from the back of the hall. The audience appreciated their renditions of 'There's No Business-like Show Business' and 'Yesterday'. This was followed by our resident magicians Johnson and John's Son (Mark Johnson and Wayne Bettridge). Their hilarious tricks left everyone amazed and in stitches. We were all thankful that they decided not to saw an audience member in half.

Then from poolside, came two experienced kayakers (Gil Callingham and Joe Bunevith) who demonstrated, with much difficulty, the importance of safety and working together when using a tandem kayak. Everyone was impressed with their construction skills! Rose West slowed things down a bit with her performance of the great song 'Crazy'. Most of us know she is a great golfer but now we are also so impressed with her vocal skills.

Carol Spinney then returned the audience laughter with her character, Prudence Prue. She entertained us with her version of 'Are You Lonely Tonight?' Everyone listened attentively for every punch line. What a hoot! A skit involving a group of snowbirds (Leigh Herrington, Wayne Bettridge, Gord Spafford, Tod Blanchard, John West, Lorne Taylor, Roger Sutton, Bob

...continued on page 26

Ivers) followed. They ably demonstrated what they'd rather be than a snowbird. A traffic cop, an undertaker, a nurse, an uber driver, a tennis player, a tailor, a cheerleader and a dog were their new jobs. They were well synchronized and even managed to not injure themselves or each other. What a hoot!

Debra Farris was then welcomed to the stage. She paid tribute to her father Howard and Willie Nelson by entertaining us with her fine rendition of 'On the Road Again'. She even managed to grow a beard for her performance. This was followed by another visit by our capable kayakers and then Johnson and John's Son. Both acts feted the audience with their wit and superb acting skills.

Once again, we were happy to have Val O'Farrell entertain us with her superb vocals. Although, she experienced technical difficulties, she showed herself to be a true professional and carried on with the beautiful 'I Don't Know How to Love You'. The next act featured a group of senior ladies from the Happy Oaks Retirement Home (Margaret Cooper, Lin Johnson, Karen Obermark, Paula Bunevith, Cheryl Taylor). The ladies were very upset that one of their roommates (Joan Ivers) had returned from a date with a much younger man (Patrick Blaney). They demonstrated their displeasure with a well-choreographed routine (Theresa McGrory) to the tune of 'All the Single Ladies'.

Every show needs a commercial break. Mary Heffernan then demonstrated the massive energy that many of our GA residents display every day. She impressed everyone as she danced about the stage and up and down the aisle as the Energizer Bunny. All the while dressed in her bright pink bunny costume!

Our kayakers then appeared for the final time to show everyone that after many attempts they had finally caught something. As they kayaked across the stage they were followed by a giant shark.

Congratulations...all your hard work paid off!

Ann Stewart, beautifully costumed, then strutted around the stage as Lorne Taylor strummed 'Ain't She Sweet' on the ukulele. When the music changed to 'Are You Mine?', Ann proceeded to transform herself into a wench totally unnoticed by her suitor. She went from a princess to an ugly stepsister and Lorne was frightened off the stage!

Our final skit was presented by a group of Hillbillies (Norm and Barb Sanford, Gary and Bev Collins, Gil and Gail Callingham, John and Sheona Ayles) accompanied by their Hillbilly Choir (Rose West, Carol Spinney, Deb Farris and Lorne Taylor). Their performance of the story of Little Jimmy Brown, to the tune of 'All the Chapel Bells', was hilarious and had the audience wanting more. The bell ringing was highly technical and there were no serious or broken props during the performance!

The surprise performance of the evening came next. This act was tentative and was a last-minute addition to the program. Boy!..... did Gilles Prescott catch us all totally off-guard as he performed 'Bohemian Rhapsody' in total Freddie Mercury character, buck teeth, studded belt and all. His gyrations, dance moves and lip syncing were amazing. Way to keep a secret!

The newly formed GA Choir gave the final performance of the evening. Under the direction of Jim Schmitt and accompanied by Belinda Sezbenski, the choir performed an uplifting version of Leonard Cohen's 'Hallelujah'. What a debut! We look forward to many more appearances by these 20 wonderful voices. The full cast then did an encore curtain call while the GA Barbershop Quintet serenaded us with "Goodnight Sweetheart". The audience responded with a standing ovation.

This type of event doesn't happen without a lot of help. In addition to all of our talented performers we would like to thank Gilles Prescott--- sound and lighting, Deb Farris---sound, Paula Bunevith---backstage direction, Barb Sanford and Moya Bettridge---props, Ron Craigmyle---videography, and Bob Mickle---editing and recording.

The numbers in the show are continually growing. We look forward to next year and we remind everyone to start thinking about what you might share on stage in 2021. Please note that next years Can/Am is scheduled for Thursday, March 4th. Stay healthy, stay home and take care of each other so we can all be together again soon.

Bingo 2020 April Wrap Up Report

By Maureen Shannon #200, Paula Bunevith #202, Marilyn McKay #198

As the Coronavirus rapidly emerged, obviously Bingo ended abruptly on March 9, three weeks before the end of the month. However, all considered, it was a very good year. We played 16 games, had 801 participants playing Bingo, and paid out \$9,112.00, averaging \$570 a week. The lowest week was \$315 (25 players) and the highest was \$749 (55players).

Every week 4 people step up and make Bingo a success: the banker, the caller, and the two workers. Twenty-nine GA residents assisted, as needed, THANK YOU. We cannot do it without YOU!

We also thank the weekly winners, who donate goodies for the following week. We appreciate your kindness, time, and generosity.

We also want to thank the GA residents who have signed up to assist us next year. The schedule is done. There are big changes; we will start Bingo on January 4, 2021 and expectantly, run every Monday night until March 30. Hopefully, the coronavirus will be under control, and we will all be back in GA.

By the time you read this most of you are/will be home. Enjoy you summer and stay safe and well.

Amen.

Practicing Self-Isolation & Social Distancing

By Paulette & Louis Belanger #1921

Louis and Paulette Belanger of Cobalt are practicing self-isolation and social distancing to the fullest after returning from Florida last week to their Cobalt home located on Lang Street. They placed a sign in their window indicating how many days they have been staying home as they count down the mandated 14-day period.

Lighthearted Virus Musings

From Elaine Janes #216 (from her sister-in-law)

- I used to spin that toilet paper like I was on Wheel of Fortune. Now I turn it like I'm cracking a safe.
- I need to practice social distancing from the refrigerator.
- PSA: Every few days, try your jeans on just to make sure they fit. Pajamas will have you believe all is well in the kingdom.
- Homeschooling is going well. 2 students suspended for fighting and 1 teacher fired for drinking on the job.
- I don't think anyone expected that when we changed the clocks we'd go from Standard Time to the Twilight Zone.
- This morning I saw a neighbor talking to her cat. It was obvious she thought her cat understood her. I came into my house, told my dog..... We laughed a lot.
- So, after this quarantine.....will the producers of My 600 Pound Life find me or do I find them?
- Quarantine Day 5: Went to this restaurant called THE KITCHEN. You must gather all the ingredients and make your own meal. I have no clue how this place is still in business.
- My body has absorbed so much soap and disinfectant lately that when I pee it cleans the toilet.
- It's time to take out the garbage. What should I wear?
- I hope the weather is good tomorrow for my trip to Puerto Backyarda. I'm getting tired of Los Living Room.
- Classified Ad: Single man with toilet paper seeks woman with hand sanitizer for good clean fun.
- Day 6 of Homeschooling: My child just said "I hope I don't have the same teacher next year".... I'm offended.

Trip Home to Halifax, Nova Scotia

By Bruce Dagsvik & Linda MacDonald #57

April 2-8, 2020 America's only tourist!
Against all official advice I took a slow, six-day, zig zag route from sunny, warm delightful Golden Acres to cold, dreary Frozen Acres here in Halifax, Nova Scotia. For the most part, if there was a roadside sign that suggested a scenic route, I took that route.

I touched 13 states, which were all empty. Spent several hours hell-driving the twisty Appalachian Trail roadways, which were all empty. I also drove through every city's downtown I could stumble across, which were all empty, and played championship golf courses at a fraction of their cost, which were, of course, all empty.

I kind of lied my way into a Connecticut motel by stating I was homeless (which was starting to have some appeal) and wouldn't have minded at all if the Canadian Border Guards shooed me back to Dunedin so I could start all over again.

I'd go slower.

Smile

By Wayne & Moya Bettridge #147

When we arrived home on March 24th someone in our community had gone around the neighborhood and drawn smiley faces in chalk on our driveways.

It was a nice welcome home. Unfortunately, a couple of days later the rain washed them away.

I got to thinking maybe we could make some more permanent smiley faces and distribute them to friends and neighbors.

After our 14-day self quarantine I went to the \$ store and purchased a few sheets of bright yellow Bristol board and after a few tries came up with a reasonable looking smiley.

We started to distribute them through the neighborhood and were pleasantly surprised with the response.

Everyone was on board and are displaying them on their front doors or windows so everyone passing by will see them. They say, "laughter is the best medicine" and this simple little gesture seems to be having an impact here in our community.

Editor's Note: What a great idea! Here is a clipart smile face that you can use as a pattern to draw your own or print. Then post on your front door or window and/or give to your neighbors.
