## President's Report

By Ray Lamoureux

**W**e are still trying to recover from the effects of hurricane Irma. We have eight places with major damage to be repaired. I was told yesterday that most of the contractors are booking out two months or more for repairs to units. Most of the eight that have major damage can be occupied. Two that have major roof damage cannot be lived in. Most of the others have very minor damage usually the pan on the edges of the roof -overs.

The tree limbs and palm trees that fell down during the hurricane are removed from the park. The street of Dunedin is still littered with all kinds of material that the city is slowly picking up and taking to the land fill.

The board finished with the 2018 budget on Tuesday October 10th and it will be mailed out on Monday October 16th. With this budget the maintenance fee will stay at \$165.00 per month. The budget meeting for residents to vote on the budget will be Wednesday November 15th at 10:00 after coffee. Please mark the date on your calendar.

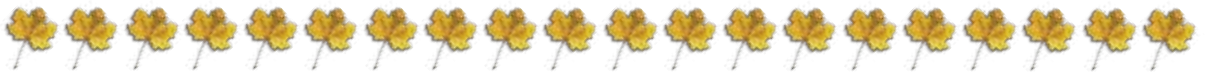

We are also having an audit on the park financials next year for year 2017. We were required by law to have audits done every three years. The law was changed that we could have audits with longer periods in between audits but the board will have audits done every three years and keep on that schedule.

It time to start thinking about elections to the board of directors. Two members of the board are up for the election. The process is to submit to the office the intent to run form by December. Also required is a resume to be sent out with the ballot in January.

The park is starting to fill up. Snowbirds are slowly returning to their winter homes. By the time you read this newsletter a good number of units will be full.

We still only have two units for sale as of this writing. The sales have been slow this summer but it should pick up now that fall is here.

**N**ow that autumn is here, I'm looking forward to seeing everyone's smiling face again as you will be making your way to Golden Acres for the winter months. I am grateful that hurricane season will be ending as we all had quite a scary time with Irma, both here and away from Golden Acres. Moving on, here's to a lot of happy times as we enjoy each other's company at all of the events that have been scheduled for this winter.

Many thanks to all of you that contributed articles and pictures for this month's newsletter. Inside you will read about our GA Summer Fun, Early Bird Dance, Thanksgiving Dinner, Bingo Help, preparing in advance for the next disaster scare, and cleanup photos from the aftermath of Hurricane Irma in our park.

Some important dates for November include: Daylight savings time ends on November 5th, so don't forget to set your clocks back one hour (fall back), Veterans' Day for the US and Remembrance Day for Canada is November 11th, and Thanksgiving is November 23rd.

Until next time,  
May God bless and keep you well and safe...

## Greetings from the Office

# Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **[MortonPlantValveTrial.org](http://MortonPlantValveTrial.org)**.

## City of Dunedin Rezoning

By Steve Swann

---

**T**here has been many inquiries from residents regarding the Letter of Notice mailed to your home by the City of Dunedin, and the rezoning of six addresses on Main Street, SR 580, and Park Drive. I called and spoke with Dunedin Department of Planning and Development at City Hall and specifically inquired about two rezoning requests that are near Golden Acres.

Applications ZO 17-59 (area along Main street) and ZO 17-60 (Old Knights of Columbus Hall).

**ZO 17-59** - Main Street area is requesting rezoning to move to an "urban concept". This was described as retail business on ground floor and residence above. Road frontage will be landscaped.

**ZO 17-60** - Old Knights of Columbus Hall. Rezone request is a land use request. Proposed business is a flooring retail sales and service business.

This information should answer any questions and or concerns that you may have had.

## Summer Fun

By Timmie Strader

---

**T**he final event of the summer went over well considering "Irma" decided to come to town. Several people attended and thanks again to Cindy it was a success! With Donna back in town things are a bit easier on our small committee. I think hot dogs and root beer floats are something we should do every summer just like the ice cream social.

It's been a fun summer and thanks to all of the extra help everything went great. Sorry I was not well but it looks like I'm on the mend. I believe the prayers and good wishes from all of you did more for me than that poison the doctors pumped into me. THANK YOU EVERY ONE from Timmie.

## Bingo Help

By Maureen Shannon

---

**F**irst off, I want to say how grateful I am that we, at Golden acres came through Hurricane Irma with as little damage, as reported. Thanks, to all who kept us posted on Facebook, phone calls, and pictures.

As we prepare for the 2017-2018 Bingo Season at GA, I want to thank everyone who has participated in prior years on the Bingo Committee. It is a lot of work, but it is also a lot of fun.

This is a “shout out” for additional help. Please consider donating one Monday night per month to give all involved a night of relaxation.

If you are willing to help, please email me at [mshnnon@capecod.edu](mailto:mshnnon@capecod.edu) .

As I will arrive shortly after Christmas, Paula Bunevith and Marilyn McKay have graciously volunteered to take care of Bingo until I arrive. Paula will bring the current schedule down with her in October, and it will be posted in the Club House.

Wishing everyone a safe return to Golden Acres.

## Thanksgiving Dinner

By Timmie Strader

---

**O**ur annual Thanksgiving Dinner will be held at the Clubhouse again this year. A signup sheet will be posted in the clubhouse. It will be a buffet style dinner. The same way we did the dinner last year. We will be asking for some folks to cook the turkeys, they will be responsible for cooking the turkey, stuffing and gravy. Those attending will sign up for dishes to accompany the turkey, ideas for accompanying dishes are: Mashed Potatoes (so good with gravy), green bean casserole, butternut squash, corn, and sweet potatoes and other great dishes (including desserts) which our Golden Acres cooks always bring.

Dinner will be served at 3:00 pm on Thanksgiving day. A 30 minute (cocktail) visit time will start at 2:30 pm.

If you are willing to cook a turkey, please let me know because the Park will purchase the turkeys.

THANKS EVERYONE.

Timmie Strader

727-386-4493

Watch for the signup sheet. Hope to see you at dinner.

## Preparing in Advance of the Next Scare

By Kurt Novakowski

---

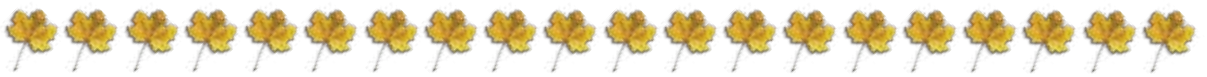

**A**side thought in preparing for the next disaster scare. As I diligently tried to find open shelters when the mandatory evacuation order came, there was only one shelter open and it was at the Middle school on Patricia Ave. So when Larry Berube (#85) went there, he was told he was not welcome as it was only open to Special needs but they could not offer any advice on where he should go. I called Emergency Management and a representative told me to keep my eye on the Pinellas County Emergency Management website which did have accurate info. Three minutes later, they opened the Elementary School on Patricia Ave.

Larry told me that he would never even know that there was a storm outside as the shelter was so structurally sound.

The website is at: <http://www.pinellascounty.org/emergency/shelters.htm>

*Editor's note: Thank you, Kurt for the information. If you do not have access to the Internet to open the website, you can always call The Citizens Information Center at (727) 464-4333 which is open during emergencies, to check for your evacuation zone.*
