President's Report

By Ray Lamoureux

A year has passed quickly and elections to the board of directors are on February 8th. We have 5 residents running for 3 positions. It is good to see so much interest in running for the board. I hope everyone cast a ballot for the person you feel will help the park improve.

The back gate is taking longer than expected to be replaced. I met with the fence company yesterday and they hope to have the job completed by the end of next week. The automatic controls for the gate were the hold up. The holidays did not help with the process of getting the controller sooner. The car that hit the fence and the gate moved everything out of line. The rails that line the gate to close or open need to be reinstalled for proper gate operation.

We don't have any units up for sale as of this writing. We have one that lasted a little over two weeks on the market. This week another one lasted about twelve hours on the market. It seems you have to be first to know about a sale.

The collection for hazardous materials is collected on the 4th Saturday of each month across from Home Depot and route 19 north. Televisions and paint and other hazardous materials must be brought to this location to be disposed of. The city of Dunedin will no longer pick up televisions. Do not bring the materials to Robert's work shop to be disposed of because he has no way to get rid of them. The dumpster down in back is only for brush.

We had reports of strangers in the park lately. Please if you see some strange activities going on please call the sheriff and have them investigate. Please don't take it upon yourself since you don't know if the person will harm you.

From the Editor's Desk

Morning Coffee

By Gail Tasior

Here is a picture of "Morning Coffee" on 12/21/16. Ron Tasior giving his morning report and Grandsons Ethan 7 and Austin 5, telling a Christmas Joke! Why can't Christmas trees knit? Because they keep dropping their needles. The boys handed out candy and wished everyone a Merry Christmas.

Odd Ball Golf Tournament

By Gil Callingham, Bill Erickson, and Joe Bunevith

January 1st 2017 at 8 am a group of enthusiastic gentlemen golfers met at the Country Way Golf Club to compete in the 6th annual Odd Ball tournament. After a morning of fierce competition, we gathered at the 19th hole (the clubhouse) for refreshments. The lively discussions and stories were followed by the presentation of awards and the coveted Odd Ball Cup. After a review of the score cards and the applications of the penalties, the prizes were awarded.

The winners of the cup were:
Cliff Cushman and Matt Taylor

The winners of the closest to the Pin were:
Hole # 2 Ron Tasiar and Bob Eckland
#10 Ed Richtmyer and Kenny Hultgren
#18 Jim Schmitt and Bob Stewart

Unlike other tournaments, the winners of closest to the pin won new cars. Look out PGA.

Mystery Hole winners: Ron Tasiar and Bob Eckland-- lost 2 strokes.

It was a good day and a great way to start the new year.

Thanks to all from Joe, Bill, and Gil.
Don't forget to mark your calendars for next year's tournament.

Paddling Club (GASP)

By Gil Callingham & Lorne Taylor

Happy Paddling This New Year

Golden Acres Paddlers are looking to increase our activities this year. Our club is for anyone interested in joining us as we paddle and explore the waterways and parks in our area. Whether, you are a novice or an expert, you are welcome to join us in this new activity at our Park.

We are always looking for new places to go. A REPORT FORM is located on the bulletin board in the clubhouse so you can share your experiences with us. Please include any brochures, maps, rental information and rates with your completed report.

We hope to plan outings as often as weekly, however, the weather dictates this. Generally, we meet at the clubhouse and leave as a group. This allows paddlers to help one another. Paddlers can participate as they wish. Typically, we have gone on Thursday or Friday and let interested people know on Wednesday at coffee.

If you plan on going paddling at another time and would like some others to join you, contact us and we will get the word out. Remember to complete the Report Form.

Come and Join GASP.

Keep those paddles wet.

From the GASP Admiral and Rear Admiral.

Carport Sales

By Ann Stewart

If you plan on having a carport sale at your coach on Saturday, February 11th, you must sign up on the bulletin board at the clubhouse. I will take care of getting the permit for the park.

Christmas Holiday Pot Luck Supper

By Ron & Nancy Short

Our Annual Christmas Pot Luck Supper was a Great Success with 75 residents in attendance. The meal was fantastic with Ron cooking two 20 lb. turkeys in the Clubhouse kitchen with Barb Pylinski, Eleanor Bryant, and Nancy Short all cooking a big ham in their coaches.

Thanks go out to all and especially to Dave Merriam who was kind enough to help start the monster gas stove in the kitchen.

Music by Dorothy Smith for sing along Christmas Carols was beautiful along with our two special guests Rose West and Kurt (Elvis). Thank you, Kurt, for the loan of your equipment.

Thank you, Doug Templeton and John West, who were the butchers and all the women who helped Nancy coordinate all the food.

Everyone received a little gift from Santa.
Till next year, Santa says goodbye.

Golden Acres Annual New Year's Eve Dance

By Ron & Nancy Short

Our Annual New Year's Eve Dance saw 91 guests in attendance. Music was by Richie "V" Duo who played until after midnight.

Our ten o'clock lunch was fantastic with everyone enjoying sandwiches, shrimp, cold cuts, cheese, fruits, veggies, deviled eggs and a great ice cream type punch.

Thanks go out to Barb Pylinski, Mary Lou Larmand, Marge Spafford, and John West who helped Ron and Nancy boil, peel and turn 96 eggs into deviled eggs. Fun was had by all until we plugged the sink drain with egg shells and plumber Doug Templeton was called to duty and along with his capable assistant John West, got the system working again.

The beautiful door prize consisting of a five piece luggage set was won by Mary Lou Larmand. Congratulations to her and no it was not meant for her to pack her bags and move out. (L.O.L).

A BIG THANK YOU to all who helped decorate the Hall, set up tables, serve the food and clean up after the dance and rearrange the tables.

Special thank you to Theresa Quinn for taking the time to purchase all the food and to Bev Collins for making the beautiful tasting punch. A big thanks to Gary Collins for being our official egg tester and server.

Till the End of 2017 - May God Bless.

Welcome Back Snowbird Dance

By Jackie & Denny Cunningham

To all our friends from Golden Acres, the "Welcome Back Snowbird Dance" on January 7th, was great.

The evening was kicked off with a new band called "Double Trouble". Everyone said they were super. The energetic reaction from the crowd was very noticeable as the night went on.

The "Spot Dances", as we call them in Canada, were also a hit. Some people had no idea what these special dances were, but they soon found out when the lucky winners took home their surprise gifts. Four other couples received mystery door prizes.

The photo shoot was also fun. Everyone took turns dressing in furs, scarves and gloves (just like school kids) to have their picture taken. What a laugh that was!

It was wonderful to see so many re-connecting and welcoming each other back to our little paradise in Golden Acres. We just can't stop bragging about our park and the good life we have here.

Thank you everyone for making this function and all our gatherings a success. Let's get even more people out to the next dance.

"We Be Jammin" for the Food Bank

By Nancy Baker

As I mentioned in January, the Food Bank is in need of jams and jellies to go with their peanut butter. In the spirit of Valentines and sweets, we should do another collection for them. I will make a reminder announcement on February 1st and you can leave your jams and jellies in the Recreation Hall anytime in the following week or at "Coffee" on February 8th. Last week, they also needed pancake mix, syrup or canned stews if you wish to help with that as well. Everything we give is sincerely appreciated. Thanks in advance.

Good Old American Ingenuity

By Kurt Novakowski

As some in the park gathered for a klatch to re-welcome Judy Fitzpatrick and Roz Frabotta back from their visits away from GA, we observed and were amazed when Cy Vavrek Lot# 148 came by and demonstrated his Good 'ol American ingenuity at age 89 years young built a motorized wheelchair out of a standup Segway. Cy has great difficulty with his left leg swelling to more than double his right knee and is improvising ways to get out and about. Here in a photo neighbors admire his invention complete with horn, lights and enough speed to at least trail behind Mary Heffernan Lot# 90 as she speeds by on her bike returning from doing her laundry.....I love watching the GA movie run. God Bless you.

What chapter was that?

A minister told his congregation, “For next week’s sermon, I would like everyone to read the 17th chapter of Mark from your Bible. This will help you fully understand my topic on an important sin.”

The following Sunday, the minister opened his sermon with, “Now, how many of you have read Mark 17 this week as I asked?” Nearly all the hands went up.

The minister smiled. “Mark has only 16 chapters. I will now proceed with my sermon on the subject of lying.”

How many cats?

Teacher: “If I gave you two cats, and another two cats, and then another two, how many would you have?”

Johnny: “Seven.”

Teacher: “No, listen carefully. If I gave you two cats, and another two cats and another two, how many would you have?”

Johnny: “Seven.”

Teacher: “Let me put it to you differently. If I gave you two apples, and another two apples and another two, how many would you have?”

Johnny: “Six.”

Teacher: “Good. Now if I gave you two cats, and another two cats, and another two, how many would you have?”

Johnny: “Seven!”

Teacher: “Johnny, where do you get seven from?”

Johnny: “Because I’ve already got a cat!”

VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

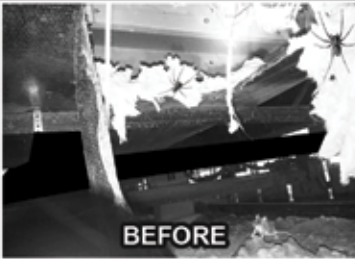

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Cities encourage healthy lifestyles

Cities are doing their part to help people stay healthy and physically fit, adding bike paths, parks, public transportation options, and “walkability.” According to Healthways, which uses scientific means to measure and encourage healthy behavior, the cities with the highest “active living environments” are:

- Boston
- San Francisco
- Chicago
- New York
- Washington, D.C.

The lowest scoring cities include Fort Wayne, Indiana; Indianapolis; Oklahoma City; and Tulsa.

Get up and work out

The alarm rings. Do you leap out of bed to head for the gym? Or hit snooze and tell yourself you’ll work out tomorrow? Motivating yourself to get up and start exercising can be tough. If you give in to temptation to skip the health club more than you’d like, try these tips to get moving:

- **Watch what you eat before bedtime.** A heavy snack right before you hit the mattress will make you feel lethargic in the morning. Stick to fruit, vegetables, and lean, protein-rich foods, and don’t eat anything for at least 90 minutes before you go to bed.
- **Go to bed early.** You’ll wake up feeling refreshed and ready to work out if you get enough sleep—seven to eight hours. Limit your TV, computer, and cellphone use before bedtime so you can get to sleep easier. 
- **Look forward to something.** Don’t think of exercise as drudgery. Find something you enjoy about it so you wake up excited about hitting the gym, or give yourself a reward for working out once you’re finished.
- **Find a workout buddy.** Exercising alone can be boring. Ask around your neighborhood, workplace, or health club and find someone who works out on the same schedule you do. When you know you’ve got someone waiting for you, you’ll be more motivated to show up.

Daydreaming can be good for you

Daydreams aren't necessarily a waste of time. We daydream for different reasons, but it can have a positive affect on your life and career. Consider these facts about daydreaming from the LiveScience website:

- Daydreaming can be controlled—up to a point. Most people daydream intentionally because they're bored or working on something simple. When tasks require more concentration, drifting off is less frequent, but still happens.

- Blinking is a clue. Wonder if someone is daydreaming while you're talking? Look closely at their eyes. Studies show that people blink more often and more rapidly when they daydream.

- Daydreaming can help with problem solving. Let your mind wander when you're working on a tough problem. Scientists have observed that the areas of the brain involved in problem solving turn more active when we daydream.

Sharpen your mind with these puzzles

Brainteasers are good for honing your creative thinking. Try these to stretch your mind:

1. You are driving a bus with nine passengers. At the first stop, three people get off and five get on. At the second stop, seven people get off and four get on. At the first stop, six people get off and two get on. How old is the bus driver?
2. You have to choose to enter one of three rooms. Inside the first room is a team of ninjas hired to kill you. Inside the second is a tiger that hasn't eaten for three months. Inside the third is a raging inferno. Which room do you enter?
3. Harry is a butcher. He started his career at age 19. He worked for nine years in Boise, Idaho, and then moved to Duluth, Minnesota, where he's been in the same line of work for 14 years. What does Harry weigh?
4. Imagine you're in a leaky rowboat that's sinking. Great white sharks are circling your boat. How do you get out of this predicament?

Answers:

1. Whatever you own age is, since you are the bus driver.
2. Room No. 2. A tiger that hasn't eaten in three months is dead.
3. Meat.
4. Stop imagining.
