President's Report

By Ray Lamoureux

The New Year is starting and elections for the board of director are right around the corner. The letters for intent to run went out in the mail and must be received by January 1st at the office or in the mail to the Progressive Management office. You must also have a resume submitted by January 6th in the office or the Progressive Management office. These are very important positions that make our community run smoothly. The election to the board will be held on February 10th at 10:00 in the clubhouse.

We have been improving some of our electrical devices in the park. We are changing the flag pole lights to LED to save electricity and adding a ceiling fan to the library for more air circulation. We are upgrading our bathroom exhaust fan systems to better improve air flow.

The committee for reviewing rules and regulations is being formed. We have two board members and three residents on the committee, one of the residents must be a former board member. We have a list of volunteers for this committee in the office. The board members chairing this committee will be Judy Fitzpatrick and Frank St. Peter. We have some rules and regulations that need to be addressed to make them easier and clearer to understand.

We have three places for sale as of this writing. The sales are usually slow before the holidays and pick up after the first of the year. We had two places that were sold before they reached the office last month. This is not unusual, word of mouth seems to sell the units faster than listing them in the office.

Inspections of the units in the park will start after the election of board members. We try to have it completed in a week to give people time during the winter to complete any of the violations if they receive a letter.

The park when returning from up north this summer looked overgrown. Each owner is responsible to have their unit taken care of over the summer. You must have someone take care of your bushes and flower beds if you are not going to be in the park over the summer.

The board hopes everyone had a safe and happy holiday and a safe return to Golden Acres.

HAPPY NEW YEAR! Here's to another year gone and a new year beginning. May you have a happy, healthy, and prosperous 2016!

All snowbirds should have joined us by January so let's bring on the fun. There is so much to do in Golden Acres that no one should be bored. Although the choosing is up to you whether to join in some activities, all activities, or no activities. That's the beauty of living in our park.

Within this newsletter are articles and pictures from some of our residents; articles from past events such as the Veterans Day / Remembrance Memorial Service, Thanksgiving dinner at the clubhouse; and announcements for upcoming events in January.

January (in Latin, Ianuarius) is named after Janus, the god of beginnings and transitions; the name has its beginnings in Roman mythology, coming from the Latin word for door (ianua) since January is the door to the year. The birthstone for January is garnet, representing constancy. The birth flower is the snowdrop representing new beginnings and hope. Besides January first being the beginning of the new year, the other important date in January is Martin Luther King Day, celebrated on Monday, January 18th.

Until next time,
May God bless and keep you well and safe...

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

George Lordstrom, Saint Petersburg, FL

From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2016. Another example of how the community gave back.

Welcome New Residents Sheila Blinoff & Ed Treadway (Unit 145)

By Jo Ellen Bryant

DNA, French Huguenots, Queens Golden Jubilee Metal, Bell Canada, and Muskoka, Canada are a few key words which all apply in some fine way to one of our newer couples in Golden Acres. Sheila and Ed purchased unit 145 (Pat Morningstar) last year and are now becoming fully immersed into our community.

They were no strangers to Dunedin as they had rented in Twin Lakes previously and knew they wanted to be near Dunedin and the Blue Jays, not to mention our walking and biking trails, and the beautiful beaches of the west coast.

They live in the “Beach Area” of Lake Ontario. Their vacation cottage is in the North Country a two hour drive north of Toronto located on the Canadian Shield. Spending winters in Florida are a welcome change.

The melding of two active lifestyles ten years ago has brought happiness to both, when Sheila cleverly advertised for a social group with an unbalanced number of males: “Wanted a Few Good Males”. Ed appeared on the scene and they became a couple.

Both have very unique work backgrounds and special interests. Sheila retired after 40 years as General Manager of a community newspaper serving 30,000 residents every 2 weeks. In the beginning, she started as a volunteer delivery member and eventually became editor. Sheila had staff consisting of advertising and editorial support. When home she still helps with distribution. As a result of her tireless dedication to her community for so many years, she was awarded the prestigious Queen’s Golden Jubilee Metal in 2002.

Sheila’s hobbies include reading & genealogy where she has pursued the backgrounds of her and Ed’s families. His origins were the French Huguenots, and go back to the potato famine. There is also Canadian and Austrian heritage. Sheila has done DNA testing to help determine her heritage and her ancestry goes back to the 1500’s for 18 generations! The hours of Internet searching and exploration to track each of their families’ history and origins requires persistence and tedious work but with satisfying results. Sheila enjoys sewing, walking, and aqua-fit as well.

Ed worked for Bell Canada in telephone and data communications as their manager of Business Systems for over 37 years. He was an avid sailor and hiker and he still enjoys walking three miles a day. Both of them enjoy the causeway and Howard Park for their long daily walks.

Owning property in Golden Acres is revealed by their bright smiles. They now can enjoy the relaxing life retirement brings by exploring our State Parks, the Strawberry Festival, and spending time on the Gulf. Ed loves to visit the historical Civil-War re-enactment at Fort Desoto in February. We welcome this bright and interesting couple into our midst at Golden Acres!

Veterans' Day / Remembrance Day Memorial Service

By Sue Bailey

The Memorial Service in our clubhouse was attended by residents of both Golden Acres and Golden Crest. Many thanks to Kent Wood for organizing and coordinating the service with Golden Crest. Joe Lemon, in his Navy uniform, led the service. The bell tolled eleven times at the eleventh hour of the eleventh day of the eleventh month to begin the service honoring all those courageous men and women who have served, fought, and those who have paid the supreme sacrifice for our countries.

Bill Erickson, Bob Eckland, Ann Stewart, Marlene Scott, and a man and a woman from Golden Crest (but I didn't catch their names) participated in the service. Recognition and a show of appreciation from all was given to our veteran residents and Golden Crest veteran residents who were present at the service. Two past veterans whom are no longer with us (Mel Hearn and Jim Thompson) were mentioned along with two WWII veterans Edna Hearn (former resident) and Frasier Muir (current resident) whom were unable to attend.

The service concluded with the singing of both National Anthems accompanied by Belinda Sezbenski on the piano, followed by the playing of taps.

Everyone enjoyed conversations over coffee and baked goods (provided by our guests from Golden Crest).

Although it wasn't on the November calendar, it was decided that going forward Golden Acres will always host the service at our clubhouse on November 11th at 11:00 am and Golden Crest will provide the refreshments. This will eliminate any confusion.

Ann Stewart read this beautiful poem and she agreed that I could put it in the newsletter.

**It is the VETERAN, not the preacher,
who has given us freedom of religion.**

It is the VETERAN, not the reporter,
who has given us freedom of the press.

It is the VETERAN, not the poet,
who has given us freedom of speech.

It is the VETERAN, not the campus organizer,
who has given us freedom to assemble.

It is the VETERAN, not the lawyer,
who has given us the right to a fair trial.

It is the VETERAN, not the politician,

Who has given us the right to vote.

It is the VETERAN, who salutes the Flag,

It is the VETERAN, who serves under the Flag,

Thanksgiving Dinner

By Joe & Paula Bunevith

Joe and I would like to Thank everyone who helped decorate and set up the tables for the Thanksgiving Dinner. 4 wonderful cooks cooked 5 HUGE turkeys, stuffed them and made gravy. 60 other folks got there cooking talents ready and prepared, Mashed Potatoes, Sweet Potatoes, Green Bean Casseroles, butternut squash, glazed carrots, cauliflower, turnip and of course Desserts that had everyone drooling

The atmosphere was filled with laughter and good cheer, Family, Friends and Food. What more could anyone ask for. It was a super day.

A Christmas Decorating Thank you

By Donna Delf

Pictures by Jo Ellen Bryant

I would like to thank everyone who helped with decorating for our Annual Christmas Park Decoration Event. Great Job!! Visitors and park residents have given us many compliments. Heartfelt thanks to all of you to help the Spirit of Christmas come into our home and park surroundings. We look great!

Happy New Year with Love, Peace, and good Health to All

With Gratitude

By Kurt Nova

Having come to Golden Acres in October to renovate lot #177, we have found kindness throughout the park. The renovation work has been very steady and intense. I jacked up the ceiling and reinforced the trusses with plywood then drywalled the ceiling and walls, then ripped out the kitchen floor and replaced the particle board with plywood, covered it with concrete board and I am now setting tile. It's going to be very nice and solid.

My wife Gail is diagnosed with lung cancer and aside from all the grief that is involved, we both thank Pat and Brenda Neafsey for taking us to the airport as we traveled to Cleveland Clinic to receive some care. Peg Slapak offered us her home in Cleveland had we been required to spend a long stay for care. Thank you, Jo Ellen, for your help in faxing info to Cleveland.

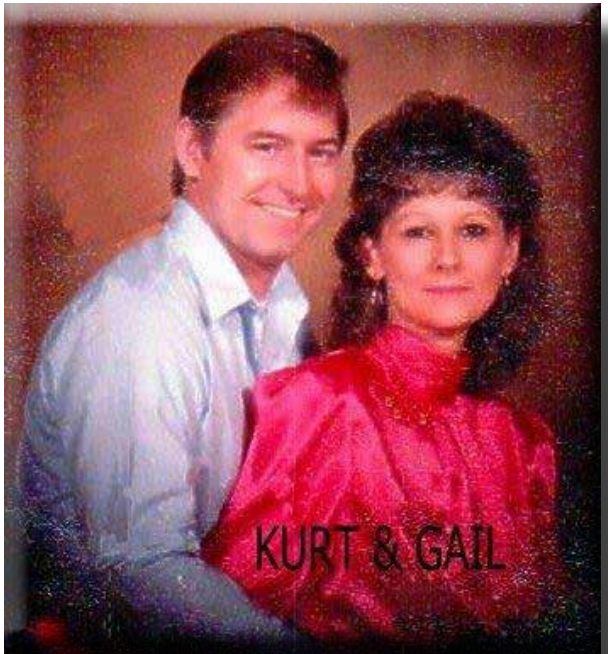

Pat Ellis touched our hearts with the prayer shawl which she had made for Gail.

Judy Fitzpatrick, Peg Slapak and Brenda Neafsey have invited us to dinner on many evenings as we don't have a functional kitchen yet, and should we need or want, Judy offered the use of her home while away on holiday.

Robert has been awesome in his support during our emergency exit to Cleveland. He stepped in and removed our renovation trash and picked up our carport. He has also been very helpful lending some equipment.

We are grateful to Don and Mary Lou Webb for inviting us to Thanksgiving dinner as Gail should not be in large crowds as her immune system is chemo depleted. We loved the evening and the food and company was fantastic.

Roz Frabotta and Paula Bunevith inspired Gail with their friendship and discussion of Hope. This Community has a kind heart as we are new here and many residents have stepped forward to say hello. We are very Happy to have come to Golden Acres.

Did you know that January is also...

National Bath Safety Month. Bath safety is an essential aspect of general home safety. An average of 370 people across all age groups suffer injuries in the bathtub or shower daily. Learn how to equip your bathtub or shower with safety precautions like grab bars and anti-skid strips to prevent serious injury.

National Blood Donation Month. Some give blood because a friend asks; others do so because it just seems like the right thing to do. Whatever your reason, the need is constant and your donation is important for maintaining a healthy and reliable blood supply.

**Help
save
lives**

National Mentoring Month. Mentoring young people can change your life—and theirs. Volunteering as a mentor or becoming an informal mentor to a young person you know is a valuable step in igniting the mentoring effect in your community.

Thyroid Awareness Month. Thyroid disease affects approximately 200 million people worldwide. If left undiagnosed and untreated it can cause depression, tremors, muscle weakness, and constant fatigue. Learn how to perform a thyroid neck self-exam, and talk to your doctor if you detect any lumps.

National Home Office Safety and Security Week, Jan. 3-9. Thousands of people working from home face risks in their residential workplace: clutter that can cause trips and falls, inadequate electrical wiring that presents a fire hazard, and other dangers. Take some time this week to ensure that your home office doesn't endanger your health and safety.

International Snowmobile Safety Week, Jan. 16-24. Snowmobiling is a fun and exciting family activity enjoyed by over 4 million people in the U.S. and Canada. International Snowmobile Safety Week educates people about safe snowmobiling practices and shows how operating safely can prevent mishaps and injury.

National Sugar Awareness Week, Jan. 18-22. The average American consumes about three pounds of sugar each week, for a total of 3,550 pounds in his or her lifetime. During this week, take the challenge: Go five days without eating any sugar and see how much better you feel.

National Certified Registered Nurse Anesthetists (CRNA) Week, Jan 24-30. CRNAs provide more than 34 million anesthetics each year. This event helps patients, hospital administrators, health care professionals, policymakers, and others become more familiar with the CRNA credential and the exceptional nurses who have earned it.

Learn the ABCs of skin cancer

That dark spot on your skin may be a freckle—or it may be skin cancer. How can you tell? The American Academy of Dermatology takes an alphabetical approach to identifying potentially dangerous skin conditions:

- **A: Asymmetry.** Is the spot or mole generally circular, or does one side look different from the other?
- **B: Border.** Is the edge of the item uneven, notched, or blurry?
- **C: Color.** Does the object vary in color in different areas?
- **D: Diameter.** Is the area larger than a pencil eraser?
- **E: Evolving.** Has the object changed its size, shape, or color?

Contact a dermatologist if you answer “yes” to any of these questions.

Just a rash? Check it out

A rash may be nothing to worry about, but sometimes it can be a sign of something serious. Doctors recommend you pay attention if a rash exhibits any of these symptoms:

- The rash spreads quickly across your body, which could indicate a major allergic reaction.
- You have a fever along with the rash. This could be a sign of a serious infection, so get to the hospital immediately.
- Your rash forms blisters or becomes painful.

The foundation of success in life is good health. That is the substratum fortune; it is also the basis of happiness. A person cannot accumulate a fortune very well when he is sick.

Is today's success holding you back?

Timanthes was a celebrated Greek artist of the 4th century B.C. As an aspiring young painter, Timanthes worked with a respected tutor to learn his craft. After several years, he produced what he believed was his masterpiece.

Delighted with his accomplishment, the young artist stopped striving to further his art. Instead, he devoted hours each day to gazing at his painting, mentally patting himself on the back for his achievement. Then one morning, when he arrived at the studio, he was horrified to find that someone had slathered paint across the canvas, destroying his work. The tutor eventually confessed that he'd done the deed.

"I did it for your own good," he explained. "The painting was holding you back." He urged the artist to try again: "See if you can do better."

Timanthes took his teacher's advice. His next effort, "The Sacrifice of Iphigenia," became his signature work and is regarded as one of the finest paintings of its time.

You should celebrate jobs done well. But don't get so caught up in yesterday's achievements that you forget tomorrow's challenges.
