President's Report

By Ray Lamoureux

We have going through a trying time on the board lately. We have only one resident running for two openings on the board. I know it means you have to give up some time to make our community the best it can be but the satisfaction of knowing you are doing a job to help your friends and neighbors have a happy retirement with you. I want to thank Clyde Delf for running for one of the open positions. We had a new member of our community step forward and take the other open position. Frank St. Peter has agreed to fill the other board member's position thanks Frank. The board will be mostly all new members in two years. We are hoping new people will step forward and take over these needed positions.

I hope by the time this news letter comes out that the fence on the north end of the park is completed. I put it on hold last spring because of the water tank removal. We were trying to talk the city into the property where the tank was removed but we did not succeed with our inquires at this time.

We have a new lawn service starting on February 25th. The old service was causing way too much damage to our community. This is the third lawn service that we have hired in the last six years. They all start off great but seem to get lax over the course of time. We will see how the new service works out.

As of this writing we only have one unit up for sale in the park. We had five on the list in January and all were sold. We went a week with no unit for sale. We as a park are in high demand from people looking for homes. We have a waiting list of buyers in the office that are preapproved that are looking for certain types of units. I have yet to talk to anyone that comes in the office that does not think we have the best community around this area.

We are still working on our water losses and have not put it on the back burner. We will in the near future be checking each unit for water leaks. We can do this from the outside of each unit. It will not take that long at each home to determine if there are leaks. The last water bills still show we are using 100,000 gallons less than last year per month.

The board picnic is scheduled for March 23rd at noontime. We will let everyone know where it will held when we put the signpu sheets in the clubhouse.

Happy St Patrick's Day!

Lots of fun things to do this month at Golden Acres, please reference the Special Events section of the newsletter for the activities, dates and details.

Here are some important dates and trivia for the month of March:

Did you know that the month of March was named after the Roman god "Mars" and that the Congress of the USA in 1995 designated March as National Irish American Heritage Month?

March 4th is "Hug a GI Day". Give a big hug to all GIs you see today, they all deserve our thanks and appreciation. The origin of this day is unknown, but it was suggested that it may be an order "March Forth".

DON'T FORGET: on Sunday, March 8th, to "spring forward" your clocks by one hour as Daylight Savings time commences.

March 8th is International Women's Day, sponsored worldwide by the United Nations. The focus is on women workers and advancing women's rights in the workforce, politics, and society.

March 15th is the "Ides of March" or the beginning of the Roman New Year. On this day Julius Caesar was warned to "beware of the Ides of March". Although he didn't heed the warning because on the Ides of March 44 BC he was stabbed by Marcus Brutus.

March 17th is Saint Patrick's Day. "Erin Go Braugh" is a common Irish term meaning "Ireland Forever". Did you know that over 35 million Americans are of Irish descent? That's almost nine times the population of Ireland. "Top of the mornin' to you and the rest of the day to 'me self!"

March 20th is the Spring Equinox bringing days and nights in equal proportions at least at the equator.

March 29th is a Christian Holy Day, Palm Sunday, and the beginning of Holy week.

For all of you contributing articles and pictures for the March Newsletter, many thanks. Please continue sending articles and pictures for each month of the year!

Until next time,

May God bless and keep you well and safe...

Welcome New Residents Linda & Frank St. Peter Unit 140

By Jo Ellen Bryant

It was inevitable that these folks would end up in Golden Acres. It was written in the stars, but it took them a while to realize it. Linda's parents used to stay in a park in Anna Marie Island for the winter season so the St. Peter's would visit every winter for 20 years with her parents. They were no strangers to the Florida sun, the gentle gulf breezes, the soft white sand, and the break from the cold and snowy New England winters. After renting in Sarasota, I convinced them to just try one month of their 3 in Golden Acres.

Ron Wyngarden INSURED

22 ★ **587-0876** 22

Last year they rented in January, and the transformation was immediate for in less than 10 days they had decided to BUY a unit (140). Frank said, "I like what I see, and I see what I want". It was that simple! They both have been smiling ever since! And I am so happy to have my dear friends of 37 years in the park!

Linda and Frank are both born and bred New Englanders. Most likely their ancestors were on the Mayflower. They lived in Billerica, a suburb of Boston, and both went to the same High School in Billerica. Frank served in the US Submarine Service for 4 years. Prior to the Navy, Frank's interest in cooking had developed, and he gained further experience on the submarine as a cook. He then studied Culinary Arts, Hospitality and Management at the Culinary Institute in New Haven, Connecticut. He and Linda were married in 1967 and between balancing school, work, and family, persistence led to a long fulfilling career in food service for universities and medical facilities in the Boston Area. Linda retired from EMD Corporation (Millipore) after 20 years as a Rebate Administrator. It was not all work, as they knew the value of enjoyment and relaxation and owned a vacation property on Sebago Lake in Maine where they vacationed for over 28 years with their children and friends. Fishing and enjoying their lake with their catamaran became their summertime weekend retreats. I can attest to that COLD water! We all have memories of camping together during caterpillar season with rain and mosquitoes, which all further bound our friendship.

It appears evident that both love our community and they have already made themselves at home joining into the parks' activities. If there is a Line Dancing Class to be found, Linda will find it and encourages others to do the same. She l-o-v-e-s the water and will be first in line for a swim, or an exercise class, or a walk. She has slinked into retirement most gracefully. Frank l_o_v_e_s Golf and will be found on the course every Tuesday and Thursday without fail. He'll even squeeze in other golfing days given the opportunity when he is not reading mystery novels or helping with an activity in the park. Did you by chance hear him yelling for the Patriots?

They are anxious for friends, family, and grandkids to all visit them so they can share their newfound community and home with others. That single wide is going to be very snug in the coming weeks; darn why didn't they buy a double. We welcome Linda and Frank with great enthusiasm and open arms. How fortunate we are that they have selected our park as their home. Let's help make their retirement in Golden Acres a dream come true.

The Recreation Committee Report

BETTER LATE THAN NEVER:
Our "NEW YEARS EVE DANCE" was a roaring success with over ninety guests in attendance. Music was by Bettersweet and the food that was put out was enjoyed by all.

Stay **CONNECTED** To the *ERs* You Trust

The ERs You've Always Depended On

In times of emergency, you want an ER you can trust to provide quick, quality care when you need it most. BayCare's full-service emergency centers are trusted leaders in exceptional emergency care throughout Tampa Bay. As a resident of central or northern Pinellas County, you have access to four convenient locations for the treatment you or your family need. It's comforting to know that these ERs are not only close by, but have been trusted by generations of Pinellas County residents for their quality of care.

Thanks go out to Theresa Quinn, Nancy and Ron Short, and volunteers.

Our "CHRISTMAS DINNER & POT LUCK" was enjoyed by approximately sixty guests for each event and thanks go out to Joe & Paula and their volunteers.

The "WELCOME BACK SNOW BIRD DANCE" was attended by approximately seventy guests with Carlo supplying the music. Thanks go out to Bill & Kay Erickson and their volunteers.

Our "ANNUAL CAR PORT SALE" was very enjoyable with forty coaches participating. The weather was not very co-operative, so it will be held at a later date next year. Thanks go out to Ann Stewart for organizing this event.

Our "SOCK HOP" hosted by Barb Cox and Cheryl Taylor was a great success with over sixty guests attending. Thank you both.

Our "FUN SHUFFLE-DINNER-HORSERACING EVENT" that was a sellout was fantastic and thanks go out to Norm, Charlie, Don, Skip, and Gary. Congratulations to all the winners.

Our "50th ANNIVERSARY CELEBRATION" honoring Wayne & Moya, Gil & Gail, Jim & Mary, and George & Suzanne was very well attended with a capacity crowd. Congratulations go out to Nadine and Kay and the many volunteers who helped make this event so successful.

We have many long time residents who have been looking after events / dances for such a long time that have decided to step down and let someone else take over. We desperately require residents to step up to the plate to replace these retirees. If not, events / dances will be cancelled and we hope that we don't have to resort to that type of action. It is not hard to host an event and you will receive all the help and assistance required. Please, if interested, contact myself (727-533-5547) or any member of the Recreation Committee for further information.

Carport Sales

By Ann & Bob Stewart

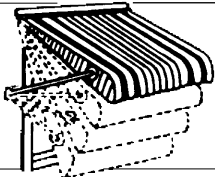

Hello to our Golden Acres Family, Friends and Neighbors. Jan 24th was the day of our carport sales. Despite the cold and wind, I think we handled our sales very well or should I say we survived the day. Hopefully next year, having it a few weeks later, will help us weather wise.

Thank you to Belinda and Richard Sezbenski, and Linda and Marty Wittenbols for doing the map handouts. It is really a big help to those coming to shop for goodies.

Please if you have any good furniture to give away **DO NOT PUT IT OUT ON THE STREET OUTSIDE OF THE PARK**. Give the Salvation Army a call they will pick it up, as long as it's in **FAIRLY GOOD CONDITION**. They can sell it or they will give it to people in need. **PHONE # 727 541 7781** So while we are here just keep spending your bucks to boost the economy here. Thanks to all who participated. **GOD BLESS.**

Progressive Cards

By Eleanor & Gerald Saunders

Saturday January 17, 2015

Guess who was late getting the progressive card report in? I am sure that I will not get fired seeing that this job is voluntary.

Our progressive card night was a fun-loving one, with 60 voices filling the clubhouse with laughter and teasing.

New players this evening:

New residents Steven and Linda Swann (coach #219)

Renter Judy Burns (coach #17)

Guests:

Donnita (sister of Norma Miller)

Pat and Tony Vanderheyden (daughter/son-in-law of Joan Leslie)

Bob and Mary Anne Russo (friends of Ken and Betty Barnes)

Bob and Lucy Larson (family of Patsy Larson)

High scorer for the evening was Frank St. Peter, while Pat Vanderheyden, Norm Sanford and Roz Frabotta won the door prizes.

We drew for the extra cake but nobody wanted it - so I guess the bingo crowd will enjoy it on Monday night.

Many thanks to the following:

Linda and Gary Duff for co-hosting

Fran Clark, Marie Looby Danielle, and Josephine DePresca for being substitutes

If anyone is interested in hosting progressive cards in November and December please see Eleanor Saunders (#76). **NO SHOES, BALLS OR STICKS REQUIRED.**

Newspaper Elf

By Anonymous

In the wee hours of the morning, when all of us are asleep, there is a newspaper elf in our community. He or she has been nice enough to take an early morning walk. And if you live on his or her walking route you will find your newspaper on your doorknob. The very first time our paper was on the doorknob we didn't realize it. I walked out the door and couldn't find the paper. On my way back I noticed it hanging on the knob. Didn't see it when I first went out. So now we just reach outside on the knob and there it is. No need to walk out and retrieve it from the sidewalk or carport.

So whomever you are. Here is a big **THANK YOU**, for thinking of all of us. And doing this very thoughtful jester. May you enjoy many morning walks.

New Pain Treatment Available in Dunedin

Dunedin, FL - Imagine forty years ago if you were told that lasers would replace scalpels in surgery or that robotic instruments would build cars; you may not have believed it. By the same token, would you believe that chiropractic treatments could be performed using a special hand-held instrument using space age NASA technology, all while you were sitting in an upright position without turning or twisting movement to your spine?

According to Dr. Drew, "This new form of computerized treatment is so gentle and effective that it amazes even the most skeptical patients. It's called the Impulse IQ and it is the latest state-of-the-art technology in existence today, and the only one in the Hernando, Citrus, Pasco & Hillsborough area."

Dr. Drew says that, "The secret to the Impulse IQ is in its ability to deliver an extremely precise adjustment." He says "Even though traditional forms of adjusting also work, people are drawn to this new technique because of how gentle it is and does not involve any twisting, especially in the neck." The Impulse IQ is FDA approved, UL listed and treatments are covered by most insurances, including Medicare.

The procedure is backed by years of scientific research, and our patients can't stop raving about their results. They are using words like "Incredible", "Amazing" and "Unbelievable." It's changing the future of pain treatment like nothing else I've seen in over 20 years of practice", says Dr. Drew. If you have any of these conditions, the Impulse IQ may be the answer you've been looking for.

Sock Hop 2015

By Cheryl Taylor and Barb Cox

The clubhouse was a'rockin on Saturday Jan. 24th ! Sixty-two " teenagers at heart" danced the night away to the great oldies performed by KC and the Vocal Chords. It was fun to see so many get into the spirit of the event and dress in poodle skirts, turned- up jeans, white t-shirts etc. It was as if the hall had been transformed into the fifties!

There were several spot dances to keep people moving around the dance floor. The Sanfords won the twist contest and Rick Hutchison took home the door prize. There was very little time that the dance floor was not full! It was hard to stay seated with such great music.

Thanks to Margie and George Paddington for helping us with the set-up and decorating for the dance and to everyone who helped to clean up and put the tables back at the end of the evening.

50th Wedding Anniversary Celebration

By Kay Erickson and Nadine Templeton

On Sunday, February 8th , 142 relatives and friends gathered in the Golden Acres clubhouse to honor 5 couples celebrating their milestone 50th wedding anniversary. The couples are: Wayne & Moya Bettridge, Gil & Gail Callingham, George & Suzanne Ladouceur, and Jim & Mary Stewart.

Everyone had a wonderful time and enjoyed cupcakes, ice cream and coffee. Interesting facts were shared about each couple. Congratulations to each couple.

Additional facts: February is national wedding month

- Marriage does make you happy: single men live 10 years less than married men.
- 74% of the population were married in 1970; 54% are married now
- Today's average age when people get married: men-29 women-27
- If couples do not marry-there is over 80% chance of the children in that relationship will live in poverty
- Long term marriage commitments do make a difference.

Appetizers were served by Barbara Sanford and her team. Thanks to everyone who donated. Dinner was prepared by Don Webb and Frank St Peter and their team of hard working peelers. Barb and her crew did a great job on desserts, the demand was high! A Special thanks for a

terrific meal GREAT JOB!!

Bev Collins and the team made sure everyone went home with a prize. Raffle Prize Winners: 1) Wine Basket - Mary & Jim Stewart. 2) Harbor Freight - Moya Bettridge. 3) Deluxe Carwash - Clyde McCloud. 4) Coach wash - Bob Stewart.

Gary Collins, Skip Delf and their crew did a great job setting up the hall and running the Ponies. All the jockeys were dressed and were determined to come in first.

I would like to thank all our friends in Golden Acres for making our fun day a great day.

UNDER THE STARS: Wednesdays have not been kind to us this year, no stars only cold or wet.

THE TEAM: In order to complete some games, we needed to ask other parks to play under their roofovers. We still have some makeup games to play. We have added some new players to the team. The two new captains are working out well. We are in rebuilding mode this year.

HOOT & HOLLER: The first meeting was held on Saturday February 7th at 2pm. A small group attended however we were provided with a demonstration of how the game is to be played by Joan & Fraser Muir. Hope to have more people next week.

Did You Know March is Also...?

American Red Cross Month. The American Red Cross plays a vital role in rebuilding communities hit by disaster and providing critical support and resources at home and abroad. As President Barack Obama said in a presidential proclamation in 2011, "During American Red Cross Month, we celebrate our nation's humanitarian spirit, and we recommit to providing relief and hope in times of crisis."

Music In Our Schools Month. Sponsored by the National Association for Music Education, Music In Our Schools Month is an annual event that engages music educators, students, and communities from around the country to promote the benefits of high-quality music education programs in schools. The program began as a single day of celebration in New York in 1973 and became a month-long salute to school music in 1985.

National Kidney Month. Kidneys filter 200 liters of blood a day, help regulate blood pressure, and direct red blood cell production. But 1 in 3 Americans is at risk for kidney disease due to diabetes, high blood pressure, or a family history of kidney failure. During National Kidney Month, the National Kidney Foundation offers health activities to promote awareness of kidneys, risk factors, and kidney disease.
