President's Report

By Ray Lamoureux

We have just arrived in Golden Acres for the winter on Tuesday the 14th. I looked and the large tower in the back of the park is removed. It looks like they did a good job and I saw no damage to our property.

Our office in the park is being renovated to give us some more working space. There wasn't enough room inside the office to operate without bumping into each other. The wall was moved back two feet and some cabinets taken out. A new rug will be installed and the new wall sheet rocked and painted.

I was told that the newspaper reported that trash pickup will only be one day a week. We have not been notified from the city of any changes to our trash pickup yet but we will let you know if we hear anything.

I also noticed that the grass has not been cut. I know it has been raining a lot but that is no excuse for not cutting the grass. I don't know what is going on with the lawn service but I will find out what is happening as soon as possible. Sorry about how the park looks.

The palm trees are out for bids to trim them. They should be all trimmed by the time you read the newsletter. I know that some are hanging low over the sidewalks and roads.

The budget meeting for the owners is coming up next month on November 12th at 10:00 in the clubhouse. You should have received the proposed budget for 2015 in the mail. If you have not received one let the office know and we will get you a copy.

The board hopes everyone has a safe trip back to Golden Acres.

From the Editor's Desk

By Sue Bailey - suebail@tampabay.rr.com

Greetings:

The Park is quickly filling up with the arrival of the snow-birds. It's so nice to see all of those familiar faces and I'm looking forward to spending time together once again. For those that haven't arrived yet, please travel safely.

As November approaches, here are some notable events to remember:

Daylight savings time ends on November 2nd, so don't forget to set your clocks back an hour.

Tuesday, November 4th is Election Day in the US. I will be so happy to see all of the campaign ads go away.

Tuesday, November 11th is Veterans' Day for the US, and Remembrance Day for Canada. Please give thanks to all the men and women you know who have served and are serving in the Armed Forces.

In the US, Thanksgiving is celebrated on the fourth Thursday of November (the 27th this year). In Canada, Thanksgiving is celebrated on the second Monday of October (the 13th this year). I want to apologize for my oversight of this special date in the October Newsletter to all our Canadian residents. I hope that you enjoyed this special day with family and friends. My thanks to Mary Ellen for letting me know. For both the US and Canada, it is a day to give thanks to God for his many blessings and to express our gratitude to friends and family members. It dates back to the Reformation Period and is accompanied by prayers, special ceremonies, and feasts.

Many more activities will be occurring starting in the month of November so hopefully the newsletter will contain more articles over the next few months. Many thanks to all who have provided articles and pictures for this month's newsletter. Please keep them coming, whether it's a vacation or just visiting family and friends.

Until next time,
May God bless and keep you well and safe...

Notes from the Office

By Jo Ellen Bryant

Welcome Back Residents...

The minute the weather turns cooler my doors at the office start swinging open with visitors looking to see what is available to purchase and to ask if there are units to rent. Since I receive so many calls to rent in the winter months, I have created a bulletin board in the office for your convenience. Presently there are 20 eager souls from colder parts of the country who would like to be here this winter. In fact, we have so many interested renters on the "wait" list, that I am no longer adding names to the list. If you will not be here this winter and would like to rent your unit, please let me know. Even if you wish to rent one month, we have folks who would give their first born to be here away from the cold. If you are a resident and need a renter, please stop in the office and copy as many names as you would like to call. If you are not in the park, I will gladly provide names for you. Remember, you can only rent for three months during any calendar year and you need to inform the office with our rental form.

This is my favorite time of the year to see everyone's happy smiling face returning to the park. As always, you are all very good about checking in when you return to the park. Just remember to include the date when you plan to depart the park, even if you do not have an exact date. ALSO, please include when you plan to return the following year. There are clip boards in the library if the office is closed. Also please sign in all guests either in the library or preferably the office. If you do not sign in correctly, you will miss the mailings from our management company.

This is the most beautiful time of the year, so please take advantage of our heated pool and all our activities. We have a new Recreation Chairman, Ron Short, who is now taking over Paula Bunevith's role. Stay tuned to our activity calendar, and check the clubhouse for signing up for events. If you are new in the park, Coffee Hour on Wednesdays is a great time to meet your neighbors, make new friends, and become involved in activities. Exercise is most important for your mental and your physical well being so don't forget to fit this into your schedule. Even a 10 minute walk is better than none! Before we know it, Christmas decorations will be up and the park will be abuzz with the excitement of another wonderful season in Golden Acres. With all our new plantings along our entryway, the park will be so beautiful and aglow for the holidays. Many of you go home for the holidays and return in January. Please do check in and out for these travel times. An email or phone call will work if stopping by the office is difficult. I'm thanking Sue Bailey in advance yet again for being available for times I'm not in the office. One of these will be the week after Thanksgiving.

Welcome John and Helen Kramerer - Lot 78

By Jo Ellen Bryant

Whoever said that hanging out in bowling alleys was a waste of time. Not so for our latest new residents, John and Helen Kramerer! (Sounds like camera) . They just happened to be involved in their favorite past time and it was not bowling, when next to them sat our illustrious President, Ray Lamoureux and his wife, and Linda from 3rd Street who all expounded on the virtues of Golden Acres. They had been living in Heather Lakes for eleven years and were ready for a change.

The timing was perfect, one look at unit 78 and the deal was made. Now they are doing their favorite pastime on their porch and contemplating their next renovation job within.

This lovely laidback couple are from College Point, NY, (across from LaGuardia) and are city folks definitely. In fact, John, after a stint in the army, worked for many years for a company that moved companies into larger businesses. His union team were the first to move equipment and office furniture into the Twin Towers. He also did work for ITT in its inception. They both know the in-and-outs of the city and raised 3 children during their careers. Helen was a book-keeper for a Haberdashery, and I could tell from the first interview she's the \$ manager. Helen's parents were first generation Irish-Hungarian and came to the USA through Ellis Island. John has the Irish-German genes.

Later, they relocated to Ocean City, Maryland where they presently reside. The three kids take turns visiting them at this home. But there comes a time when we all need that space and respite from our kids. Golden Acres is the perfect haven. Let's hope not all seven grandkids descend at one time with their parents. We welcome with open arms and a big smile this sweet amiable couple. Be sure to wave when you see them doing their favorite past-time of relaxation on their porch of unit 78. You may also see them at our Lady of Lourdes Church in Dunedin.

Yikes No Shower!!

By Jo Ellen Bryant

Newsletter Correction: Our Telephone Tree for park water shut-offs has more volunteers than were mentioned in our last newsletter . My sincere apologies for this omission of these kind volunteers, Pat Perry and Kathy Merriam. It's a very last minute job which requires immediate attention. Hopefully there will be more of you who would like to accept this role during the winter months. The office also makes calls.

Water Tower Demolition

By Sue Bailey

The water tower is completely gone! I kept a daily record of the demolition as it was very interesting to watch. Starting on Monday, September 15th:

Day 1: The crew arrived and installed ladders, ropes and tools.

Day 2: They started cutting pie shapes in the bottom of the tank using cutting torches. The men were actually inside the tank while they cut. Some of the sparks started a fire on the ground, but it was quickly extinguished.

Day 3: More cutting of pie shapes in the bottom of the tank.

Day 4: The crew was cutting on the top of the tank and removed the entire top.

Day 5: They were cutting more pie shapes, but this time from the outside of the tank, hanging from ladders.

Day 6: More cutting of pie shapes on the outside of the tank.

Day 7: Day of rest. No work was performed today.

Day 8: The crane arrived. . All of the pie shapes were removed from the tank. The men were cutting the cross braces of the tank legs.

Day 9: The entire tank has been removed, only the tank legs remain.

Day 10: They started cutting down the legs and disposing of them. The big crane is gone and smaller equipment arrived to pick up the metal and load it into trucks.

Day 11: Finished, packed up, and left.

Throughout the park, people were sitting in lawn chairs, or on their steps with camera in hand. Many residents took pictures of the demolition to share. Even people outside our park were watching the demolition. It was like seeing spectators at a parade. You can view more pictures on our website at www.goldenacresfl.com or in the emailed version of the newsletter.

Thanksgiving Dinner

By Joe & Paula Bunevith

We will be having our annual Thanksgiving Dinner in the clubhouse on Thursday, November 27th. The time will be decided by the hostesses. If you haven't attended or don't know how we do our Thanksgiving dinner, let me explain it to you. The Turkeys are provided by the recreation committee and Joe and I will be buying them. They will be kept in the freezer in the kitchen of the clubhouse. And given to the host/hostess in time to thaw out. There will be a poster in the clubhouse to sign up to sit at a table. Each table will have a host/hostess, who will cook the turkey, stuffing and gravy. That host/hostess will prepare a menu and be in touch with the folks at their table to see what item they want to bring to the dinner. Each host/hostess will be responsible for decorating their own table, with the help from their guests. Coffee, tea, or ice water will be provided by the recreation committee, along with holiday napkins. Each person brings their own place setting to the dinner. If there are any questions please contact us at lot #202. Hope to see all of you there.

Christmas Potluck

By Joe & Paula Bunevith, Al & Connie Woodlock

Our annual Christmas Potluck is scheduled to be held on Friday, December 12th. Time to be announced. A signup sheet will be located on the bulletin board. So get out those great recipes and let's bring in the Christmas Spirit with a clubhouse full of laughter and cheer.

This is a picture of a Golden Acres resident in her younger years. Can you guess who this young woman is?

Remember to dig out that photo of you when you were in your 20's and bring it back with you when you return to Golden Acres. After I collect the photos, I will display them and you can guess who they are. Please give your photos to Marsha Baylor (lot 196). Thank you.

Wellness

By Jean Binette and Cathy Regnier, JGBEE@aol.com

Please continue your strong prayers for Mel Hearn (unit 18). He just started a new chemo and he has had quite a few days with no pain, but he is very tired. We know that he is a very strong man and will try hard to get better but is asking for our strong prayers.

Joan Sprouse (unit 102) has had a tough summer with her health. She needs our prayers and she hopes to come to Golden Acres in January.

Ray Regnier (unit 112) had a stent put in his heart this summer. He is still very tired and our prayers are needed.

Bob Eckland (unit 168) has a partial knee replacement and is doing well. Pray for a fast recovery.

Blanche Irving (unit 104) is going to have surgery to reverse the colostomy she had last May. She will be in the hospital nine days. Please pray that all goes well and she thanks everyone who has been praying for her.

Dick Bryant (unit 38) had surgery this summer and is doing very well. He is looking forward to coming to Golden Acres to start golfing.

Marlene Petroney's (unit 137) son and son-in-law need our prayers. Both have a lot of back pain. Prayers are needed for Timmie Strader's (unit 129) eight year old grandson for he is struggling with the loss of his grandfather.

Dee Featherstone (unit 151), is asking for your thoughts and prayers for her son, Neil Olver (one of her twins). He has Multiple Myeloma (a type of cancer) and is being treated in Ithaca, NY where he works.

Eleanor Devine (unit 169) is recuperating from a stroke and thanks everyone for their strong prayers.

Please pray for everyone coming to Golden Acres for the winter to be safe in their travels.

Condolences

Cy Vavrek's (unit 148) son passed away, he was only 59. Our prayers go out to Cy and family.
