President's Report

By Ray Lamoureux

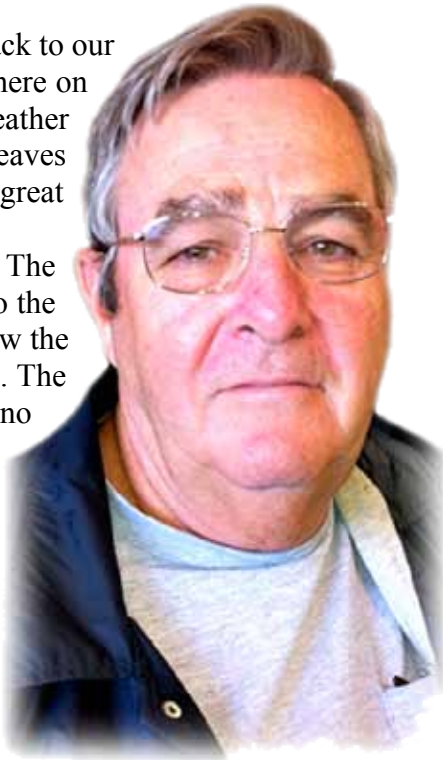

Summer is almost over and it will be time to head back to our winter homes. We have been having nice weather here on Cape Cod but in the last couple of days the fall weather is starting to take over. The trees are slowly turning the leaves a different color and the air has a fall breeze to it. It is a great time to be on Cape Cod.

The water tower meeting with the city went well. The city had six officials and the contractor that is going to do the work at the meeting in our clubhouse. They explained how the tower was going to be dismantled and about the fall area. The contractor who is in charge of the project said there was no danger to our residents living in the fall area. He also said this was a small contract for his company that takes down large buildings and larger towers. The city gave us the manager to contact if we needed more information in the future. We also talked to the city officials after the meeting on a number of different subjects that affect our community.

I will be contacting the city about the storm water flooding on Third Avenue when I return. The city manager said he will work with Golden Acres for what can be done about the problems we are having with storm water. I discussed the possibility of a holding pond for the excess water we are getting from the runoff of the bank parking lot.

We also asked what the city was going to do with the land after the water tower is removed. I told the city manager that Golden Acres would be happy to take the land off their hands to be added to our park. He told me the city does not give land away. I told him we would like to be first on the list to buy it.

The storm water and unit charge on our water bill was discussed. We currently pay about \$60,000.00 a year on our water bill for these charges. I asked if everyone pays the same rate and because we are an older community if the rate could be reduced. He laughed and said the rate was not negotiable. We also asked what the bank pays for a rate and he said the same as

**A Complete Listing of Resident Services
can be found on the page before your calendar**

we do.

The palm trees will be trimmed when I return in October. We have been having so much rain in Florida this summer that the palms are almost touching the sidewalks. The curtains in the clubhouse are being cleaned. They have been up for five year and need cleaning.

We have had various water leaks in the park over the summer. We are trying to keep the water leaks under control. I met with the plumbing company we used to repair the leak when I was down in August for the city meeting. I gave him maps of the water system to see if we can find the shut offs that are not working. I would like to fix the problem of having to shut off the whole park for a water leak. He will get back to me when I return to the park. I received an e-mail from Bob Mickle and he has been tracking our water bills. He reported to me that our water bills are down 27% from last year. We are making head way on water leaks in the park, but we still have more leaks to find. If you see water on the ground please report it to the office. We had one leak that ran two months and wasn't reported.

The board received our proposed budget from P.M.I. this week. We are presently looking it over so the board can vote on accepting it so it can be mailed out to our shareholders for their vote on November 12th.

We hope everyone has a safe trip back to their winter homes.

From the Editor's Desk

By Sue Bailey - suebail@tampabay.rr.com

Greetings:

October is here already. Happy Days are here again, the park will start filling up again, and we will connect with all our friends, Happy Days are here again. (I couldn't help myself)!

On October 13th we celebrate Columbus Day when Christopher Columbus arrived in the Americas. In the US it is celebrated by all states except Hawaii, South Dakota, and Alaska.

October 22nd is National Nut Day. No one really knows the origin of this day. Was it intended to celebrate all of the nutty people and crazy behavior or is it a day to celebrate the edible nut? By the way, the healthiest nut is the walnut for the most omega-3 fatty acids and antioxidants that promote immune system health.

Of course no one forgets October 31st - Halloween (All Hallows Eve). So dress up in your favorite costume, go trick-or-treating, go to a haunted house, or watch scary movies all night. Many thanks to all who provided articles and pictures for this month's newsletter. Please keep the articles and pictures coming, whether it's a vacation or just visiting family and friends.

Until next time,
May God bless and keep you well and safe...

Notes from the Office

By Jo Ellen Bryant

Just a reminder that the winter season will be here before we know it, and there are many snow birds who call our office looking for a place to rent to escape the cold and snow of the north. I have a VERY long list of folks on the “wait” list. Please call the office if you need someone to rent your unit and I will give you names. Situations change unexpectedly, and at the last minute residents decide to rent since they are unable to come to the park. If this should happen to you, renting 3 months out of any calendar year is the limit.

We do have a procedure to follow if you rent. You need to fill out our simple rental form which is on our Web site under “forms” (www.goldenacresfl.com). It needs to be signed by you and your renter informing us of their arrival dates. A copy or photo of the license must accompany this form and be sent to the Golden Acres Office. We don’t like surprises when someone who is renting has traveled 1,500 miles and comes into the office, and we have no idea who they are and from whom they are renting. They are guests and we like to offer them a hospitable welcome.

When your return to the park, please sign in. You may do this in the office or in the clubhouse. There is a new procedure this year requested by PMI. It is a form you must fill out verifying your away address.

Our next mailing from PMI for the proposed budget will go out October 10th. If you are in transit during this time let the office know so you are not chasing your mail. Please mark your calendars for these dates:

Budget Meeting – Wednesday, November 12, 2014 at 10:00AM

Annual Meeting – Wednesday, February 11, 2015 at 10:00AM

The fall is the best time of the year here in Florida. We can’t wait for some relief from the heat and summer thunder storms. Can’t wait to see all your smiling faces. It is truly the best time of the year!

Coffee Charmers

By Jo Ellen Bryant

The lazy days of our hot summer don't miss a beat, and neither do our dedicated and devoted volunteers for Wednesday Morning Coffee Hour. Whatever would we do without them waking up early, making the coffee, and getting set up regardless of the weather or their own schedules? Our sincere and most heartfelt thanks go to SHIRLEY TOOHEY, BOB SHEIRE, and NORMA MILLER. These residents are the heartbeat of our park, caring enough to volunteer their time so graciously every week. Coffee hour is a time to congregate, catch up on news, and enjoy the company of friends. The entire park and Board of Directors want you to know that you are appreciated for your kind and generous efforts to make this happen weekly. We thank you!

Yikes No Shower!!

By Jo Ellen Bryant

Thanks to Josephine DePresca (unit 218) and Norma Miller (unit 34), we have started an in-the-park Calling Tree System to inform residents when the water is turned off for repairs in the park. The list of 61 full-time residents is small and several volunteers we can contact everyone fairly quickly. If this occurs during the winter, we will need more volunteers. Please let us know if you are available to call 8-10 people if a full shut-down occurs. The key issue of not having water is also to turn off your hot-water heater during this outage so

the element does not burn-out. Often we can isolate an area and repair the leak with a few valve turnoffs, but on occasion this is not possible. Leaks occur with little warning. If you should notice a wet area near your coach notify the office immediately. Solving plumbing leaks is our number one project this season.

Cape Cod Summer

By Paula and Joe Bunevith

Well the summer here on the cape has been just fabulous. . Weather has been in the High 70's , sometimes in the mid 80's and only a few days of Humidity. But this first week in September of course it had to change and humidity has set in , but all in all it's been a great summer. On August 9th our sons, Joe and David and daughter in laws Michelle and Cari, and Joe's brother John and wife Margie, hosted a 50th Anniversary Party for us. It was held at John and Margie's home here on the cape. A great time was had by everyone. The day was perfect and it was a family reunion type of day.

As we went to cut our cake our two oldest grandchildren, Gracelyn who is 6 and Davey who was going to be 6 , said "we can't eat this cake it has sand on it and shells". We told them it was special sand made from Graham Crackers and the Shells were candy. "Oh then it's ok, let's cut the cake". Hope the picture of the cake comes out so all of you can see how special it was.

Our daughter in law, Cari, had her chef at her Café, canned pickles from my bread and butter recipe; put bows on them and our picture; shipped them out from California; and that was the party favor. Everyone thought it was pretty neat! Our daughter in law, Michelle, made the appetizers for the party. It was a day we will always remember.

WANTED!

By Marsha Baylor

This is a picture of a Golden Acres resident in her younger years.

Can you guess who this young woman is?

Remember to dig out that photo of you when you were in your 20's and bring it back with you when you return to Golden Acres. After I collect the photos, I will display them and you can guess who they are. Please give your photos to Marsha Baylor (lot 196). Thank you.

Back on the Bombing Run

By Fraser Muir

Joan and I flew over to the United Kingdom to witness the last two Lancaster Bombers flying together. We, like millions of others, were thrilled.

In tribute to the 55,000 brave aircrew who lost their lives in the Second World War, one of the worlds' last two airworthy Lancaster Bombers (made famous by the Dambusters Raid) take the same route over Bomber Country where some 389,000 sorties were flown by Bomber Command between 1939 and 1945. The Canadian Lancaster Vera - dedicated to Andrew Mynarski, the last Canadian airman to be awarded the VC in World War II – made the long journey to Britain from its base at the Ontario's Warplane Heritage Museum and joined the Lancaster Thumper, from the Battle of Britain Memorial Flight, at various events - marking the first time the two Bombers have flown together in 50 years.

Editor's Note: The Dambusters Raid (code named Operation Chastise) set out to destroy 3 dams in a key industrial area of Germany on May 16, 1943. Although the mission was hailed a success, eight aircraft and fifty three crew were lost during the raids.

Wellness

By Jean Binette and Cathy Regnier JGBEE@aol.com

Dee Featherstone (unit 151), is asking for your thoughts and prayers for her son, Neil Olver (one of her twins). He has Multiple Myeloma and is being treated in Ithaca, NY where he works. If the treatment proves ineffective, he will go to NYC for a more extensive type of treatment. Dee relayed this to us on 9-8-14. Please continue your strong prayers for Mel Hearn (unit 18).

Eleanor Devine (unit 169) is recuperating from a stroke and thanks everyone for their strong prayers. Please pray for everyone coming to Golden Acres for the winter to be safe in their travels.

Condolences

Norma Miller's (unit 34) Mother, Lo Velle Seeden, passed away on Wednesday, August 13, 2014. Our sincere sympathy to Norma and her family.

Al and Connie Woodlock sent news that Russell Langille (unit 213) passed away on Friday, August 29th. Our sincere sympathy goes out to the family.

Sincere thanks go out to all the supportive friends from Golden Acres who attended Harry McKay's Memorial Service in Massachusetts. Marilyn and family want to thank everyone for the support and comfort it brought to everyone on Saturday, September 6th.

Water and Swimming Safety

From the Red Cross

A recent Red Cross survey found that eight out of ten Americans are planning water activities such as going to the beach, pool, water park or boating or fishing this summer. A third (32 percent) of all Americans plan to swim at a place without a lifeguard. The Red Cross has launched an anti-drowning campaign this summer that promotes swim lessons and safe swimming.

If a trip to the beach is part of someone's plans, the Red Cross has ten tips that will help beachgoers stay out of harm's way:

1. If someone plans to swim in the ocean, they should always check weather conditions before going in the water.
2. Swim only at a lifeguard protected beach, within the designated swimming area and listen to all lifeguard instructions.
3. Always swim with a buddy and always swim sober.
4. Young children and inexperienced swimmers should wear a Coast Guard-approved life jacket.
5. Everyone should enter the water feet first if they can't see the bottom or don't know how deep the water is.
6. Be aware of the danger of rip currents. If caught in one, swim parallel to the shore until out of the current. When free, turn and swim toward shore. If unable to swim to the shore, call out for help, float or tread water until free of the rip current and then head toward shore.
7. Limit the amount of direct sunlight received between 10:00 a.m. and 4:00 p.m., and wear a broad-spectrum sunscreen with a protection factor of at least 15. Reapply often.
8. Stay hydrated. Drink plenty of water regularly, even if not thirsty. Avoid drinks with alcohol or caffeine in them.
9. Protect the eyes by wearing sunglasses that will absorb 100 percent of UV sunlight.
10. Wear beach shoes. The sand is hot and can burn someone's feet and glass and other sharp objects can cut them.

More water safety information is available at redcross.org.

American Red Cross Urges Everyone to Get Ready for Emergencies

Develop an Emergency Plan during National Preparedness Month TAMPA, FL, September 2, 2014—

Disasters can strike at any time and the Tampa Bay Chapter of the American Red Cross encourages everyone to take the first step during National Preparedness Month and join America's PrepareAthon, creating a disaster plan for their household that can help keep people safe in an emergency.

“Having an emergency plan is an important step so everyone in the household knows what they should do if something happens,” said Linda Carbone, CEO of Florida's West Coast Region and the Tampa Bay Chapter. “We believe people should mark National Preparedness Month by creating or updating their plan.”

Here in Florida, Red Cross chapters have joined together in a landmark statewide campaign that will mobilize communities to be better prepared in the face of disaster. Prepare Florida will educate and empower hundreds of thousands of Floridians on how to take necessary action to care for themselves, their families and their neighbors during emergencies and will educate our citizens about what to expect during and after a disaster.

MAKE A PLAN: Everyone in the household should help put the emergency plan together so they know what they should do if something occurs. Because everyone may not be together at home when a disaster happens, the plan should include ways to contact one another and two places to meet – one near the home in case of a sudden emergency like a fire, and one outside the neighborhood in case circumstances prevent people from returning home. The plan should also identify an emergency contact person from outside the area in case local telephone lines are overloaded or out of service.

Any emergency plan should also include decisions about where to go if ordered to evacuate and what route to take to get there. It's a good idea to include alternate routes in case roads are closed. Don't forget family pets. Make sure to include plans for them such as pet-friendly hotels and animal shelters along the evacuation route.

For more information on the Prepare Florida campaign, people can visit redcross.org/PrepareFlorida. To learn how to prepare for all types of emergencies, visit redcross.org or contact the Tampa Bay Chapter at (813) 348-4820.

Not only will you be letting the advertisers know you appreciate their supporting your newsletter but you may also become eligible to win up to \$100 in cash prizes! **And Now Monthly Media will donate 50¢ for every ticket submitted for the Monthly Mania Contest to...**

American Red Cross

Even if your contest ticket is not a winner for you... 50¢ will go to American Red Cross for your ticket and every ticket turned in. This Month \$80⁵⁰ Went to The American Red Cross Because of Your Tickets

14,492 manufactured home residents have won over 124,374 since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check. (Allow 4-6 weeks for mailing of check). **This month's cash winners are:**

FLORIDA Under Home SOLUTIONS

where budgets and home solutions meet

AFFORDABLE VAPOR BARRIER

Have You Looked UNDER Your Home Lately? **PROTECT YOUR HOME**

Fix Small Problems Today Before They Cause Serious Damage!

We will inspect and photograph any issues, showing you pictures of the underside of your home. Damaged & worn vapor barriers can create high energy costs and allow mold & mildew to grow and weaken your sub floor creating "Soft Spots". Keep Mold, Moisture & Animals out of your Home.

Repairs will be made quickly and include a **20 Year Transferable Warranty!**

Call Us for a **FREE NO-PRESSURE No-Obligation Estimate**
