A festive illustration of a champagne bottle chilling in a silver ice bucket filled with white ice cubes. The bottle has a green foil-wrapped cork and a red label. Four elegant champagne flutes, each filled with a golden-yellow bubbly liquid, are arranged around the base of the bucket. The background is a solid light blue.

Stay **CONNECTED** To the **ERs** You Trust

The ERs You've Always Depended On

In times of emergency, you want an ER you can trust to provide quick, quality care when you need it most. BayCare's full-service emergency centers are trusted leaders in exceptional emergency care throughout Tampa Bay. As a resident of central or northern Pinellas County, you have access to four convenient locations for the treatment you or your family need. It's comforting to know that these ERs are not only close by, but have been trusted by generations of Pinellas County residents for their quality of care.

January 2015 Park Rummage Sale:

Just a gentle reminder, our AMAZING ANNUAL RUMMAGE SALE is just around the corner on **Saturday January 17th, from 8:00am to 12 Noon**, followed up on the following Thursday morning **January 22nd** after coffee with our fun auction. Remember the **Rummage Sale** is the major fundraiser for our Park and pays for the small pleasures we enjoy at Thursday morning coffee as well as desserts and any entertainment that occurs at our Covered Dish suppers.

You can all give your personal help by choosing to work at the sale, by donating your excellent baking or by donating your gently used items of clothing or household items that you no longer need or want. We also need you to approach your favorite shops or restaurants to request gift certificates for their sales or services. Both the Recreation Board and myself have a Letter of Introduction for this request if you feel you require it.

Plan to have your lunch with us on the day of the sale and don't forget about the pre-sale set aside just for Park Residents (no friends or outside shoppers allowed) on **Friday January 16th from 11:00am to 12:00 Noon**. **Please don't forget the Annual Penny Auction** the following Thursday morning **January 22, 2015** at approximately 10:30am.

Christmas Craft and Bake Sale:

Our amazing Christmas Craft and Bake Sale was very successful, due to the generous help of so many volunteers. My sincere thanks go out to those that helped at the Christmas and Craft tables, the ticket sellers, sold the coffee and muffins and a special thanks to all those who contributed all the baked goodies.

I hesitate to name specific individuals on the possibility that someone would be overlooked so a big thank you to those who setup, worked at the sale, donated your baking, helped cleanup or shopped at the sale each one of you helped make it a success.

In our draws, our residents Cameron and Betty Johnson won both the 50/50 draw and the Gingerbread House and Bonnie Nabb won the Christmas Money Tree, lucky them.

So again, a big Thank you to one and all.

Shirley Boudreau – co-ordinator

Homeowners Association Board Election – January 2015:

PLEASE NOTE CHANGE IN DATE

The election for the Golden Crest Homeowners Board of Directors will be held Sunday January 18, 2015 @ 2:00pm. It is important that every resident of the park have the chance to vote for the person(s) who you feel will best represent your views. In order to be eligible to vote you must be a paid up member. The fee is only \$5. Please pay Carol Aldrow prior to the election. A nomination committee will be struck to canvass for volunteers for the positions available. The board presently consists of 7 members. Three new Board Member positions need to be filled for this coming election, if asked please consider running.

Geoff Nabb - President GCHOA

Waste Management (Garbage) Pick-up:

Just a reminder to everyone that effective January 5, 2015, the City of Dunedin will commence once a week pick-up on Monday Only. The Blue Bin re-cycle program will remain the same, pick-up on Minday's.

Thanks for your co-operation in this regard.

Park Water Shutoff:

Park Management has advised, the second Tuesday of every month has been designated as a water shutoff day for general maintenance on the Parks water system. The first Tuesday for the water shutoff will be Tuesday, January 13, 2015. The timing of the water shutoff will be advised a couple of days prior to the shutoff.

Home Owners' Association Membership Dues

It is the time of year where each coach must pay their annual fee to the Home Owners' Association. The annual fee is \$5.00 per coach.

Only paid up members are eligible to vote, or stand for election, to the Home Owners' Association Board here at Golden Crest.

As at mid December, less than 25% of the Park have paid their fees for 2015.

Carol Aldrow (Coach # 339) will be collecting the fees at coffee on Thursdays or you can drop by her coach to pay your membership fee. We will report again in the next news bulletin.

New Pain Treatment Available in Dunedin

Dunedin, FL - Imagine forty years ago if you were told that lasers would replace scalpels in surgery or that robotic instruments would build cars; you may not have believed it. By the same token, would you **believe that chiropractic treatments could be performed using a special hand-held instrument using space age NASA technology**, all while you were sitting in an upright position without turning or twisting movement to your spine?

According to Dr. Drew, **"This new form of computerized treatment is so gentle and effective that it amazes even the most skeptical patients. It's called the Impulse IQ and it is the latest state-of-the-art technology in existence today, and the only one in the Hernando, Citrus, Pasco & Hillsborough area."**

Dr. Drew says that, **"The secret to the Impulse IQ is in its ability to deliver an extremely precise adjustment."** He says "Even though traditional forms of adjusting also work, people are drawn to this new technique because of how gentle it is and does not involve any twisting, especially in the neck." **The Impulse IQ is FDA approved, UL listed and treatments are covered by most insurances, including Medicare.**

The procedure is backed by years of scientific research, and our patients can't stop raving about their results. They are using words like **"Incredible", "Amazing" and "Unbelievable."** It's changing the future of pain treatment like nothing else I've seen in over 20 years of practice", says Dr. Drew. If you have any of these conditions, the Impulse IQ may be the answer you've been looking for.

Numbers in the News

Love on the rocks? Unmarried adults on the rise

The number of Americans who have never been married has reached an all-time high: In 2012, one out of five American adults 25 and older had always been single, adding up to about 42 million people. In comparison, only one in 10 adults in 1961 had never gotten married.

The Pew Research Center, which examined the data, notes that Americans are getting married later these days, and are also more likely to be living together before marriage. The median age for first marriage is 27 for women, and 29 for men—that's up from 20 for women and 23 for men in 1960.

What's behind the decline? Economic reasons may play a role, along with different expectations about what's important in a potential mate. For 78 percent of women, for example, the No. 1 requirement is a steady job. For men, the biggest draw (70 percent) is “similar ideas about having and raising children.”

Still, more than half of unmarried Americans—53 percent—say they do hope to get married and settle down someday; 32 percent aren't sure, and only 13 percent are firmly committed to avoiding matrimony in their lives.

A quick look at the affluent American

“[T]he very rich ... are different from you and me,” wrote the famous American novelist F. Scott Fitzgerald. The Ipsos Affluent Survey USA explains just how different in its latest report.

Defining the “affluent” American as a person 18 or older with at least \$100,000 in annual household income—about 23 percent of U.S. households—the Ipsos survey reports that spending among Affluents amounted to \$2 trillion in 2014, the highest in the survey's 38-year history. Average household income was \$197,400, down slightly from 2013 but higher than the 2011 and 2012 levels. Their liquid assets were worth an average of \$592,000.

Affluents are big on technology, making them not so different from everyone else. For example, 58 percent use an iPhone or iPad, 47 percent have a TV connected to the Internet, about 50 percent have made a purchase using their smartphones or tablets, and 10 million have a mobile payment/wallet app on their mobile devices.
