## Luck at the track?

---

Joe was reading his paper one morning when his wife walked up behind him and smacked him on the back of the head with a frying pan.

“What was that for?” Joe asked.

“I found a slip of paper in your pocket with ‘Hot Sue’ written on it.”

“Jeez, honey, remember last week when I went to the track? ‘Hot Sue’ was the name of the horse I bet on.”

She shrugged and walked away.

Three days later Joe was reading his paper when his wife walked up behind him and smacked him on the back of the head again with the frying pan. “What was that for?” he asked.

“Your horse just called.”

## At the movies

---

A man with an elephant walked into a movie theater.

“I’m afraid I can’t let your elephant in here, sir,” the manager said.

“Oh, I assure you, he’s very well behaved,” the man said.

“All right, then,” the manager said. “If you’re sure.”

After the movie, the manager said to the man, “I’m very impressed! Your elephant was well behaved, and he even seemed to enjoy the movie!”

“Yes, I was surprised, too,” said the man. “He hated the book.”

## A kindly gesture

A man was walking down the street one day when he noticed a boy trying to press a doorbell on a house across the street. However, the boy was very small, and the doorbell was too high for him to reach.

After watching the boy's efforts for some time, the man walked up onto the porch behind the little fellow and, placing his hand kindly on the child's shoulder, leaned over and gave the doorbell a solid ring.

Crouching down to the child's level, the man smiled kindly and asked, "And now what, my little man?"

The boy laughed. "Now we run!"

## Afraid of the dark

A little boy was afraid of the dark. One night his mother told him to go out to the back porch and bring her the broom. The little boy turned to his mother and said, "Mama, I don't want to go out there. It's dark."

The mother smiled reassuringly at her son. "You don't have to be afraid of the dark," she explained. "God is out there. He'll look after you and protect you."

The little boy looked at his mother very hard and asked, "Are you sure He's out there?"

"Yes, I'm sure. He is everywhere, and He is always ready to help you when you need Him," she said.

The little boy thought about that for a minute and then went to the back door and cracked it a little. Peering out into the darkness, he called, "God? If you're out there, would you please hand me the broom?"

# WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

**Don't hesitate when it comes to getting  
emergency treatment.**

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are isolated from other patients. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information: [BayCareEmergencyCare.org](https://www.baycareemergency.org)**

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."
