Vegas Nite

By: Arthur Taylor

Don't forget to save Saturday Night February 7, 2015 for the Fun Night of the year, yes "Vegas Nite".

Gaming starts at 7:00pm and last year we had 72 attending.

Just as a refresher and to bring new Residents in the Park, up to date, we have the following games, Black Jack (4 tables), Poker (2 tables), Under/Over (2 tables), Roulette Wheel and the famous end of the nite Horse Races. There will be three hours of Gaming, Auctions and Horse Races.

The new format this year is: \$5.00 per person admittance. This includes, \$3000.00 gaming money (more can be purchased, if wanted), beer (all night), coffee, iced tea, cookies, Jean's famous Creamsicle Punch (vodka) and bowls of nibbles.

This event is for the residents of Golden Crest only. If you have guests from home, please contact me. No Children allowed.

The Horse Whispers (Maureen & Janet) are searching far and wide for Great Jockeys. Jean and I have been out gathering some great prizes to be auctioned off.

Don't miss the night – February 7, 2015

Shuffleboard

By: Tom Fidgen – Co-Ordinator

The Shuffleboard Courts have now been refurbished and shuffling has started again at Golden Crest.

Fun Shuffle takes place every Friday at 1:00pm. It is open to everyone in the Park. If you are a beginner, we offer lessons and pointers for anyone who would like to step up their game. The In-House Shuffle league takes place every Monday at 6:30pm. There are six teams who have great fun. The league plays from January to the end of March, when we finish up with a social hour.

Anyone interested in Shuffling should make an effort to come to the courts either on Monday evening or Friday afternoon each week, weather permitting of course.

Everyone is welcome and a fun time is guaranteed.

What's a nutritious snack? Try these tasty treats

You're hungry. What should you eat if you're trying to avoid junk food and excess calories? Consider these healthful snack options:

- Olives. A snack of five olives has just 45 calories.
- Hummus and carrots. Four ounces of hummus and three carrot sticks contain only 80 calories.
- Pineapples and pistachios. Mix 1/2-cup of dried pineapple slices with about 25 pistachio nuts. Plus, fruits and nuts are a good source of antioxidants. Also try peanuts and raisins or almonds and dried apricots.
- Cottage cheese and apples. Top a sliced apple with about 1/2-cup of low-fat cottage cheese. Benefits: calcium, protein, and fiber.
- Mini-pizza. Slice a whole-wheat pita in half. Spread a little tomato sauce, then sprinkle some cheese and vegetables on top. Heat in microwave or toaster oven until cheese melts.
- Rice cakes. These can be eaten by themselves or with various low-fat toppings. Look for rice cakes made from whole-grain brown rice.
- Water. A tall glass of water revitalizes your body while assuaging hunger pangs. And it's caffeine- and calorie-free.

New Pain Treatment Available in Dunedin

Dunedin, FL - Imagine forty years ago if you were told that lasers would replace scalpels in surgery or that robotic instruments would build cars; you may not have believed it. By the same token, would you **believe that chiropractic treatments could be performed using a special hand-held instrument using space age NASA technology**, all while you were sitting in an upright position without turning or twisting movement to your spine?

According to Dr. Drew, **"This new form of computerized treatment is so gentle and effective that it amazes even the most skeptical patients. It's called the Impulse IQ and it is the latest state-of-the-art technology in existence today, and the only one in the Hernando, Citrus, Pasco & Hillsborough area."**

Dr. Drew says that, **"The secret to the Impulse IQ is in its ability to deliver an extremely precise adjustment."** He says "Even though traditional forms of adjusting also work, people are drawn to this new technique because of how gentle it is and does not involve any twisting, especially in the neck." **The Impulse IQ is FDA approved, UL listed and treatments are covered by most insurances, including Medicare.**

The procedure is backed by years of scientific research, and our patients can't stop raving about their results. They are using words like **"Incredible", "Amazing" and "Unbelievable."** It's changing the future of pain treatment like nothing else I've seen in over 20 years of practice", says Dr. Drew. If you have any of these conditions, the Impulse IQ may be the answer you've been looking for.
