## From The Office

---

Well I know some “snow-birds” will be starting to plan for their journey back north. Here are a few reminders for your attention:

- Please remember to sign out in the office. Your signature is needed to stop the Water/Sewer/Trash Bill. Per the Golden Gate Rules & Regulations: (#16 Home sites): Shareholders will be exempt from billing for City utilities for any month which the home is occupied less than 7 days providing the sign out procedure with the office has been properly completed. There is a city charge of \$25 to reactivate the water bill.
- When signing out please check to make sure we have an “away” contact number and address to reach you.
- “Weeds Needs” – Once again, the Weed program is available for \$40.00. This covers spraying for weeds in your front planters from May through September. If you choose not to participate or if someone is watching out for the upkeep of your property, if there is an issue, the “Friendly Reminder” will be sent to you. Please accept the reminder in the spirit it was intended.....just a friendly notice that your property may need a little attention.
- Hurricane Season – Please put away or secure all outside items that may become a projectile during a Hurricane. Even items that you may think are heavy (patio chairs/ tables, flower box pots or ornaments, etc.) will become airborne in 40+ mph winds. Your neighbors appreciate your consideration. It also does not invite potential thieves in to take your “stuff”.
- Don’t forget to get a forwarding mail package from either the mail man or there is a limited supply in the Office. If you do forget, you can forward your mail on-line at [www.usps.gov](http://www.usps.gov).

This is probably a good time to give a refresher on how the Water/Sewer/Trash bills work.

If you are here more than 6 days in a calendar month, you will get a bill from the city. The bill date is always 1 month past the usage month. For example, if you were here more than 6 days in April, you will get a bill in May, with a bill date of May. The payment will be due in June. To make it a little more confusing, if you have an electronic debit from your checking account, you will see the payment in June, (because that is the due date) for April’s usage. Hope this helps.....if not give Jane a call.

## Shut off water valves

---

If you are using the water outdoors, please remember to shut off the valve at the house instead of just turn the nozzle on the hose.

## Articles for the Newsletter

---

Any article submitted to the Golden Gate Newsletter should have the author identified. If you have a computer with an email connection, articles may be emailed to [ggmedia@tampabay.rr.com](mailto:ggmedia@tampabay.rr.com), preferably by the Monday before the third Tuesday of the month. The Board of Directors' Meeting is the third Tuesday of the month and the agreement with the publisher gives us up to the day after the meeting to deliver copy to be published. If you don't have a computer you may continue to deliver a double-spaced paper copy, again, preferably by the Monday before the third Tuesday of the month.

## Light up at Night

---

If you are riding a bike or driving a golf car at night you should have lights on so others can see you.

## Weed Program

---

As most of you are aware, we have a problem with the growth of weeds during the summer months, typically May through September. The weed problem we are concerned about is in the planter boxes and the front of the homes. Even those homes that have mulch or stones in the planter boxes will have weed growth.

The board does send "friendly reminders" to alert residents as stated in rule #16..."Each shareholder is responsible for the neat and orderly appearance of his or her premises at all times. However, the general response to the friendly reminders has been less than satisfactory.

We would like to aid in solving this problem by having our maintenance staff spray weed killer in the planter boxes or in front of the home for any resident that desires to participate. There will be a \$40.00 per year fee to cover the cost of the material for spraying from May through September. If you wish to participate in this program, send a check or pay cash to Jane in the office. If you choose to participate in this program, our maintenance staff will spray, beginning in May and ending in September. However, if you have ornamental plants that could be harmed by the spraying, you will have to make other arrangements, since we will not be responsible for any damages.

If you choose not to participate, the weed issue for planters and the front of your home will continue to be your responsibility, and be subject to the terms of rule #16 concerning work done in your absence.

## Bicycles

## Safety & Security

---

### “Remove It!!” “Lock It!!” or “Lose It!!”

The Pinellas Park police is continuing this campaign which request all Pinellas County residents to lock their vehicles. There have been a rash of bicycle burglaries within our community in the last month. The best deterrent is to properly lock your bicycle and to be observant of strangers in our community.

## Golden Gate Rules and Regulations Friendly Reminder/Refreshers

---

The following rules have been identified as areas where incidents have been reported:

- Rule 9 – Vehicles and Golf Carts in the Community - The speed limit is 15 miles mph hour – Guest Parking around the Club House for guest is permitted for period of 25 days with the Board of Directors permission (The permit must be obtained from the Office) Residents are not permitted to park around the club house on continuous basis **PARKING ON THE SIDEWALKS IS NOT PERMITTED.** Per Pinellas County statues **OVERNIGHT PARKING ON THE STREETS is NEVER** permitted.
- Rule 14 – Pinellas Park Animal Control Laws mandates that the feeding of non-domesticated animals – birds, cats, or dogs is **NOT PERMITTED.** Also City ordinance requires that dogs and cats be licensed and leashed! Licenses and any necessary health documents must be maintained by the owner. If a resident feeds a non-domesticated stray dog or cat that animal **becomes your pet** and **your responsibility** to have it registered and up to date with the required shots.

## “Tis The Season”

---

Just a reminder that once Pinellas County swells with our welcome “snow-birds” petty theft and vandalism tend to increase. It is wise to always keep your home and vehicle doors locked and lock up your bikes, trikes, tools and sheds even when you are home. As always, please remember there is no soliciting allowed in our Community and you should call the Police dispatch number 369-7864 to report all solicitors. Never invite them in to your home.

## Maintenance Staff Assistance

---

If you identify a maintenance item around the Community, please ask someone in the office (Jane or a member of the board) to complete a work order for Lam or Jim. This allows them to track, prioritize and complete their daily work load. Thank you!

## Pinellas Park Rotary Club

### 20 Bowling Teams entered from Golden Gate!

Everyone is invited to attend this special fund raising event. All proceeds benefit local charities. There will be a silent auction, raffles, and 50-50 drawing. Come cheer on friends and neighbors.

The members of the teams will meet in the club house the day before on the April 7 at 5pm. You will also receive all the current team, silent auction, and raffle information.

Our group picture of all the players will be taken after the short meeting.

Exciting days ahead! Everyone from Golden Gate is already a winner!

Pete Hervey and Charles Latona

As you can see, horseshoes is thriving at GG. 26 players on this day. Judy Middleton & her son, Jay, were the champions of the world which means they get the cookies baked by our own, Pat Heinz. Fun was had by all. Welcome on Fridays at 2:00 and say hi to Jim, our #1 fan.

Good luck to all, Frank Poirier

## THANK YOU

---

**O**ur sincere thanks to all the residents of Golden Gate for attending the 50th Anniversary celebration, it was a special time for us. We especially wish to thank the Nuggets Club for hosting the affair, and for the hard work of Fern, Therese, and many others who made the evening such a great time. It is something wonderful to be part of a community like ours where belonging is treasured by us all. The cards warmed our hearts as we read each and every one together. Sincerely, Janet and John Bankhead

Warm thanks to all residents of Golden Gate and the Nuggets Club for remembering us on our 50th Wedding Anniversary

Matt and Mary Hickey. Lot 236

Our hearts are full and our thanks are many. On Friday night, March 10, 2017, Golden Gate Clubhouse was filled to capacity as we celebrated a circle of love for our 4 year old grandson, Toby Peters. Toby has been diagnosed with acute lymphoblastic leukemia (ALL) and is currently undergoing chemotherapy and other treatments in London, England. Funds raised will allow Toby to live his life to the fullest in the confines of his house or hospital room. We extend our sincere thanks to the Golden Gate Board and community for their support, particularly Harvey Hodder and his team, for a fantastic evening of music and a most wonderful and successful fundraiser. Thank you.

Few souls today know not about the devastation that 9-11-01 caused to the world. But most do not know about the five days following that occurred in our province of one half million people in Newfoundland and Labrador, and especially to Gander and a few other tiny surrounding towns of only 10,000 people, least of them of adult age.

A wonderful account of those days was written and published in 2002 by Jim Defede, an American award winning novelist, who spent one month in Gander to gain a personal account of the five days that strangers endured there. Another author, Homer Hickam said of this book, "I predict tears of joys almost from the beginning. . . . . tears of pride and joy for the citizens of the little town of Gander, Newfoundland, who bravely stood up and said to the world, "Today we are all Americans"."

I personally read this book first in 2011, when I discovered its existence. They say you cannot lay down a good book; well I laid this one down multiple times, just as Homer Hickam said, to retrieve more

tissues so that I could see to keep reading.

Non Newfoundland residents of Golden Gate have come to know Newfoundlanders and how we live each day with precious appreciation and enjoyment, and you know there is something different about us. Well, this book tells a lot more about us as humanitarians in times of tragedy and how we stand up to face adversity with all the traits we are known for and turn them into unprecedented courage and resilience.

These events have now been captured and retold in a musical called "Come From Away" that has sold out audiences in famous La Jolla Theater in San Diego, and also in Seattle, Washington, DC, Toronto, and has recently opened on Broadway in New York. They bill it as; "What started as an average day in a small town turned in to an international sleepover when 38 planes and 6579 passengers were diverted to Gander, one small town on the edge of the world, on September 11, 2001. Undaunted by culture clashes and language barriers, the spirited town cheered the stranded travelers with music, an open bar and the recognition that we're all part of a global family."

This is obviously an amazing story and so while you may never see this musical, I am sort of bringing it to you all. I personally have never been more proud of our unique heritage and therefore I purchased and placed two copies of this amazing story of love, kindness and generosity, at our clubhouse library for all of you to experience what all other readers before you have felt. It is a small softcover, as pictured above, of 244 pages and is an easy read. Please borrow it, read it quickly and return it for the next resident. And don't forget to get out that new box of tissues first!

Yes, that day we were all Americans. So I would like to thank all the American residents of our very special community where you have accepted our entourage of Canadians to be equal neighbours among you in your great country, the USA. In that regard, we as a community here, are no longer Americans and Canadians; we are immensely proud "Golden Gaters" of North America.

Glenn Gosse, resident of #19, and proud and loving husband of Patsy.

## Golden Gate Nuggets Club

By: Harvey Hodder, Secretary

---

It is happening more and more often these days! More of our snowbirds are talking about how short their winter season at Golden Gate is becoming. I suppose if you live in Tennessee, Ohio, Kentucky, or some other US Central State, signs of spring are beginning to show more and more consistently. But, if you live in Maine, Nova Scotia or Newfoundland, winter can still bring a robust blast. Sheila's Brush or some other late winter/early spring storm can still bring a wack or , as we sometime say, a "slap in the chops".

A big thanks to all those who have helped the Nuggets Club this year. Your Executive depends on your volunteerism! Golden Gate does not have a shortage of helpers! We do so much together! A person told me a few days ago, that their social life here in Golden Gate is much more active than it is in their home city up north. Most of us understand that sentiment and, while the weather helps, it also is a "people to people" commentary. On any day, take a walk in Golden Gate. Notice the number of interactions you will have with your friends and neighbours! Participate in some event and notice the bonds that form. Wonderful place to live and retire!

### **The Nuggets have three events on our schedule for April:**

1. Dance, April 12th, 2017: This will be the last dance of the season. At Large will be playing. Watch your mailboxes for info on the sale of tickets.
2. Easter Brunch, Sunday, April 16th, 2017, from 10:00 am to noon. Drop by the Clubhouse and let the Executive and others serve you! It's all free!
3. Nuggets Meeting Night: Tuesday, April 18th at 7:00 pm. Share your thoughts and words of wisdom! We look forward to seeing you!

Easter is always a special time in our life's journey! In my childhood, it was not commercialized whatsoever! We did not exchange gifts like we did at Christmas. Good Friday and Easter Sunday were a lot more than holidays. My wife and I have kept most of that attitude about Easter in our own lives! We usually did the Easter Egg hunt for our children and, later, for our grandchildren. We had a little tradition whereby I would hide the eggs and then write little notes or poems to give them hints where they were hidden! It was great fun and now, precious memories!

All the best to you and yours this Easter and, may the joys of a Easter morning fill your hearts and home.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

# Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **[MortonPlantValveTrial.org](http://MortonPlantValveTrial.org)**.

## THE GOLDEN GATE THEATER CLUB NEWS

By Charlene Whitehead, Secretary

---

Theater Club would like to thank all of our wonderful volunteers for their support this season. A special thank-you to Suzette Guillemette for the great job she did styling the cast members wigs. Also, a Big Thank You to the Orchestra members Kathy Bradley, Pat Heintz, Betty Kraft, Fred Miller, Anna Orzel, Gil Sauve, and Erma Stevens. Let's not forget Pete Hervey for the wonderful pictures he takes of our amateur stars. They are great keepsakes. The productions we put on would not be possible without all of our volunteers' commitment and hard work. Many Hands Make Light Work!

The March "All Star Musical Legends Show" was a Great Success. One Hundred & Ninety-Three Tickets were sold. The show was well received by all our friends, neighbors and their guests in Golden Gate.

Last but not least we would like to thank Marie Avitabile for her many hours of dedication to our community, and in particular The Theater Club.

This season was especially challenging. She produced, directed, as well as arranged practices for all of the cast members. A BIG THANK-YOU MARIE FOR ALL THAT YOU DO! On that note, Marie wanted let you know that she has already started working on the Christmas Show. If anyone is interested in either being involved on stage performing, or back stage as a helper, PLEASE CALL MARIE AT 576-7362 or E-MAIL HER AT [mjarda@tampabay.rr.com](mailto:mjarda@tampabay.rr.com)

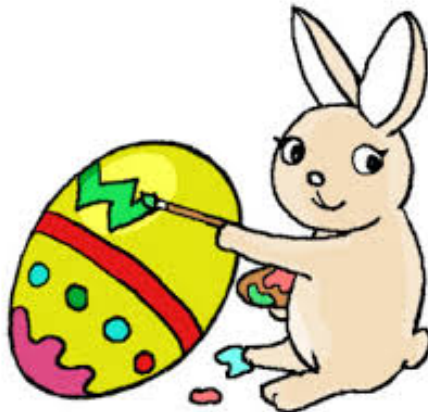

It seems like only yesterday that we were welcoming our winter residents back, and now in the next few weeks we will be saying good-bye again.

Until we meet again in the Fall, Safe Travels, Be Well and have a Great Summer!

## Labor of Love

---

**W**hat a very busy year so far. One of our gals found an estate sale with boxes and boxes of new fabric for quilts and lap robes at a bargain price. It was just like Christmas Present Time, opening each box and everyone selecting fabrics to sew. We are so blessed!

By the time you read this, we will have had our delivery day, March 29. Many children have tests and procedures during their Easter break, and we try to have our comfort items to the hospital by then. The quilts and lap robes in memory of our dear departed friends and neighbors also were given to Hospice.

Some of our folks will be returning to their northern homes soon, but Labor of Love will continue to meet on Wednesday mornings from 10 to 11 a.m., with special "sew days" once a month. We furnish all materials you may need. Come and join us.

Thanks to all for helping to continue our mission of "Serving those in need, with love".

## Exploring the mysteries of an ancient codex

**B**ritish and Dutch scientists have used high-tech imaging to uncover the secrets of an ancient Mexican manuscript, the eScience News website reports. The manuscript, known as the Codex Seiden, is a strip of deer hide five meters long that's been covered with gesso (a white plaster composed of gypsum and chalk) and folded according to style to make a document 20 pages long.

It dates back to approximately 1560, and was found in what's now known as the Oaxaca region of Mexico. Like other codices from that area and others, the Codex Seiden uses brightly-colored symbols to record history: wars, genealogy, and cultural information.

One intriguing discovery: The high-tech imaging found the image of an individual represented by a glyph of a twisted cord and a flint knife. The man or woman resembles a character found in other codices, and may be an important ancestor of two families connected to other archeological sites in Mexico.

## Collision course

**A** huge space cloud is on a collision course with our galaxy, but don't panic—it's not expected to reach us for another 30 million years. According to NASA's Science Mission Directorate website, Smith's cloud, as it's known, is composed of enough gas to create two million stars the size of our size, and is orbiting the Milky Way at 700,000 mph.

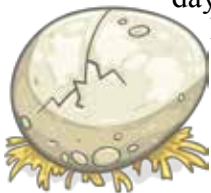

The collision won't have much impact for anyone still around, as the cloud is much smaller than our galaxy, but scientists are watching it closely anyway, seeking explanations for its origin as well as other secrets of the universe.

## Big dinosaurs, big eggs, and hatching times

**H**ow long did dinosaur eggs take to hatch? Paleontologists know very little about dinosaur embryology, but with CT scanners and high-resolution microscopy, they're finding out more.

The SciNews website reports on a recent find: Non-avian dinosaurs likely took longer to hatch than their feathered counterparts, much as modern reptiles hatch at a later age than today's birds. Scientists looked at the fossilized remains of two dinosaur embryos, looking at the formation of their teeth. Analyzing growth lines, they were able to determine that one dinosaur had died at three months, and the other at six months.

The difference in hatching times may have had an impact on the large dinosaurs' eventual demise. Because they require more food and other resources to live to adult size, larger reptiles were likely more vulnerable than smaller animals (amphibians, birds, and other mammals) to an extinction event.
