From the Office

Well I know some “snow-birds” will be starting to plan for their journey back north. Here are a few reminders for your attention:

- Please remember to sign out in the office. Your signature is needed to stop the Water/Sewer/Trash Bill. Per the Golden Gate Rules & Regulations: (#16 Home sites): Shareholders will be exempt from billing for City utilities for any month which the home is unoccupied providing the sign out procedure with the office has been properly completed.
- When signing out please check to make sure we have an “away” contact number and address to reach you.
- “Weeds Needs” – Once again, the Weed program is available for \$40.00. This covers spraying for weeds in your front planters from May through September. If you choose not to participate or if someone is watching out for the upkeep of your property, if there is an issue, the “Friendly Reminder” will be sent to you. Please accept the reminder in the spirit it was intended.....just a friendly notice that your property may need a little attention.
- Hurricane Season – Please put away or secure all outside items that may become a projectile during a Hurricane. Even items that you may think are heavy (patio chairs/tables, flower box pots or ornaments, etc.) will become airborne in 40+ mph winds. Your neighbors appreciate your consideration. It also does not invite potential thieves in to take your “stuff”.
- Don’t forget to get a forwarding mail package from either the mail man or there is a limited supply in the Clubhouse. If you do forget, you can forward your mail on-line at www.usps.gov.

This is probably a good time to give a refresher on how the Water/Sewer/Trash bills work.

If you are here for 1 day in a calendar month, you will get a bill from the city. The bill date is always 1 month past the usage month. For example, if you were here for 1 day in April, you will get a bill in May, with a bill date of May. The payment will be due in June. To make it a little more confusing, if you have an electronic debit from your checking account, you will see the payment in June, (because that is the due date) for April’s usage. Hope this helps, if not give Jane a call.

Shut off water valves

If you are using the water outdoors, please remember to shut off the valve at the house instead of just turn the nozzle on the hose.

Light up at Night

If you are riding a bike or driving a golf car at night you should have lights on so others can see you.

Articles for the Newsletter

Any article submitted to the Golden Gate Newsletter should have the author identified. If you have a computer with an email connection, articles may be emailed to ggmedia@tampabay.rr.com, preferably by the Monday before the third Tuesday of the month. The Board of Directors' Meeting is the third Tuesday of the month and the agreement with the publisher gives us up to the day after the meeting to deliver copy to be published. If you don't have a computer you may continue to deliver a double-spaced paper copy, again, preferably by the Monday before the third Tuesday of the month.

Weed Program

As most of you are aware, we have a problem with the growth of weeds during the summer months, typically May through September. The weed problem we are concerned about is in the planter boxes and the front of the homes. Even those homes that have mulch or stones in the planter boxes will have weed growth.

The board does send "friendly reminders" to alert residents as stated in rule #16..."Each shareholder is responsible for the neat and orderly appearance of his or her premises at all times. However, the general response to the friendly reminders has been less than satisfactory.

We would like to aid in solving this problem by having our maintenance staff spray weed killer in the planter boxes or in front of the home for any resident that desires to participate. There will be a \$40.00 per year fee to cover the cost of the material for spraying from May through September. If you wish to participate in this program, send a check or pay cash to Jane in the office. If you choose to participate in this program, our maintenance staff will spray, beginning in May and ending in September. However, if you have ornamental plants that could be harmed by the spraying, you will have to make other arrangements, since we will not be responsible for any damages.

If you choose not to participate, the weed issue for planters and the front of your home will continue to be your responsibility, and be subject to the terms of rule #16 concerning work done in your absence.

Maintenance Staff Assistance

If you identify a maintenance item around the Community, please ask someone in the office (Jane or a member of the board) to complete a work order for Lam or Penny. This allows them to track, prioritize and complete their daily work load. Thank you!

Prevention & Treatment

Prevention

There is currently no vaccine to prevent coronavirus disease 2019 (COVID-19). The best way to prevent illness is to avoid being exposed to this virus. However, as a reminder, CDC always recommends everyday preventive actions to help prevent the spread of respiratory diseases, including:

- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose, and mouth.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.
- Follow CDC's recommendations for using a facemask.

°CDC does not recommend that people who are well wear a facemask to protect themselves from respiratory diseases, including COVID-19.

°Facemasks should be used by people who show symptoms of COVID-19 to help prevent the spread of the disease to others. The use of facemasks is also crucial **for health workers** and **people who are taking care of someone in close settings** (at home or in a health care facility).

- Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.

°If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty.

For information about handwashing, see **CDC's Handwashing** website

For information specific to healthcare, see **CDC's Hand Hygiene in Healthcare Settings**

These are everyday habits that can help prevent the spread of several viruses. CDC does have **specific guidance for travelers**.

Treatment

There is no specific antiviral treatment recommended for COVID-19. People with COVID-19 should receive supportive care to help relieve symptoms. For severe cases, treatment should include care to support vital organ functions.

People who think they may have been exposed to COVID-19 should contact their healthcare provider immediately.

See **Interim Guidance for Healthcare Professionals** for information on persons under investigation.

Golden Gate Nuggets Club

By: Secretary Patsy Gosse

On Tuesday evening, February 18th, the Nuggets Club welcomed a very special couple who were married in 1970 and who have chosen to spend their golden years in Golden Gate Park. It is an annual event hosted by the Club and a true celebration of special happenings in our community.

The 50th Anniversary known as the golden anniversary is one of the most celebrated wedding anniversaries, by both the married couple themselves and by their family and friends. And rightly so! Spending half a century in love with one person is a wonderful statement about the gift of married life.

Congratulations to Jerry and Sue Thompson who were able to join their friends at this year's Nuggets event. Many more happy years together!!!

This is a great time also to thank all those unsung heroes and heroines whom without them, we could not effectively execute all the various events that we do. These unselfish residents receive no accolades, no prizes nor formal praise but we all so appreciate every effort we receive from the countless different volunteers, and you all know who you are.

The lineup of events for April 2020 are as follows:

1. Dance - Wednesday, April 8th – Hosted by Jim and Debbie Alaimo. This will be the last dance of the season. The Baby Boomer Band will be playing. Watch your mailboxes for info on the sale of tickets.
2. Monthly Meeting – Tuesday, April 14, 2020 starting at 7:00 P.M.
