Running for the Board of Directors

The first notice of the Annual Meeting to be held on February 19, 2018 will be mailed or distributed to all shareholders on or before December 22, 2018. This notice describes the procedure to be followed in qualifying to run for the Board of Directors. At that Annual Meeting it will be necessary to elect three directors to our Board. The term of Jim Alaimo will expire in February, 2019. Rich Avitabile's temp position as treasurer also expires in February 2019. Don Kuzmickas has turned in his resignation and will remain on the board until February 19, 2019. Paul Carter and Dennis Dufault will remain on the board for one more year as their terms will expire in February 2020. This means there will be 3 positions on the board that you will be voting for at our Shareholders Annual in February.

Important: Your notice of intent to run must be back to the office on or before January 10th, 2018 to be eligible.

NOTICE FROM THE OFFICE

UNUSED ENVELOPES

The office sends out a number of packages each year to all residents for upcoming shareholder and budget meetings. To minimize expense, all materials are printed here. If you don't need or use the envelopes provided in the package, it would be appreciated if you return them to the office for re-use.

Remember.... it's your money!

NOTICE FROM THE BOARD of DIRECTORS:

To all residents, the office will no longer print boarding passes or register for flights.

Shut off water valves

If you are using the water outdoors, please remember to shut off the valve at the house instead of just turn the nozzle on the hose.

Reminder to all residents PLEASE -- DO NOT place Hazardous Waste (Paints) or food type garbage into the Dumpsters. Paint cans can leak onto our roads which could be costly.

Speeding has become an issue in our community lately. As per our Golden Gate Rules and Regulations #9...

9. VEHICLES AND GOLF CARTS IN THE COMMUNITY: All residents and guests must obey all local and state rules related to the operation of vehicles. The 15 (fifteen) MPH speed limit must be observed by all residents and guests...

Articles for the Newsletter

Any article submitted to the Golden Gate Newsletter should have the author identified. If you have a computer with an email connection, articles may be emailed to ggmedia@tampabay.rr.com, *preferably by the Monday before the third Tuesday of the month.*

The Board of Directors' Meeting is the third Tuesday of the month and the agreement with the publisher gives us up to the day after the meeting to deliver copy to be published. If you don't have a computer you may continue to deliver a double-spaced paper copy, again, preferably by the Monday before the third Tuesday of the month.

Light up at Night

If you are riding a bike or driving a golf car at night you should have lights on so others can see you.

Safety & Security

“Remove It!!” “Lock It!!” or “Lose It!!” This is a new campaign to all Pinellas County residents to lock your vehicles. There have been a rash of burglaries to unlocked vehicles. Officers will be using notices on vehicles to instill upon the citizens to lock their vehicles so they won't become a victim.

House Numbers

Just a reminder, while driving around the community there were several homes that did not have the street numbers visible from the street. This could be a problem should Pinellas Park Statutes mandates that all homes **MUST** have their street numbers Visible from the street.

Parking Request

Whenever you, your guests, or contractors need to park out on the street, please follow Community Rules!

- No parking on the sidewalks. Your maintenance fees pay for all repairs.
- Please use common sense and do not park near or on corners or close to intersections. We would encourage parking on the same side of the street to avoid traffic having to “zig-zag” to get by. This causes obstructions and creates a dangerous situation for cars, golf carts and bicycles trying to proceed by the vehicles.

GOLDEN GATE NUGGETS CLUB

By Patsy and Glenn Gosse

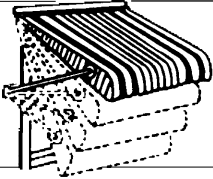

We are into our “winter months” but don’t tell our part time residents that because Golden Gate is where many of us come for an extended summer. Yes, a lot of days in January tend to be on the more frigid side but in our community the warmth and friendship that comes from our people easily outweighs any weather adversity. So, from the Nuggets Club family, we extend especially warm wishes to our entire Golden Gate community and their extended families and continue to live in love, happiness and health in 2019 and beyond. We certainly know among us how valuable those traits are and just how short life can really be so please enjoy and respect every day we have.

The Nuggets Club is a driver of many of the monthly social events in our community but of course it is those countless volunteers that step up continually and take charge of the events that contribute to making them so successful. From the Wednesday kick-ups, to the Friday pot-supps, and the Social Sun-ups, this play on words indicates that no matter the event we always make it FUN! Thank you so much to all you volunteers for giving your time to sell tickets, set up the events, and then host the activities every occasion and thank you to you the community who regularly support these paid events.

We will continue to deliver leaflets to all your homes in advance of these activities, with prices, dates and details of the occasion. Look into your mailboxes daily because you know that, even if there’s no mail, a folded 8 1/2 by 11 is common notice of news about to happen in our community. If you ever are missing information about an event, please contact one our committee members who will advise you of the details.

December Meeting

Last month I attended a meeting at the planning council offices. The meeting was hosted by the Florida department of transportation. The subject of the meeting was a proposal of changes to US 19 N.

There were many changes discussed some of which made no sense what so ever. The first change was the addition of a traffic signal to be installed at Gateway entrance to accommodate the new apartment construction north of Gateway. I remarked to the planning engineers that the addition of the new traffic signal would constitute a total of four signals in four city blocks. (Mainlands, Gateway, Walmart, and Gandy) this would be a higher concentration of signals than exist in all of US 19 from tarpon springs to Pinellas Park. The engineers response was that the addition of the signal would aid traffic flow. Of course, I was astounded with that reply, which prompted me to ask him where he lived, and how often he rode US 19. His response was that he lived in north Tampa and never rode US 19. He also volunteered that the consultants on the job lived in New York.

The next part of the presentation consisted of demolishing the Gandy Bridge over US 19 (a three lane bridge connected to a three lane highway before the bridge, and a three lane Park St after the bridge) the bridge is in good condition and destruction is not necessary to replace an aging structure. The sole purpose of the bridge replacement is to make the bridge four lanes in each direction. This did not make sense to me, because there is no plan to widen either Park St or Gandy roadways to four lanes. The three lane choke points will remain on both sides of the bridge at the traffic lights, but the bridge will be four lanes wide.

The next proposal scheduled at 70 million dollars is the destruction of the shopping center south of the bridge over US 19 on the east side of the street. This is the Dunkin Donuts, Spiral Cut Ham store among others in the strip mall. The money is to buy out the stores to tear them down. The reason to remove the stores is to make a wide grass median in the center of the street twenty-four feet, and add a bicycle lane of at least three feet. Wow was this one a shock, who was the genius that thought that one up, seventy million and the destruction of all those businesses to add a grass plot.

There was a further discussion about adding a bicycle lane from Mainlands to south of the Gandy bridge. Adding the lane would cause all of the car dealerships south of Gandy to lose some ground from their line of cars displayed for sale, including the new Mercedes Benz dealership just completed facing US 19 below Gateway.

I asked the engineers how many feet of bicycle lanes were there between Tarpon Springs and Pinellas Park on US 19? The answer was none. So, all of a sudden we need bicycle lanes through Pinellas Park because the engineer stated that bicycle lanes are now part of a new urban plan for all new construction on existing roadways. So, there you have it, traffic planning at its finest. My granddaughter could do better with a crayon.

I suggested elevating US 19 bordering it with frontage roads to place the traffic signals below

continued on page 14

the roadway at street level. I also suggested removing the Gandy Bridge and adding a traffic signal at the US 19 frontage road allowing all traffic to go north, south or continue west where other traffic signals exist on Gandy. The elevated section of US 19 would spare the businesses and save the 70 million. The engineer states that elevating the roadway would cost 300 million.

I reiterated that i have lived in Florida 26 years and interstate 4 was under construction when i moved here, and has been under construction for 27 years, and what has been the cost of that? He shrugged his shoulders and had no comment. This plan is brand new, but so far it has not been funded by the state of Florida. But watch out when it is funded.

Christmas Dance

The Christmas Dance took me on a trip down Memory Lane. For those who have been here 25 yrs. or so you may remember 'FRENCHY'. He was the music man at every dance.

Wally and I never missed a dance. Erma – Elaine and a few others lined up waiting for their turn to dance. He was quite a guy.

However, the extra special memory was at the end of the dance. He told us to line up in two rows. Men on one side and gals on the other one. Then one by one the guys crossed over and took a gal, walked down the center and formed a circle. We all held hands and then began to sing 'God Bless America' and then 'Oh Canada'. Lots of memories and happiness.

Those really were the 'Good Old Days'. Let's bring them back.

Happy New Year! (I can't stay up that late).

Sincerely,

ME from ME (aka Pat H. from Maine)

CRAFTING CLUB

We have a new club in Golden Gate this winter. The crafting club will be meeting twice a month on Thursdays from 1 pm - 3 pm in the clubhouse.

Do you like to knit, crochet, scrapbook, make stamped cards, paint, make jewelry or more? Do you see projects at craft fairs or Pinterest and then you make it for yourself or others? Bring your projects to the clubhouse to work on while your friends also do their crafts.

Is there a project or technique you would like to teach to the group in one of our sessions? We are open to ideas.

Dates for 2019: Thursday Jan. 10, 24, Feb. 7, 21, March 7, 28, April 11, 25

Coordinators: Margee Hay, 82230 G St., Sue Thompson, 82271 2nd Ave and Shelley Hinkle, 82199 F St.

Labor of Love

Labor of Love had another heartwarming Delivery day Dec. 5. 2018, not only for us at Golden Gate but for our charities. Many hugs, smiles ad THANKS were received.

We delivered 588 items for December, making a total of over 1300 handmade items for 2018, (give or take a hundred due to my math skills).. AWESOME. Sincere THANK YOU'S to ALL, whether you made items, pressed fabric, donated supplies or monetary gifts, we could NOT do it without you. Some prayed for us and for those receiving our quilts, afghans, hats, pillows, etc. Please join us on Wednesday mornings in the hall from 10 to 11 A.M, with special sew days listed on the calendar, as we continue to "SERVING THOSE IN NEED WITH LOVE"

On Friday, Dec. 14th Paul and I attended a WestCentral FLAROC Inc. meeting at Pinewood Village and heard some very useful information from Mike Twitty; Pinellas County Property Appraiser; and from people from Area Agency on Aging of Pasco-Pinellas, Inc. Below are a few flyers I bought back with some very useful information and phone numbers on them. I also posted these flyers in our Clubhouse. Please share this information with anyone inside or outside our community that you think could use some help.

DIAPERS FOR DIGNITY

AN ADULT INCONTINENCE SUPPLY BANK

Many adults live with incontinence and cannot afford the supplies they need.

Maria's grandchildren want her to visit. She is out of pads. She is so afraid she will have an accident, that she stays home, missing precious time with her family.

John led an active life until a medical procedure caused him to be incontinent. Insurance does not pay for supplies. He is anxious, withdrawn, and feels he is no longer in control. He does not want anyone to know he needs help.

As a caregiver, Anna struggles to afford pullups for her adult son in addition to rent, food, and medical bills. At 75 cents for one pullup, the cost adds up quickly. She tries to use fewer pullups but that hurts his skin.

Cannot afford supplies? Help is available!

Packages of supplies are available at several locations.

- Pullups
 - Tabbed briefs
 - Pads
 - Flat underpads for beds or furniture
- Help is confidential.

LINE DANCE: Mondays at 10:00 am

This is a fun class taught by Sue Thompson. It is a beginner's class for line dancing. We will work with you from the first step to the last step. We are helping you learn line dances that we can do in our community at our dances. We teach the steps then practice to music until we all learn it. We also will pick some nights of extra fun to practice on and I will work separate with anyone who feels they need extra help. It's all about fun with our family, friends and neighbors AND the exercise we get is great in helping us all to get and stay healthy. We do around 7,000 steps while we dance, laugh and have fun.

Christmas Thank you – From your Staff

Once again, we are humbled by the generosity of Golden Gate. We would like to express our sincere gratitude to: The Board of Directors; the Men's and Women's Clubs; the Shuffle and Theatre Clubs; the Nuggets Club and the Golden Gate Church, and of course the many residents for all of gifts, cards and "goodies". We are truly blessed! Thank you!
