Family Owned & Operated

For Over 3 Decades!

From the Office

Well we know most, if not all Canadian “snow-birds” and now our U.S. residents are leaving for their journey back north. Here are a few reminders for your attention:

- Please remember to sign out in the office. Your signature is needed to stop the Water/Sewer/Trash Bill. Per the Golden Gate Rules & Regulations: (#16 Home sites): Shareholders will be exempt from billing for City utilities for any month which the home is unoccupied providing the sign out procedure with the office has been properly completed.
- When signing out please check to make sure we have an “AWAY” contact number and address to reach you.
- “Weeds Needs” – Once again, the Weed program is available to GG residents for \$40.00. This covers spraying for weeds in your front planters from May through September. If you choose not to participate or you have someone watching out for the upkeep of your property and if there is an issue, the “Friendly Reminder” will be sent to you. Please accept the reminder in the spirit it was intended.....just a friendly notice that your property may need a little attention.
- Hurricane Season – Please put away or secure all outside items that may become a projectile during a Hurricane. Even items that you may think are heavy (patio chairs/tables, flower box pots or ornaments, etc.) will become airborne in 40+ mph winds. Your neighbors appreciate your consideration. It also does not invite potential thieves in to take your “stuff”. Pinellas County Emergency Management (727-464-3800) has provided Golden Gate Community with Hurricane/Tropical storm fliers on important information and how to contact the County & sign up for emergency notifications through Alert Pinellas (www.pinellascounty.org/alertpinellas). They will be distributed to those residents still in the park. Don't forget to get a forwarding mail package from either the mail carrier or, there is a limited supply in the Clubhouse. If you do forget, you can forward your mail on-line at www.usps.gov.

This is probably a good time to give a refresher on how the Water/Sewer/Trash bills work.

- If you are here for 1 day in a calendar month, you will get a bill from the city. The bill date is always one month past the usage month. For example, if you were here for 1 day in April, you will receive a bill from City of Pinellas Park in May, with a bill date of May. The payment will be due in June. To make it a little more confusing, if you have an electronic debit from your checking account, you will see the payment in June, (because that is the due date) for April's usage. Hope this helps, if not give Jane a call at the office.

Director on Call

For the Month of (JUNE)–MICHAEL WHITEMAN
In case of a “Park Emergency”– Dial (727) 578-2891.
For emergency crime or health issues dial 911.

Here are some suggestions to keep you and your property safe.

1. Keep doors and sheds locked at all times. Yes, even if you are home.
2. Consider installing a motion sensitive porch or yard lights. Thieves hate lights!
3. Do not leave tempting items in your carport or in back of your home. A lot of thieves cruise the area first to see what is available and come back after dark. So, keep your sheds closed, locked and valuables out of sight.
4. Report any known theft, vandalism, or suspicious characters to the Police on (727) 369-7864 IMMEDIATELY. Don't call the Office or the Directors and **DO NOT** confront the individual(s) let the police do the investigation! Although it is important information for us to know, the Police will not accept reports from anyone other than the person who witnessed the event and can describe first-hand what has happened. You can let the office know once you have reported it to the Police.
 - a. Pay attention to details: What does the suspect look like (size, features, clothing, vehicle (color and make if possible), etc. This will help the Police search our area and surrounding communities.
 - b. Do not follow the suspect. That is dangerous for your safety and will only delay the report to the police.
5. If you go away for a few days or a few weeks, don't forget to stop the mail and paper delivery. A loaded mailbox or newspapers in your carport screams "Break in – I'm not here".
6. Don't assume that strangers are just someone's family visiting. If your gut tells you something is wrong, it probably is. **DO NOT** confront the individual(s) IMMEDIATELY call the Police non-emergency number (727-369-7864). It is much easier to apologize to a neighbor for the error than explaining to them ..."gee I'm sorry, I thought it was someone related to you" after their home is broken in to.
7. Lock/Secure your Golf Cart and Bicycles.

Shut off water valves

If you are using the water outdoors, please remember to shut off the valve at the house instead of just turn the nozzle on the hose.

Articles for the Newsletter

Any article submitted to the Golden Gate Newsletter should have the author identified. If you have a computer with an email connection, articles may be emailed to ggmedia@tampabay.rr.com, preferably by the Monday before the third Tuesday of the month. The Board of Directors' Meeting is the third Tuesday of the month and the agreement with the publisher gives us up to the day after the meeting to deliver copy to be published. If you don't have a computer you may continue to deliver a double-spaced paper copy, again, preferably by the Monday before the third Tuesday of the month.

Soliciting

Soliciting of any kind is not allowed in Golden Gate. If anyone comes to your door trying to sell anything, please be safe and just say no thank you; close your door and call the police non-emergency number (on page 2 of the Golden Gate Telephone Directory (727) 369-7864. Do not confront the solicitors.

Weed Program

As most of you are aware, we have a problem with the growth of weeds during the summer months, typically May through September. The weed problem we are concerned about is in the planter boxes and the front of the homes. Even those homes that have mulch or stones in the planter boxes will have weed growth.

The board does send "Friendly Reminders" to alert residents as stated in rule #16..."Each shareholder is responsible for the neat and orderly appearance of his or her premises at all times. However, the general response to the friendly reminders has been less than satisfactory.

We would like to aid in solving this problem by having our maintenance staff spray weed killer in the planter boxes or in front of the home for any resident that desires to participate. There will be a \$40.00 per year fee to cover the cost of the material for spraying from May through September. If you wish to participate in this program, send a check or pay cash to Jane in the office. If you choose to participate in this program, our maintenance staff will spray, beginning in May and ending in September. However, if you have ornamental plants that could be harmed by the spraying, you will have to make other arrangements, since we will not be responsible for any damages.

If you choose not to participate, the weed issue for planters and the front of your home will continue to be your responsibility, and be subject to the terms of rule #16 concerning work done in your absence.

Maintenance Staff Assistance

If you identify a maintenance item around the Community, please ask someone in the office (Jane or a member of the board) to complete a work order for Lam. This allows them to track, prioritize and complete their daily work load. Thank you!

Friendly Reminder...

There have been several “exterior home improvement/modification projects” completed within our community during the past year. However, the majority of them were completed without prior approval of the Directors as required by “Golden Gate Rules and Regulations”: Per Rule 16. (Home Sites) ... *“Any additions or revisions to your exterior property, including outside painting of any type, must be approved by the Board of Directors and a permit obtained from the office before starting work. The permit must be displayed in a clearly visible area. No fences permitted without approval of Board of Directors...”*

Good Information

Snowbirds, do you have Golden Gate withdrawal shortly after leaving our park and going back home.

Do you ever wondering what am I missing or what is going on at Golden Gate during the summer months?

Do you ever want to re-read a newsletter article just days after throwing it in the trash?

Have you ever sat around and discussed a newsletter article from a previous month or even previous year and wish you kept that newsletter?

Well fret no more... the "Golden Gate Nugget" is now online and able to read from your computer, tablet or phone.

You can even download the entire newsletter or just the monthly calendar in beautiful color.

Just go to the link below and select the year and month of the "Golden Gate Nugget" you're looking for. It currently goes as far back as October, 2014...ENJOY!

<http://monthly-media.com/mmnewsletter.php?NID=108>

The Good News is we actually have residents stopping at our stop signs... the Bad News is we have some residents stopping at our Stop sign and throwing out cigarette butts and tissues out their auto windows. Please be considerate of our community and dispose of your trash properly.

LABOR OF LOVE

One thousand five hundred and still counting...MASKS that is. Ten girls of Labor of Love have been sewing masks for all those who asked, Golden Gate Residents family and friends. These included over four hundred requested by Johns Hopkins All Childrens Hospital. One is in Newfoundland and is filling every request there. SO PROUD ...thank you from the bottom of our hearts for your devotion, "Serving those in need with love".....

June Days

National Cancer Survivors Day, June 7. Thousands worldwide speak up to honor cancer survivors and to show the world that life after a cancer diagnosis can be fruitful, rewarding, and even inspiring.

World Oceans Day, June 8. For 2020, World Oceans Day is calling on world leaders to protect 30% of our blue planet by 2030. By safeguarding at least 30% of our ocean through a network of highly protected areas, we can help ensure a healthy home for all.

Flag Day, June 14. Fly Old Glory proudly!

Father’s Day, June 21. Celebrate your father and all fathers everywhere.

World Rainforest Day, June 22. This global event celebrates this precious natural resource and encourages action to preserve it. Your efforts, together with those of others, will benefit rainforests and the climate worldwide.

Fun facts about your Father’s Day gift

Father’s Day is June 20 this year, and the 65 million fathers in the United States (give or take a few million) will bask in familial attention and be showered with gifts—mostly neckties.

The modern necktie evolved from the small, knotted neckerchiefs worn by Croatian mercenaries working for the French in the Thirty Years’ War. The word cravat derives from a combination of the French “Croate” and the Croatians’ own name for themselves, “Hrvati.”

With the rise of the business class in the 19th century, demand grew for neckwear that was durable, comfortable, and easy to tie.

In 1926, a New York tie maker named Jesse Langsdorf developed a technique that improved the tie’s elasticity, which allowed it to revert more easily to its original shape. The “Langsdorf” became the most popular form of necktie.

Since then, ties have widened as far as 4.5 inches and thinned to three inches (or skinnier) depending on the current style, but they seem to be here to stay.

Happy Father’s Day

June Monthly

Adopt-A-Cat Month. American Humane celebrates Adopt-A-Cat Month each June—a month that marks the height of “kitten season,” when millions of kittens are born and often end up in animal shelters. Take home a new friend (or two) to ease your social isolation today.

National Camping Month. June is an excellent time to pack up your gear and experience nature—while practicing social distancing, of course. Gather family and friends, don’t forget the s’mores ingredients, and go camping! Nature is calling, and there are many ways to enjoy a weekend or even longer in the outdoors.

National Dairy Month. Dairy products contain nine essential nutrients, such as calcium and potassium, that can help you manage your weight and reduce your risk of high blood pressure, osteoporosis, and certain cancers. Whether it’s protein to help build and repair the muscle tissue of active bodies, or vitamin A to help maintain healthy skin, dairy products such as milk and yogurt are a natural nutrient powerhouse.

Oral Health Month. Don’t neglect your oral health during the pandemic. Leading by example—especially when it comes to salubrious habits like brushing and flossing—can make a big difference in the health and happiness of your entire family. This year’s theme: Share More Time, Share More Smiles.

Weekly

National Nursing Assistants Week, June 11–18. During this week, nursing assistants and direct-care workers educate the public, state, and federal government agencies, and, in particular, their elected officials about the nature of their vital work and what they need in order to do the job right.

Animal Rights Awareness Week, June 14–20. The goal is to help raise global awareness of animal rights by educating the public about animals’ basic needs. Animal rights awareness extends from individual pets to companion animals, farm animals, wildlife, and animals used for testing, experiments, and medical research.

National Mosquito Control Awareness Week, June 21–27. The current lockdowns in place to curtail the spread of coronavirus will probably not preclude essential mosquito control activities in the U.S. Despite emphasis on testing and treating COVID-19 patients, we can’t forget that other debilitating and potentially fatal diseases transmitted by mosquitoes could infect our citizens.

WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are screened and treated in a separate area. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information:** [BayCareEmergencyCare.org](https://www.baycare.org/emergency)
