From the Office

Well I know some “snow-birds” will be starting to plan for their journey back north. Here are a few reminders for your attention:

- Please remember to sign out in the office. Your signature is needed to stop the Water/Sewer/Trash Bill. Per the Golden Gate Rules & Regulations: (#16 Home sites): Shareholders will be exempt from billing for City utilities for any month which the home is unoccupied providing the sign out procedure with the office has been properly completed. There is a city charge of \$25 to reactivate the water bill. When signing out please check to make sure we have an “away” contact number and address to reach you.
- “Weeds Needs” – Once again, the Weed program is available for \$40.00. This covers spraying for weeds in your front planters from May through September. If you choose not to participate or if someone is watching out for the upkeep of your property, if there is an issue, the “Friendly Reminder” will be sent to you. Please accept the reminder in the spirit it was intended.....just a friendly notice that your property may need a little attention.
- Don’t forget to get a forwarding mail package from either the mail man or there is a limited supply in the Office. If you do forget, you can forward your mail on-line at www.usps.gov.

This is probably a good time to give a refresher on how the Water/Sewer/Trash bills work.

If you are here for 1 day in a calendar month, you will get a bill from the city. The bill date is always 1 month past the usage month. For example, if you were here for 1 day in April, you will get a bill in May, with a bill date of May. The payment will be due in June. To make it a little more confusing, if you have an electronic debit from your checking account, you will see the payment in June, (because that is the due date) for April’s usage. Hope this helps.....if not give Jane a call.

Shut off water valves

If you are using the water outdoors, please remember to shut off the valve at the house instead of just turn the nozzle on the hose.

Articles for the Newsletter

Any article submitted to the Golden Gate Newsletter should have the author identified. If you have a computer with an email connection, articles may be emailed to ggmedia@tampabay.rr.com, preferably by the Monday before the third Tuesday of the month. The Board of Directors’ Meeting is the third Tuesday of the month and the agreement with the publisher gives us up to the day after the meeting to deliver copy to be published. If you don’t have a computer you may continue to deliver a double-spaced paper copy, again, preferably by the Monday before the third Tuesday of the month.

Hurricane Season

All Residents...Please put away or secure all outside items that may become a projectile during a Hurricane. Even items that you may think are heavy (patio chairs/tables, flower box pots or ornaments, etc.) will become airborne in 40+ mph winds. Your neighbors appreciate your consideration. It also does not invite potential thieves in to take your "stuff".

Light up at Night

If you are riding a bike or driving a golf car at night you should have lights on so others can see you.

Soliciting

Soliciting of any kind is not allowed in Golden Gate. If anyone comes to your door trying to sell anything, please be safe and just say no thank you; close your door and call the police non-emergency number (on page 2 of the Golden Gate Telephone Directory (727) 369-7864. Do not confront the solicitors.

Weed Program

As most of you are aware, we have a problem with the growth of weeds during the summer months, typically May through September. The weed problem we are concerned about is in the planter boxes and the front of the homes. Even those homes that have mulch or stones in the planter boxes will have weed growth.

The board does send "friendly reminders" to alert residents as stated in rule #16..."Each shareholder is responsible for the neat and orderly appearance of his or her premises at all times. However, the general response to the friendly reminders has been less than satisfactory.

We would like to aid in solving this problem by having our maintenance staff spray weed killer in the planter boxes or in front of the home for any resident that desires to participate. There will be a \$40.00 per year fee to cover the cost of the material for spraying from May through September. If you wish to participate in this program, send a check or pay cash to Jane in the office. If you choose to participate in this program, our maintenance staff will spray, beginning in May and ending in September. However, if you have ornamental plants that could be harmed by the spraying, you will have to make other arrangements, since we will not be responsible for any damages.

If you choose not to participate, the weed issue for planters and the front of your home will continue to be your responsibility, and be subject to the terms of rule #16 concerning work done in your absence.

5 WAYS TO PROTECT YOUR GOLF CART FROM THIEVES!

1. INSTALL A THEFT DETERRENT

Golf carts are fairly simple to steal for someone who is determined and many times, the crime is a crime of opportunity. Eliminate the opportunity by installing a theft deterrent device. One option is an actual remote security system that easily installs with the use of your cart's battery. Another, more affordable option, is the use of a golf cart pedal lock, manufactured by the makers of the automotive club. Either of these theft prevention systems will ensure that a golf cart thief keeps moving past your custom golf cart.

2. STORE GOLF CARTS IN GARAGES

Not only can the elements begin to damage a golf cart that is stored outdoors, especially in humid climates like Florida, but outdoor storage also allows thieves to scope out your golf cart and try to determine the best opportunity to steal your precious golf cart. Protect your golf cart from weather and criminals and store it indoors, whether in your garage or a storage shed.

3. COVER IT WHEN NOT IN USE

Golf carts that are out of sight are less likely to be subject to theft. Using a golf cart storage cover when the cart is not in use is the ideal way to protect the cart from weather and dirt and also keep it out of the sight of potential golf cart thieves.

4. USE A UNIQUE STARTER KEY

Factory golf carts all come with a generic key that is interchangeable among other carts. Changing the factory key cylinder switch and installing a unique key switch ensures that one key does not fit your golf cart. Don't believe us? Try your Club Car key on your friend's golf cart. Factory keys make stealing your custom golf cart way too easy.

5. INSTALL SECURITY LIGHTS

If you live in an RV park or mobile home community, it may not be possible to store the cart in a garage or shed. In this case, install motion security lights that are pointed at your golf cart. Consider posting a notice or stickers warning potential thieves that security measures have been installed.

Don for the great job in calling the numbers and making the best coffee.

Fran Lawrence and Pat Poczalski for all their help with the selling of sheets, checking winners and helping me to learn all the Bingo games.

THE NUGGETS NEWSLETTER, May, 2019

By: Harvey Hodder, President

There is a sense of sadness but also appreciation and love as we watch our snowbirds make the journey north. The Golden Nuggets team has had a wonderful season of music, food, laughter, etc.

It is with much gratitude and respect that I reflect on the past months of Nugget activities. Aristotle (384-322 BC) had it correct when he wrote, "The good man (woman) thinks it is more blessed to give than to receive." It is that giving that makes the Nuggets role in Golden Gate so impressive!

Thanks so much to my colleagues on the Executive: Vice-President Joann Rash; Treasurer Judy Costello and Secretary, Patsy Gosse. During my health journey in 2018-2019, they enthusiastically lifted the torch in leadership functions while also offering outstanding encouragement to my wife and I. Words may fall short but you know what I mean!

What a wonderful season! Wow! A summary looks like so impressive and such a compliment to our host of volunteers:

Five Pot Luck Dinners

Seven Dances, including our New Year's Celebrations

Six Club Meetings

Five Sunday Socials

The 2019 January Flea Market

The Annual Memorial Day Commemorations

That is 25 activities. And always remember that while the Executive works very diligently, the delivery depends on our volunteer teams. Thanks especially to Dennis and Linda Dufault for coordinating the printing and delivery of our tickets.

And, all is in readiness for the next season.....the dates are set, the hosts of the pot lucks and the dances are all identified, the music contracts are in place, etc.

Have a wonderful summer! While we will miss seeing you almost every day, as part of our Golden Gate family, you are always close in our thoughts!

And, one last word from Aristotle; "A friend is a second self". At Golden Gate, we have a strong and habitual tendency to promote good friendships and a caring attitude! Love and best wishes always! We look forward to the further unfolding of our Nugget world in late October.....a new chapter but with the same determination and spirit!

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

THEATER CLUB NEWS

by Rosemary McIlvoy

"I had the time of my life, and I never felt this way before!"

This line comes from a song in the movie, "Dirty Dancing" and I think all the performers in The Spice Of Life Variety Show felt just this way about being in this year's production.

We had the time of our lives and we hope you enjoyed our efforts.

The Spring Variety Show, "Spice of Life" was April 7th and the Theatre Club played to a sold-out crowd. We were thrilled (and very grateful) for the turn-out.

Approximately 70 of your neighbors and friends were involved in making this year's show a success. Everyone started practicing in February. As the old saying goes, "practice makes perfect."

For those of you who couldn't be here or who couldn't get a ticket, you missed some great acts: The Blues Brothers, Tina Turner, Elvis, King Tut, and the Soggy Bottom Boys, just to name a few. Seventeen acts in all, each one better than the next.

Special thanks to the Show Committee for their hard work and dedication and many hours spent making sure the show would be great. Many hands made light work.

Hopefully, some of our new Golden Gaters who saw the show for the first time will be inspired to join the cast next year and have some fun. We are always looking for people. Everyone is welcome, with talent or without. We will fit you in and give you a part somewhere in the show.

Thanks to all of our Golden Gate family who came out and supported the Theatre Club. We can't express how much we appreciate your presence and your applause. We hope you enjoyed the show and look forward to seeing you at next year's show!

WOMEN'S CLUB

Doree Haseltine

Stay safe during boating season

Here are some basic do's and don'ts for boating safety this summer. Follow these tips for fun, safe boating with your friends and family:

- Wear your life jacket. It floats; you don't.
- Never mix alcohol and boating.
- Know and follow nautical rules.
- Never stand in a small boat.
- Check the weather forecast before you get underway.
- Never overload your boat.
- Always keep a good lookout.

If you do go out in a boat and bad weather unexpectedly occurs, here's what you should do:

- Put your life jacket on, and prepare for rough seas.
- Get below deck, and stay there if possible.
- Keep away from metal objects that are not grounded in the boat's protection system.
- Do not touch more than one grounded object at a time, or you could become the short-cut for electrical surges passing through the protection system.

fear of the unknown, the complex, the inexplicable. What he
wants above everything else is safety.**
