Phone Numbers and Addresses

Hello everyone and welcome to a little bit of Paradise.

My name is Dennis, and I along with a lot of help from my wife Mary, try to keep up a current directory for the residents here at Harbor Lights. Your help can make it a lot easier for us to produce a directory that is as accurate as possible at the time of printing. If you are new to the park or have had a change of address or phone number please, simply fill out the form on this page. You can then drop the form off at our home at 9126 48 Terrace N. or give the form to Mary or myself at one of the social meetings.

By now the 2019/2020 directory has been printed. If you haven't received one, we will have them at the social meetings, or you can drop by and pick one up at our home. If any of your information in it is incorrect and you would like it corrected for the 2020/2021 issue, please use this form as well and we will update our file for the 2020/2021 edition.

Harbor Lights Change of Phone Number and/or Address

This information will be used for the annual resident directory.

If your address or phone number has changed please fill out the requested information and forward to Dennis at 9126 48th Terrace N.

Travel

2020 Day Trips have been posted on the bulletin board in the clubhouse. Thanks to everyone who took the time to fill out the Teaser Brochure for next season's day trips.

Based on your selection, we are scheduling the top three as follows:

January 14, 2020 - The Show Palace Diner Theater
February 11, 2020 - Ringling Mansion and Museum
March 10, 2020 - Cruise to Tarpon Springs

The next trips were in the second tier of interest. We are posting them with a date of TBD to gauge the level of interest. If enough residents show an interest in these trips, we will schedule specific dates in the fall.

Singing Christmas (need to know before Thanksgiving)
Immokalee Casino and Broadway Palm
Starlight Sapphire Themed Cruises

Please sign up for all the trips you wish to take for next season. We will need your payment 30 days before the trip. Just like this year, we need a minimum of 30 to book the bus or the trip will be cancelled, and your check will be returned.

SCUTTLEBUTT

Below is a list of those who have volunteered to deliver the Scuttlebutt in these areas of the park this season.

We use the blue tape on your mailbox to determine if you have returned for the season. If there is tape on the mailbox, you will not receive a Scuttlebutt unless you let your delivery person know you have returned for the season. Extra Scuttlebutts can be found in the library, laundry room or the club house.

Unfortunately, there has been an explosion in the rat/mice population in the last few months. Feral cats and snakes will solve the problem if they are left alone. Please do not kill the snakes, they are here because there is food for them, rats/mice. Don't feed the feral cats as they are also important in controlling the rat/mice population. Below are links to information regarding the local snakes.

Snakes in Florida

Florida has a rich diversity of snakes and other reptiles which play an interesting and vital role in Florida's complex ecology. Our 44 species of native snakes are found in every conceivable habitat, from coastal mangroves and saltmarshes to freshwater wetlands and dry uplands, and many species thrive in residential areas. However, there are just a few species that are commonly seen in developed area, although any snake may occasionally be found in urban settings.

Snakes occupy a valuable place in Florida's ecosystem. For example, snakes help reduce rodent populations, which destroy crops and sometimes carry diseases which can infect people. Non-venomous snakes also consume venomous ones and can help maintain ecosystem balances. Venomous snakes are also beneficial; for example, some rattlesnake species have been reported to consume ticks in their native ranges.

<https://myfwc.com/wildlifehabitats/profiles/reptiles/snakes/red-rat-snake/>, The rat/corn snake is colorful, oranges, yellow and black and it is not poisonous.

Behavior - The diet of the red rat snake primarily consists of small mammals (i.e. rodents), lizards, birds, and bird eggs. This species kills its prey by constriction, as they have no toxic venom or fangs

<https://myfwc.com/wildlifehabitats/profiles/reptiles/snakes/eastern-indigo-snake/>

Behavior - The Eastern indigo snake is a non-venomous, bluish-black colored snake and their diet primarily consists of a variety of species, including small mammals, birds, toads, frogs, turtles and their eggs, lizards, and small alligators (National Park Service, n.d.).

All of them, snakes or cats, have no interest in humans or pets, so just let them go on their way!

September 7, 2019

Madeira Way Renovations to Begin Monday Sept. 9th

MADEIRA BEACH, FL – The Cambria Hotel project at the intersection of Tom Stuart Causeway (150th Ave.) and Madeira Way is entering the next phase, which includes significant renovations to Madeira Way.

Beginning Monday morning access to Madeira Way from 150th Ave. from 150th Ave. to the Post Office, will result in both northbound and southbound through traffic being detoured while the street, sidewalks, medians, and streetscaping will be completely re-done. Pedestrian access will be maintained for all retail establishments and US Post Office.

Traffic will be able to enter Madeira Way southbound from Gulf Blvd. and then detoured either onto Municipal Drive or u-turned back out to Gulf Blvd. Patrons of Madeira Way shops can park in the former Brown Boxer lot or the lot behind the stores on the western side of Madeira Way. Signage has been placed along Gulf Blvd. and Tom Stuart Causeway informing motorists of the upcoming detours as well as the availability of parking in the lots behind stores.

For more information, contact Curt Preisser, City of Madeira Beach Public Information Officer at 727-391-9951 x299 or cpreisser@madeirabeachfl.gov.

Monthly Memos

National Drunk and Drugged Driving Prevention Month. Drinking and driving can make the holiday season deadly for drivers, passengers, and pedestrians. National Drunk and Drugged Driving Prevention Month seeks to spotlight the dangers of driving under the influence of alcohol, drugs, or both. According to the National Safety Council, more than 40,000 people died in alcohol-related traffic accidents last year, so this year, stay safe during the holidays.

- **National Safe Toys and Gifts Month.** In recent years, the U.S. Consumer Product Safety Commission (CPSC) has created a robust toy safety system, requiring testing by independent, third-party laboratories around the world, imposing some of the most stringent toy standards in the world, and more. These combined efforts continue to foster the confidence of American families as they prepare to shop for toys this holiday season.
- **National Tie Month.** December is the month to honor the most required yet maligned strip of cloth that's an essential part of business attire—the necktie. Neckties give people the chance to add a little spice to their classy, professional look. A nice necktie speaks volumes about a person's sense of style and even gives people a little look at his or her personality. So this month, give a little extra respect to the people who are professional, classy, and trendy in their favorite ties.

Awareness Week

National Handwashing Awareness Week, Dec. 1–7. Avoid colds and flu during the winter months by following the four principles of hand awareness: Wash your hands when they are dirty and before eating; don't cough into your hands; don't sneeze into your hands; and above all, don't put your fingers into your eyes, nose, or mouth.

- **Older Driver Safety Awareness Week, Dec. 2–6.** Older Driver Safety Awareness Week aims to promote understanding of the importance of mobility and transportation to ensuring older adults remain active in the community—shopping, working, or volunteering—with the confidence that transportation will not be the barrier stranding them at home.
- **Kwanzaa, Dec. 26–Jan. 1.** A weeklong celebration observed in the United States as well as other countries with populations of African descendants, Kwanzaa is a holiday that honors African culture in not only the African American community but also in the world African community.

Life it is not just a series of calculations and a sum total of statistics; it's about experience, it's about participation, it is something more complex and more interesting than what is obvious.

Find the suspect

A police officer was testing three people who wanted to become detectives on their skills in recognizing a suspect. She showed the first man a picture for five seconds and then turned over. “This is your suspect—how would you recognize him?”

“That’s easy—we’ll catch him fast because he only has one eye!”

The police officer frowned. “That’s because the picture I showed is his side profile.” Annoyed by this ridiculous response, she flashed the picture for five seconds at the second man. “This is your suspect. How would you recognize him?”

The second man smiled. “Ha! He’d be too easy to catch because he only has one ear!”

The officer grew angry “What’s the matter with you two? Only one eye and one ear are showing because it’s a picture of his side profile! Is that the best answer you can come up with?”

Extremely frustrated, she showed the picture to the third man and in a very testy voice asked, “This is your suspect—how would you recognize him? Think hard before giving me another stupid answer.”

The third man looked at the picture intently for a moment. “The suspect wears contact lenses.”

The policeman was surprised. “Wait here for a few minutes while I check his file.” She left the room and went to her office, checked the suspect’s file on his computer, and came back with a beaming smile on her face.

“Wow! I can’t believe it. It’s true! The suspect does, in fact, wear contact lenses. Good work! How were you able to make such an astute observation?”

“That’s easy,” the third man replied. “He can’t wear regular glasses, because he only has one eye and one ear.”

Laughter is wine for the soul—laughter soft, or loud and deep, tinged through with seriousness—the hilarious declaration made by man that life is worth living.
