Coming Events for Next Season:

THANKSGIVING DAY DINNER:

Dinner will be offered again on Thanksgiving Day. More info in the Fall.

DANCES:

First dance of the season will be Thursday Nov 29th. Music provided by DAZZLER

CHRISTMAS PARADE:

Don Halker will again organize the Christmas parade. Date will be announced in the Fall.

CHRISTMAS EVE PARTY:

Tim and Sheila Arlene Adams have volunteered to be chairmen. More details as they become available.

NEW YEAR'S EVE:

Chairmen Tim and Sheila Arlene Adams assisted by Co-Chairmen Jim and Janet Wagner have announced the theme will be Hawaiian. Let's all remember this when we plan our clothing and decorations for the New Year's Eve Dance. Let your imagination run wild! Music will be provided by Nick Knowlton

RUMMAGE SALE:

Date and chairman to be announced.

ALUMINUM CANS:

Please save for Dave Gentner – 4818 92nd Lane North – 397-7125
Dave crushes the cans, sells them to a recycler, and donates the income to the Social Club. Dave we want you to know how much we appreciate this. Thank you!!

CLOTHESLINES:

Not allowed!! Park will be enforcing this!!

SNOWBIRDS:

Remember to put all carport items away or tie-down. Hurricane season will be here soon and those items become flying objects. Be a good neighbor.

BLANKETS FOR THE MIGRANT WORKERS:

Remember the blankets, new or slightly used, for the migrant workers in Plant City. Their homes have no heat in the winter. Harriet Ha-Sidi will start collecting your donations in Mid-November. More information in the Fall.

TRAFFIC : Please be careful when exiting our park!!!!

Making a left turn is very hazardous. Pinellas Sheriff's Dept would recommend a right turn only, to go left, go to the traffic light and make a u-turn. If you insist on a left turn out of the park, make sure all lanes are clear, do not remain in the median unless you have a small vehicle. Remember, over 75% of all accidents nationally are from making left-turns. Keep safe. Another reminder.

RETURNING ACTIVITIES :

The following activities will return for next season, time and date to be announced:

Power Walk – exercise class	Sewing Class
Line Dancing	Music at the Pier

REMEMBER:

PET OWNERS !!! PICK UP WASTE!!! If you have guests with dogs, make them aware the dogs must be walked on a leash in the pet section. You must pick up their waste! Many complaints about this!! Let's try and be good neighbors. **ANOTHER REMINDER!! STILL A PROBLEM!!!**

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Health benefits of coffee for (almost) everyone

Is coffee good for you? Bad? The arguments go on and on, but a meta-analysis of 127 studies on the question by the University of Catania in Italy has found that drinking coffee is associated with the following health benefits:

- Decreased risk of breast, colorectal, colon, endometrial and prostate cancers, among others, from 2-20 percent depending on the cancer type.
- Five percent reduction in risk for cardiovascular disease.
- An approximately 30 percent lower risk for both Type 2 diabetes and Parkinson's disease, thanks to coffee's ability to improve enzymes that regulate glucose and insulin metabolisms.
- A lower death rate.

Coffee's natural antioxidants reduce free radicals that can damage cells and cause aging. It's also an anti-inflammatory that calms you down so you don't overreact to stress.

One group that should avoid coffee, however, is pregnant women. Coffee, the study notes, can increase the risk of miscarriage.

Be ready to donate

Are you nervous about donating blood or signing up to be an organ donor? You don't have to be. An infographic from Work The World explores some of the common misconceptions about blood and organ donations. They include:

- Age. There is no age limit on organ donations. In fact, the oldest known donor to date was a Scottish woman of 107 who donated one of her corneas after death. The main factor is the health of the organ and the donor.
- Organs. A single organ donor can improve or save up to eight lives. Donating tissue can save even more.
- Blood type. All blood types are needed, even the most common ones.
- Tattoos. Got a tattoo? That won't prevent you from donating blood as long as you're otherwise healthy.

Did You Know That May is Also...

Asthma and Allergy Awareness Month. The flora in full bloom make May the take-action month for those living with asthma and allergies. To gain insight and learn about events and advocacy efforts targeting these conditions, visit the Asthma and Allergy Foundation of America website at www.aafa.org.

National Barbecue Month. Grilling only hamburgers and hot dogs just won't do. This month, get in touch with your inner pit master and fire up your skills

National Photography Month. Take a photography class, view an exhibit at an art gallery or museum, get inspired, and capture life's moments one frame at a time. There's an entire world to explore on the other side of the lens.

Brain Tumor Action Week, May 6-12. Frequent seizures, headaches, impaired vision, or speech difficulties are a few of the warning signs of the possibility of a brain tumor. This year, nearly 79,000 people will receive a brain tumor diagnosis. To learn more, visit the National Brain Tumor Society website at braintumor.org.

American Craft Beer Week, May 14-20. Roughly 98 percent of the 6,000 breweries in the United States are small, independent, and passionate about the art of beer making. This week craft brewers in every state will showcase what they do best in events that will delight the palates of beer drinkers everywhere.

Garden Meditation Day, May 3. Gardening is good for the soul, and so is meditation. Take time out of your busy schedule to quiet your mind and spirit by smelling the roses, curling your toes in the grass, or napping in the shade of a tree.

International No Diet Day, May 6. Take a break from your diet today and figure out if it's the best thing for you. This day is less about indulgence and more about loving yourself while embracing healthy and positive attitudes toward nutrition and eating.

World Lupus Day, May 10. Lupus is a chronic autoimmune disease that can lead to pain, inflammation, and damage in any part of the body. Since 2004, organizations throughout the world have used this day to raise awareness and emphasize the need for funding and research focused on a cure.

Armed Forces Day, May 19. On the third Saturday of May, citizens around the world pay tribute to the women and men serving in their nation's military branches. Look for parades, exhibits, and events in your area.

Don't Fry Friday, May 25. As we embark upon this long holiday weekend and many warm and sunny days ahead, the American Cancer Society wants you to remember to make protecting your skin from harmful UV rays part of all your outdoor activities.
