FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

HURRICANE SEASON BEGINS JUNE 1st.

Snowbirds please place all of your loose items in your sheds or inside your homes. Lawn ornaments and furniture can be tossed around during the storms. Please lower and secure your shutters. Those neighbors who live in the park all year do try to secure outdoor objects prior to the hurricane but they are also busy preparing to evacuate and securing their own homes, so please secure as much of your outside belongings BEFORE you return to your summer homes.

Phone Numbers and Addresses

Hello everyone and welcome to a little bit of Paradise.

My name is Dennis, and I along with a lot of help from my wife Mary, try to keep up a current directory for the residents here at Harbor Lights. Your help can make it a lot easier for us to produce a directory that is as accurate as possible at the time of printing. If you are new to the park or have had a change of address or phone number please, simply fill out the form on this page. You can then drop the form off at our home at 9126 48 Terrace N. or give the form to Mary or myself at one of the social meetings.

By now the 2019/2020 directory has been printed. If you haven't received one, we will have them at the social meetings, or you can drop by and pick one up at our home. If any of your information in it is incorrect and you would like it corrected for the 2020/2021 issue, please use this form as well and we will update our file for the 2020/2021 edition.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

May Days

Hug Your Cat Day, May 1. You should be doing this every day, but in case you're not, today is the day to show your kitty some affection.

Learn to Ride a Bike Day, May 2. Slap on the training wheels if it makes you feel better. The point is, just get on a bike and go for a spin.

No Diet Day, May 6. You don't have to follow the latest trends to change your relationship with food. Start today with a commitment to live a healthier life by decreasing your consumption of junk foods.

Letter Carrier's "Stamp Out Hunger" Food Drive, May 9. Check with your local postal carrier and station to find out what items they are accepting during the largest national food drive in the U.S.

Stay Up All Night Night, May 9. Reconnect with your inner child and have some fun as you stay up (and out) well past the time when the streetlights come on.

Mother's Day, May 10. She carried you in her womb for nine months, and that did a number on her back. Now give her some flowers and take her out to brunch. It's the least you can do.

How to set reasonable goals

Setting a goal is important, but setting a good goal is what really counts. What is a good goal? A good goal usually has a few definable characteristics. Good goals are:

- Specifically focused.
- Neither too hard, nor too easy.
- Shared and agreed upon with others who will be working on them.
- Written down and visualized.

May

Global Civility Awareness Month. This is an opportunity for schools, community organizations, businesses, and people throughout the world to promote dignified, respectful behavior in their daily interactions with others. Take up the charge and be your best, well-mannered self every day, this month.

Mental Health Month. It's estimated that one in five Americans has some form of a mental health issue. Get the facts and get help for yourself or a loved one. Education and action will help to diminish the stigmas surrounding these diagnosable and treatable conditions.

National Good Car-Keeping Month. Clean it out. Get it tuned up. Change the oil. Rotate the tires. Take time to make sure your car has undergone necessary repairs and is up to date on scheduled maintenance.

National Meditation Month. Learn to quiet your mind, focus on your breathing, and appreciate the stillness. Now exhale. Find a class, app, or audio recording to guide you through the process of meditation and discover the benefits it can have on your health and well-being.

Weekly

Choose Privacy Week, May 1-7. The American Library Association and libraries across the nation will help educate and raise public awareness regarding privacy concerns in our digital age. Check your local branch and learn how to safeguard your information and identity.

Update Your References Week, May 3-9. Now is good time to check in with the folks providing your personal and professional job references. Make sure their job titles and contact information are accurate. In the event you have to put yourself out there, at least you'll know the people who are looking to hire

Teacher Appreciation Week, May 4-8. The school year is almost over, so there's no better time than the present to do something nice for the people who take on the job of educating your kid. Check with your local PTA to find out what you can do to honor the special teachers at your child's school.
