ELECTION DAY

On November 3rd you, as a registered American citizen, have the right to vote in the 2020 Presidential Election. If you did not complete a mail-in ballot, you may go to the polling station at Bay Pines Condo Rec Center directly off Bay Pines Blvd. Should you have completed the ballot but did not mail it, you may drop it off at that polling station or at another location. Polls are open from 7:00 a.m. to 7:00 p.m.

Salute to Veterans

On November 11, 2020 people throughout the US can take a moment to remember the men and women who have stepped up to protect our country here and abroad. Their service has continued through conflicts and wartime throughout Europe, Asia, Africa the Philippines, Japan and Korea, and continue to serve in areas of conflict among other nations. The day was originally named Armistice Day as a remembrance to mark the anniversary of the end of World War I and those who died while in service. The major hostilities were formally ended at the 11th hour of the 11th day of the 11th month of 1918 when the Armistice with Germany went into effect. This day now celebrates the service of US military personnel who have honorably served. In June 1926 President Coolidge issued the proclamation calling for an annual observance. In 1938 the Congress made November 11 a legal holiday to be dedicated to the cause of world peace. In 1945 a veteran from Alabama, Raymond Weeks, led a delegation to Gen. Eisenhower to honor all veterans who served. In 1954 a bill was sent to Congress and assigned as a federal holiday by President Eisenhower, renaming it Veterans Day.

An interesting exchange was published in an article some time ago in a WNY paper.

When in England, at a fairly large conference, Colin Powell was asked by the Archbishop of Canterbury if our plans for Iraq were just an example of empire building by George Bush.

He answered by saying, “Over the years, the US has sent many of its fine men and women into great peril to fight for freedom beyond our borders. The only amount of land we have ever asked for in return is enough to bury those that did not return.

You could have heard a pin drop.....

THANK YOU FOR YOUR SERVICE

My apologies to all those homeowners who were unable to have the **smoke detectors** installed this past season. The SE-CERT organization has not forgotten us and is looking into a timeline that might be feasible for installation of the alarms in the near future. You will be alerted when this may happen. Phone Numbers and Addresses

Hello everyone and welcome to a little bit of Paradise.

My name is Dennis, and I along with a lot of help from my wife Mary, try to keep up a current directory for the residents here at Harbor Lights. Your help can make it a lot easier for us to produce a directory that is as accurate as possible at the time of printing. If you are new to the park or have had a change of address or phone number please, simply fill out the form on this page. You can then drop the form off at our home at 9126 48 Terrace N. or give the form to Mary or myself at one of the social meetings.

By now the 2019/2020 directory has been printed. If you haven't received one, we will have them at the social meetings, or you can drop by and pick one up at our home. If any of your information in it is incorrect and you would like it corrected for the 2020/2021 issue, please use this form as well and we will update our file for the 2020/2021 edition.

Tips to avoid credit card skimmers at the gas pump

Take a close look at the pump to see if there is damage or the security tape is broken: use the debit card as a credit card; pay inside instead of at the pump; select a gas pump closest to the station building; check your bank statement frequently for fraudulent charges

Put your thinking cap on

One or both of these two letters of the alphabet appear in 47 of the 50 US state names. One of the letters is a vowel, the other is a consonant. What are the two letters and which three state names contain neither of the letters?

(answers on page 28)

Fact Checking

When going on-line with a computer or cellphone there are often postings sent on a website, social media post, email, etc., that may or may not be true or safe. If you wish to pass on the information, stop to consider 1) Who is behind the information 2) What is the evidence 3) What are other sources saying. It is a good idea to do some fact tracking called “reading laterally.” Do a keyword search, or go into the source www.snopes.com Do you recognize the source putting out the details? Is there an “About Us” page? What evidence does the initial source provide to answer who, what, where, when and why?

REMINDERS:

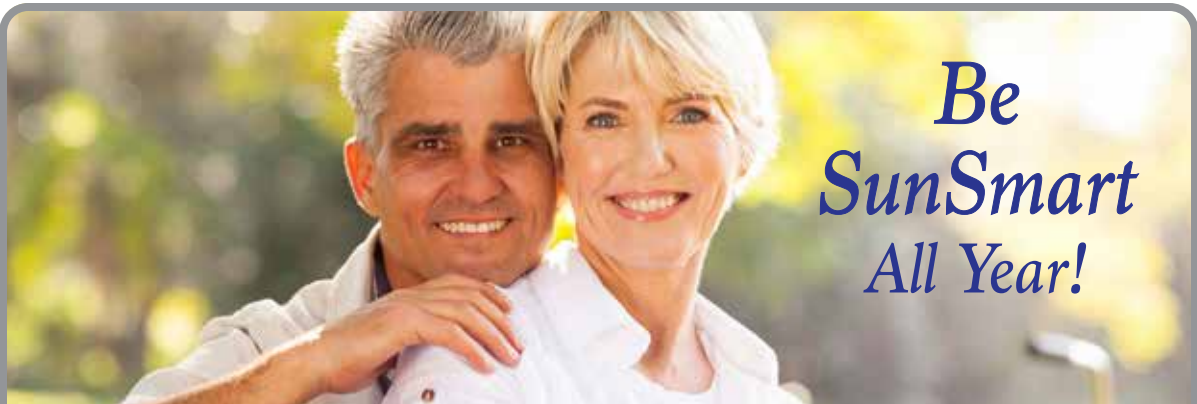

No guests in the pool Limit of number in pool remains at 10 people
Dogs **MUST** be walked in the designated area of the park. Pay attention to signs, and clean up after your dog.

Any issues that may come up re rules, please contact Park Manager, Jamie

Did you know

Too much licorice candy, licorice tea, and licorice meds can deplete the body of potassium (K). There is an unchecked activity of cortisol, a stress hormone, that helps regulate blood sugar, metabolism, and memory function and will cause the heart to beat faster. This leads to elevated blood pressure. The lowering of potassium causes a metabolic disruption called alkalosis, which affects kidney function, which leads to changes in heart rhythm. Licorice in moderation is ok, but daily large quantities are detrimental to one’s health.
