A little golf humor:

A wife asked her husband why he and his friend didn't golf together anymore. "Would you want to play with someone who cheats on his scorecard and moves the ball when you're not looking?" "Certainly not," she said. "Well neither does he."

A Buffalo golfer, name not mentioned, has stated that he rarely uses his ball-retriever to remove his golf balls hit into the water, but has regripped the retriever's handle twice. ??

A CELEBRATION OF LIFE

A celebration of life was held on Saturday November 25, 2017 for all those Harbor Lights family members who have passed from us 12/1/2016 to 11/25/17.
A beautiful day to share smiles as well as tears.

Thank you Rosemary McGrath, who led the short service, and to our park manager Jamie Standifer who gave a brief personal history of her memories of each passed member's time here in Harbor Lights. As mentioned before, laughter among the tears.

A lovely lunch, provided by Don Halker and his committee, was provided at the conclusion of the service. Thank you Don.

Thank you to all the park residents who attended and shared their memories of passed friends on such a special day.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Did you know that January is also...

Book Blitz Month. This is a time for authors of all genres to put themselves out there and promote their work. For the rest of us, it's a time to celebrate literacy, set personal goals to read more, and curl up with a good book.

National Braille Literacy Month. Developed in the 19th century by Louis Braille, this tactile system allows visually impaired and blind individuals a way to read, write, and learn.

International Creativity Month. Whether you're a homemaker, student, employee, employer, or retiree, this is the month to challenge yourself and your usual way of doing things. Try something new, explore, innovate, broaden your horizons of expression, and create something.

Hot Tea Month. Black, white, green, herbal, oolong, Darjeeling, Ceylon, chai—the list can go on for several pages. There are thousands of teas and blends to try. Find a new favorite and warm up with a cup of fragrant goodness this winter.

Self-Love Month. Many of us have already promised to become better at being better this year. Why not start by showing yourself some TLC? Find a way to honor, appreciate, and love yourself this January.

Universal Letter Writing Week, Jan 8-14. Since 1971, the Universal Postal Union has held a letter writing competition for young people age 15 and under. The event is a way to promote both literacy and the development of composition skills throughout the world. The theme of this year's contest asks writers: "Imagine you are a letter travelling through time. What message do you wish to convey to your readers?"

Healthy Weight Week, Jan. 16-22. This isn't about diets or the latest weight loss trends. A healthy body image is the key to establishing realistic goals and strategies that will help you to achieve and maintain a healthy weight and body mass. Factors such as age, bone structure, height, and physical ability should also be considered when developing personal health standards. Check in with your physician before making any changes to your diet, nutrition, and activities.

National Sunday Supper Day, Jan. 14. The second Sunday in January is a time for families to gather in the home and around the hearth and reconnect over the evening meal and hopefully establish a new monthly habit in the year ahead.

National Plan for Vacation Day, Jan. 31. There's a disturbing trend that the average American worker fails to use any or most of their vacation days. Let's change that in 2018. Set aside time in your schedule on this day to plan a getaway.
