**HAPPY HOLIDAYS! \* SEASON'S GREETINGS! \* HAPPY NEW YEAR'S! MERRY CHRISTMAS! \* HAPPY CHANUKKAH! \* HAPPY KWANZA! \* MERRY FESTIVUS! \* HAPPY BOXING DAY!**

**W**ishing everyone near and far warm wishes as the holiday season approaches. It's that time of year again when our Hillcrest family gets together for the holidays! The clubhouse will be filled with many events and activities. This would be a wonderful opportunity for meet-&-greet with our new residents, as well as our seasoned inhabitants. Check out the events calendar in the clubhouse or in the Hillcrest office for get-togethers this month! Don't be shy! Hillcrest is not just a community; we're one big happy family! There are so many activities and events going on, such as pot lucks, parties, bingo, shuffleboard tournaments (there's still some openings), local clubs, etc. The list is endless. You could even start your own event or club!

## A Little History ...

---

**Christmas** or Christmas Day is an annual festival commemorating the birth of Jesus, observed most commonly on December 25 as a religious and cultural celebration among billions of people around the world.

**Hanukkah** is a Jewish holiday commemorating the rededication of the Holy Temple in Jerusalem at the time of the Maccabean Revolt against the Seleucid Empire. Hanukkah is observed for eight nights and days, starting on the 25th day of Kislev according to the Hebrew calendar, which may occur at any time from late November to late December in the Gregorian calendar. It is also known as the Festival of Lights and the Feast of Dedication.

**Kwanzaa** is a week-long celebration held in the United States and in other nations of the Western African diaspora in the Americas. The celebration honors African heritage in African-American culture, and is observed from December 26 to January 1, culminating in a feast and gift-giving.

**Festivus** is both a parody and a secular holiday celebrated on December 23 that serves as an alternative to participating in the pressures and commercialism of the Christmas season. It has been described as "the perfect secular theme for an all-inclusive December gathering."

Festivus was introduced in the Seinfeld episode "The Strike." The episode revolves around Cosmo Kramer (Michael Richards) returning to work at H&H Bagels. First, while at Monk's Restaurant, Jerry, George and Elaine discuss George's father's creation of Festivus. Then Kramer becomes interested in resurrecting the holiday when, at the bagel shop, Frank Costanza (Jerry Stiller) tells him how he created Festivus as an alternative holiday in response to the commercialization of Christmas.

**Boxing Day** is a holiday celebrated on the day following Christmas Day, when servants and tradesmen would traditionally receive gifts known as a "Christmas box" from their masters, employers or customers, in the United Kingdom and Commonwealth nations. Boxing Day as

*...continued on page 6*

a bank holiday or public holiday takes place on 26 or 27 December.

**New Year** is the time at which a new calendar year begins and the calendar's year count increments by one. Many cultures celebrate the event in some manner. The New Year of the Gregorian calendar, today mostly in use, falls on 1 January, as was the case both in the old Roman calendar and in the Julian calendar that succeeded it. The order of months was January to December in the Old Roman calendar during the reign of King Numa Pompilius in about 700 BCE, according to Plutarch and Macrobius, and has been in continuous use since that time. Many countries, such as the Czech Republic, Italy, Spain, the UK, and the United States, mark 1 January as a national holiday.

## Social Club

*Submitted by Pat J.*

The November 3rd meeting was the first of the season. This meeting covered a lot of events that are being planned. Among the newer items is the WREATH CONTEST, a BASKET WALK that will replace the 50/50 at the December 10 Welcome Back Party. Christmas dinner will feature a White Elephant gift exchange with a \$10.00 maximum.

The Welcome Back Party will feature entertainment confirmed. Carlo is being contacted to perform at the end of season party to be held at the end of March.

Tickets were purchased and will be sold for the Buddy Holly tribute on March 2 to be held at the Pinellas Park performing Arts venue.

Coffee will be held on December 9th and 23rd. Potluck will be on December 14th.

January events include a pig roast to be held the beginning of the month. The annual yard sale will be held on January 20th. Marge O. and Terry have volunteered to manage the bake sale part.

To present successful events takes help. If you would like to help we will need help decorating the hall, typically done on the first Saturday in December. Help will be needed coordinating the Christmas dinner. And finally the New Year's Eve Party will need help with the planning, decorating and implementing those plans. Entertainment is already set.

## Homeowners Association

---

A special meeting was held on November 8th in the clubhouse to discuss entering into a Long Term Agreement (LTA). All homeowners were invited to attend. Membership in the HOA was not necessary. The majority of those present chose to enter into the agreement for 3 years. Before finalizing the LTA will be discussed after the next coffee. Then we will submit the final results to the ELS Regional Manager. At that point we will discuss the % of increase in each of the next 3 years. This was the only option available to us to reduce the amount of increase.

## Bingo

---

At this point in time, no one has stepped forward to indicate they wanted to run the Bingo on Wednesday evenings, therefore there will be no Bingo this season

## Shuffleboard Club News

---

We wish to welcome back all returning members. Some "Snowbirds" have returned already and we wish safe travels to the others who will be returning soon. "A" Team captain is Jim O'Connell and "B" Team captain is Dick Rankin. The Court Managers are Roy Morgan and Fred Reynolds.

Our 2017-2018 Big 10 League games began on Monday, November 6, 2017. "B" Team plays on Mondays and "A" Team plays on Wednesdays, except Thanksgiving Week when the games are played on Monday & Tuesday. We will continue doing a 50/50 Split Club Raffle at each home game to raise extra funds to help cover expenses. Hope everyone will support this endeavor.

The courts were redone during the summer. We thank the Hillcrest Management for their help with these. Hurricane Irma did major damage to the scoreboards, curtains, and roof over the scoreboards at the head end of courts in September. Thanks to Fred Reynolds who worked many hours the last couple months painting and cleaning around the outside of the courts, benches, etc.

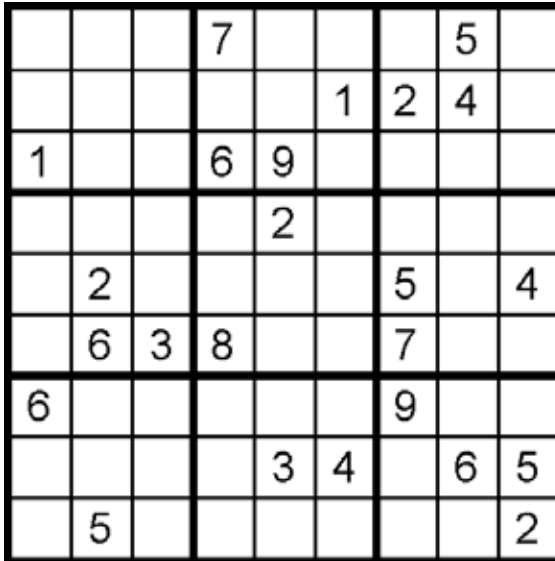

The annual Turkey Shoot Fun Shuffle normally held in November was postponed until December due to the storm damaged courts not yet being completed. Watch for flyers and information on the Park bulletin boards.

Fun Shuffles will continue every week. Day & time to be determined yet. The cost is \$1.00 per person and all park residents are welcome to come out and have some social fun.

Any new residents who wish to shuffle on the teams are always welcome. Just contact any team member and indicate your desire to play.

## Book Recommendation:

### Here Vultures Fly

by Rudy Rodrigues

This is the narration of the personal experiences of the author, Rudy Rodrigues, during his ten years of service with the United Nations in Afghanistan, where he was engaged in emergency relief and later rehabilitation programs in close collaboration with the Communist government, the mujahideen, the Taliban, and the post-Taliban government.

The author was responsible for opening the first UNICEF office in Kyrgyzstan soon after the collapse of the Soviet Union in a unique environment and culture. During this time, he was working with a government unfamiliar with the United Nations and its goals and objectives. In addition, the Kyrgyz population was traumatized by this sudden period of transition and uncertainty. A major focus of the author's work was gaining the confidence of the government in Uzbekistan and to ensure the building of meaningful partnership programs for women and children.

This book also covers the adventures, romance, and thrill of being born and raised in Kenya; serving as an officer in the army; the challenges of working in Papua New Guinea; and having the glorious opportunity of working in the UN in different parts of the world with a multiethnic/multicultural community.

#### About the Author

Rudy Rodrigues was born and raised in Kenya. He graduated from the Royal Military Academy Sandhurst and the British Army Staff College. He was commissioned and served as an officer in the Kenya Army in both command and staff appointments. Resigning after sixteen years of active service, he then immigrated to Canada with his wife and three children.

Later, Rodrigues was appointed country director of a Canadian NGO in the Sudan, with a mandate to provide leadership, strategic planning and the delivery of UN (WFP) emergency relief supplies to the more than three million starving people displaced by the famine of 1985. He did so using a fleet of 350 cargo vehicles and a staff of over 3,000 people. This trucking operation was later taken over by the UN, and Rodrigues served as its Director.

In 2006 Rodrigues ended his career, and moved from Afghanistan, where he was last working with the United Nations. He retired to Winter Park, Florida where he lives today, and enjoys traveling, writing and spending time with his family, children and grandchildren.

## Control that holiday glow

Candles are a popular holiday decoration, but they're also one of the most dangerous. It's important that you follow these precautions to prevent full-blown fires:

- Never leave a lighted candle unattended.
- Always put candles in a metal or ceramic holder. Never place them in combustible containers or ones that can melt.
- Put out candles once they get within two inches of their holders or decorations. This is especially important to follow with natural or plastic decorations that often grace holiday candle holders.
- Keep wicks trimmed to a quarter-inch.
- Never burn candles near things that can catch fire—including Christmas trees and curtains.

## Be safe on your bicycle

Bicyclist deaths have risen significantly in recent years, and adult men, not kids, are most often the victims, according to the Medline Plus website. In 2015, the most recent year figures are available, biking deaths rose 12 percent. Of the 818 fatalities in 2015, a hefty 85 percent were men, with an average age of 45.

A report by the Governors Highway Safety Association noted that bikers often believe they have the right of way and are unable stop in time to avoid a collision. Drivers also often don't see bikers until it's too late.

Intersections aren't the most dangerous area. Seventy-two percent of bicycle fatalities occur away from intersections. More than half take place between 6 p.m. and 6 a.m.

Alcohol, whether consumed by the biker or the driver, is also a factor in 37 percent of collision deaths.

**If we are creating ourselves all the time, then it is never too late to begin creating the bodies we want instead of the ones we mistakenly assume we are stuck with.**

## Rehab after heart attack is often ignored

Approximately 790,000 adults in the United States suffer heart attacks every year, and about 210,000 of them are repeat attacks.

Cardiac rehabilitation is crucial to preventing a second heart attack, but the Centers for Disease Control and Prevention report that only one in three survivors opt to participate in it.

Cardiac rehab includes exercise counseling, lifestyle advice for a healthy heart, and stress-reduction tips, all of which can reduce those chances of a second (or third or fourth) attack. Cardiac rehab also means extended medical supervision after discharge from the hospital, according to the WebMD website.

If you or someone you know has suffered and survived a heart attack, keep in mind that rehab might prolong life and prevent a new crisis.

## Is that still safe to eat?

Is that fruitcake that's been in your pantry since last year safe to eat? Maybe not, but the CNN website offers this list of foods you can safely store for years:

- **Honey.** Because it's low in water and sugars, bacteria can't easily grow in it. Small amounts of hydrogen peroxide in honey also inhibit the growth of microbes.

- **Dried legumes.** Beans, lentils, and other legumes stored in airtight, waterproof containers can last for years without losing their nutrition value.

- **Soy sauce.** Unopened, soy sauce can last for three years on the shelf, thanks to its combination of fermentation and salt.

- **Vinegar.** Its acidic nature makes it difficult for bacteria to thrive. White vinegar will stay unchanged almost indefinitely, but other vinegars may change color or produce sediment in the bottle over time.

- **White rice.** The key is temperature. White rice stored in an airtight container at about 27 degrees Fahrenheit can last up to 30 years, although brown rice has a shorter shelf life.

- **Dark chocolate.** Chocolate fans rejoice! As long as it's stored at a constant temperature, dark chocolate is safe to eat for two years or longer.

# Misunderstanding

---

There once were two brothers. One was named Trouble, and the other was named Mind Your Own Business. One day, the boys decided to play a game of hide and seek. As Mind Your Own Business counted to 100, Trouble ran off and found a place to hide.

Mind Your Own Business began looking under porches, behind bushes, and inside garbage cans for his brother. He soon encountered a police officer who'd been standing on the sidewalk watching him. "What are you doing?" the cop asked.

"Looking for Trouble," the boy replied.

"Is that so?" replied the officer, "What is your name?"

"Mind Your Own Business."

"I'm taking you in," the officer snapped as he put the boy in the back of the squad car and drove away.

Joe asked the clerk for some assistance with hearing aids.

"The devices we have in stock range in price from \$3 to \$3,000," the clerk replied. "I know \$3,000 seems like a lot of money, but you really do get what you pay for."

"So what do I get for \$3?" Joe asked.

"This." The clerk handed Joe a long piece of black yarn with a suit coat button attached to one end and a paper clip attached to the other end. "The button end goes in your ear and you can tuck the paper clip end in your pocket."

"Seriously? How will this help me hear any better?" Joe asked.

"It won't," the clerk replied, "but when people see the button in your ear they will usually speak louder."
