Manager's Corner

The Origins of St. Patrick's Day

St. Patrick's Day celebrates the Roman Catholic feast day of the patron saint of Ireland. St. Patrick died on March 17, 461. But did you know that he wasn't even Irish?

History:

Patrick's birth name was Maewyn. He was born in Roman Britain. He was kidnapped into slavery and brought to Ireland. He escaped to a monastery in Gaul (France) and converted to Christianity. He went back to Ireland in 432 as a missionary. While Christianity has already taken hold in the country, tradition has it that Patrick confronted the Druids at Tara and abolished their pagan rites, making Christianity more widespread.

Patrick became a bishop and after his death was named Ireland's patron saint. Celebrations in Ireland were understated though. When the Irish emigrated to the U.S., they created the bigger celebrations and parades known today. Eighteenth century Irish soldiers who fought in the Revolutionary War held the first St. Patrick Day parades. The celebrations became a way for the Irish to connect with their roots after they moved to America.

Speed Bumps

The speed limit through the park is 10 mph. Please ensure that everyone is driving safely as we have many power walkers as well as leisure strollers in our residence. If you notice someone speeding in our community, please get their tag numbers and contact the office - 727-797-5432.

Home Exteriors

We all love our community and want to keep it as beautiful as possible. Kindly make sure that you keep your yard maintained throughout the year - shrubbery and plants trimmed, flowerbeds weed-free and manicured. We also encourage flower gardens to enhance our homes! Please contact our office if you would like to plant a small garden around your home!

Neighborhood Watch

We all need to work together in harmony to keep our neighborhood safe. If you see anything suspicious or someone you do not think should be on our property, PLEASE CALL THE POLICE! Especially if something happens in the evening. Our residents are the eyes and ears of your community. We want everyone to be safe and secure.

Let's make March an awesome month! Thank you all for all of your kindness and help!

Hillcrest Ladies Friendship Club

MINUTES, FEBRUARY 9, 2016

The February meeting of the Hillcrest Ladies Friendship Club was called to order by President, Carole Sutherland, at 1:00 p.m. Twenty-one people were present. We welcomed guest Diane Welch to the meeting. We also welcomed back Angela Moree and Jean Carden who have been recuperating. Decorated name tags were distributed to all.

Together the gathering said the "Friendship Club Prayer."

As this was our "Ice Cream Social," our hostesses Andre Ann and Christine, with the help of the Club Board members served our attendees Ice Cream Sundaes. They consisted of vanilla ice cream, strawberry, chocolate and pineapple sauces, nuts, chocolate and butterscotch bits, whipped cream and a cherry. Tasty mini-cupcakes were on each table for all to share. Our tables were decorated with Valentine accessories. Individual favors of heart necklaces, made by our hostesses, wrapped in handmade valentine packages were at each place. It was a delightful party.

Our meeting followed. The January minutes, read by Jane, were accepted as read.

Sally gave a detailed report on our audited treasury which was accepted as read. A discussion followed regarding changes at our bank. Sally will look into suggestions made and report back to us next month. An additional letter of Thanks was received from Clothes to Kids regarding our donation to them. Handwritten on it was "You are awesome!" and "Thank You!" They truly appreciate all the help they receive.

Ginny reported sending a Get Well card sent to Sadie recovering from a fall, and a Sympathy card sent to Peggy Smith's family on her death. Peggy battled cancer for a long time and will be sorely missed.

All gave a heartfelt round of applause to our talented hostesses, Christine and Andre Ann, for the delicious treats, table decorations and lovely necklaces they made.

Several door prizes were given out and thanks were given to all who donated them.

Our March meeting, on Tuesday March 8th at 1:00 p.m., will be a luncheon. The Board will do sandwiches. Judy and Jan Bobb will do favors and Janet G. and Leona will be hostesses. All are invited. Sign up on the sheet on our friendship board. Please bring a smile, a cup, a \$2 club donation and something for the Food Bank.

We donated 32 pounds of food to the Food Bank this month.

Our meeting closed at 2:30 p.m.

Respectfully submitted,
Jane C. Perley, Secretary

Hillcrest Residents

Submitted by Pat Jones

The annual meeting of the homeowners association was held on Monday, February 1st at 7:00 p.m. The board was represented by Pat Jones - Pres., Judy Bobb - Treasurer, Robert Strang - Secretary, and Barb Connors - Director. Absent was Pat Willden - Vice-president.

Minutes from the last annual meeting were read and the treasurer's report was given. Both reports were accepted.

Election of directors was held. Only Barb C. was not up for election. Elected to directorships were Pat Jones, Robert Strang, Judy Bob and John Hlawati. A meeting will be held to assign positions. Review of old business was held. The long term rent agreement was not signed this year due to some legal verbiage that did not seem in the resident's best interest. The regional manager has said that ELS is working on this section. If the wording changes the board will then consider a long term agreement again. The 2016 list of concerns was presented. This was published in last month's monthly media. The board is looking for one or two volunteers to be part of the negotiating committee. The position involves documenting reasons not to increase rent. If you might be interested contact one of the board membes.

A follow up meeting was held on Tuesday, February 9th. The only item on the agenda was to assign offices. The following is the list of officers for 2016: President - Pat Jones, Vice President - Judy Bobb, Secretary - Barb Connors, Treasurer - Robert Strang and Director - John Hlawati.

The monthly meeting with Leslie was held on Tuesday, February 9th. Among the items discussed was the ceiling in the laundry near the office and the cleanliness of the south side laundry. Some resident complaints were reviewed. There was a request for Leslie to talk to the new owners of the monthly media magazine to see if they would do a new phone book for the park. Leslie mentioned that WiFi in the clubhouse is on hold due to corporate's need to decide if it would interfere with their firewalls. Leslie also reported that both the refrigerator and the ice machine were ordered today and should arrive by next week. The ice machine will be in the space vacated by the freezer.

Shuffleboard Club News

The Shuffleboard Club held elections for 2016 - 2017 at the February meeting. Fred Reynolds was elected President, Doug Anderson as Vice President, Morna Rankin as Secretary, and Charlie Barnum as Treasurer. Robert Strang is the "A" Team Captain with Jim O'Connell as Co-Captain. Roger Barr is the "B" Team Captain with Doug Anderson as Co-Captain, and Roy Morgan as Assistant.

Thirteen residents from Hillcrest played in the ELS Tournament @ the Clearwater Courts on February 9, 2016. Mel Jones, Morna Rankin, Patricia Toale, Shella Kelly, Doug Anderson, Roy Morgan & John Greer were all money winners. Congratulations to all!

Our "A" Team is still in 1st Place in the Big Ten League and our "B" Team is in 7th Place. Keep up the good work teams and have fun.

Upcoming events for March are:

The Big Ten Tournament on March 19-20, 2016 at the Clearwater Courts. Fun Shuffle Days have been tentatively scheduled every Friday @ 1:00 p.m. Our end-of-the-year banquet will be chaired by Pat Willden with the date, time, and place to be announced.

Cats

CATS - not the Broadway show but the number running around the north side of the park. FYI someone is poisoning cats. Now it could be rat poison to kill a different critter but the cats are getting into it. Our rules and regulations state that cats are indoor animals. So you really shouldn't have to worry about this. On a walk the other evening my friends and I counted roughly 15 cats roaming the streets around 7:00 p.m. Almost 1/2 of them were wearing collars. They should NOT be out roaming the streets. We see them laying in the street, on top of mobiles and in peoples gardents. Be a responsible pet owner and keep your cat inside your home or lanai.

Multiply Your Monthly Mania!

As you probably already know; patronizing the advertisers in this newsletter also pays YOU with our Monthly Mania Cash Give-a-Way. **We pay out \$400 every month to residents** who submit tickets they have received from using the businesses in the newsletter. Winning is easy, just patronize any advertiser in the newsletter, then submit either the ticket or a paid receipt to us for your chance to win!

Now You Have More Chances to Win!

We are now offering unlimited entries into our Monthly Mania drawing by just *SUGGESTING* a business to advertise.

Here is how it works:

1. Call our office and suggest a business to advertise in the newsletter
2. We will take down your information (name, address, phone number) and enter you into the next month's drawing for over \$400 in cash prizes
3. The more businesses you suggest, the more chances you have to win.
(To qualify each resident can only suggest a business once)

What businesses would you like to see advertising?

Monthly Media Articles

Submitted by Pat Jones

The deadline for articles to be submitted has changed. I need to have all articles to me by the 6th of each month now, in order to get them to the publisher on time.

Event Recipes

The following recipes were at different events and were well received. Here are the recipes.

From BINGO - Hawaiian Wedding Cake

- 2 c. sugar
- 2 c. flour
- 2 eggs
- 2 tsp. baking soda
- 1 c. coconut
- 1 c. chopped nuts
- 1 (20 oz.) can crushed pineapple with juice

Cream Cheese Icing

- 1 stick butter - softened
- 2 tsp. vanilla
- 1-1/2 c. powdered sugar
- 8 oz. cream cheese

Mix together until smooth then frost cake.

Mix all the above until well blended. Pour into a greased unfloured 9x13 pan.
Bake at 350 for 45 minutes.

From POT LUCK - Corn Chili Frito Salad

- 3 (8 oz) cans whole kernel corn - drained
- 3 c. shredded cheddar cheese
- 1 c. Hellman's mayonaise
- Cracked black pepper - optional
- 1 small purple onion cut up
- 1 medium bell pepper cut up
- 1 - 11oz. bag chili fritos

Mix everything but the Fritos together. Refrigerate until cold. Just before serving top with the Fritos.

Neighborhood Watch Report

It has been reported that residents are observing occurrences, but do not want to become involved. If you see something call Bob Fohrmeister, Neighborhood Watch Coordinator at 727-432-3904 and I will contact the police. You will not become involved. Let's make this a crime free community.

Teed off

Golf courses typically have two sets of tees, one for women and one farther back for men. One day at the first tee a man was stepping up to his ball when a voice came over the clubhouse loudspeaker: “Will the gentleman on hole No. 1 please not hit from the ladies’ tee?”

The golfer looked up, surprised, then addressed his ball again. The voice on the loudspeaker repeated, “Will the gentleman on hole No. 1 please not hit from the ladies’ tee?”

Irritated now, the golfer backed away, took a deep breath, and once again approached his ball. For a third time, the loudspeaker blared: “Will the gentleman on hole No. 1 please not hit from the ladies’ tee?”

The man flung his golf club down. “Will the announcer please shut up and let me hit my second shot?”

An exciting finish

Two bass players performing Beethoven’s Ninth Symphony realized that for some time at the end of the piece, the bassists play nothing. They decided to sneak out of the auditorium for a quick drink at the bar in the lobby.

After a few quick shots, one of them checked his watch. “Uh-oh, we have to get back in two minutes.”

“Don’t worry.” His friend ordered another round. “I tied down the last page of the conductor’s score, so they’ll keep playing the same part over and over. No one will notice.”

After a few more drinks, they staggered backstage and made their way back to their chairs as the conductor struggled to untie his music score with one hand while conducting the orchestra.

One usher at the rear of the auditorium whispered, “What’s going on?”

The other usher answered, “Well, it’s pretty exciting. It’s the bottom of the Ninth, the score is tied, and the bassists are loaded!”

I guess I laugh to keep from crying. And I guess if you ever get me crying, I might not stop. This is the way I look at tragedy or else I’ll cry.
—Bob Newhart

From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2016. Another example of how the community gave back.

HILLCREST HIGHLIGHTS MARCH, 2016 E

March Is...

American Red Cross Month. The American Red Cross was founded by Clara Barton in 1881. Today its supporters, volunteers, and employees provide compassionate care in five vital areas: People affected by disasters in America; support for members of the military and their families; blood collection, processing, and distribution; health and safety education and training; and international relief and development.

Music In Our Schools Month. An annual celebration sponsored by the National Association for Music Education, Music In Our Schools Month engages music educators, students, and communities from around the country in promoting the benefits of high-quality music education programs in schools.

Social Work Month. The goal of Social Work Month is to educate the public about how social workers bring about positive social change and improve the lives of individuals and families. It's sponsored by the National Association of Social Workers, which works to enhance the professional growth and development of its 132,000 members, to create and maintain professional standards, and to advance sound social policies.

Women's History Month. Women's History Month has its origins as a national celebration in 1981 when Congress authorized the president to proclaim the week beginning March 7, 1982, as "Women's History Week." Since 1995, Presidents Clinton, Bush, and Obama have issued a series of annual proclamations designating March as "Women's History Month."

Weekly

National Cheerleading Week, March 1-7. National Cheerleading Week recognizes cheerleading athletes around the world. Its goal is to build a more positive image of cheerleading by engaging in group activities, community service, and fundraising projects.

NO MORE Week, March 6-12. NO MORE is a movement to raise public awareness around ending domestic violence and sexual assault. NO MORE Week is a national effort to engage individuals and organizations to say "No more" to abuse, and to make domestic violence and sexual assault awareness and prevention a priority year-round.

Brain Awareness Week, March 14-20. A global campaign to increase public awareness of the progress and benefits of brain research, Brain Awareness Week unites the efforts of partner organizations worldwide in a celebration of the brain for people of all ages. Activities include open days at neuroscience labs, exhibitions about the brain, and more.

Keep the speed up when you walk

A brisk walk is good for your health, especially as you grow older. A study reported on the LiveScience website found that older adults who maintain a speed of 3 miles per hour when they walk have a 50 percent lower risk of heart disease than people with a pace of two miles per hour or slower. And folks who walk an average of seven blocks a day have a 47 percent lower chance of developing heart disease than those whose walks add up to just five blocks a day or less. So put your shoes on and get walking.

Help your brain stay healthy

Feeding and stimulating your brain well can keep it healthy throughout your life. The American Academy of Family Physicians offers these tips for keeping your mind in tip-top shape:

- Eat a healthy diet. Choose nutritious foods like antioxidant-rich vegetables, fruits, and whole grains, and omega-3 fatty acids, and cut out saturated fats. Avoid fad diets that offer only short-term results.
- Watch your weight. Maintain a healthy weight and pay attention to your blood pressure, cholesterol, and blood sugar, which are all associated with an increased risk of dementia.
- Exercise your brain. Keep learning new things all the time. Puzzles and games that stretch your mind can help you maintain good brain health. So can staying active socially, so keep up your friendships and strive to meet new people.

Mission to gravity: Space probe searches for waves

A European space probe will try to confirm a theory about gravity developed by Albert Einstein, according to the Reuters website. Launched late last year, the LISA (Laser Interferometer Space Antenna) Pathfinder will assume an orbit between the Earth and our sun, collecting data about gravity waves.

Einstein predicted the existence of ripples of gravity that bend space and time some 100 years ago, but finding those ripples on Earth has been impossible. The space-based experiment will monitor two cubes of a gold-platinum alloy to determine whether they maintain their distance from each other in free fall. The results will allow scientists to observe minute oscillations caused by gravity waves.

Huge exoplanets not as plentiful as thought

Astronomers have discovered more than 100 giant exoplanets orbiting distant stars, but some are now saying that many of those huge worlds aren't planets at all.

According to the website of the American Association for the Advancement of Science (AAAS), scientists analyzed the findings of the Kepler Space Telescope, which identifies exoplanets by scanning stars for long stretches of time in search of changes in their brightness. These changes suggest the presence of planets or other objects temporarily causing their light to dip.

Instead of monitoring brightness, a second group of scientists looked for signs of movement in the stars as planets circled them. The differences in the slight movements between planets and other objects has led the team to conclude that as many as 55 percent of “exoplanets” have been misidentified. More likely, they’re stars themselves—possibly brown dwarfs, a type of failed star, sharing an orbit with a larger sun.

Science is a way of talking about the universe in words that bind it to a common reality. Magic is a method of talking to the universe in words that it cannot ignore. The two are rarely compatible.

—Neil Gaiman

You can't get out what you don't put in

Motivational speaker Zig Ziglar likes to tell the story of his friend, Walter Hailey. Although he became a star salesman, Hailey's early career as an insurance salesman was rough. He endured frustration, anxiety, slammed doors, low sales figures, and uncertainty about his future.

One day he grew so discouraged that he went to his boss and told him that he was going to quit. His boss's response? “You can't.”

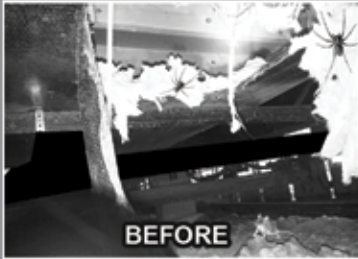

Hailey repeated that he was quitting. The manager repeated, “You can't.”

Angry now, Hailey shouted, “Yes, I can!”

His manager replied, “Walter, you can't get out of the insurance business because you have never really gotten into the insurance business.”

The words hit Hailey like a ton of bricks. For the first time in his life he realized that you can't get something out of an endeavor if you never put anything into it. Or as Ziglar puts it, “There are many people who ‘join’ a sales organization but never get into the business of selling.”

Going the store? Why leave the house?

Shopping online has exploded in recent years. One example: A survey conducted by 72 Point Inc. and commissioned by Door to Door Organics, an online organic grocer, found that shoppers increased their online grocery purchases by an average of 29 percent in the past year, and those shoppers do about 19 percent of their weekly grocery shopping via the Internet.

Extra sleep may not lead to longer life

Most of us look forward to sleeping late on the weekend. After a hard week of work, we deserve a few extra hours, right? But a study from the *Journal of Clinical Endocrinology & Metabolism* suggests that sleeping in may contribute to a higher risk of diabetes and heart disease.

Researchers tracked more than men and women age 30-54, using devices that recorded their movement to determine when they fell asleep and woke up for a one-week period. Close to 85 percent went to bed later and got up later on their days off from work, and those people tended to experience lower levels of HDL cholesterol (the good kind) along with higher triglycerides, greater resistance to insulin, and a higher body mass index, even after controlling for factors like physical activity, calorie consumption, and alcohol use.

The implications are clear: Maintaining a consistent sleep schedule, even on weekends, is better for everyone's long-term health.

Aspirin prevents skin cancer?

Aspirin is known to cure our aches and pains and improve heart health. It may also be useful in preventing certain kinds of skin cancer, according to an article on the *Discover* magazine website.

Non-steroidal anti-inflammatory drugs (NSAIDs) like aspirin and ibuprofen are already known to help prevent cancers in the colon, lungs, prostate, and breasts. A meta-analysis of studies, some previously unavailable to researchers, turned up evidence that non-aspirin NSAIDs can reduce the risk of developing squamous cell carcinoma by 15 percent, and that when aspirin is added to the mix, the risk drops to 18 percent. NSAIDs are known to inhibit COX-2, an enzyme produced by skin cells in response to ultraviolet light.

Talk to your dermatologist about aspirin, and otherwise limit your exposure to UV light to stay safe from skin cancer all year round.

Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

14,492 manufactured home residents have won over \$130,374 since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or mail your paid receipt to us at **Monthly Media • PO Box 1023 • Venice, FL 34284**. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.

(Allow 4-6 weeks for mailing of check). **This month's cash winners are:**
