From The President

Tom Vanzant

I'd like to thank our Board of Director's for their confidence in appointing me to the position of Board President. As your President, my hope is to continue to earn respect from you, the Shareholders.

My first month has been a breeze. Some may say I'm in the honeymoon period and be ready for the bombs to fall. I don't believe that for a second. History has taught if you surround yourself with good people like Pat, David, Harvey our Board of Directors, Committee chairpersons and their committees, I will have no stress.

As a Board member and now President my pledge to you, our shareholders, has not changed. I will listen carefully, be as transparent as possible, and keep you current, while following the rules, regulations and laws, as charged.

From The Office

Pat Merl

Summer is sure flying by!

We've been busy trying to schedule the contractors for the office entry and the clubhouse painting between the brief, but numerous storms we have been experiencing over the past several weeks. The office entrance is finally complete and we've received some compliments on the results. The clubhouse is just about finally finished and it looks bright and fresh.

We're still trying to find the vendor and right bushes, or plants, to place in the planters along Holiday Drive. These and a tree to plant on the corner of Magnolia and Paradise are still on the list of things to accomplish over the next few weeks.

COMPLAINTS, RECOMMENDATIONS, OR OTHER ISSUES:

Please remember that the only way I can address any issue is if it is brought to my attention. If you would like to register a constructive complaint, make a suggestion, or have something you want to discuss, please come to the office and let me know. If you do not want to come into the office, you can drop a note in the office mailbox.

I appreciate those of you who come in and let me know when you observe, or hear that something is amiss. Telling me about it directly gives me the opportunity to take action and do my best to correct whatever it is. I'm here to help resolve issues that may arise and it gives me a great sense of satisfaction when I am able to do so.

"Thank you for doing a very professional job on my roof. I am not easily pleased with most contractors, ASC is the exception! Your crew was on time, sometimes even early. There are no leaks and it looks great. ASC was not the cheapest, which proves you get what you pay for."

Neighborhood Watch

Pam Grimm

Please be vigilant at the end of each day and lock up all bikes, chargers, valuables, and cars before you go to sleep. We had two full time Shareholders that had their bikes stolen on July 4th, sometime between midnight and early morning. The best crime prevention is a neighborhood locked down tight. It's sad, but in this day and age, you have to do it.

Remember...If you should see something or someone suspicious, call the Sheriff at 727-582-6200. If you see a crime in process, call 911.

Holiday Shores Activities Association

Shirley Johnson

As all of you know July is hot and humid in Florida, so what's more appropriate on the 4th of July than an ice cream social. 42 people joined us for ice cream, toppings, blueberries and strawberries. 20 people stayed and played Yahtzee with monetary prizes awarded.

Great day for a luncheon at Spinners on July 11th with 21 attending.

Mark your calendar for August 22nd for monthly luncheon at Rumbas.

Activities donated a new deck box to store noodles and miscellaneous water equipment for the pool. Good job David.

Sharing and Caring

Shirley Johnson

PLEASE call me if you know of someone who is ill, in the Hospital, having surgery, or has passed away, etc. Very often, people think someone else has called me, therefore I am not informed. So please give me a call!! Thanks for your help.

We would like to extend our sympathies to the friends and families of Joy Borcoman and Bonnie Moore who passed away recently.

Charlie Spencer had triple bypass surgery and is recovering at home.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Hey, bartender

A duck walks into a bar and asks, “Got any grapes?”

The bartender says no, and the duck thanks him and leaves.

The next day the duck returns to the bar and asks, “Hey, got any grapes?”

The bartender says, “No. We don’t serve grapes here.”

The duck thanks him and leaves, only to return the next day. The bartender sees him walking through the door and says, “Look buddy, I’m not sure why you keep coming in here. We don’t have any grapes, never did, and never will, and if you ask me about grapes one more time, I’m going to nail your beak to the bar.”

The duck is quiet for a few moments, and then asks, “You got any nails?”

“No,” the bartender replies.

“OK,” the duck says. “Got any grapes?”

Know the difference

A guide took a group of people for a hike in the woods. They soon encountered a snake on their path. One of the hikers said to the guide, “Look there’s a snake. Do you think it’s poisonous?”

The guide looked over at the snake and replied, “No. That snake isn’t poisonous.”

Upon hearing this, the hiker walked closer to the snake to take a picture of it. The snake bit the hiker and slithered away. The hiker fell to the ground and began to moan in pain as the others in the group came to his aid.

“I thought you said that snake wasn’t poisonous,” someone said to the guide.

“That snake wasn’t poisonous,” the guide replied. “Poison is ingested or absorbed. That snake was venomous. Venom is injected.”

Skepticism about electric cars

Are you ready for self-driving cars? How about vehicles powered by electricity, not gasoline? The AAA took a look at public sentiment about both possible transportation futures.

As the Green Car Reports website reports, 50% of survey participants said they expect most cars will drive themselves by 2029, but only 40% thought most vehicles will be electric by that year.

AAA explains the lower figure for electric cars by citing other survey results indicating that 59% of drivers aren't sure that their range on the highway and in the city is as good or better than that of gas-powered vehicles, although Green Car Reports says that EVs are more efficient and have more range in the city. Consumers said gasoline would have to reach \$5 gallon before they'd consider buying an electric car.

Parents risk retirement to help kids

Most parents want to help their children financially when they're just starting out, but the costs can be substantial: A Bankrate survey found that many U.S. parents are risking their retirement savings to support their children as they begin their careers.

Asked, "Would you say you have sacrificed/are sacrificing your own retirement savings in order to help your adult children?" 17% of respondents answered, "Yes, a lot," and 34% answered, "Yes, somewhat." On the other hand, 41 percent responded, "No, not at all." (For 9%, the questions didn't apply because they hadn't started or aren't saving money for retirement.)

At what age should parents stop footing their kids' bills? Here's what they said:
