From The President

Kathy Bornick

Happy New Year – 2019. Where did the year go?!

There are a couple of new Directors on your Board. Nita Anderson will serve as our Secretary and Peggy Collins will be your Treasurer. Remaining Directors on the Board are: Shirley Reish, Orientation; Tom Vanzant, Standards and Neighborhood Watch; Diane Wall, Social. Joe Doyle is filling in as Vice President and I remain as your President.

We are all looking forward to a great 2019.

From The Office

Pat Merl

Thanks to everyone for getting your Proxies into the office in time to enable a quorum for the 2019 Annual Meeting – as a Shareholder at Holiday Shores Park, this is one of the most important things you can do for you and the Association. A special thanks to David Helms for heading up the Election Committee, again this year and to Jean Crossman for volunteering her time and effort to work on the committee along with David.

My first year at Holiday Shores seems to have flown by. It was a busy, productive, and enjoyable one as the Members of the Board, David Helms, Harvey Shaw and I worked closely together on the planning, initiation, and completion of multiple projects throughout the Park.

At this time, I would like to thank Board Members Kathy Bornick, Joe Doyle, Judy Matthews, Tammy Prochaska, Tom Vanzant, Diane Wall, and Shirley Reish, 2018 Board, for their tremendous support and encouragement throughout the year. I have sincerely enjoyed working with each and every one of you. Thank you, David Helms for your perpetual patience and unwavering team spirit, and thanks to Harvey for his cheerful “can do” attitude and reliability. I am so happy to be a part of such a wonderful team and look forward to coming to work each day. I am also looking forward to working with new Board Members Nita Anderson (Secretary) and Peggy Collins (Treasurer) in 2019.

Last, but not least, I would also like to extend my sincerest wishes for a Joyous Holiday Season and a Healthy and Prosperous New Year for all!

Holiday Shores Activities Association

Shirley Johnson

Our holiday season started out with a sing along lead by Lo Dykens. We had a delightful candlelight dinner with a snowman theme to help us remember the years up north. Thanks to Lorna and crew for all their hard work.

Thanks to the office for a great Christmas party.

Judging of the lights with our Santa stroll was held on 22nd. Thanks to Dee for her holiday cheer. David Middleton and Rose Maiolino got Santa stroll wandering through the park singing and having a jolly time.

Christmas brunch was held at the clubhouse on Christmas morning.

Hope all our residents came out and enjoyed J. C. Unger on New Years Eve at our party hosted by Nita Anderson and Ken Abkemeier.

The Activities officers hope you all had a Merry Christmas and a happy New Year!

Things to come in January are “Happy Days” will be here on the 23rd and on the 26th Geoffrey Robinson will again host his “Aussie Days” party. Come out and enjoy food and dance – remember to research Australian food and bring a dish to share. Watch for details on both events to be on the bulletin board in January.

GOLF: HOLIDAY CHIPPERS

Priscilla Donegan

The Holiday Shores Chippers season has begun with 20 residents trying their putting skills on a beautiful sunny day in November.

For the Men: Jack Wallace was 1st with 17 putts, Jurgen Hellmich was 2nd with 18 putts, and coming in third was Dave Harrison with 19 putts.

For the Women: A playoff for 1st was between Linda Dunn and Judy Garneau with 17 putts each resulted with Judy coming in 1st and Linda 2nd. Third place was Jan Harrison with 19 putts.

A hole-in-one contest was held and Jan Harrison was the lucky winner.

There was a 50/50 draw and Pat Knight and Bill Morrissey won \$25.00 each.

A big thank you to all of the residents who either golfed, bought food & drinks or just came to observe & join in the camaraderie.

Hope to see more residents on the third Saturday in January when the Chippers will meet again.

Golf is a \$1.00, (there is equipment for you to use), food & soft drinks are available for you to buy and for a reasonable donation there is beer for you to purchase. There is also a 50/50 draw for you to purchase.

Dues for the year will be due in January.

Sharing and Caring

Dolly Lake

PLEASE call me if you know of someone who is ill, in the Hospital, having surgery, or has passed away, etc. Very often, people think someone else has called me, therefore I am not informed. So please give me a call!! Thanks for your help.

Lo Dykens fell and suffered a head injury. She is now at The Springs in Pasadena for Rehab.

Pat Merl's mother fell and badly injured both arms, and is now recovering at home.

Ed Donegan fell from his bike, has a fractured collarbone, cracked ribs and deep abrasions on his arms. He is now recovering at home.

Buddy Bowman had a light stroke, has pneumonia and is now in Largo Med.

We extend our deepest sympathy to the families of Bonnie Keady and Richard Smoot, who passed away recently.

We also extend our sympathy to Sue Howard, who lost her son-in-law recently.

Way-Off Broadway Theatre

David Middleton

It's show time again as the Way-Off Broadway Theatre sets sail for an uncharted desert isle where we'll find Gilligan, the Skipper too, a millionaire and his wife, a movie star, the Professor and Mary Ann, all on Gilligan's Isle. Of course, it's the later years, so they've aged a bit and will come face to face with modern life and a villainous resort developer who wants them done away with. Get set for a night of entertainment filled with comedy, puns, double entendre and jam-packed with classic top 40 hits. This musical comedy lovingly pokes fun at the famous TV show from the 60s. Rehearsals are scheduled to start on January 3, 2019 and will continue on Tuesdays and Thursdays at 1 pm. Some parts have been assigned, but other roles are still to be cast. We will also need help back stage, as well as with props, set building and costuming. All are welcome...we'll find a spot for you for sure. Tickets will go on sale in January...watch the bulletin board in the Clubhouse for dates and times. Gilligan's Island, the Later Years will run March 4, 5, and 6, 2019. Mark your calendars now. You won't want to miss it.

Shuffleboard News

Priscilla Donegan

The shuffleboard courts have been busy the past month. So nice to see so many of our residents participating in this event.

We invite anyone to join us on Monday, Wednesday, and Friday at 1:00 for an afternoon of fun. For all you new residents, there is equipment for you to use and anyone of the members would be happy to help you. It's a great way to meet your neighbors.

The cost to shuffle is ten cents a game and if you win you get your dime back!

Hope to see you on the courts.

Monthly

Financial Wellness Month. Are you saving enough for retirement? Are you saving at all? Will you owe the IRS money this year toward your 2018 taxes? What are your financial goals for 2019? These are just a few of the questions to ask yourself while you review your spending habits and determine your preparedness for any "rainy days" ahead.

Get a Balanced Life Month. It's the start of a new year. Use this new beginning as time to review, reconsider, streamline—and maybe even eliminate—the unnecessary commitments, responsibilities, and activities that fill your days.

Get Organized Month. It's cold outside, and more than likely you're spending more time indoors fretting that there's nothing to do. Here's an idea: Don't wait for spring to purge your work and living spaces of unnecessary clutter and unused or unwanted items. There's no better time than the present to restore a sense of order to your life.

Learn to Ski and Snowboard Month. If saying "yes" to new adventures tops your to-do list this year, why not start things off right by developing your ski legs? Go online to learntoskiandsnowboard.org to find information on destinations, deals, and other considerations.

The rest is history

This is the time of year we dream big, vow to make changes, create goals, and promise to transform into a new and improved version of ourselves. Then we allow life and other responsibilities, naysayers, doubt, and fear to veer us of course.

As you follow your bliss and explore your passions, draw inspiration from the following individuals who found success in spite of the odds against them:

- **Fred Astaire.** He sang and danced his way into our hearts on the silver screen, but his first audition for a major studio was a bomb. The executives were underwhelmed by his performance and offered this critique of Astaire: “Can’t act. Can’t sing. Slightly bald. Can dance a little.”
- **Wayne Gretzky.** Widely regarded as one of the greatest pro hockey players, Gretzky was considered too slow and too small at the start of his career. The popular opinion was he’d never be a success in the NHL.
- **Sir John Gurdon.** He is a pioneer in the fields of nuclear medicine, cloning, and cellular development. Among his many honors are a cancer research facility named in his honor and a Nobel Prize. Yet Gurdon finished last in his prep school biology class because his ideas about science were not aligned with the curriculum of that time.
- **Im Dong-Hyen.** This South Korean archer has won medals and set records. He even competed in the 2004, 2008, and 2012 Olympics—despite being legally blind.
- **George Lucas.** There wasn’t a single studio in Hollywood interested in Lucas’ script for Star Wars. He endured four years of rejection before an executive at 20th Century Fox decided to give Lucas a chance—not because he liked the script, but because he liked Lucas’s film American Graffiti.

What you know

A CEO was asked by a new hire for any words of wisdom that would be helpful in developing a successful career. “Never lose your sense of curiosity, and always be on the quest to learn something new,” was the executive’s reply.

“When I first started here,” the executive continued, “I never imagined that I would one day become the CEO. In fact, I wasn’t sure if the job I had was a good fit, so I worked in different departments over the course of a few years. Then I became curious, and everything I learned led me on a quest to learn more.

“I talked with the salespeople and learned about the market for our products. I toured the factories and saw how the products were assembled. I even traveled around the world to visit different vendors who supplied materials for everything we manufacture.

“Being successful,” the executive said, “is not about what you study or what you read or what you think. It’s about what you know.”

Coffee aids in kidney disease fight, study says

Among coffee's health benefits may be a reduced risk of death from kidney disease, according to the Healthline website.

A study recently written up in the journal *Nephrology Dialysis Transplantation* examined data from 4,863 Americans.

The subjects were divided into four groups. Group One consumed the amount of caffeine in one cup of iced tea per day. Group Two took caffeine equivalent to one cup of coffee per day. Group Three had one or two cups, and Group Four had multiple cups per day.

Subjects in Group Two, researchers found, had a 12 percent lower risk of dying from kidney disease. Group Three showed a 22 percent lower risk, and Group Four, which consumed the highest amount of caffeine per day, saw a 24 percent lower risk.

Scientists caution that caffeine poses other health risks, and patients on fluid-restricted diets should take coffee into account of their daily fluid intake. Cream, creamers, and syrups can also cause problems for people with kidney disease, including increased phosphorus and potassium levels. Check with your doctor, as always.

Water might help reduce women's UTIs

Women who suffer from frequent urinary tract infections (UTIs) may find relief by simply drinking more water, an article on the WebMD website advises.

A yearlong study in Europe followed 140 premenopausal women who experienced recurring UTIs at high rates. At the beginning, the subjects drank less than six eight-ounce glasses of water per day. As the year went on, half the participants drank slightly more than six glasses, while the rest kept to the same regimen.

Researchers found a significant reduction of UTIs among the women who drank more water per day. The average number of UTIs among subjects in the first group was 3.2, but dropped to 1.7 for women whose water intake increased.

“Drinking more water to improve one’s health is probably safe and, if tap is used, pretty inexpensive,” said one doctor (who was not involved in the study). “Producing additional urine—and thus increasing voiding frequency—may raise one’s awareness of the importance of keeping the bladder as empty as possible, which can help reduce UTIs.”

A New Year's resolution for fiscal fitness

Most New Year's resolutions revolve around getting fit. Although that frequently means losing weight, one area you want to fatten up is your money supply. Here are some simple resolutions for adding some healthy heft to your overall financial profile:

- **Pay down your mortgage.** You can save more than \$63,000 on a 30-year, \$200,000 mortgage by paying just \$100 more a month.
- **Save 10 percent.** Put aside 10 percent of your income for long-term investments and retirement savings before paying any bills.
- **Track your expenses.** Record every dollar you spend, for at least one week. You'll get a clearer idea of where the money goes and what you can cut back on.
- **Energize your house.** Look for ways to make your house more energy efficient. You'll save on heating and cooling costs and help the environment.
- **Stay home.** Resist the temptation to eat out. Cook more meals at home. Instead of going to the movies, stream a video, read a book, or play a game with your whole family.
- **Don't rely on credit cards.** Credit card debt can eat up your savings and your future. Start reducing your debt, and don't buy anything on credit if you don't have the money to pay the bill off promptly.

Save money at the grocery store

You have to eat—there's no getting around it for long. You don't have to sink all your money into your next trip to the grocery store, though. The Reader's Digest website shares these tips for saving money on groceries:

- **Know your store's coupon policies.** Many stores offer their own printable coupons on their websites. Some allow you to use that coupon with a manufacturer's coupon (that's called "stacking"). Ask your store what it allows and what's off-limits.
- **Join loyalty programs.** You can get discounts and money back on your purchases through your store's loyalty program. Sign up and check all the rules so you get maximum value from it.
- **Look for final markdowns and clearances.** Many grocery stores place clearance items in a designated area, or use special stickers to help shoppers identify them. Find out what your store does, and keep an eye open for food you can use.
- **Be careful with multiples.** They can trick you into spending more than you want. For example, if a sign on a bag of chips says "Two for \$5," and a single bag of chips is \$3.29, you're getting a good deal (if you want chips). On the other hand, a sign that promises "10 for \$10" for ramen noodles when they're individually priced at \$1 apiece isn't offering any savings. Do the math, and be choosy.

Many folks think they aren't good at earning money, when what they don't know is how to use it.

—Frank A. Clark

Trading places

A world-famous scientist was being driven to a university where he was scheduled to give a lecture. During the drive he complained to his chauffeur: "I'm not sure how much longer I can do this. I'm so bored with giving the same lecture at every campus we visit."

"I have an idea," said the driver. "I've been listening from the back of the room each time you've given this lecture. I know the material pretty well. Why don't we trade places today? I'll take your notes and give your speech, and you can sit in the back of the room and observe."

"I'll take you up on that offer," replied the scientist. Before they arrived at their destination, the pair pulled into a rest area and traded clothes. The scientist then drove the rest of the way while the driver sat in the backseat reviewing the lecture notes.

The driver was able to pull off the lecture with no one in the audience aware of the deception. Several minutes into the Q&A portion of the presentation a student asked a rather complicated question. The scientist began to panic. This was something they hadn't anticipated.

Yet the driver, standing confidently at the podium, maintained his composure as he said, "The answer to that question is so simple, I'm going to let my driver, seated in the back of the room, answer that."
