## From The President

*Tom Vanzant*

The dredging project is still underway with two dredging barges. It is very interesting to watch as they move from location. Moving the barges appears to be the easy part. Moving the hundreds of feet of pipeline, which is used to get the muck to its home, appears to be difficult, at the least.

The water is murky, but there are still fish to be caught. On a recent visit by my son, he caught over 10' bass in a matter of a few days! I'll not comment on the fish I caught...lol

For those boaters in the Park the spring was wonderful and there were a lot of boats on the Lake, making it even more beautiful than it already is.

We have trimmed the Park's palms and a few of the other trees, and the Park looks beautiful. We have begun with Standard's runs, which were halted for a few months as a result of the Coronavirus.

Please stay safe and we look forward to the fall when all of our friends are united again.

## From The Office

Pat Merl

### **B** E PREPARED:

Hurricane Season is here! Holiday Shores Park residents with medical or mobility problems who want assistance from the County in the event of an emergency, such as a hurricane, will need to call 727-464-3800 to pre-register with the Pinellas County Emergency Management Office. Register now and be prepared should the time come.

### **BOARD MEETING SCHEDULE:**

Board of Directors meetings occur every month of the year except for July and August, in accordance with the Holiday Shores Park Bylaws. Customarily, they are scheduled for 9:30 A.M. on the third Thursday of each of those months and take place in the clubhouse. Exceptions are the Annual Meeting, which occurs on the second Saturday of December at the same time and place as the regular meetings, special meetings to address matters of urgency, and closed meetings to address personnel, or legal matters. Please read your Bylaws for additional information and clarification on other meetings that occur throughout the year such as the Short and Long Meeting and various committee meetings during the season.

### **OFFICE REORGANIZATION:**

In an attempt to make office operations more efficient, David and I will be moving into the room next to the current reception area, by the end of the summer. The goal is to enable us to better prioritize and focus on the tasks at hand. Beginning July 1, 2020, a trial period of scheduling services provided to shareholders, by appointment only, between 11 A.M. and noon daily, will be put in place. The purpose is to help control the flow of people in and out of the office, thereby enabling us to better serve everyone. To set an appointment, just call the office (727-393-5916) between 9 A.M. and noon and set an appointment with either David or me, or both. After a reasonable period of time, the policy will be evaluated by the board to determine whether our goal has been achieved, or if adjustments will need to be made.

### **PHONE BOOK ADDITIONS:**

## Neighborhood Watch

*Pam Grimm*

---

**B**e careful when walking your fur babies. Coyotes have been spotted in the area, including our Park. They are the most active at dusk and dawn. Coyotes view people as threats, but small dogs and cats are prey. Should you encounter a coyote, pick your pet up and then make as much noise as possible, while waving your hands around and stomping your feet. This is known as hazing and should scare the coyote away. If you have a flash light, shine it toward the coyote while clicking it on and off. Never turn your back on one or run away. If the coyote does not leave, continue making noise while you slowly walk backwards until you can get to safety. Any coyote that is not easily scared off should be reported to the local police or an animal control officer.

Neighborhood Watch would like to thank everyone for following CDC Guidelines. Being a 55+ Park, we are all high risk.

We would like to welcome our newest member, Jay Orton.

## July Days

---

**National Postal Workers Day, July 1.** Many famous people have worked as postal employees, including presidents Abraham Lincoln, William McKinley, and Harry S. Truman, along with entertainers like Bing Crosby, Walt Disney, and Rock Hudson.

**Independence Day, July 4.** Celebrate the date that the 13 colonies announced their independence from Great Britain.

**Bastille Day, July 14.** The anniversary of storming of the Bastille, a fortress-prison in Paris, on July 14, 1789—a turning point of the French Revolution.

**National Hot Dog Day, July 17.** Whatever you put on your dog, enjoy one today.

**International Self-Care Day, July 24.** Self-care refers to activities and practices that we can engage in on a regular basis to reduce stress and maintain and enhance our short- and long-term health and well-being.

## Independence Day Facts

---

Here are some fun facts to share with your family and friends on the Fourth of July while waiting for the hot dogs to cook on the grill:

- Three presidents died on July 4: Thomas Jefferson and John Adams in 1826, and James Monroe, in 1831. Calvin Coolidge was the only president born on July 4, in 1872.
- The Massachusetts General Court was the first state legislature to recognize July Fourth as a state celebration, in 1781.
- The first recorded use of the name “Independence Day” occurred in 1791.
- The U.S. Congress established Independence Day as an unpaid holiday for federal employees in 1870. It became a federal paid holiday in 1931.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
