From The President

Tom Vanzant

Good morning everyone and a welcome back to those of you who are returning to their Florida home for the winter season.

The board and office continue to receive ongoing complaints regarding feral cats roaming our streets - especially around the 106th Avenue entrance. The Pinellas County Animal Services Department has been contacted regarding this problem and has provided tactics for removing them from the area. We contacted our attorney, Richard Zacur, regarding this matter and he sent us a letter with the County's position on this issue.

Following is an excerpt from the letter:

“You need to be aware of the Pinellas County Ordinance that prevents animals from roaming freely within residential properties. This is a violation of the animal code and can result in a person that is harboring and feeding these type of feral animals. The board has the right to catch and trap these type of animals and turn them over to Animal Control.” The feeding of wildlife in the Park, or in the County, is against Park regulations and County code. If you want to report such activity to either the County or the Park and you have proof such as photos, please call the County Animal Control and notify the HSP office.

Within the next few weeks, we will be initiating a vigorous trapping campaign to rid the park of feral animals. It goes without saying that residents are not permitted to allow their pets to roam freely around the Park grounds, but more importantly, in the best interest of your pet(s), please discontinue this practice immediately so that your pet does not get caught up in the trapping and removal of the feral cats.

I know our budget included a \$7 increase in maintenance fees. Today, our Treasurer is going to go into detail to clearly explain why the proposed increase is necessary. I don't want to steal Sonnie's presentation but, here are some of the noteworthy needs.

Our sewer lines are just about 50 years. One sewer line backs up a few times a year. The Park paid to have a mini camera view about a 50 feet of that line. As these lines are made of clay there were roots growing throughout the first half 25 feet of the line that. In order to resolve this problem, it was decided to replace the 25 foot section. It stands to reason that deterioration is happening elsewhere in the Park's sewer lines.

We also have seawalls that need to be added in certain areas of the park. It has been noted that not only are there depressions along the sea walls in the Park, our mini-canal and the fountain in the pond and spillway leading out to 106th Ave. needs to be cleaned in order to prevent potential flooding besides, the esthetics are certainly not up to HSP's Standards.

We know that Covid 19 has not gone away, but our Governor has opened our hospitality businesses, etc. to 100% Pre-Covid requirements, with exceptions such as wearing mask until you sit down at a table.

I personally feel that social distancing is important whenever possible. Remember we live in a senior's only community where the risk is high due to age and many with underlying medical conditions. We have had a few Covid 19 reported cases and we want to keep it as such. Of course, there are positives and negatives to reopening and the Park is not required to remove the current restrictions, at this time. Our current capacity in the clubhouse is 48 people. Ten round tables with a maximum of 4 at a table, or 80 chairs spaced by a 6' circumference.

From The Office

Pat Merl

This is an exceptionally busy time for the board and administration, as we prepare multiple mailings that go to the shareholders pertaining to the 2021 budget, proposed new, or revised Rules and Regulations for the 2021 Edition, the Annual Meeting and, of course, the 2021 Board Election.

If you would like to run for a position on the board, you will need to notify the office by filling out the "Intent to Run" form and returning it to the office no later than Monday, November 2, 2020. You have the option to fill out the info section, which is attached to the bottom of the form at the same time, or to detach it, fill that part out a little later and submit it to the office no later than 1 P.M. on Friday, November 6, 2020.

Please bear in mind that the info sheet is not required but the "Intent to Run" form is. These forms will be available on the website early next week and I have forms with me if you would like to take one with you after the meeting today. The website address is HolidayShoresPark.com and you will need to have your username and login in order to go to the Shareholder section of the site.

Please be sure to advise the office of anything that you think needs tending to, so that we can continue to stay on top of things. If you have streetlights out in your area, please advise the office of the exact address, or the nearest one, so that I can identify the location of the light on the Duke energy light repair site. (duke-energy.com/customer-service/request-light-repair) they usually get right on it, although, sometimes there can be a considerable delay, depending on the type of repair, or service that needs to be done.

At this time the office is still closed to drop in traffic, but you can call David or me to set up

Neighborhood Watch/Standards

Pam Grimm

It's been a rough year, and we want your safety to come first. We would like to thank Don Cahill for running the Neighborhood Watch Program this summer. It's harder to operate with a skeleton crew. We only have eight full time members. Whether you are full time or seasonal, we are always looking for new members to join Neighborhood Watch. We deter theft by word of mouth and random patrols in the Park between 9pm and 5am. Interested? Call Pam Grimm at 727-827-9541. Lock it up!

We would like to thank Judy Matthews and Karen Rose for keeping the Park up to Standards. The majority of Friendly Reminders written this summer were for seasonal residents. If you are going to be gone for a length of time, you must designate someone to look after your coach/36" perimeter. We want people to be on a waiting list to get in here. Higher demand equals higher home values.

Architectural Committee

Ken Abkemeier

Concrete is considered a permanent structure. If you plan to build, or install, anything that involves concrete or bricks, stones, pavers, etc. with mortar, you need to complete a Work Request Form and submit it to the office.

The Architectural Committee will review your work request and recommend approval or disapproval to the Board of Directors who, in turn, will make the final decision.

Theater

David Middleton

The Way Off-Broadway Theatre is on pause and in a wait-and-see position as we endure Covid-19. Therefore, we will not have our usual start-up meeting in November. Will we ever return to the stage? If life gets better by next spring, we may be able to set sail with the group from Edie's Diner as they board the Love Boat and meet up with a famous mystery writer in Lovely Little Murders. But for now, everything is on hold as we wait to see what the future holds. Stay safe everyone and wash your hands!

November Daily

National Authors Day, Nov. 1. A day to honor authors by writing (or tweeting) a thank-you note to your favorite authors, purchasing new and old books alike, or working on your own writing projects.

All Souls' Day, Nov 2. A day of prayer and remembrance for the souls of those who have died.

Election Day (U.S.), Nov. 3. Vote!

Veterans Day, Nov. 11. Honoring veterans of the U.S armed forces, on the anniversary of the signing of the armistice that ended WWI.

Thanksgiving, Nov. 26. Whether you're together with your family this year or celebrating via Zoom, remember to be thankful.

November Weekly

Drowsy Driving Prevention Week, Nov. 1–7. Drowsy driving is responsible for more than 6,400 U.S. deaths annually. The National Sleep Foundation's annual campaign goal is to reduce the number of drivers who elect to drive while sleep deprived.

Geography Awareness Week, Nov. 8–14. Sponsored by the National Geographic, this annual public awareness program encourages citizens young and old to think and learn about the significance of place and how we affect and are affected by it.

National Nurse Practitioner Week, Nov. 8–14. National Nurse Practitioner Week is held annually to celebrate these exceptional health care providers and to remind lawmakers of the importance of removing outdated barriers to practice so that nurse practitioners will be allowed to practice to the full extent of their experience and education.

American Education Week, Nov. 16–20. Schools across the country participate in American Education Week during the week before Thanksgiving, promoting collaboration between parents and educators. The program also promotes the public education system—its goals, successes, and outcomes.

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,
The Florida Anchor & Barrier Team

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
