**F**or the owners back up north, it sure is getting hotter here!

We have almost completed our pedestal phase for this year. New fencing was added on 106th Avenue. We are also in the process of obtaining a quote for the two gates at either side of the Maintenance building.

Also the Clubhouse flooring was professionally cleaned last month, and all bathroom doors have been applied with new paint.

**B**efore the snowbirds headed for their northern homes, we had Robert Bourne from Pinellas County Environmental Control to give us a talk about the future work on lake Seminole. He was very informative of the plans in progress.

Kenny Graham's Kentucky Derby party given by Mary was a great tribute to a wonderful friend. Lucy Zunica and her committee delighted us with a Mother's Day evening with a spectacular entertainer, Mark Ralston. Thanks, Lucy!

We had a Thanksgiving in May on the 17th as a result of two couples in our park who donated turkeys. Thanks to Lyne and Jim Barton and Dave and Carolyn Sperry.

We honored our veterans and soldiers serving our country on Memorial Day around the flag pole.

Snowbirds, please dig into your old pictures of all of you in your 30's and bring them to Florida in the fall. Have a cool and great summer!

**P**LEASE call me if you know of someone who is ill, in the Hospital, having surgery, or has passed away, etc. Very often, people think someone else has called me, therefore I am not informed. So please give me a call!! Thanks for your help.

Larry Merlo is home after being seriously ill at Bay Pines VA Hospital. Lynn Rasmussen is having procedures done to ease her pain caused by severe back problems.

Fortunately, most of our residents are apparently staying well.

## **NOTEWORTHY TUESDAY'S**

# WELCOME COMMITTEE

Anna Martorana & Pat Knight

Please welcome to our park our new full time resident Yvonne T. She purchased the home at Lot # 327, 10463 Gazebo Drive. Yvonne moved here from Olathe KS. She has been very busy remodeling her home to her liking. As for her prior career, she considers herself as a "pioneer" of women working in the newspaper business. Her expertise was in Sales and Marketing as the Director of the division. In her retirement time off, she loves to paint, in oils. She has many of her works of art on display in her new home. However her passion is fishing! OK fishermen...and fisher-women give her a call to join you fishing.... She certainly has a talent in the arts, as she wants to try her hand at stained glass, and likes all things "crafty". Yvonne plays bridge, and loves to dance. Sounds like she will fit right in this park! She has two daughters, one in Kansas and the other in St Louis MO, and three Grand-kids. She is considering going back to work in the newspaper area, now that she has all this time on her hands. Please stop by and say Hi to Yvonne.

## Keep Your Heart Healthy With The Right Food Choices

---

The food you eat can make a big difference to your health, especially in matters of the heart. You can keep your heart ticking to a ripe old age by adding these foods to your diet:

- Tomatoes. A good source of vitamin C, vitamin A, potassium, and fiber, tomatoes also contain lycopene, an antioxidant that may help to lower bad cholesterol, keep blood vessels open, and lower the risk of heart disease. For best results, serve cooked tomatoes in stews, soups, and sauces.
- Blueberries. Blueberries contain antioxidants called anthocyanins, which may reduce blood pressure by relaxing blood vessels. One cup has only 80 calories, and they add fiber and vitamin C to your daily diet.

# Happy Father's Day!

## Monthly For June

**African-American Music Appreciation Month.** A celebration of African-American music in all forms. In June of 2011, President Barack Obama proclaimed, “African-American musicians, composers, singers, and songwriters have made enormous contributions to our culture by capturing the hardships and aspirations of a community and reminding us of our shared values.”

**Child Vision Awareness Month.** Children’s vision challenges can be difficult to detect because they may not know they see the world differently than other children. Infants and children should have regular eye exams to ensure that they can see both near and far away, confirm that their eyes work together to focus on a single object, and treat eye diseases early.

**National Zoo and Aquarium Month.** A good time to explore your local zoo and aquarium. Many have excellent educational resources—photographs, videos, lesson plans, and other activities. Go to the website of the Association of Zoos and Aquariums for links to its accredited zoos and aquariums.

**National Scoliosis Awareness Month.** A yearly campaign with the goal of highlighting the growing need for education, early detection, and awareness about scoliosis and its prevalence within the community. The campaign unites scoliosis patients, families, physicians, clinicians, institutions, and related businesses in local activities, events, and grassroots networking throughout the month of June.

## Daily For June

**National Running Day, June 4.** Longtime runners reaffirm their love of running and beginners can kick off a lifetime and life-changing commitment.

**World Oceans Day, June 8.** A day to celebrate the world’s oceans and support action to protect them.

**Flag Day, June 14.** A patriotic celebration of the flag of the United States of America, a symbol of freedom and hope around the world.

**Magna Carta Day, June 15.** Date of the signing of the Magna Carta by King John of England, an important document in the history of political freedom.

**Father’s Day, June 21.** Tell dad how much you appreciate everything he’s done for you.

**Take Your Dog to Work Day, June 26.** Take your loyal canine companion to the office with you for a day (but check with your boss first).
