NEIGHBORHOOD WATCH SUMMARY

Bob Dunn

An incident occurred last month and the immediate and follow up responses that were taken show how our procedures and policies work if we just use them. About 1:00 AM a resident saw someone around their property and immediately called the Sheriff's office who responded with 2 cruisers and the canine unit. No suspects were found. The resident

called the office and Bob Dunn at 9:00 AM the next morning. Bob reviewed our camera footage and with the help of 2 other people identified another resident's golf cart riding around the park during the same time frame. However the occupants of the cart were a lot younger than the residents who owns the cart. After reviewing the visitor information on file in the office, it was determined that the residents that owns the golf cart had visitors during that time.

Bob talked to the golf cart owner and he was not aware that his grand kids were out riding around the park at that time of night.

The first resident followed the right procedures by calling the Sheriff and then calling the office and NHW captain the next morning. The second resident who followed our policy for registering guests, made it so much easier to determine the owner of the golf cart.

Lessons learned: Make sure you know where your golf cart is when you have visitors. Make sure you tell your visitors that we have a Neighborhood Watch that we take very serious. We don't want any of our visitors getting arrested.

HOLIDAY SHORES ACTIVITIES ASSOCIATION

Shirley Johnson

Once again fall is upon us and our "Snowbirds" will be returning. The Holiday Shores Activity meeting will be October 3, 2015-9:00am Coffee and Donuts - Meeting begins at 9:30am.

Get out your costumes or come as you're for the HALLOWEEN DANCE scheduled for October 30th. Music by "Jonathan"- Details will be discussed at the October meeting and will be displayed on the Bulletin Board and A-Frame outside the Clubhouse.

We have made arrangements with Sandy Shoenberger, our professional line dance expert to lead us in classes this year. We have changed the format to have one instruction session a month followed by an informal gathering of students to review the dances learned. This informal group will use CD's and instruction sheets provided by Sandy for review at our pace. I do hope you will join us for this great class. Sandy had been our instructor for three years. She is calm and very helpful to beginners in line dancing. Here are the dates Sandy will be teaching each month: NOVEMBER 9, DECEMBER 10, JAN 14, FEB 11 AND MARCH 10. All are on Thursdays at 9:00 to 10:30. The casual reviews will be scheduled by the class members. Spread the word, we Dance Again!

Our friend, Bob Rolfe, has come up with a great fun idea for our "welcome back" party, January 9th. Here is how it goes:

You find a photo of you taken in your 30s (alone in the photo please) and scan it, attach it to an email and send it to Pat Knight, or get a copy of the picture and send it to Pat so we can make a mystery board of all photos sent. Then, every person in attendance at the "welcome back" party gets a list of the names on the mystery board to place the face with the photo. The

winner will get a prize! It is great fun and lots of laughs.

Don't wait till you come back, as these photos are probably up there. Do it soon, so you don't forget to do it.

Do not try to share it on facebook as everyone else will see it!

While you are at it, did you remember to get a bottle or two of local wine to bring for Ruth's (Kredovski) "wine and cheese party"? The fun will be having wines from lots of states and provinces to try.

Lots of things are in the works to keep you busy. Get your party hats ready!

Everyone plan on enjoying all the Activities to come for the following months and meet the new people that have moved into Holiday Shores.

SHARING AND CARING

Dolly Lake

PLEASE call me if you know of someone who is ill, in the Hospital, having surgery, or has passed away, etc. Very often, people think someone else has called me, therefore I am not informed. So please give me a call!! Thanks for your help.

Bob Rolfe was in North Side Hospital with a serious head injury, and is now in Largo Rehab Center.

Oscar Kinyon fell, broke one arm and also broke a wrist in his other arm. He is now recovering slowly at home.

Evelyn Rapoza fell and broke her hip, had a hip replacement and is now doing well in rehab.

Bruce Kelly had a mild heart attack, was in Largo Med, also had bladder surgery and is recovering at home.

We would like to offer our sympathies to the family and friends of Wayne Kilpatrick, a former resident who passed away last month.

CHORALAIRES

Lo Dykens

We have started rehearsing on Tuesday mornings. We are anxious to welcome all our singers back.

CHRISTMAS LUMINARIES

October might be a little early to start thinking about Christmas. But, will you please give a few thoughts to our Christmas luminaries. They are something our park has put out for many years for residents and guests to enjoy during Christmas Eve.

It takes a good number of us to prepare and sit out the bags with sand and candles, lite and also pick up. Your input is most wanted on the following: Should it be continued? How might it be improved? What other ideas do you have? And most importantly, will you volunteer to put the luminaries out for part of your street?

Please send me your input to my e-mail; [TNJ57@hotmail](mailto:TNJ57@hotmail.com), phone 765-714-9503, or drop them off to the park office.

Looking forward to our returning soon.

THEATER

David Middleton

It's been a long, hot summer, but the Way Off Broadway Theatre is ready to "fall" back into the swing of things. Our next meeting will be Tuesday, October 13 at 2:00 pm in the Clubhouse and we welcome all to come play with us; we're always looking for new talent both on stage and off! We will be planning our events and shows for next season and any help and suggestions will be welcome. So, put on your thinking caps, let the creative juices flow and let's get theatrical! We'll see you on Tuesday, October 13 at 2:00 pm!

SHUFFLEBOARD NEWS

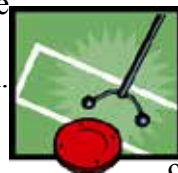

Priscilla Donegan

The Shuffleboard season will be starting in October we hope everyone will want to join and have some fun. Dues this year are \$3.00 and Tom Smith or Mary Guilmette will be happy to sign you up for the season.

You don't have to have your own equipment in order to play. Anyone who would like to try the game is more than welcome and any members would be happy to help you learn the game.

Shuffling is at 1:00 on Monday, Wednesday, and Friday. Watch the marquee for when shuffling will begin. There is also a flag that is displayed at the court to tell you there is shuffling that day.

Note: Shuffleboard times are Monday, Wednesday and Friday at 1:00 pm. See you on the courts.

GOLF: HOLIDAY CHIPPERS

Mark, Shirley and Priscilla

It's that time of year when the Holiday Chippers will begin showing off their putting skills. The third Saturday of the month around the noon is the time and the place is the putting green by the gazebo. Please check the marquee by the clubhouse for starting time.

Everyone is welcome to participate or just come to socialize. There will be hot dogs and beverages to purchase. Beer is available for a donation.

For those of you who are new to the park, plan on attending this event. There is equipment for you to use. Just bring money to putt, purchase food, drinks, 50/50 tickets, and dues if haven't already joined. (Dues are due, for current members in January).

See you the third Saturday in October. We start at noon.

Multiply Your Monthly Mania!

As you probably already know; patronizing the advertisers in this newsletter also pays YOU with our Monthly Mania Cash Give-a-Way. We pay out \$400 every month to residents who submit tickets they have received from using the businesses in the newsletter. Winning is easy, just patronize any advertiser in the newsletter, then submit either the ticket or a paid receipt to us for your chance to win!

Now You Have More Chances to Win!

We are now offering unlimited entries into our Monthly Mania drawing by just *SUGGESTING* a business to advertise.

Here is how it works:

1. Call our office and suggest a business to advertise in the newsletter
2. We will take down your information (name, address, phone number) and enter you into the next month's drawing for over \$400 in cash prizes
3. The more businesses you suggest, the more chances you have to win.
(To qualify each resident can only suggest a business once)

What businesses would you like to see advertising?

We have spots available in the following categories:

- Accountant/Tax Prep
- Assisted Living Facility

Follow correct procedures whenever you lift a load

Lifting heavy items incorrectly can injure your back and other parts of your body. Whenever you have a heavy object to move, follow these basic rules for staying safe:

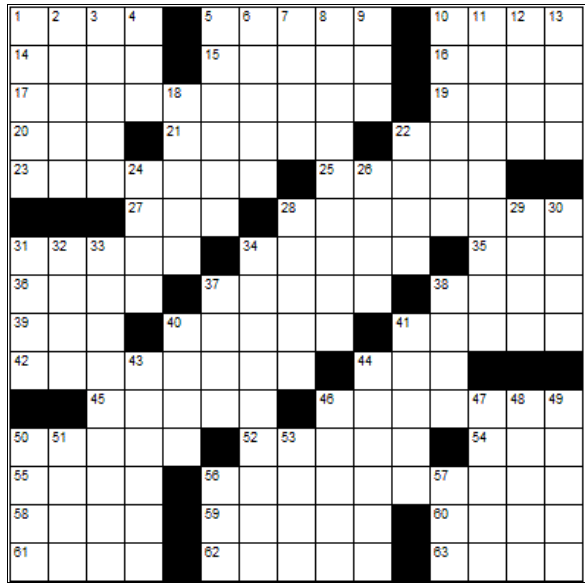

- Bend at the knees.
- Keep your head up.
- Keep your back straight.
- Lift with your legs, not your arms or back.
- Keep the object close to your body.
- Don't twist your back as you walk.
- Maintain stable footing.
- Ask for help if the load is too heavy for you to move on your own.

October Crossword

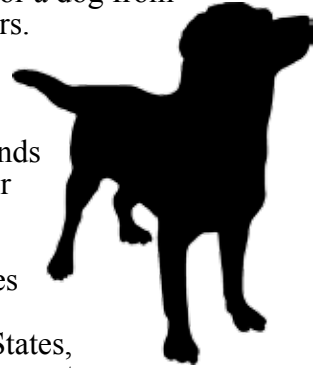

October Is...

Adopt A Dog Month. Millions of animals are waiting for someone to give them a safe, loving home. Be a hero and consider adopting a rescue animal or a dog from your local shelter. You'll be saving a life and adding joy to yours.

Eye Injury Prevention Month. Protecting your eyes from injury is one of the most basic things you can do to keep your vision healthy throughout your life. The American Academy of Ophthalmology reminds everyone to wear protective eyewear when performing home repairs or maintenance, and while playing sports.

National Bullying Prevention Month. A campaign to unite communities nationwide in educating and raising awareness of bullying prevention. National Bullying Prevention Month is recognized across the United States, with organizations like Facebook, Disney, CNN, Yahoo Kids, and other partners supporting the effort through media outreach and dissemination.

National Cyber Security Awareness Month. National Cyber Security Awareness Month is designed to engage and educate public and private sector partners with events and initiatives aimed at raising awareness about cyber security and increasing the resiliency of the nation in the event of a cyber incident.

Week to Week

Emergency Nurses Week, Oct. 11-17. Sponsored by the Emergency Nurses Association, which represents the approximately 180,000 emergency nurses in the U.S. who save lives and render aid on a 24/7 basis.

Earth Science Week, Oct. 11-17. An international event to help the public gain a better understanding and appreciation for the Earth sciences and to encourage stewardship of the Earth.

Nuclear Science Week, Oct. 19-23. A national celebration to focus local, regional, and national attention on all aspects of nuclear science. The 2015 theme: "Get to Know Nuclear."

Respiratory Care Week, Oct. 25-31. An annual event that recognizes the respiratory care profession and promotes awareness of lung health issues and practices.

Thought-controlled robots offer freedom and mobility

Humans can now control robots remotely with their thoughts, thanks to a team of scientists who have developed technology to help people with disabilities regain some independence in their lives.

The robots are equipped with wheels and a video camera. The scientists tested them with a group of 19 subjects, nine with disabilities and 10 without. Each subject wore a helmet studded with electrodes that analyzed brain signals for several weeks. Then they were told to direct the movements of a robot in Switzerland via the Internet. After less than 10 days of training, all of the nine participants with disabilities were able to control the robot easily, as did those with no disability.

In addition, the robot is able to avoid obstacles on its own without direction from its human controller, allowing people to take a break when they become tired. Such robots could become part of the daily life of people with mobility issues, giving them the opportunity to interact with others outside their homes.

Solar panel promises hope for clean fuel

A new type of solar panel could allow us to split water into hydrogen and oxygen atoms and create a clean hydrogen fuel, according to the NBC News website.

The panel, developed by scientists in Switzerland, looks like the common solar panels found on rooftops. Sunlight passes through a layer of water, and the non-toxic chemical tungsten diselenide works as a catalyst to break the water into its separate hydrogen and oxygen atoms. The scientists hope to commercialize the process to create a cheap source of hydrogen fuel, but a practical version won't be available for at least 10 years.

We can judge our progress by the courage of our questions and the depth of our answers, our willingness to embrace what is true rather than what feels good.

Spiders On The Move: Land, Air, And Water

If you're afraid of spiders, this may not be good news: Scientists have discovered that some spiders can actually walk or sail across water, allowing them to travel great distances and colonize new areas of the world.

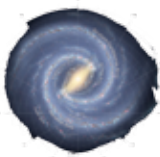

Spiders have long been known to travel by “ballooning”—climbing to the top of a plant or tree and shooting out a strand of web that catches the breeze, pulling them through the air. But what happens when they land on water? Some species of spiders have water-resistant legs that prevent them from sinking beneath the surface. With specialized “dance” routines, the spiders are able to make their way across the water. In addition, they're able to lift their legs to catch the wind, sliding on the surface as if sailing. Some spiders are also able to lift their abdomens like sails and take advantage of air currents to transport themselves.

All this helps spiders move about, allowing them to take their place as predators keeping insect populations in check. How far they can actually travel is still unclear, as is the question of whether salt water affects their mobility. Scientists are continuing to study the spiders to find out if they can literally sail across the ocean.

Black Holes: The Truth Is Out There (Just Hidden)

The universe is full of supermassive black holes, according to findings from NASA's Nuclear Spectroscopic Telescope Array (NuSTAR). But they're not always easy to locate because they're typically found at the center of galaxies, and hidden by clouds of dust and gas.

Astronomers found several of them recently them by analyzing high-energy X-rays at nine locations throughout the universe. The NuSTAR confirmed the existence of five black holes and determined that they're much more active than previously was known, consuming huge amounts of interstellar material and emitting large doses of radiation.

The NuSTAR's readings confirm theories of the presence of black holes throughout the cosmos and help to explain why many of them are obscured from view.

We can judge our progress by the courage of our questions and the depth of our answers, our willingness to embrace what is true rather than what feels good.

Love, honor, and make your payment

One important factor that can unbalance a marriage or romantic relationship is debt. A survey conducted by Harris Poll for NerdWallet determined that 35 percent of adults have brought at least some credit card debt into their romantic relationships—more than student loans, car payments, medical loans, and mortgage debt.

More men than women bring it, with 42 percent of adult men coming into relationships with credit card debt, as opposed to 29 percent of women. Whoever's behind it, though, such debt can have costs beyond interest payments: 25 percent of couples with at least one partner dealing with credit card debt reported that it had a negative impact on their relationship.

Be alert to the signs of Alzheimer's disease

More than 5 million people live with Alzheimer's disease in the U.S. It's an affliction that can't be diagnosed with a blood test or a brain scan, so doctors and patients depend on behavioral clues to determine whether someone is suffering from it. An early diagnosis can help with treatment and care, so pay attention to these warning signs from the Alzheimer's Association:

- Changes in memory that disrupt daily activities
- Difficulty solving problems or making plans
- Problems performing familiar tasks at work or at home
- Confusion over places and times
- Problems processing visual images and spatial relationships
- Growing difficulties with writing and speaking
- Losing items/getting lost outside

If you or a loved one begins exhibiting a number of these symptoms, consult with your doctor. Although Alzheimer's has no cure, many treatments can delay its onset and provide a meaningful quality of life for years.

Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

14,492 manufactured home residents have won over \$124,374 since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or mail your paid receipt to us at **Monthly Media • PO Box 1023 • Venice, FL 34284**. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.

(Allow 4-6 weeks for mailing of check). This month's cash winners are:
