Condolences

Condolences to the family of Bob Kittle, lot #160. Bob passed away February 13th, just 2 days after his 86th birthday.

The Cribbage Club received a fantastic surprise!

It all started with Rick Heathfield, who thought it was time to replace the well-used many-time-taped-up cardboard box that holds our cribbage boards.

Thank you, Harold Erickson for taking the time to carefully measure and then build a beautiful wooden box to hold the cribbage boards and cards.

To top it off, Rick had a plaque made up in memory of Bill Donegan who started this club, to be placed on the front of the box.

Words can not describe the appreciation of the time and effort of these two wonderful men to give such a loving beautiful gift to our Cribbage Club.

Thank you again!!

Christine Cook and the Cribbage Club Family.

This news flash from my friend John.....

FLORIDA WOMAN STOPS ALLIGATOR ATTACK USING A SMALL BERETTA PISTOL

This is a story of self-control and marksmanship by a brave, cool-headed woman with a small pistol against a fierce predator.

Here's her story in her own words:

“While out walking along the edge of a pond just outside my house in 'The Villages' with my soon to be ex-husband, discussing property settlement and other divorce issues, we were surprised by a huge 12-foot alligator which suddenly emerged from the murky water and began charging us with its large jaws wide open. She must have been protecting her nest because she was extremely aggressive.”

“If I had not had my little Beretta .25 caliber pistol with me, I would not be here today!”

“Just one shot to my estranged husband's knee cap was all it took. The gator got him easily, and I was able to escape by just walking away at a brisk pace. The amount I saved in lawyer's fees was really incredible, and his life insurance was a real big bonus!”

Thanks for that story, John.

Violent Crime and Personal Safety

Tips and resources to help prevent violent crime, plus information and publications for victims of violence

The news is full of stories about people who have been raped, robbed, mugged, or otherwise assaulted, and everyone cringes when they hear these reports. Who hasn't feared becoming one of these victims? The truth, however, is that the incidence of personal violence has dropped to its lowest level in almost three decades.

Violent crime - murder, rape, robbery, aggravated assault, and simple assault - was down from a high of 52.3 incidents per 1,000 people in 1981 to just 21.1 incidents per 1,000 in 2004, according to statistics compiled by the Bureau of Justice Statistics at the U.S. Department of Justice. Aggravated assault - which involves attack with a weapon or attack without a weapon that results in serious injury - was down even more sharply, from 12.4 incidents per 1,000 people in 1977 to just 4.3 incidents per 1,000 in 2004.

Everyone - and this applies to residents of big cities, small towns, and even rural areas - needs to be careful, but these lower rates of crime are evidence that if people are vigilant and take common-sense precautions, crime can be prevented.

- A list of tips for adults on staying safe
- Don't walk or jog early in the morning or late at night when the streets are deserted.
- When out at night, try to have a friend walk with you.
- Carry only the money you'll need on a particular day.
- Don't display your cash or any other inviting targets such as pagers, cell phones, hand-held electronic games, or expensive jewelry and clothing.
- If you think someone is following you, switch directions or cross the street. If the person continues to follow you, move quickly toward an open store or restaurant or a lighted house. Don't be afraid to yell for help.
- Try to park in well-lighted areas with good visibility and close to walkways, stores, and people.
- Make sure you have your key out as you approach your door.
- Always lock your car, even if it's in your own driveway; never leave your motor running.
- Do everything you can to keep a stranger from getting into your car or to keep a stranger from forcing you into his or her car.
- If a dating partner has abused you, do not meet him or her alone. Do not let him or her in your home or car when you are alone.
- If you are a battered spouse, call the police or sheriff immediately. Assault is a crime, whether committed by a stranger or your spouse or any other family member. If you believe that you and your children are in danger, call a crisis hotline or a health center (the police can also make a referral) and leave immediately.
- If someone tries to rob you, give up your property—don't give up your life.
- If you are robbed or assaulted, report the crime to the police. Try to describe the attacker accurately. Your actions can help prevent someone else from becoming a victim.

Dance in the Streets

It's time to dance in the streets again, this time on Second Street. Come on over on Saturday, April 7th from 12 noon until 6:00pm. Eats will be provided, but bring chairs and drinks.

From 12 to 3:00 Rich Gropp will provide dancing music, and from 3:00 to 6:00pm Tangent will perform live! You may have seen the ladies at Nauti Nancys on Sunday afternoons. And if that is not enough, I hear there will also be karaoke. Rain date, just in case, will be Sunday, April 8th.

So join the fun, and thank you to Linda Morris and Lynda Walsh for organizing everything.

Swap Meet/Bake Sale

According to Cheryl Mills, the Swap Meet/Bake Sale raised \$200.00 for the Association. There were some gently used items for sale, and some lovely craft items. The baked goods always go well - we have some excellent bakers in the park. Mary Jo's scones went flying off the table! I never saw one, only heard stories! At 1:00pm Fred grilled hot dogs, too, and donated the proceeds to the Association.

Cheryl Mills and Darlene Musico, co-chairs of the swap meet, want to thank everyone who participated in any way.

A big thank you to Cheryl and Darlene!

Old Fence

The old fence on the west side of our park, which was partially knocked down by the hurricane, has now been replaced. We appreciate the beautiful new wood fence and the privacy it affords.

Diana Richards, #56, saw something in that old dilapidated fence. She salvaged some of the sections and painted beautiful flowers on them. Her handiwork can be seen in front of her own house, as well as on Dorothy O'Brien's house. As this is the park's 50th anniversary, it seems like a great keepsake. Diana has a few sections left, but has other old fencing she can decorate. Check out the painted wooden flags in front of some homes. She did those, too.

Great idea, Diana!

VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

George Lordstrom, Saint Petersburg, FL

Here's another one from my friend John in Indiana.

To Avoid Feeling Stupid

If you ever feel a little bit stupid, just dig this up and read it again; you'll begin to think you're a genius...

On September 17, 1994, Alabama's Heather Whitestone was selected as Miss America 1995.

Question: If you could live forever, would you and why?

Answer: "I would not live forever, because we should not live forever, because if we were supposed to live forever, then we would live forever, but we cannot live forever, which is why I would not live forever.

"Whenever I watch TV and see those poor starving kids all over the world, I can't help but cry. I mean I'd love to be skinny like that, but not with all those flies and death and stuff." said Mariah Carey

"Smoking kills. If you're killed, you've lost a very important part of your life." said Brooke Shields during an interview to become spokesperson for federal anti-smoking campaign.

"I've never had major knee surgery on any other part of my body." said Winston Bennett, University of Kentucky basketball forward.

"That lowdown scoundrel deserves to be kicked to death by a jackass, and I'm just the one to do it!" said a congressional candidate in Texas.

"Half this game is 90 percent mental." said Philadelphia Phillies manager, Danny Ozark.

"It isn't pollution that's harming the environment. It's the impurities in our air and water that are doing it." Al Gore, Vice President

"I love California. I practically grew up in Phoenix." Dan Quayle

"We've got to pause and ask ourselves: How much clean air do we need?" said Lee Iacocca

"We don't necessarily discriminate. We simply exclude certain types of people. Colonel Gerald Wellman, ROTC Instructor

"If somebody has a bad heart, they can plug this jack in at night as they go to bed and it will monitor their heart throughout the night. And the next morning, when they wake up dead, they'll be a record." Mark S. Fowler, FCC Chairman

From Ann Scott regarding the Honeymoon Park Directory...

It has been suggested that our Canadian neighbors include what province they are from.

By JUNE 9th, please have updates to Ann Scott at 317-979-2322 or email WERDSCOTT@aol.com, or give it to Marta in the office. The information should include your NAME....LOT #....STREET....PHONE (landline and or cell phone). Optional information would include EMAIL ADDRESS....SNOWBIRD OR FULL TIME RESIDENT....HOME STATE OR COUNTRY....CANADIAN PROVINCE.

Here's another one from Carolyn Carr...

One night a guy takes his girlfriend home. As they are about to kiss each other goodnight at the front door, the guy starts feeling amorous. With an air of confidence, he leans with his hand against the wall and smiling, he says to her,

“Honey, would you have sex with me?”

Horrified, she replies, “Are you mad? My parents will see us!”

“Oh come on! Who's gonna see us at this hour?” he asks, grinning at her.

“No, please. Can you imagine if we get caught?”

“Oh come on! There's nobody around, they're all sleeping!”

“No way. It's just too risky!”

“Oh please, please.... love you so much!”

“No, no, and no. I love you too, but I just can't!”

“Oh yes you can. Please?”

“No, no. I just can't!”

“I'm begging you . . . “

Out of the blue, the light on the stairs goes on, and the girl's older sister shows up in her pajamas, hair dishevelled, and in a sleepy voice, she says: “Dad says to go ahead and have sex with him, or I can do it, or if need be, mom says she can come down herself and do it . . . but for God's sake, tell him to take his hand off the intercom!”

Koffee Klatch

This morning, March 15th, Carol DePasquale who is in charge of Koffee Klatch for the month of March, deemed it “Wear Your Pajamas to Koffee day.”

But, only three brave souls arrived wearing pajamas! All three contestants were awarded prizes. According to first-place winner Pam Freed, it was a monetary prize! What a fun way to shake things up a little!

From the Editor's Desk

by Susie Buckley

The last week of February Dave and I took a little trip to visit friends in Mesa, Arizona. We decided it's a nice place to visit, but we wouldn't want to live there.

We visited people who live in Fountain of the Sun, a gated over-55 community with over 2,000 homes. There is no walking to the grocery store or club house. There are palm trees and lots of fruit trees, but hardly any grass. Yards are covered with stones, some even painted green!

People we talked to chose Arizona over Florida because of the humidity, alligators, and hurricanes.

We like Florida despite the humidity, alligators and hurricanes! Honeymoon Park has been here for 50 years, surviving hurricanes, humidity and I've never seen an alligator anywhere close!

Honeymoon Mobile Home Park in Dunedin Florida is the BEST!!

Which would
you choose?
