Greetings from your Neighborhood Watch Rep.

Fall has arrived and we finally get to experience some cooler weather and be outdoors without turning into a dripping sponge.

As you drive around the area one stop that everyone makes is at a gas station. The following are some important things to keep in mind when you stop to fuel up your vehicle.

Gas Station Theft Prevention

Recently, there has been increased media coverage across the country regarding theft at gas stations. The unique setting allows thieves to catch their victims by complete surprise — when they are pumping gas or paying their tab inside the station. Most of the time, gas station customers leave their car doors unlocked and items like purses and wallets are often left in plain view. A thief is able to drive up next to the victim's car, open an unlocked door, and grab any valuables within reach. Then, the thief quickly drives off. It happens in a matter of seconds.

The following are tips to prevent citizens from becoming victims of theft at area gas stations.

- Pick stations that are well-lit and have video surveillance cameras at the pump.
- Always remove your keys and lock the doors while you are pumping gas.
- Keep valuables out of plain view in your vehicle and lock the doors even if you are going inside for a moment.
- Pay attention to your surroundings.
- Don't let your cell phone distract you.

White Heron Tea and Gifts Trip

October 25th was another great trip to the White Heron Tea and Gifts in New Port Richey. Afternoon tea included gourmet tea sandwiches, scones and a variety of desserts, plus a big selection of freshly-brewed tea. It was a very pleasant afternoon with friends!

Condolences

Our condolences to the family of Bill Reeder, a former resident of Honeymoon MHP, who passed away in October.

Hope Children's Home

Let's not forget Hope Children's Home. Since 1968 Hope has been providing a home for children who are in need. Over the years, literally thousands of children have found a place of love and security at Hope. Generations of drug addiction, alcoholism, incarceration, under-education, as well as emotional and physical abuse are the main reasons children are welcomed at Hope.

Diana Richards, lot #56, welcomes donations of gently used items for use either at the home or for resale at their Thrift Store.

Thank You

Operation Enduring Freedom, Dunedin Cares, Inc., and Hope Children's Home – all very worthy organizations with helping hands right here in Honeymoon Park. This is the season when we think about giving, so let's help out! And then let's keep on supporting them, because the need doesn't go away.

Thank you Darlene, Jane, and Diana for taking charge!

Ladies, it's time for the Ladies Christmas Party! Come to the clubhouse on Thursday, December 14 at 5:00pm. The cost is \$3.00 at the door, and bring a \$5.00 wrapped gift to be exchanged. Refreshments will be served. Sign up sheet will be at the clubhouse. See Darlene Musico, Donna Hill, MaryJo Boyle, or Mary Ann Whitely if you have any questions.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

St. Jude's Hospital

Pat Gilliland has requested that instead of exchanging Christmas cards with our neighbor this year we instead donate that money to St. Jude's Children's Hospital. Pat had this project going last Christmas with good results. There will be a basket in the office for your contributions, and Pat will get the money to St. Jude's. A very worthwhile project.

Veterans Day

When the veterans at Honeymoon MHP woke up on Saturday November 11th they were surprised to find a red, white and blue balloon attached to their mailbox. In addition there was a poster and more balloons in front of the clubhouse, all to thank the vets for their service. What a great feeling to be recognized on such a special day for the USA!

Some of us didn't know exactly who did this deed, but we soon found out that Maggie Nowers and Donna Hill had something to do with it. Forgive me if others also assisted and I failed to mention you by name.

Thank yo so much for such a kind gesture. It is an honor to be part of the Honeymoon Park experience.

God Bless Us All and God Bless the USA
Tom Lenard

Betty's New Car

Things you didn't know about pumpkin puree

From MaryJo Boyle

Nutrition

- 1/2 cup canned pumpkin puree has 50 calories, no saturated fat or cholesterol, 3 grams of fiber and 1 gram of protein.
- Substitutions in muffins and other quick breads (but not all of them in the same recipe!)
- 1/4 cup canned pumpkin puree equals 1 egg
- 3/4 cup canned pumpkin puree equals 1 cup butter
- 1/2 cup canned pumpkin puree equals 1/2 cup oil

How to use leftover canned pumpkin puree:

- It can be frozen.
- Stir it into a cream-based pasta sauce, and serve with ravioli.
- Beat a few tablespoons of puree, some pie spice, and a little sweetener into softened cream cheese and spread it on warm toast or hot-from-the-oven biscuits.
- Spoon a few tablespoons of puree, plus some honey and cinnamon into oatmeal to make an extra good-for-you breakfast.
- Mix 6 tablespoons of pumpkin puree into pancake batter for pumpkin flapjacks.
- Stir half a can of pumpkin puree into your favorite chili recipe.
- Combine a couple tablespoons of pumpkin puree with a half cup of yogurt, and layer with granola and pumpkin seeds.
- Blend 3 tablespoons of pumpkin puree into a vanilla milkshake.

Welcome back! It is great to see all our friends again, especially after the Irma scare in September. Lots of great events are planned for the upcoming season, one of which will be a commemoration of the 50th anniversary of Honeymoon Mobile Home Park in 2018. The Board would welcome any photos or memories from residents that will be shared with all.

Also, if anyone has an idea for a new activity or excursion, please bring it up to Pat Gilliland or Eddie Briggs. We are always ready to have fun!

The January Newsletter must be completed **DECEMBER 8th**, which is earlier than usual. Please keep that in mind.

Even though we haven't had Thanksgiving yet, Merry Christmas and Happy New Year!!

Carolyn Carr shares this poem...

A fart is a pleasant thing,
It gives the belly ease,
It warms the bed in winter,
And suffocates the fleas.

A fart can be quiet,
A fart can be loud,
Some leave a powerful,
Poisonous cloud.

A fart can be short,
Or a fart can be long,
Some farts have been known
To sound like a song.

A fart can create
A most curious medley,
A fart can be harmless,
Or silent and deadly.

A fart might not smell,
While others are vile,
A fart may pass quickly,
Or linger a while.

A fart can occur
In a number of places,
And leave everyone there,
With strange looks on their faces.

From wide-open prairie,
To small elevator,
A fart will find all of
Us sooner or later.

But farts aren't all bad,
It's simply not true -
We must never forget
Sweet old farts like you!

Merry
Christmas

Book Recommendation:

Here Vultures Fly

by Rudy Rodrigues

This is the narration of the personal experiences of the author, Rudy Rodrigues, during his ten years of service with the United Nations in Afghanistan, where he was engaged in emergency relief and later rehabilitation programs in close collaboration with the Communist government, the mujahideen, the Taliban, and the post-Taliban government.

The author was responsible for opening the first UNICEF office in Kyrgyzstan soon after the collapse of the Soviet Union in a unique environment and culture. During this time, he was working with a government unfamiliar with the United Nations and its goals and objectives. In addition, the Kyrgyz population was traumatized by this sudden period of transition and uncertainty. A major focus of the author's work was gaining the confidence of the government in Uzbekistan and to ensure the building of meaningful partnership programs for women and children.

This book also covers the adventures, romance, and thrill of being born and raised in Kenya; serving as an officer in the army; the challenges of working in Papua New Guinea; and having the glorious opportunity of working in the UN in different parts of the world with a multiethnic/multicultural community.

About the Author

Rudy Rodrigues was born and raised in Kenya. He graduated from the Royal Military Academy Sandhurst and the British Army Staff College. He was commissioned and served as an officer in the Kenya Army in both command and staff appointments. Resigning after sixteen years of active service, he then immigrated to Canada with his wife and three children.

Later, Rodrigues was appointed country director of a Canadian NGO in the Sudan, with a mandate to provide leadership, strategic planning and the delivery of UN (WFP) emergency relief supplies to the more than three million starving people displaced by the famine of 1985. He did so using a fleet of 350 cargo vehicles and a staff of over 3,000 people. This trucking operation was later taken over by the UN, and Rodrigues served as its Director.

In 2006 Rodrigues ended his career, and moved from Afghanistan, where he was last working with the United Nations. He retired to Winter Park, Florida where he lives today, and enjoys traveling, writing and spending time with his family, children and grandchildren.

Control that holiday glow

Candles are a popular holiday decoration, but they're also one of the most dangerous. It's important that you follow these precautions to prevent full-blown fires:

- Never leave a lighted candle unattended.
- Always put candles in a metal or ceramic holder. Never place them in combustible containers or ones that can melt.
- Put out candles once they get within two inches of their holders or decorations. This is especially important to follow with natural or plastic decorations that often grace holiday candle holders.
- Keep wicks trimmed to a quarter-inch.
- Never burn candles near things that can catch fire—including Christmas trees and curtains.

Be safe on your bicycle

Bicyclist deaths have risen significantly in recent years, and adult men, not kids, are most often the victims, according to the Medline Plus website. In 2015, the most recent year figures are available, biking deaths rose 12 percent. Of the 818 fatalities in 2015, a hefty 85 percent were men, with an average age of 45.

A report by the Governors Highway Safety Association noted that bikers often believe they have the right of way and are unable stop in time to avoid a collision. Drivers also often don't see bikers until it's too late.

Intersections aren't the most dangerous area. Seventy-two percent of bicycle fatalities occur away from intersections. More than half take place between 6 p.m. and 6 a.m.

Alcohol, whether consumed by the biker or the driver, is also a factor in 37 percent of collision deaths.

If we are creating ourselves all the time, then it is never too late to begin creating the bodies we want instead of the ones we mistakenly assume we are stuck with.
