## AN ALMOST DEADLY ENCOUNTER

By Rich Gropp

---

Every Monday Dale Wittig and I go out to Caladesi State Park to do volunteer work. Recently, after doing the beach run (picking up trash) we went down the nature trail to see if any trimming needed to be done. The Park had extended one of the trails so we went to check it out.

We found the extension was a short one with an area that had 3 benches installed. We thought we would venture further to see if the trail could be extended to the old homestead at the south tip of the island.

We went about 20 yards and were walking on bits and pieces of palm fronds. I happened to look down to see where I was going to step and stopped dead in my tracks! I shouted to Dale, who was about 3 steps ahead of me and to my right, to look to his left. There was a 5 foot rattlesnake! Dale was 2 feet from it's head and I was about to step on it's tail!

We backed away and watched it for a short time. We wondered how we were able to walk that close to it without it being startled. It certainly startled us!

Now when we go out to Caladesi Island we really watch where we step when we are near Ronnie the Rattler's domain!

## **OTHER CHRISTMAS HAPPENINGS**

**D**ecember 19th 40 ladies met at Bon Apetit for lunch. The food and service were excellent, and with the dining room overlooking the water, I thought I was on a cruise! Great fun, thanks Barb!

Also on the 19th Darlene and Karen organized our first cookie exchange. About 10 ladies dusted off their best Christmas Cookie recipes and made about 6 dozen cookies each.

Cookies were swapped among the participants, with some left over for the folks who arrived to sing Christmas Carols and listen to the music played by our band, The Sentimental Journey. I suspect there will be more cookie bakers for next year's exchange.

On a lovely December Sunday a lighted golf cart and bicycle parade was seen going through the park. The parade had music, lights and Mr. and Mrs. Claus! I understand that the Christmas parade was quite an event in years past. Perhaps it will be "on the calendar" next year!

Christmas Dinner was a lovely affair. Polly and Art and Barry and Rita organized a traditional Christmas treat – ham, sweet potatoes, etc. for about 60 people. Everything was delicious!

## NEW YEAR'S EVE

By Rich Gropp

---

Jari and I would like to thank everyone who attended the New Year's Eve Party. About 60 people attended. I have tried to pick more music for line dancing as well as rock and roll and slow dances. I thank everyone for the applause for the songs I chose.

This is in no way a hard job for Jari and I to do. We enjoy making people laugh and being part of their having a good time.

I will be putting together another dance February 27 – the Cabin Fever Party. We hope to have an even bigger turnout!

Thank you all again!

Rich

## This from Ruth Cote

---

Two little boys, ages 5 & 7, are excessively mischievous and are always getting into trouble. If any mischief occurs in town the boys are probably involved.

The boys' mother heard that a preacher had been successful in disciplining children, so she asked if he would speak to the boys. The preacher agreed, but he asked to see them individually. The mother sent the 5 year old in the morning with the older boy going in the afternoon. The preacher, a huge man with a deep booming voice, sat down and asked sternly "Do you know where God is, son?" The boy sat there, wide-eyed, mouth opened but said nothing. So the preacher repeated the question in a sterner voice. The boy said nothing. The preacher raised his voice, shook his finger in the boy's face and shouted "WHERE IS GOD?" The boy screamed & ran from the room, straight home and hid in his closet.

His older brother found him hiding in the closet and asked "What happened?"

The younger boy replied, "WE are in BIG trouble this time!!" "GOD is missing, and they think WE did it!"

# BETTER THAN GRANNY GOT RUN OVER BY A REINDEER

*A cute poem from Carolyn Carr*

---

The computer swallowed Grandma,  
Yes, honestly it's true!  
She pressed 'control and 'enter'  
And she disappeared from view.

It devoured her completely,  
The thought just makes me squirm.  
She must have caught a virus  
Or been eaten by a worm.

I've searched through the recycle bin  
And files of every kind;  
I've even used the Internet,  
But nothing did I find.

In desperation, I asked Mr. Google  
My searches to refine.  
The reply from him was negative,  
Not a thing was found 'online.'

So, if inside your 'Inbox,'  
My Grandma you should see,  
Please 'Copy, Scan' and 'Paste' her,  
And send her back to me.

This is a tribute to all the Grandmas & Grandpas,  
Nannas & Papas, who have been fearless  
and learned to use the Computer...  
They are the greatest!!!  
We do not stop playing because we grow old;  
We grow old because we stop playing...  
NEVER Be The First To Get Old!

It is illegal to dispose of electronics and hazardous waste in the dumpsters and the City of Dunedin will not pick-up electronics and hazardous waste from the Park.

With the return of our seasonal residents to the Park our streets and sidewalks have become very busy.

For the safety and comfort of all we would like to remind you that parking is limited to your carport.

The spaces by the laundry/dumpsters are for those using the laundry facilities. These spaces are not to be used for resident or guest parking. Visitors and guests may park near the shuffleboard courts. These spaces are not to be used for long-term parking. Please limit daytime parking on the streets to loading and unloading only, with a maximum of 2 hours. Overnight parking on the streets is not permitted.

Most importantly be aware of your speed. The Park speed limit is 10 MPH.

Now is a good time to take a minute to walk around your home and take note of any maintenance that is needed. This would include washing of the home, painting, trimming plants back from the home and roof and eradicating weeds from concrete, stone and landscaped areas.

A special thank you to all of our residents that make Honeymoon Mobile Home Park such a great place to live.

Marti and Staff

## DONATIONS

Pat would like to remind residents that she is still accepting donations for the Association.

Suggested amount is \$20.00. The treasurer's report is posted at the clubhouse, so you can see what happens to the money.

Another money-maker for the Association is the collection of aluminum cans. There are special trash cans just for aluminum located in the clubhouse, by the pool, and in the corner of the trash collection bins. Rich Cote and his merry men collect the aluminum, crush the cans, then periodically turn them in for money. So, instead of throwing those pop cans out with the trash, recycle them! It's a painless way to help out your Association.

## A tasty recipe:

### Easy Fudge

- 1 12oz bag of chips (chocolate, peanut butter, butterscotch) melt 90 seconds in microwave, take out and stir. ADD
- 1 can of white frosting (not whipped) stir, microwave another 90 seconds. Take out, stir well, pour into greased 8x8 pan. Chill till set, about 1/2 hour. I also added 1/2 teaspoon vanilla and a pinch of salt.

# New Pain Treatment Available in Dunedin

Dunedin, FL - Imagine forty years ago if you were told that lasers would replace scalpels in surgery or that robotic instruments would build cars; you may not have believed it. By the same token, would you believe that chiropractic treatments could be performed using a special hand-held instrument using space age NASA technology, all while you were sitting in an upright position without turning or twisting movement to your spine?

According to Dr. Drew, "This new form of computerized treatment is so gentle and effective that it amazes even the most skeptical patients. It's called the Impulse IQ and it is the latest state-of-the-art technology in existence today, and the only one in the Hernando, Citrus, Pasco & Hillsborough area."

Dr. Drew says that, "The secret to the Impulse IQ is in its ability to deliver an extremely precise adjustment." He says "Even though traditional forms of adjusting also work, people are drawn to this new technique because of how gentle it is and does not involve any twisting, especially in the neck." The Impulse IQ is FDA approved, UL listed and treatments are covered by most insurances, including Medicare.

The procedure is backed by years of scientific research, and our patients can't stop raving about their results. They are using words like "Incredible", "Amazing" and "Unbelievable." It's changing the future of pain treatment like nothing else I've seen in over 20 years of practice", says Dr. Drew. If you have any of these conditions, the Impulse IQ may be the answer you've been looking for.

It is with much sadness that I have to report that Russ Crain, lot 31, has passed away. For 12 years Russ was Honeymoon Park's maintenance department, retiring from that position in March of 2013. Russ was a good friend and will be missed.

## From the Editor's Desk

---

Our newsletter is being printed and delivered by a new company, Community Media, as of last October. You may have noticed the January issue is different. The cover is in color! Very classy! Another change, however, is that my copy deadline is earlier in the month. Please send articles, photos, recipes, jokes, poems to [Honeymoongazette@gmail.com](mailto:Honeymoongazette@gmail.com) by the tenth of the month. It can still be viewed online at [www.monthly-media.com](http://www.monthly-media.com).

## ATTENTION CANADIAN SNOWBIRDS IN HONEYMOON PARK!!

---

Many issues pertaining to our Snowbird group are discussed informally wherever we meet..."Did you hear...? I heard ..."As Snowbirds, and regular travellers to the U.S.A., we should be aware of some immigration-related changes that may affect us in the future.

As we feel strongly about the importance of clear and accurate information, we have invited Ron Steeves, VP and Director of the Canadian Snowbirds Association, to attend a meeting at Honeymoon MHP on Thursday, March 5th at 10:30 am. Ron and his wife, Judy, are Snowbirds in St Pete's who reside in Fredericton, N.B. Some of you may know him in his role as the volunteer co-ordinator of the New Brunswick Picnic held annually in St. Pete's. Ron promises that the presentation on March 5th will be not only be informative, but entertaining!

In the 40 minute presentation by Ron, topics will include...Number of days out of the country... Cross border issues...Retired Person Visa...Forms...Insurance issues...

And most importantly, there will be a Question and Answer Period.

We will post the information and a sign up sheet at the clubhouse as a reminder. Please do plan to attend and encourage your fellow Canadian Snowbirds to join us!

**14,492 manufactured home residents have won over \$124,374** since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or mail your paid receipt to us at **Monthly Media • PO Box 1023 • Venice, FL 34284**. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.
