A Reminder From the Honeymoon Community Association, Inc.

Board of Directors

The 2016/2017 Honeymoon Park season is in full swing. It is with great joy and anticipation that the Association Board of Directors (BOD) wishes all Park residents a wonderful and memorable season. As we work to improve the Park standards we would like to remind all residents, permanent and/or seasonal, of the purpose of the Association as stated in Article 1 Section #3 of the By-Laws: “The Association shall be an incorporated organization not for profit, whose purpose shall be the promotion of various Community activities and neighborly relations, and to provide authorized unified action on Park matters that affect more than one resident”.

The Association Board of Directors (BOD) will respond to suggestions for Park activities and issues of concern as stated above. For this reason a Suggestion Jar has been placed in the Community Center on the table immediately on your left as you enter the center. All suggestions must be in writing and Signed/Printed along with Lot # by the individual making the suggestion. Please note: Unsigned suggestions will not be considered !!!

It is imperative that the BOD be able to make contact in order to get specifics. When making a suggestion please be sure it is not a onetime occurrence. It is also a benefit to make a reasonable solution should a suggestion require one.

The BOD is not a complaint department. Such matters are to be brought directly to the attention of the Park management. You will be directed to the Park Management should that be the case.

Please keep in mind that the BOD will work hard to meet the activity needs of the park residents.

Association Board of Directors

The month of December was filled with activities.

First of all, another “thank you” to Linda and Heather for the beautiful hand made red bows that decorated the park, and for decorating the clubhouse.

Thursday evening, December 15th was the ladies Christmas Party. Forty ladies attended the annual event, and enjoyed some great food, a gift exchange, and a photo-op with Santa Claus. Thanks to Polly Berlin and her helpers for hosting.

Friday the 16th was the first annual Bud's BBQ! Bud Newman spent the day “smoking” a whole lot of pork in front of the clubhouse. Bud and Pam and their helpers then served BBQ sandwiches, coleslaw, beans and dessert to 80 hungry people. It was all delicious and Bud has plans to do it again next year.

Then, Saturday the 17th was the lighted bike/golf cart parade. It was a beautiful evening and there were quite a few participants. Surprise, surprise, Santa Claus made another appearance. On our street, the parade watchers had just as much fun as the parade participants, and no one got too thirsty! Barb Potts and Karen McPherson did a great job of organizing the second annual event.

When I'm 80

From Ruth Cote

Today Dear Lord, I'm 80 and
There's much I haven't done.
I hope Dear Lord, you'll let me live
Until I'm 81.

But then, if I haven't finished
All I want to do,
Would you let me stay awhile
Until I'm 82?

So many places I want to go,
So very much to see,
Do you think you could manage
To make it 83?

The world is changing very fast,
There is so much in store,
I'd like it very much to live
Until I'm 84.

And if by then I'm still alive,
I'd like to stay 'till 85.
More plans will be up in the air,
So I'd really like to stick
And see what happens to the world
When I'm 86.

I know Dear Lord, it's much to ask
And it must be nice in Heaven,
But I would really like to stay
Until I'm 87.

I know by then I won't be fast,
And sometimes will be late,
But it would be pleasant
To be around at 88.

I will have seen so many things,
And had a wonderful time,
So I'm sure that I'll be willing
To leave at 89...Maybe!

Thank You All

Wow!!! Thanks to all for your generous contributions to the Dunedin Cares Food Pantry! Honeymoon Mobile Home Park donated over 80 pounds of food, paper products, personal hygiene items, and cleaning supplies to the pantry in December! Dunedin Cares, Inc. Food Pantry opened in November of 2015. Statistics indicated that even in our delightful city of Dunedin, there were pockets of people who are "food insecure." The first year of opening the pantry has confirmed that the statistics are correct. The need is not just during the holiday season, but year round.

A container will remain in the clubhouse for donations to be made throughout the year. The food pantry, located at 1620 Pinehurst Road, is open on Tuesday, Thursday and Saturday from 10 - 12 to help people in the Dunedin area who cannot afford to put food on their table.

A special shout goes out to Dorothy O'Brien, Linda Morris, Heather Murrin and Marg Muir for your extra support of this worthwhile project.

Thank you again for your donations and support of the pantry.

The joy of old age

From a lady who used to work in a retirement home complex.

The people who lived there have small apartments but they all eat at a central cafeteria. One morning one of the residents didn't show up for breakfast so the nurse went upstairs and knocked on his door to see if everything was OK. She could hear him through the door and he said that he was running late and would be down shortly so she went back to the dining area.

An hour later he still hadn't arrived so she went back up towards his room and she found him on the stairs. He was coming down the stairs but was having a hell of a time. He had a death grip on the hand rail and seemed to have trouble getting his legs to work right.

She told him she was going to call an ambulance but he told her no, he wasn't in any pain and just wanted to have his breakfast. So she helped him the rest of the way down the stairs and he had his breakfast.

When he tried to return to his room he was completely unable to get up even the first step so they called an ambulance for him.

A couple hours later she called the hospital to see how he was doing. The receptionist there said he was fine, he just had both of his legs in one leg of his boxer shorts.

Breakfast

The first Park Breakfast of the season took place January 14th. Gus and Kathleen, Guy and Claudette prepared good food for about 60 residents.

There will be a breakfast in February, but the date has not been determined yet. Check the bulletin board for the sign-up sheet.

From the Editor's desk

Susie Buckley

We just returned from a great 8 Night Eastern Caribbean Cruise with a fine group of Honeymoon neighbors. Pat is an expert at putting cruises together.

The weather, however, wasn't ideal, and we weren't able to make our first stop at Labadee, Haiti due to rough seas and high wind. But, there was plenty to do on board the Freedom of the Seas as we sailed on to the next stop.

As we sailed back to Ft Lauderdale and prepared to leave the ship, I couldn't help feeling pretty smug about being able to call Honeymoon MHP home! So many passengers had to catch flights to take them back to Canada, or Minnesota or Wisconsin. You get the picture! I got to come back to "just another day in paradise", while most of the folks had to go back to winter!

Life is good!

Monthly

African American History Month. An annual observance to recognize and commemorate African American culture, African American History Month (or Black History Month) is celebrated annually in the United States and Canada in February, and in the United Kingdom in October.

Dog Training Education Month. Every day of the month, perform one training activity with your dog: jumping, herding, racing, etc. By the end of the month, you'll notice an improvement in your dog's temperament, and you'll share a closer bond.

National Haiku Writing Month. Write one haiku a day throughout February—the shortest month for the world's shortest genre of poetry. Don't think writing a good haiku is easy, though. As French philosopher and literary theorist Roland Barthes once observed, "Haiku has this rather fantasmagorical property: That we always suppose we ourselves can write such things easily."

Teen Dating Violence Awareness Month. A national effort to raise awareness about abuse in teen and 20-something relationships and promote programs that prevent it. One in three teens in the United States will experience physical, sexual, or emotional abuse by a partner in a relationship before they become adults. Spread awareness, and stop dating abuse before it starts.

Weekly

Burn Awareness Week, Feb. 5-11. Observed the first full week in February, Burn Awareness Week is intended to provide an opportunity for burn, fire, and life safety educators to share the message of burn awareness and prevention in communities around the nation.

National School Counseling Week, Feb. 6-10. This year's theme, "School Counseling: Helping Students Realize Their Potential," will focus public attention on the unique contribution of school counselors and highlight the tremendous impact they can have in helping students achieve school success and plan for a career.

Children of Alcoholics Week, Feb. 12-18. A campaign led by the National Association for Children of Alcoholics (NACOA) to raise awareness of children affected by parental alcohol problems. Children of Alcoholics Week is celebrated internationally each year during the week in which Valentine's Day falls.

National Invasive Species Awareness Week, Feb. 19-26. Raise awareness and identify solutions to invasive species issues at local, state, tribal, regional, international, and national levels. Participating organizations include the Association of Fish and Wildlife Agencies, the Environmental Law Institute, and the Nature Conservancy.

What chapter was that?

A minister told his congregation, “For next week’s sermon, I would like everyone to read the 17th chapter of Mark from your Bible. This will help you fully understand my topic on an important sin.”

The following Sunday, the minister opened his sermon with, “Now, how many of you have read Mark 17 this week as I asked?” Nearly all the hands went up.

The minister smiled. “Mark has only 16 chapters. I will now proceed with my sermon on the subject of lying.”

How many cats?

Teacher: “If I gave you two cats, and another two cats, and then another two, how many would you have?”

Johnny: “Seven.”

Teacher: “No, listen carefully. If I gave you two cats, and another two cats and another two, how many would you have?”

Johnny: “Seven.”

Teacher: “Let me put it to you differently. If I gave you two apples, and another two apples and another two, how many would you have?”

Johnny: “Six.”

Teacher: “Good. Now if I gave you two cats, and another two cats, and another two, how many would you have?”

Johnny: “Seven!”

Teacher: “Johnny, where do you get seven from?”

Johnny: “Because I’ve already got a cat!”

Daydreaming can be good for you

Daydreams aren't necessarily a waste of time. We daydream for different reasons, but it can have a positive affect on your life and career. Consider these facts about daydreaming from the LiveScience website:

- Daydreaming can be controlled—up to a point. Most people daydream intentionally because they're bored or working on something simple. When tasks require more concentration, drifting off is less frequent, but still happens.
- Blinking is a clue. Wonder if someone is daydreaming while you're talking? Look closely at their eyes. Studies show that people blink more often and more rapidly when they daydream.
- Daydreaming can help with problem solving. Let your mind wander when you're working on a tough problem. Scientists have observed that the areas of the brain involved in problem solving turn more active when we daydream.

Sharpen your mind with these puzzles

Brainteasers are good for honing your creative thinking. Try these to stretch your mind:

1. You are driving a bus with nine passengers. At the first stop, three people get off and five get on. At the second stop, seven people get off and four get on. At the first stop, six people get off and two get on. How old is the bus driver?
2. You have to choose to enter one of three rooms. Inside the first room is a team of ninjas hired to kill you. Inside the second is a tiger that hasn't eaten for three months. Inside the third is a raging inferno. Which room do you enter?
3. Harry is a butcher. He started his career at age 19. He worked for nine years in Boise, Idaho, and then moved to Duluth, Minnesota, where he's been in the same line of work for 14 years. What does Harry weigh?
4. Imagine you're in a leaky rowboat that's sinking. Great white sharks are circling your boat. How do you get out of this predicament?

Answers:

1. Whatever you own age is, since you are the bus driver.
2. Room No. 2. A tiger that hasn't eaten in three months is dead.
3. Meat.
4. Stop imagining.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Meeting of minds

The famous movie actor/director Charlie Chaplin once met the world-renowned physicist Albert Einstein at a public event. According to the Storypick website, Einstein told the comedian: “What I most admire about your art is your universality. You don’t say a word, yet the world understands you.”

To which Chaplin replied, “True. But your glory is even greater. The whole world admires you, even though they don’t understand a word of what you say.”

Mistaken identity

Even Queen Elizabeth II sometimes goes unrecognized. A story from the Hello magazine website tells of a time when the queen’s car drove up to the Royal Windsor Horse Show in 1991. A guard walked up and told her, “Sorry, love, you can’t come in without a sticker.”

Unfazed, her majesty answered, “I think if you check, I will be allowed to come in.”

He did, and she was. The guard admitted later that he’d thought the queen was just “some old dear” who was lost.

A little praise

As a speechwriter for presidents Ronald Reagan and George H.W. Bush, Peggy Noonan introduced such phrases as “a thousand points of light” into the vernacular. But she derived her greatest personal satisfaction from a simple note of praise.

As recounted in her book, *What I Saw at the Revolution* (Ivy Books), four months into her job as Reagan’s speechwriter, Noonan had yet to meet the boss. Then he returned the draft of one of her speeches bearing the hand-scrawled words “Very Good.”

Noonan was overjoyed—so overjoyed that she cut out the note, taped it to her blouse, and walked the halls beaming with the pride of a schoolgirl who’d suddenly discovered she was teacher’s pet.

Cities encourage healthy lifestyles

Cities are doing their part to help people stay healthy and physically fit, adding bike paths, parks, public transportation options, and “walkability.” According to Healthways, which uses scientific means to measure and encourage healthy behavior, the cities with the highest “active living environments” are:

- Boston
- San Francisco
- Chicago
- New York
- Washington, D.C.

The lowest scoring cities include Fort Wayne, Indiana; Indianapolis; Oklahoma City; and Tulsa.

Get up and work out

The alarm rings. Do you leap out of bed to head for the gym? Or hit snooze and tell yourself you’ll work out tomorrow? Motivating yourself to get up and start exercising can be tough. If you give in to temptation to skip the health club more than you’d like, try these tips to get moving:

- **Watch what you eat before bedtime.** A heavy snack right before you hit the mattress will make you feel lethargic in the morning. Stick to fruit, vegetables, and lean, protein-rich foods, and don’t eat anything for at least 90 minutes before you go to bed.
- **Go to bed early.** You’ll wake up feeling refreshed and ready to work out if you get enough sleep—seven to eight hours. Limit your TV, computer, and cellphone use before bedtime so you can get to sleep easier. 
- **Look forward to something.** Don’t think of exercise as drudgery. Find something you enjoy about it so you wake up excited about hitting the gym, or give yourself a reward for working out once you’re finished.
- **Find a workout buddy.** Exercising alone can be boring. Ask around your neighborhood, workplace, or health club and find someone who works out on the same schedule you do. When you know you’ve got someone waiting for you, you’ll be more motivated to show up.
