November 2020 General Meeting Cancelled

Due to the Coronavirus Pandemic and the Clubhouse remaining closed, the General Meeting normally conducted in November each year is cancelled for this year. However, Election of Officers for 2021 will be conducted in November as usual, this year using Paper Ballots distributed in early November to Park Resident Owners who are present in The Park and will be on Wednesday November 11, 2020 (the day the ballots will be counted). Upon summarizing voting results, I will then publish the 2021 Board of Directors listing on the Park Bulletin Boards, as well as including this information in the December 2020 Honeymoon Gazette.

Details for completing the ballots will be included on the ballots themselves.

Carolyn Carr has some Covid jokes for us.....

- Pretty wild how we used to eat cake after someone had blown on it...Good times...
- Romance novels written during Covid-19 will be like..."And then she slowly slipped her mask down, revealing her warm red lips, and her blushed face, and as their eyes met, he gently removed her gloves."
- Corona Precautions – I went to the bathroom at a restaurant. I washed my hands. Opened the door with my elbow. Raised the toilet seat with my foot. I switched on the water faucet with a tissue. Opened the bathroom door with my elbow. And when I returned to my table I realized ...I forgot to pull up my pants!!!
- I am not adding this year to my age, I did not use it.
- Treat your mask like underwear
Do not touch or adjust (especially in public)
Do not borrow or lend
Make sure it fits tight but comfortable
Make sure it's clean (daily or as needed)
Wear the right side out
If there's holes in it, throw it away
If it's stained, throw it away
If it's damp, change it
- In 20 years when kids ask about the 2020 toilet paper shortage, I'm telling them we had to drag our butts across the lawn – in the snow – uphill both ways.
- Lockdown can only go four ways. You'll come out a monk, a hunk, a chunk, or a drunk. Choose wisely!
- Masks are the new bra....They aren't comfortable, you only wear them in public, people will notice when you DON'T wear one, and you can now get them in every color, pattern, and style.
- Now that I've lived through an actual plague, I totally understand why Italian Renaissance paintings are full of naked fat people laying on couches.

Here are some points to ponder from Carolyn Carr...

- Why do peanuts float in a regular coke and sink in a diet coke. Go ahead and try it.....
- I used to eat a lot of natural foods until I learned that most people die of natural causes.
- How important does a person have to be before they are considered assassinated instead of just murdered?
- Why do you have to "put your two cents in"... but it's only a "penny for your thoughts"? Where's that extra penny going?
- Once you're in heaven, do you get stuck wearing the clothes you were buried in for eternity?
- What disease did cured ham actually have?
- How is it that we put man on the moon before we figured out it would be a good idea to put wheels on luggage?
- Why is it that people say they "slept like a baby" when babies wake up like every two hours?
- If a deaf person has to go to court, is it still called a hearing?
- Why do people pay to go up tall buildings and then put money in binoculars to look at things on the ground?
- Why do doctors leave the room while you change? They're going to see you naked anyway. Why is "bra" singular and "panties" plural?
- Why do toasters always have a setting that burns the toast to a horrible crisp, which no decent human being would eat?
- Can a hearse carrying a corpse drive in the carpool lane?
- If the professor on Gilligan's Island can make a radio out of a coconut, why can't he fix a hole in a boat?
- If corn oil is made from corn, and vegetable oil is made from vegetables, what is baby oil made from?
- If electricity comes from electrons, does morality come from morons?
- Why do the Alphabet song and Twinkle, Twinkle Little Star have the same tune?

...continued on page 14

- Why did you just try singing the two songs above?
- Did you ever notice that when you blow in a dog's face, he gets mad at you, but when you take him for a car ride, he sticks his head out the window?
- HOW DID THE MAN WHO MADE THE FIRST CLOCK, KNOW WHAT TIME IT WAS?

In case you missed it....

On October 21st George and Lessie Brown celebrated their 70th wedding anniversary!!!

HAPPY ANNIVERSARY TO A VERY SPECIAL COUPLE!!

Tom Lenard shares some wisdom from “Peanuts”.

...**October 3, 1950** "Peanuts" first debuted in seven newspapers under the United Features Syndicate. Developed by Charles M. Schulz, who was raised Lutheran in Minneapolis and Saint Paul, Minnesota, "Peanuts" ran for nearly 50 years and was published in 2,600 newspapers, 75 countries and 21 languages. **Take the time to look at these gems of wisdom from good old Charles Schultz.....wonderful**

- Worrying won't stop the bad stuff from happening, it just stops you from enjoying the good.
- A good laugh and a long sleep are the two best cures for anything.
- I don't have time to worry about who doesn't like me, I'm too busy loving the people who love me.
- Perhaps they are not stars in the sky but rather openings where our loved one shine down to let us know they are happy.
- The less you respond to rude, critical, argumentative people, the more peaceful your life will become.
- There are moments in life when you miss someone so much that you justn want to pick them from your dreams and hug them for real.
- Definition of a friend – Someone who says nice things about you when you aren't around.
- The smile on my face doesn't mean my life is perfect. It means I appreciate what I have and what I have been blessed with. I choose to be happy.
- Thank you for being you.
- All you need is love. But a little chocolate every now and then doesn't hurt.

One more from Carolyn Carr

- A pastor's wife was expecting a baby, so he stood before the congregation and asked for a raise. After much discussion, they passed a rule that whenever the pastor's family expanded, so would his paycheck.
- After 6 children, this started to get expensive and the congregation decided to hold another meeting to discuss the pastor's expanding salary.
- A great deal of yelling and inner bickering ensued, as to how much the pastor's additional children were costing the church, and how much more it could potentially cost.
- After listening to them for about an hour, the pastor rose from his chair and spoke, "Children are a gift from God, and we will take as many gifts as He gives us."
- Silence fell over the congregation.
- In the back pew, a little old lady struggled to stand, and finally said in her frail voice, "Rain is also a gift from God, but when we get too much of it, we wear rubbers."
- The entire congregation said "Amen."

Greetings from Carolyn

From the editor's desk

by Susie Buckley

Summer is over and autumn has arrived. I have to say, the trees in Indiana are gorgeous this year. But in a couple weeks we will head south to embark on another adventure with our Honeymoon friends in the land of never-ending summer.

I am sad that many of our Canadian friends will not be joining us this year, and that so many homes are for sale.

Wherever you may be, stay happy and healthy.

Life is good.

WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are isolated from other patients. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information: [BayCareEmergencyCare.org](https://www.baycare.org/emergency)**
