Birthday party

by Tom Lenard

HAPPY BIRTHDAY !!!! SUSIE !!!!

**How Old Are You Now ?
95 ??????
WOW !!!!**

HAPPY BIRTHDAY !!! HAPPY BIRTHDAY !!! HAPPY BIRTHDAY !!!

Susie Walters celebrated her 95th birthday pool side at Honeymoon Park on Wednesday August 5th. There were about 30 of the park residents in attendance. Ceal, Tom and Randy also were there to enjoy a very special chocolate cake that Eddy and Karen Briggs arranged for. Although the official date is the 6th of August we took advantage of the beautiful weather and the regularly scheduled summer time pool party held each Wednesday. We were there in full force to wish Susie the best and congratulate her on her long life. It took a little doing to convince her that she is now 95 since she could hardly believe it herself. It was a Great Day!!

Never missing an opportunity to have a party we sang "Happy Birthday" to Susie once again at Koffee Klatch on the official birthday Thursday, August 6th.

SUSIE !!! All the folks at Honeymoon Park love you and wish you the best in the coming year. We look forward to next August 6th for the 96th.

**HAPPY BIRTHDAY !!! HAPPY BIRTHDAY !!! HAPPY BIRTHDAY !!!!!!!!!!!!!!!!!!!!!!!
ALL YOUR HONEYMOON PARK FRIENDS**

Taco Casserole with a surprise crust

Pat Gilliland sent this recipe to try....

- 1 lb. ground beef cooked and crumbled
- 1 pkg. taco seasoning
- 2 cups nacho cheese Doritos, crushed
- 8 oz. cream cheese room temp.
- 1/2 cup salsa
- 2 cups shredded cheese divided
- 2 cups lettuce shredded
- 2 medium tomatoes, diced (I used a can rotel instead)

Grease a 9x13 baking dish and add the crushed Doritos to the bottom of the pan cook ground beef and add taco seasoning as directed on the pkg. Spoon cooked ground beef onto the crushed Doritos in a medium size mixing bowl beat cream cheese add salsa once mixed put over ground beef, top with 1/2 of the shredded cheese then add shredded lettuce and tomatoes top with remaining 1/2 cup shredded cheese bake at 350 degrees 10-15 mins. or until cheese is melted on top

A Little Humor

On average, an American man will have sex two to three times a week, whereas a Japanese man will have sex only one or two times a year. This is upsetting to me - I had no idea I was Japanese.

BIRTHDAY BUDDIES

by Tom Lenard

Here are photos of two younger guys who celebrated their birthdays pretty close together along with Susie Walters this past August. At 95 Susie is the elder. These kids are trying to keep up with Susie but just can't seem to match her when it comes to playing pool polo with the "Happy Face" beach ball.

Big Al Ross who is only in his early 90's and a kid at heart started throwing the "Happy Face" beach ball. All was fine until he hit Karen Briggs in the head. A little while later Eddie Briggs got hit in the head, and he hit Susie Walters in the head who hit Carol Eggebeen in the head who hit Ruth Cote in the head who hit Nancy Lenard in the head. Don't worry, Rich Cote got hit and so did Tom Lenard. All strategically, accurately and planned head shots. No one could escape the onslaught.

Pat Gilliland arrived a little late and made it very clear that she does not play games. Well, it wasn't very long before Pat got hit in the head with "Happy Face" and soon joined the fight. I mean fun. Believe me, Susie held her own and proved she is also a kid at heart. I cannot tell a lie. It was Big Al that started the whole thing, causing trouble wherever and whenever he is around.

All in all we had fun and although the past 7 days didn't start out as "Birthday Week" with a bunch of "Birthday Buddies", that's how it ended.

We celebrated Rich Cote's "Born on Date" with some coffee and cake the Friday before, Susie's "Born on Date" on Wednesday and Thursday, August 5th and 6th. We closed out the week with coffee and cake at Tom's home on Friday, August 7th.

I think the "Birthday Buddies" will be back in full force soon. Be careful when you get poolside because they will be looking for you, especially if it is your birthday. I'm warning you now!!!!

More Humor

A wife, being the romantic sort, sent her husband a text: "If you are sleeping, send me your dreams. If you are laughing, send me your smile. If you are eating, send me a bite. If you are drinking send me a sip. If you are crying, send me your tears. I Love you!" The husband, typically non-romantic, replied: "I am on the toilet. Please advise."

This just in from Betty Hoffman.....

In August Larry and I went to visit Dale and Chris Wittig in Rushford, New York for four days. While we were there, we went boating, visited the Corning Ware Museum, and a state park. On our last day we went to Canada to see Niagara Falls, then next to see the Three Sisters Falls in New York. It was a whirl wind trip and we had a blast! Dale and Chris were great hosts.

On our way back to Ohio we stopped in Greenville, Pennsylvania to visit Jim and Carol Saal, who frequently rented at Honeymoon Park. We had lunch and had a great time reminiscing!

The week after that we went to visit Dave and Susie Buckley on our way to Minnesota to attend Larry's 55th high school class reunion. They took us to Michigan to see the big lake and a little lake and check out some antique stores. Next we spent a day at the Shipshewana Auction and Flea Market. After we saw everything there, we met Verda Slanker and Glenn at Das Dutchman Essenhaus in Middlebury for dinner. It was very nice to see them, too.

We want to thank Dale, Chris, Dave and Susie for such wonderful times and memories with such good friends.

Hi Everyone

Well Ralph got good news from the doctors! They are allowing him to go on an RV trip. It's on his bucket list to go to California and Oregon to see the Pacific Ocean and the big red trees. So hope the weather is good and the forest fires are all out. We leave on Tuesday August 18th and back home around the 23rd of September. We will keep every body informed on how we are doing. So wish us well.

Take care. Love to all.
Ralph and Carolyn Carr

From the Editor's Desk

by Susie Buckley

It was very nice to see Betty and Larry this summer. Our Honeymoon friends are such an important part of our lives, and it's good to keep in touch. It's also fun to see the “other” homes of our friends.

Tom, we appreciate your commentary on happenings in the park. I will surely beware if I see Mr. Happy Face heading my way! And a big Happy Birthday to Susie! Oh, and the other birthday boys, too.

I know it's still technically summer, but school has already started in our neck of the woods. I can't get over that! School for my grandkids started one month before it did for my kids! I guess it's an opportunity for them to learn more.

So, it won't be long until the snowbirds start returning to Honeymoon MHP! Ya'all have a great rest of the summer, and safe travels wherever you go!

City life? Not for all young adults

The TV sitcom Friends depicted a group of young New Yorkers enjoying life in the big city—but in the end, at least two of them chose to move to a house in the suburbs. Young adults in real life appear to be making the same choice (without the laugh track). A survey of more than 1,500 people born since 1977, released by the National Association of Home Builders, found that few of them want to remain in the city for their entire lives.

Sixty-six percent indicated they'd like to live in the suburbs, and 24 percent have their hearts set on a rural residence. Only 10 percent want to live in the center of an urban area. They're mostly looking for space: Eighty-one percent said they want three or more bedrooms wherever they end up living.

September Is...

Baby Safety Month. Drowning, falls, chemicals, and other hazards can endanger the life and health of any small child. During September, take a good look around your house and eliminate any threats to babies' safety that might be hiding in plain sight.

Library Card Sign-Up Month. A time to remind parents and children that a library card is the most important school supply of all. If you don't already have a library card, get one in September; if you do, visit your local library and use it.

National Bourbon Heritage Month. A celebration of bourbon as America's "Native Spirit." The U.S. Senate declared September National Bourbon Heritage Month in 2007, calling on those who enjoy bourbon to do so responsibly and in moderation.

National Campus Safety Awareness Month. College campuses are not immune to destructive behaviors and violence due to high-risk drinking, drug abuse, sexual assault, fire safety, and more. As your kids head to college this month, talk to them about safety and investigate the resources their school offers.

Week to Week

National Suicide Prevention Week, Sept. 8-14. An annual campaign to inform and engage health professionals and the general public about suicide prevention and warning signs of suicide. Awareness events are held throughout the week around World Suicide Prevention Day, Sept. 10.

National Truck Driver Appreciation Week, Sept. 13-19. Sponsored by the American Trucking Associations, a federation of state associations, affiliated conferences, and individual members committed to developing and advocating policies that promote highway safety, security, environmental sustainability, and profitability.

Pollution Prevention Week, Sept. 21-27. The best way to protect the earth and its people is to stop creating pollution in the first place. Less waste and pollution means fewer hazards to public health and the environment. Pollution Prevention Week highlights the efforts of the EPA, its state partners, industry, and the public in preventing pollution right from the start.

Banned Books Week, Sept. 27-Oct. 3. Sponsored by the American Library Association to promote the importance of ensuring the availability of books to all who wish to read them.

Keeping up with current events

How much do you know about current events? The Pew Research Center News IQ survey examined the knowledge of more than 3,000 U.S. residents in an interactive quiz that asked them to identify a series of photographs, charts, and maps. Here's how the participants measured up when asked to ...

- Identify a photo of Martin Luther King Jr.: 91 Percent
- Identify the country led by Kim Jong-il from a photo (North Korea): 82 percent
- Identify the location of Guantanamo on a map (Cuba): 78 percent
- Name the country the U.S. recently re-established relations with (Cuba): 76 percent
- Identify the proposed route of the Keystone Pipeline on a map: 73 percent
- Identify Malala from a photo (2014 Nobel Prize winner): 93 percent
- Identify Pope Francis's home country on a map (Argentina): 52 percent
- Give the correct number of female Supreme Court justices (three): 33 percent

Have you taken your fish oil today?

Natural dietary supplements are big business in the U.S. As part of the National Health Interview Survey, researchers looked at the use of natural supplements other than vitamins and minerals. Comparing figures from 2002, 2007, and 2012, the trends they found include:

- Fish oil. This was the top product used by adults in 2012, as well as among children (though in 2007, Echinacea was the most popular supplement among children).
- Melatonin. This sleep aid came in second for children in 2012, increasing significantly from 2007.
- Glucosamine/chondroitin. Use of this decreased between 2007 and 2012, along with a drop in the use of Echinacea and garlic.
- Ginseng. This showed another large decline from 2002 to 2007, along with the use of Gingko.
- Green tea and milk thistle. Use of these held steady (though low) between 2007 and 2012.

Two-minute walks may improve your health

Exercise keeps you healthy. Fortunately for busy people, exercise doesn't have to mean working out at the gym or running a marathon. A study reported on the Science Daily website found that adding just two minutes of walking per hour to your routine can extend your life expectancy.

Scientists at the University of Utah School of Medicine discovered that taking a two-minute walk once an hour was associated with a 33 percent lower risk of dying. Even brief walks add up to a substantial benefit when taken often during the day. The scientists emphasize that these walks should be an addition to a moderate exercise habit, not a replacement for one. It's a step in the right direction.

Protect your hearing

Excessive noise in the workplace (or anywhere else, for that matter) can damage your hearing. The Medicine Net website warns that you risk hearing loss under these noisy conditions:

- You need to shout so that people an arm's distance away can hear you.
- Your ears begin to hurt from the volume.
- Your ears are ringing.
- You suffer temporary hearing loss after being subjected to constant loud noise.

All you need is love. But a little chocolate now
and then doesn't hurt.
