From Carolyn Carr, October 23, 2016

Well, Ralph and I have had quite the trip and have done over 6500 miles .. quite an adventure and the weather has been great. Only a couple storms, the rest sunny and hot. Finally saw Grand Canyon for the first time and saw Old Faithful erupt twice. Spent 6 days in Las Vegas- won some, lost some. Visited Crazy Horse monument. The Balloon Fiesta was fantastic. See you in January. All the best Ralph and Carolyn

Halloween Party Fun Fun Fun

Tom Lenard

October 29th was the annual Honeymoon Park Halloween Event. About 60 folks turned out for the party, some in costumes, some not. Music was provided by our very own Rich Gropp.

Winning first place for their M & M costumes were Teresa and Steve Cates and Karen and Eddie Briggs. Steve said they might have influenced the judges by giving out candy! Second place went to Iris Hoffman, who looked pretty scary in her outfit. Iris was lucky that she was able to attend the party, as her house was encased in a web and guarded by a giant spider.

Thank you

Jari and I would like to thank everyone who came to the Halloween Party we hosted. The costumes were really great, there was plenty of finger food, and the dance floor was crowded with dancers!

Thanks to all who stayed to help clean up!

Pumpkin Festival

Sunday, October 30, trip coordinator Pat Gilliland took a nice group of ladies to the Hunsader Farms pumpkin festival in Bradenton. It was a beautiful day, all had fun, and Rich Gropp put on his chauffeur's hat to accompany the ladies.

Resident Crafts & Baked Goods

Saturday November 5, 2016 was, in my estimation, the best display of crafts by park residents. The past craft days have been spectacular, but it continues to get better every year. Absolutely beautiful, creative, unique and all produced by residents of Honeymoon Park.

Let's not forget the bake goods which always brings in a chunk of dollars to support the association. You will also note in the photos that Gil was the assigned guard and responsible for advising good taste choices.

"Wait 'til Next Year" !!!!!

GREAT TRUTHS THAT LITTLE CHILDREN HAVE LEARNED:

1. No matter how hard you try, you can't baptize cats.
2. When your Mum is mad at your Dad, don't let her brush your hair.
3. If your sister hits you, don't hit her back. They always catch the second person.
4. Never ask your 3-year old brother to hold a tomato.
5. You can't trust dogs to watch your food.
6. Don't sneeze when someone is cutting your hair.
7. Never hold a Dust-Buster and a cat at the same time.
8. You can't hide a piece of broccoli in a glass of milk.
9. Don't wear polka-dot underwear under white shorts.
10. The best place to be when you're sad is Grandma's lap.

Annual Christmas Parade

Start decorating your bicycles and golf carts for the second annual Christmas parade! Meet at the clubhouse at 5:30pm, parade starts at 6:00pm with two trips around the park. No prizes, just loads of fun!

Sign up sheet is at the clubhouse. Contact Karen McPherson, #181 or Barb Potts, #46 if you have any questions.

Christmas Decorating Competition

There will be prizes awarded for the Christmas Decorating competition, however. A resident on each street will be awarded a monetary prize for the best decorated house. If you barely decorate, your name will be put into a “hat” for a drawing for a monetary prize. Chef Fred and his helpers will be checking things out the week of December 12, and prizes will be awarded at Koffee Klatch December 22. Do not even think about bribing Fred if you see him driving slowly past your house with a clipboard in his hand!

GREAT TRUTHS THAT ADULTS HAVE LEARNED:

1. Raising teenagers is like nailing jelly to a tree.
2. Wrinkles don't hurt.
3. Families are like fudge...mostly sweet, with a few nuts.
4. Today's mighty oak is just yesterday's nut that held its ground.
5. Laughing is good exercise. It's like jogging on the inside.
6. Middle age is when you choose your cereal for the fiber, not the toy.

BUD'S BBQ

Come to the clubhouse on Friday, December 16th! Bud Newman will be cooking and serving pork BBQ between 5:00pm and 7:00pm!

The menu will be pork BBQ sandwich, cole slaw, baked beans, potato chips and desserts. Bring your own drink.

Tickets are available from Bud and Pam, Lot 17 – Spike and Cheryl, Lot 19 - and Darlene, Lot 110. The cost is \$7.00 for residents and \$9.00 for guests. The cut off date for getting your tickets is Saturday, 12/10/16.

GREAT TRUTHS ABOUT GROWING OLD

1. Growing old is mandatory; growing up is optional.
2. Forget the health food. I need all the preservatives I can get.
3. When you fall down, you wonder what else you can do while you're down there.
4. You're getting old when you get the same sensation from a rocking chair that you once got from a roller coaster.
5. It's frustrating when you know all the answers but nobody bothers to ask you the questions.
6. Time may be a great healer, but it's a lousy beautician.
7. Wisdom comes with age, but sometimes age comes alone.

YARD SALE!

THE FOUR STAGES OF LIFE:

1. You believe in Santa Claus.
2. You don't believe in Santa Claus.
3. You are Santa Claus.
4. You look like Santa Claus.

Chef Fred

Chef Fred has announced that he will be grilling his fabulous hot dogs the first Saturday of every month. The cost is \$1.00, and he starts serving at 1:00pm. Don't be late, he sells out early.

Fred also requests that you "save the date" for the annual Sixth Street Party which will be the last Saturday of February, the 25th.

Church Bulletins

They're Back! Those wonderful Church Bulletins! Thank God for the church ladies with typewriters. These sentences actually appeared in church bulletins or were announced at church services:

- The Fasting & Prayer Conference includes meals.
- Scouts are saving aluminum cans, bottles and other items to be recycled. Proceeds will be used to cripple children.
- The sermon this morning: 'Jesus Walks on the Water.' The sermon tonight: 'Searching for Jesus.'
- Ladies, don't forget the rummage sale. It's a chance to get rid of those things not worth keeping around the house. Bring your husbands.

Don't let worry kill you off - let the Church help.

- Miss Charlene Mason sang 'I will not pass this way again,' giving obvious pleasure to the congregation.
- For those of you who have children and don't know it, we have a nursery downstairs..
- Next Thursday there will be try-outs for the choir. They need all the help they can get.
- Irving Benson and Jessie Carter were married on October 24 in the church. So ends a friendship that began in their school days.
- A bean supper will be held on Tuesday evening in the church hall. Music will follow.
- At the evening service tonight, the sermon topic will be 'What Is Hell?' Come early and listen to our choir practice.

Founded in 1916.

Caring Ever Since.

From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2017. Another example of how the community gave back.

The Night Before Christmas in Florida

'Twas the night before Christmas and all though the town,
no noses were frozen, no snow fluttered down.

No children in flannels were tucked into bed;
they all wore their shorty pajamas instead.

To make wreaths of holly, it wasn't too hard,
for holly trees grew in most every back yard.

In front of the houses were daddies and moms
adorning the fruit trees and coconut palms.

The slumbering kiddies were dreaming in glee,
in hopes they'd find water skis under the tree.

They all knew that Santa was well on his way,
in a shiny red sports car, instead of a sleigh.

He zipped up the highways and zoomed down the road.
He drove with the top down, delivering his load.

He raced through the night in the balmy, salt air.
Like tourists in Florida, he had not a care.

The tropical moon gave the cities a glow,
and lighted the way for old Santa below.

As he jumped from the auto he gave a wee chuckle.
He was dressed in Bermudas with a Disney World buckle.

He paused on the lawn to take in the night,
and marveled at the twinkling of thousands of lights.

Each house and been dressed to welcome him in;
it warmed his old heart to be treated like kin.

There weren't any chimneys, but that caused him no gloom;
Santa came in through the Florida room.

He stepped into the house, but stayed only a minute,
to empty his sack of stuff that was in it.

Before he departed, he treated himself
to a big glass of orange juice left on a shelf.

He turned with a smile and dashed to the car.
He'd made only half his deliveries so far!

He shifted the gears and stepped on the gas,
and up U.S.19 he went like a flash.

And I heard him exclaim as he went on his way,
“Merry Christmas y'all, I wish I could stay!”

from Ruth Cote

Please be Aware

Park manager Marti would like to remind everyone that the speed limit in the park is 10 miles per hour. That goes for golf carts and bicycles, too. It is difficult to go that slow, but it is for the resident's health and well-being that the speed limit is 10 miles per hour.

Also, a reminder that we should not put large items outside the dumpster after 12:00 noon on Thursday, as it will be too late to arrange for pick up before the weekend. No one wants to look at old sofas, mattresses etc. all weekend long.

Pat says she has been picking up cigarette butts that people have been tossing on the ground by the clubhouse. There are ash trays on either side of main doors, so there is no excuse for littering. Please be a responsible smoker!

From the Editor's Desk

Susie Buckley

As I am putting together the December Newsletter, it is the day after the strangest Presidential Election I can ever remember! It was a very long process, with some of the most horrible ads. But now it is ended, and we must look ahead with hope that our new President-Elect can pull together our divided country. Enough about that!

Don't forget to get your copy of the Phone Directory from the office. Thanks to Ann Scott for putting all the information together.

The deadline for the January newsletter is Wednesday, December 7! Send pictures and articles to honeymoongazette@gmail.com. You can view the newsletter on line, where the pictures are in color, at www.monthly-media.com.

Merry Christmas and Happy New Year!

Another One from Ruth Cote

A distinguished young woman on a flight from Ireland asked the priest beside her, "Father, may I ask a favor?"

"Of course, my child. What may I do for you?"

"Well, I bought an expensive woman's electronic hair dryer for my mother's birthday that is unopened and well over the Customs limits, and I'm afraid they'll confiscate it. Is there any way you could carry it through customs for me? Under your robe, perhaps?"

"I would love to help you, dear, but I must warn you: I will not lie."

"With your honest face, Father, no one will question you."

When they got to customs, she let the priest go ahead of her.

The official asked, "Father, do you have anything to declare?"

"From the top of my head down to my waist, I have nothing to declare."

The official thought this answer strange so asked, "And what do you have to declare from the waist to the floor?"

"I have a marvelous instrument between my legs designed to be used on a woman, but which, to date, is unused."

Roaring with laughter, the official said, "Go ahead, Father! Next!"

December Crossword

You can't miss these December holidays

The celebrations and holidays of December come from many different countries and cultures. Here's a guide to what your friends and neighbors are up to this month:

- Hanukkah, Dec. 24-Jan. 1. Hanukkah marks the rededication of the Temple of Jerusalem following the Jews' victory in the Maccabean Revolt in 165 B.C. According to the Talmud, the Jews had only enough olive oil to keep the eternal flame in the Temple burning for a single day—but miraculously, the oil continued to burn for eight days, during which time the Jews were able to produce and consecrate fresh oil for the flame. The eight-day Jewish holiday begins at sundown. Hanukkah is observed by the lighting of a nine-branched candelabrum, called a menorah. One candle is lit each of the eight nights, with a central candle lit each night to light the others.

- Christmas, Dec. 25. This Christian holiday celebrates the birth of Jesus, sometime between the years 7 and 2 B.C. The word “Christmas” comes from “Christ’s Mass,” a phrase first recorded in old English in 1038. Christmas began to be observed with feasts and celebrations in the Middle Ages—the online encyclopedia Wikipedia notes that King Richard II of England hosted a Christmas feast in 1377, with 28 oxen and 300 sheep eaten. The colonial Puritans of New England disapproved of Christmas celebrations, banning them during the 17th century. But other colonists observed the day with Christmas trees and nativity scenes. President Ulysses S. Grant signed the law making Christmas a federal holiday in 1870.

- Kwanzaa, Dec. 26 to Jan. 1. A seven-day celebration of African heritage and culture, Kwanzaa was created in 1966 by activist Maulana Karenga to provide African-Americans with a holiday that emphasized their shared history and experience. The name Kwanzaa derives from “matunda yakwanza,” a Swahili phrase meaning “first fruits.” Houses are decorated with African art and colorful cloth, and seven candles are placed in the kinara, a candleholder. The central candle in the kinara is black, with three red candles on the left and four green candles on the right. The candles represent the Seven Principles of Kwanzaa, which are contemplated each day as one is lit: unity, self-determination, collective work and responsibility, cooperative economics, purpose, creativity, and faith.

Did you know that December is also...

Buckwheat Month. Designated the “December Grain of the Month” by the Whole Grains Council, buckwheat contains higher levels of zinc, copper, and manganese than other cereal grains, along with a very high level of protein. It’s used in soba noodles, crepes, blintzes, pancakes, and other delicious foods.

National Impaired Driving Prevention Month. This holiday season, make sure to plan for a safe way home, especially if your plans involve alcohol. If someone you know is drinking, don’t let that person get behind the wheel. Remember, too, that just because you’re driving sober, others on the road may not be. Always buckle up, drive with caution, and call 911 to report a suspected drunken driver.

Safe Toys and Gifts Month. Prevent Blindness America has declared December Safe Toys and Gifts Awareness Month, encouraging gift-givers to consider whether the toys they plan on giving suit the age and individual skills and abilities of the child who will receive them—especially for children under age 3.

Universal Human Rights Month. This month commemorates the Universal Declaration of Human Rights, adopted by the General Assembly of the United Nations on Dec. 10, 1948. Driven by the human tragedy of World War II, this document represents the first global expression of human rights.

National Handwashing Awareness Week, Dec. 4-10. Remember these four principles of hand awareness to stay healthy: Wash your hands when they’re dirty and before eating; don’t cough into your hands; don’t sneeze into your hands; and avoid putting your fingers into your eyes, nose, or mouth.

Older Driver Safety Awareness Week, Dec. 5-9. Promoting greater understanding of the importance of mobility and transportation so older adults can remain active in the community by shopping, working, or volunteering—with the confidence that lack of transportation options will not strand them at home.

Computer Science Education Week, Dec. 5-11. Computer Science Education Week (CSEdWeek) is an annual program dedicated to inspiring K-12 students to take an interest in computer science. CSEdWeek is held in recognition of the birthday of computing pioneer Adm. Grace Murray Hopper (December 9, 1906).

Kwanzaa, Dec. 26-Jan. 1. A weeklong celebration held in the United States and in other nations honoring African heritage in African-American culture, culminating in feasts and gift giving. Kwanzaa was created by Maulana Karenga and was first celebrated in 1966–67.
