Blood Drive

by Rich Gropp

We have scheduled the “Bloodmobile” for Thursday, January 7th. It will be in front of the clubhouse from 8:30am to 10:30am.

Those who donate will be advised of their blood type, cholesterol, and iron levels. And, all donors will receive a fleece blanket!

Spread the word! With many new residents in Honeymoon, we hope to have even more donors than last season. You could be a life-saver!

Honeymoon Park Saves n Recycles Aluminium Cans !!!!!

Honeymoon Park sponsors many events over the course of a single year at very low cost to the residents. Keeping the cost low has allot to do with the fact that the residents recycle aluminium cans. There are several new folks in the park and we can use their support. Collection points are marked and located pool side next to the grill area, in the club house next to the rest room and kitchen area and the most active location is in the corner next to the dumpster on the right as you face the dumpsters.

Money is used to buy kitchen supplies, game room activities and supplementals, Christmas, Halloween prizes and decoration, for park activities like 4th of July, Labor Day, Memorial Day and any special events the residents would like to hold one-on-one, golf tournament, Honeymoon State Park passes, etc. Moneys from the can recycling help keep cost down that ordinarily would be past on to us. The big benefit is recycling the cans aid in protecting the environment we live in.

Rich Cote manages the list of volunteers. He keeps an eye on the paying rate so we can maximize our return. You can volunteer to crush the cans. There is a sign up list on the Club House bulletin board. It is only for one week at a time. With the number of volunteers we now have you may be called on about once every 10 weeks or so. You would be responsible to pick up the cans at each location, then crush them and store them in the shed by the shuffle board courts. Maybe an hour and a half of your time each week you serve. Rich will contact you the week before.

All are welcome to pitch !!!!!!!

Thanks, Tom Lenard

Donations for the Association

Pat Gilliland is accepting donations for the Association. Suggested amount is \$20.00 per household.

The treasurer's report is posted on the bulletin board at the clubhouse so you can see how the money is used.

This just in from Ruth Cote

Three days ago I was out for an evening with friends and had several glasses of excellent Scotch, followed by some rather nice red wine. I still had the sense to know that I may be over the limit. That's when I did something that I've never done before---I took a cab home!!! Sure enough on the way home there was a police road block, but since it was a cab they waved it past. I arrived home safely without incident. This was a real relief and surprise because I had never driven a cab before. I don't even know where I got it and now that it's in my garage I don't know what to do with it!!!!

Identity Theft Workshop

Bill Smith - Neighborhood Watch Coordinator

Please plan to attend the workshop on "Identity Theft" presented by the Pinellas County Sheriff's Office.

This workshop is scheduled for January 21, 2016 at 6:30 PM at the recreation center.

Thank you

Lobster Feast

According to Dick Brown, last season's Lobster Fest was a huge success and will be happening again! This year's event will be January 31 at 5:00pm in the clubhouse.

There will be hors d'oeuvres, desserts, music, and the main event, Lobster rolls and Lobster bisque.

You have to purchase your tickets in advance from Maggie Nowers, Dick Brown, Iris Hoffman, or Steve Dugay. The cost is \$11.00 each. Don't miss out!

Founded in 1916.

Caring Ever Since.

From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2016. Another example of how the community gave back.

Thank You

A big thank you to Ann Scott and her helpers who organized and prepared the Thanksgiving dinner. From all reports it was excellent! Great job!

Staying Fit

After all this holiday feasting, perhaps you need some help getting fit and healthy.

A Healthy You is a support group that meets in the clubhouse at 9:30 am the second and fourth Wednesdays of the month. Bring along suggestions, ideas, menus, etc. so we can discuss how to approach each of our individual goals.

Call Archie at 727-698-0583 or Pat at 727-733-5202 if you have any questions.

Decorations

Linda and Heather busy decorating

Once again our park was beautifully decorated for Christmas, from the entrance on Curlew all the way to the clubhouse! Linda Morris and Heather Murrin are the ladies responsible. They spend days decorating, and then go shopping for bargains for next year. Thank you, thank you, thank you!

When Heather and Linda went into the storage closet at the clubhouse to get out the Christmas tree and decorations, they found that some things were missing. Oddly enough, the tree was taken out of its storage container and left dumped in a corner in the closet. The container, purchased last year with Association funds, was nowhere to be found. Hmmmmm. Really?

You are allowed to borrow folding chairs and tables from the clubhouse. You can also borrow pans and roasters from the kitchen. You need to let a board member know you are borrowing something, and sign it out. But then it needs to be returned.

New Homes

In case anybody in the park missed all the excitement....the two new homes were set on their very high foundations on Thursday, December 3rd! It was a full day's entertainment! Still much work to be done on them, but it's nice to see them in place.

Half of the new house on 8th Street Circle

8th Street house almost put together. Lookin' good!

And here is half of the new house on East St

And the other half of the house on East St.

A Good Chuckle...

Here's a good one for the Canadians in the Park.
Maybe it also could refer to the American Government.
Hope all is well in the Park. Hoping to get back in
February. Take care all the best. Carolyn Carr

Canadian Revenue Agency

The CRA has returned the Tax Return to a man in Canada after he apparently answered one of the questions.

In response to the question,... "Do you have anyone dependent on you?"

The man wrote: ... "2.1 million illegal immigrants, 1.1 million crackheads, 4.4 million unemployable scroungers, 80,000 criminals in over 85 prisons plus 450 idiots in Parliament, thousands of 'politicians' and an entire group that call themselves 'Senators'

The CRA stated that the response he gave was unacceptable.

The man's response back to CRA was,... "Who did I leave out ?"

Save the Date

The date is already set for the second annual Second Street Party! Plan to join Linda 1 and Linda 2 and all their neighbors on Second St on Saturday, April 2, 2016.

This will be shortly after Fred's annual Sixth Street Party. Just want you to get prepared!

Swap Meet & Bake Sale

Rent a large table for \$10.00 or a small table for \$5.00. There will be a park table with all proceeds going to the Association. Donations are needed for the bake sale and the park table. Set up will be Saturday morning at 8:30am ONLY.

For table rental see: Karen #135 or Audrey #159.

HMHP Bread Club news

At December's meeting on 12/17/15, I demonstrated how to make a variety of ethnic holiday breads.

For the January 2016 meeting on the 21st, we will all be making soft pretzels. The Super Bowl is just 2 ½ weeks after the meeting, so participants will be ready to wow their football-watching guests with chewy, golden brown, warm soft pretzels to go with their beverages of choice.

The Bread Club is held the third Thursday of the month at 9:30, after Koffee Klatch. Membership is open to men and women who are interested in having fun and learning about how to make good breads. We'll have discussions, demonstrations, and participation with recipes, ingredients, and methods, and then bake bread in the rec center oven. I will also try to arrange occasional interesting field trips to bakeries and/or stores.

Contact me for more information.

Neighborhood "Watch Talk" How to Protect Yourself From Identity Theft

Save This Date: January 21, 2016 6:30 P.M. at the Recreation Centre.

Workshop on "How to Protect Yourself From Identity Theft" presented by the Pinellas County Sheriff's Office and your Neighborhood Watch Association.

Identity Theft is a serious crime. Identity Theft happens when someone steals your personal information and uses it without your permission.

Identity Theft can disrupt your finances, credit rating, and reputation.

At the very least, it takes time, patience, and lots of money to recover from your identity being stolen.

Some victims of Identity Theft never fully recover. Recall the horror stories of victims homes being stolen, victims who were financially wiped out being left for broke.

Most frauds originate from offshore e.g. the Middle East, China, Jamaica, etc.

Due to international boundaries, foreign country regulations, and local customs, the majority of fraud investigations do not result in any recovery for the victim.

Fraud is a preventable crime if you are aware.

Your Neighborhood Watch Program can only be as strong and effective as its membership . In the first nine months of operation, membership has grown to about 150 residents representing about half the homes in the Park.

The goal is for every resident to be a member of the "Watch".

Membership does not cost anything, BUT, it could save you a lot.

Encourage your neighbor to join by sending an email to the "Watch" mailbox at hnhp-watch@gmail.com

Invite a non member neighbor to the Workshop on Thursday January 21, 2016 at 6:30 PM.

Promote some of the advantages of membership: suspicious activity reporting, vacation house checks, educational awareness bulletins and workshops, neighbors looking out for neighbors.

I encourage all members and residents to show your appreciation to the Sheriff's Office for the resources and support they are bringing to Honeymoon Park.

Let's pack the recreation centre for the Workshop on Thursday January 21, 6:30 PM and let everyone know just how much we appreciate the Sheriff's Office for looking out for all of us.

After All.....Honeymoon Park Matters, You Matter, Getting Involved Matters

The Night Before Christmas in Florida

From Ruth Cote

'Twas the night before Christmas and all through the town, no noses were frozen, no snow fluttered down.

No children in flannels were tucked into bed; they all wore their shorty pajamas instead.

To make wreaths of holly, it wasn't too hard, for holly trees grew in most every back yard.

In front of the houses were daddies and moms adorning the fruit trees and coconut palms.

The slumbering kiddies were dreaming in glee, in hopes they'd find water skis under the tree.

They all knew that Santa was well on his way, in a shiny red sports car, instead of a sleigh. He whizzed up the highways and zoomed down the road.. He drove with the top down, delivering his load.

He raced through the night in the balmy, salt air. Like a tourist in Florida, he had not a care. The tropical moon gave the cities a glow, and lighted the way for old Santa below.

As he jumped from the auto he gave a wee chuckle. He was dressed in Bermudas with a Disney World buckle.

He paused on the lawn to take in the night, and marveled at the twinkling of thousands of lights,

Each house had been dressed to welcome him in: it warmed his old heart to be treated like kin. There weren't any chimneys, but that caused him no gloom: Santa came in through the Florida room.

He stepped into the house, but stayed only a minute, to empty his sack of stuff that was in it. Before he departed, he treated himself to a big glass of orange juice left on a shelf.

He turned with a smile and dashed to the car. He'd made only half his deliveries so far!

He shifted the gears and stepped on the gas, and up U.S. 19 he went like a flash.

And I heard him exclaim as he went on his way, "Merry Christmas y'all, I wish I could stay!"

From the Editor's Desk

by Susie Buckley

Another year has flown by! 2016 already! I hope it is a happy and prosperous year for all of you. I can't think of a better way to start the new year than here with my Honeymoon friends and neighbors.

As usual, there are many activities going on. If you are bored, it is your own fault! And if there is something you would like to do, gambling, day trips, shopping, antiquing, shows, etc. just let Pat Gilliland know. She can arrange almost anything! There are also plenty of things happening in and around Dunedin.

Life is good!! Enjoy it!!

Did you know that January is also...

National Bath Safety Month. Bath safety is an essential aspect of general home safety. An average of 370 people across all age groups suffer injuries in the bathtub or shower daily. Learn how to equip your bathtub or shower with safety precautions like grab bars and anti-skid strips to prevent serious injury.

National Blood Donation Month. Some give blood because a friend asks; others do so because it just seems like the right thing to do. Whatever your reason, the need is constant and your donation is important for maintaining a healthy and reliable blood supply.

**Help
save
lives**

National Mentoring Month. Mentoring young people can change your life—and theirs. Volunteering as a mentor or becoming an informal mentor to a young person you know is a valuable step in igniting the mentoring effect in your community.

Thyroid Awareness Month. Thyroid disease affects approximately 200 million people worldwide. If left undiagnosed and untreated it can cause depression, tremors, muscle weakness, and constant fatigue. Learn how to perform a thyroid neck self-exam, and talk to your doctor if you detect any lumps.

National Home Office Safety and Security Week, Jan. 3-9. Thousands of people working from home face risks in their residential workplace: clutter that can cause trips and falls, inadequate electrical wiring that presents a fire hazard, and other dangers. Take some time this week to ensure that your home office doesn't endanger your health and safety.

International Snowmobile Safety Week, Jan. 16-24. Snowmobiling is a fun and exciting family activity enjoyed by over 4 million people in the U.S. and Canada. International Snowmobile Safety Week educates people about safe snowmobiling practices and shows how operating safely can prevent mishaps and injury.

National Sugar Awareness Week, Jan. 18-22. The average American consumes about three pounds of sugar each week, for a total of 3,550 pounds in his or her lifetime. During this week, take the challenge: Go five days without eating any sugar and see how much better you feel.

National Certified Registered Nurse Anesthetists (CRNA) Week, Jan 24-30. CRNAs provide more than 34 million anesthetics each year. This event helps patients, hospital administrators, health care professionals, policymakers, and others become more familiar with the CRNA credential and the exceptional nurses who have earned it.

Learn the ABCs of skin cancer

That dark spot on your skin may be a freckle—or it may be skin cancer. How can you tell? The American Academy of Dermatology takes an alphabetical approach to identifying potentially dangerous skin conditions:

- **A: Asymmetry.** Is the spot or mole generally circular, or does one side look different from the other?
- **B: Border.** Is the edge of the item uneven, notched, or blurry?
- **C: Color.** Does the object vary in color in different areas?
- **D: Diameter.** Is the area larger than a pencil eraser?
- **E: Evolving.** Has the object changed its size, shape, or color?

Contact a dermatologist if you answer “yes” to any of these questions.

Just a rash? Check it out

A rash may be nothing to worry about, but sometimes it can be a sign of something serious. Doctors recommend you pay attention if a rash exhibits any of these symptoms:

- The rash spreads quickly across your body, which could indicate a major allergic reaction.
- You have a fever along with the rash. This could be a sign of a serious infection, so get to the hospital immediately.
- Your rash forms blisters or becomes painful.

The foundation of success in life is good health. That is the substratum fortune; it is also the basis of happiness. A person cannot accumulate a fortune very well when he is sick.

January Crossword

Never too late to succeed

A poor boy named Harlan with only a sixth-grade education wouldn't have made anyone's list of the most likely to succeed. His first major success came when at the age of 39, when he was able to come up with the financing to open a small-town gas station and restaurant. He did pretty well, too—but only for a while.

With the onset of World War II, Harlan's once-solid customer base left the small town to enlist in the military or take factory jobs in the city. Still, he managed to hold on until a new interstate highway eliminated his drive-by trade. Then, after nearly 30 years in business, Harlan was forced to sell his dream to pay off his debts.

Broke and nearing 70, Harlan could have closed the curtain on his career ambitions. Instead, he took to the road, offering to share his pressure-cooking techniques with other restaurant owners if they'd agree to become his franchises. He sold only five in the first two years, but he stuck it out.

Four years later the self-proclaimed Colonel Sanders had sold more than 600 Kentucky Fried Chicken franchises. And by the time Harlan Sanders died at age 90, KFC was a worldwide brand.

Is today's success holding you back?

Timanthes was a celebrated Greek artist of the 4th century B.C. As an aspiring young painter, Timanthes worked with a respected tutor to learn his craft. After several years, he produced what he believed was his masterpiece.

Delighted with his accomplishment, the young artist stopped striving to further his art. Instead, he devoted hours each day to gazing at his painting, mentally patting himself on the back for his achievement. Then one morning, when he arrived at the studio, he was horrified to find that someone had slathered paint across the canvas, destroying his work. The tutor eventually confessed that he'd done the deed.

"I did it for your own good," he explained. "The painting was holding you back." He urged the artist to try again: "See if you can do better."

Timanthes took his teacher's advice. His next effort, "The Sacrifice of Iphigenia," became his signature work and is regarded as one of the finest paintings of its time.

You should celebrate jobs done well. But don't get so caught up in yesterday's achievements that you forget tomorrow's challenges.
