Submitted by: *Larry and Kris Taylor, Lot 257, 727-286-7740*

**W**e are so lucky to have such warm and supportive residents. The special food drive I asked for was hugely supported! We need pantry supplies, canned foods, soap and paper products. Please leave it by your mailbox for pickup on the 2nd Saturday of each month at 1:00PM.

## Back In Our Day

Submitted by *Pat Henderson, #166, 727-400-6002*

One bathroom and one car on the street  
A mower that you had to push  
To make the grass look neat.

In the kitchen on the wall  
We only had one phone,  
And no need for recording things,  
Someone was always home.

We only had a living room  
Where we would congregate,  
Unless it was at mealtime  
In the kitchen where we ate.

We had no need for family rooms  
Or extra rooms to dine.  
When meeting as a family  
Those two rooms would work out fine.

We only had one TV set  
And channels maybe two,  
But always there was one of them  
With something worth the view.

For snacks we had potato chips  
That tasted like a chip.  
And if you wanted flavor  
There was Lipton's onion dip.

Store-bought snacks were rare because  
My mother liked to cook  
And nothing can compare to snacks  
In Betty Crocker's book.

Weekends were for family trips  
Or staying home to play  
We all did things together –  
Even go to church to pray.

When we did our weekend trips  
Depending on the weather,  
No one stayed at home because  
We liked to be together.

Sometimes we would separate  
To do things on our own,  
But we knew where the others were  
Without our own cell phone.

Then there were the movies  
With your favorite movie star,  
And nothing can compare  
To watching movies in your car.

Then there were the picnics  
At the peak of summer season,  
Pack a lunch and find some trees  
And never need a reason.

Get a baseball game together  
With all the friends you know,  
Have real action playing ball –  
And no game video.

Remember when the doctor  
Used to be the family friend,  
And didn't need insurance  
Or a lawyer to defend.

The way that he took care of you  
Or what he had to do,  
Because he took an oath and strived  
To do the best for you.

Remember going to the store  
And shopping casually,  
And when you went to pay for it  
You used your own money?

Nothing that you had to swipe  
Or punch in some amount,  
And remember when the cashier person  
Had to really count?

The milkman used to go  
From door to door,  
And it was just a few cents more  
Than going to the store.

There was a time when mailed letters  
Came right to your door,  
Without a lot of junk mail ads  
Sent out by every store .

The mailman knew each house by name  
And knew where it was sent;  
There were not loads of mail addressed  
To "present occupant".

There was a time when just one glance  
Was all that it would take,  
And you would know the kind of car,  
The model and the make.

They didn't look like turtles  
Trying to squeeze out every mile;  
They were streamlined, white walls, fins  
And really had some style.

One time the music that you played  
Whenever you would jive,  
Was from a vinyl, big-holed record  
Called a forty-five.

The record player had a post  
To keep them all in line  
And then the records would drop down  
And play one at a time.

Oh sure, we had our problems then,  
Just like we do today  
And always we were striving,  
Trying for a better way.

Oh, the simple life we lived  
Still seems like so much fun,  
How can you explain a game,  
Just kick the can and run?

And why would boys put baseball cards  
Between bicycle spokes  
And for a nickel, red machines  
Had little bottled Cokes?

This life seemed so much easier  
Slower in some ways  
I love the new technology  
But I sure do miss those days.

So time moves on and so do we  
And nothing stays the same,  
But I sure love to reminisce  
And walk down memory lane.

With all today's technology  
We grant that it's a plus!  
But it's fun to look way back and say,  
HEY LOOK, GUYS, THAT WAS US!

"Good friends are like quilts, they age with you,  
yet never lose their warmth."

## Fourth of July Celebration

---

The Fourth of July celebration at Island in the Sun proved to be a place to go for delicious food and to have a good time with our neighbors.

The day started at 6:00AM with building a charcoal fire on the La Caja China Roasting Box. If you don't know what that is, it is a roasting box where the fire is on top of the pork rather than the pork roasting over a fire. This allows a slow cooking process where the pork is cooked in its own juices over a longer period of time. Yummy! During the 4 ½ hours of roasting, the delicious aroma of pork drifted throughout the neighborhood. Several residents stopped by to see how the process was going.

After it was taken out of the box, it cooled and was shredded to make pulled pork. Yummy! Yummy! It was paired perfectly with baked beans and cole slaw. Some chose sauce and some chose not. Overall it was a lovely way for the afternoon to start our celebrations of Independence Day.

## IITS Ladies had a successful Mental Health Workshop

*Submitted by Pat Henderson, #266, 727-400-6002*

---

Seventeen ladies gathered in the clubhouse community room on Tuesday June 16th to hear our guest speaker, Theresa Ellis MSW, LCSW. This was a very informative workshop, as many areas of interest to women were discussed. Participation from the ladies attending was excellent. Theresa led a group game which involved getting acquainted with the person sitting next to you. We learned about each other and several ladies developed friendships due to their common areas of interest.

A lovely table of fresh fruit, pastries furnished by Theresa and coffee and paper goods furnished by Pat got everyone up and mingling. If there is enough interest, Theresa is willing to come back again sometime or would set up a monthly meeting on a regular basis. There would, however, have to be a charge if she did this on a regular basis. She found our group of ladies to be fun, interesting and full of questions. The remarks I have heard since this time have been very good. If you are interested in seeing her privately, no one in the group, nor myself would know anything about it. If you did not attend, but would like to speak with her you can reach her at 727-631-5959.

**G**erry was born in Detroit, Michigan and graduated high school and attended Wayne State College where he was studying to become a teacher. He was a printer in Detroit for 8 years and also tended bar.

His parents moved here because of the brutal northern winters. Gerry came here to visit them one winter and returned to find Detroit with 12 inches of snow, so it didn't take him long to make up his mind to move here to warm sunny Clearwater, Florida in 1972.

Gerry studied nursing and became a CNA which kept him busy for quite some time. He married young, but only for a couple years, and they never had any children. He worked part-time for the City of Clearwater Police Department from 1987-1990 and worked on Clearwater Beach, guarding the boat marinas and in traffic control. He also rode with police on their beats. He spent 8 years at Sam's Club doing various demonstrations. Gerry was employed by the Florida State Lottery from 1987 to 2001 traveling the area between Clearwater and Dade City. He delivered the lottery tickets and repaired the lottery machines.

Gerry is retired, but does a lot of volunteer work as he likes to help other people any way he can. He has served soup at the St. Vincent de Paul soup kitchen and he has helped at the Humane Society. After his 16 year old German Shepherd died, Gerry took in a rescue dog named Marley who is part lab. You might see Gerry out walking with his cane and the dog on a leash. It looks like Marley is walking him though. Gerry buys ant killer and sprinkles along the dog walk area as he said it is infested with ants.

For sixteen years Gerry played Santa for the Clearwater Parks and Recreation Department riding the big float at the end of the parade. He is always willing to help out his neighbors and looks after some of their homes when they are away or starts up their automobiles if they are gone for extended periods of time.

A project which Gerry has gotten very involved in is Safe Haven, a homeless shelter next to the Pinellas County Jail on 49th Street which houses 450 people. Gerry collects clothing from anyone wanting to donate and he delivers it to the shelter. Once a month he makes about 25 sandwiches and takes downtown to the police department to distribute to homeless people. He said many people come and contribute for this cause.

Gerry moved into our park in 2001 and has owned 3 homes here. Most of his family is deceased, except for two half- brothers, who still live in Detroit. For a long time, he was not active in the park, but when there was no one to set up the food and drinks for Bingo, Gerry volunteered to do that and cleans up afterward. Since he has done that, he now has a purpose in the park and has made many new friends. He loves the beauty of Island in the Sun Park.

## Spotlight on Residents- Denise Lambert, #311

Submitted by Pat Henderson Lot #266

When you enter Island in the Sun Park, you can't help but notice the big, beautiful white house on the left with colorful lights and planters. The lovely lady who resides there is Denise Lambert, a French Canadian, twice widowed lady with a pretty smile.

Born in Quebec City, Canada, Denise had wanted to become an American citizen from the time she was a little girl. She had admired the beauty of the beaches and oceans and knew, that someday she would move to the states. She attended high school and college at private schools and studied French, English and secretarial courses. She obtained her American citizenship when she was just 18 and now holds dual citizenships for the United States and Canada.

Denise joined the Canadian Air Force for 2 years and had the rank of Corporal (LAC). She worked in various doctor's offices and hospitals before moving to New York City. She worked as a legal secretary for a lawyer in Manhattan.

She was married for many years and had two sons, both born in Long Island, and she became a housewife. When her husband was stricken with cancer they moved back to Canada to Montreal, but moved back to New York after his death where the boys completed their education.

She met a nice Canadian fellow who had a condo at Sand Key. After coming here on a vacation, they married and made that their home until his death. After his death, she went to work for the City of Clearwater Police Department as a volunteer. For three years, she wore a police uniform and worked wherever needed, whether riding in a patrol car with an officer, directing traffic, or in the office.

Denise loves living in Florida and bought her home in the park in 2012. She was attracted to the beauty of the park with its huge oak trees with hanging moss that lined the park entrance. Those oaks have since been replaced with palm trees.

Denise told me that when the boys were young, she and her husband became tent trailer campers and were part of a group of about 30 families that were called "Stump Jumpers". They pulled a travel trailer with a car and set up camp. Her husband took the car and went to work and Denise and the boys stayed at the camp. The boys wanted to fish and she didn't know anything about it, but tied a rope to a tree branch and thought that would do. No bait or anything, so it's no surprise they didn't catch any fish. Her family was fond of "pickled eggs", but when she made them and took them to a potluck at camp, no one ate them as they had never heard of such.

When you see Denise out and about, say "hi" or wave if you see her sitting on her front porch. Although she is somewhat private, she is quite friendly and loves her home here.

## Second Annual Ladies Christmas Tea

Submitted by Nancy Fields, #279, 727-266-4836

---

**O**h Ladies, I hope this article peaks your interest! It's a few months off yet; but in case you were wondering, YES we will be having our Second Annual Ladies Christmas Tea. There were a few critics last year but I just chalked it off to those who either didn't attend or just unknowledgeable ladies. We had a great time during our First Annual Christmas Tea, the food was phenomenal and the ladies had a wonderful time. SOOOOOOOOOO, we go again!!

The date and time will be announced when I am able to get together with the director of activities, but I am sure that it will be the right time for all. New games, lot's of prizes and a few surprises like last year. Wear your finest or come casual, it's up to you. The finger food went over so well last year, remember how much food we had? The menu will be the same along with tea (of course), punch and maybe something a little stronger....after all we are proper ladies and even we would like to tip a few. Anyway, count on it and a flyer will be put into the sign-up book at least a month ahead of time.

Watch for a follow-up article that will take you step by step in the realm of Christmas Time.

## Singles Meet and Greet

Submitted by Pat Henderson, #266, 727-400-6002

---

**LADIES AND GENTLEMEN:** This month as part of my "A New You" program I am hosting a meet and greet pool outing on Thursday night August 13th at 7:00 pm. This is normally a Bingo night, but that has been discontinued for the months of July and August.

Usually these programs are for women only, but this time we are inviting all of the single men and all of the single women in the park as a way of our singles getting acquainted. Friendships can easily develop with other single men and women. Perhaps some might like to plan a movie night, or eat out time, Or maybe you are looking for a travel buddy, or golf partner. Come and socialize with others in the park who are single and find common interests. This is for residents only, no outsiders, please.

Please bring whatever beverage you prefer, beer, wine, cocktail, water or soda. No glass containers of any kind are allowed. Also bring a finger food snack-something to munch on that doesn't require spoon or fork. I will provide cups, napkins and plates. There is ice available in the clubhouse kitchen.

The food will be set up in the clubhouse, but we can have beverages outside the pool area, but not in the pool itself. The food will only be available for the singles attending, but we can't reserve the pool for ourselves, so there may be a few other residents at the pool. Please use your manners and respect all others. I hope that a lot of us can gather at the tables with the umbrellas to keep us in a group setting.

Come in your bathing suits with a cover up for inside the community room. We will have some snacks and beverages first, then gather at the pool for "Thirsty Thursday" cheers to all. Be sure to bring a towel, as you must be dried off before entering the clubhouse. The snacks will remain set up for several hours so we can go back and forth.

Please tell other single friends and neighbors in the park about this event. Many singles have told me they feel left out as all of the activities cater to the couples, so this is a chance for us to come together and share ideas.

Any questions?

salt and pepper and stir until well combined. Pour into skillet that the pasta is in and place into a 350 degree oven until the eggs are set (check them in about 10 minutes). Before taking it out of the oven, turn the oven off and put a handful of cheese on top and let the cheese melt while the oven is still hot. Cut it like pie, add a salad on the side and WOW is it good. You can use pasta with sauce on it or just cooked pasta with some special spices added along with the above ingredients. Enjoy....PASTA, MIA BELLA BELLA.

**J**une 18th was a beautiful day to have lunch at Carrabbas!

This was a happy day for Rose Oliver #184 because her daughter Leilani McGrath, was visiting with her and Richard for a week.

It was wonderful to have Kim Chapman, #180 with us. Kim was so glad to be with the group. It was like looking at a ray of sunshine across the table. Lunch at Carrabbas was great!

Rose Leduc, #160, and Linda Webster. #27 thought the food was great and the company was wonderful!

Debbie Rhoads, #20, enjoyed talking to everyone.

Mary Jane Baxter, #180, thought it was great to have Rose's daughter and her daughter Kim here. It was wonderful to have Kim and Leilani as friends. She was saying prayers for Helen and Ed for his recovery.

Nancy Barnes, #157, and Sarah Pree, #313, sent blessings to all their friends in "The Island" and also prayers for Ed and Helen, #210.

Alta Keith, #177, is looking forward to leaving for Cape Cod where their 9th great-grandchild is about to arrive! She also is saying prayers for Ed and Helen for a speedy recovery.

Joyce Pertenaci, #32, enjoyed wonderful fellowship and delicious food with her neighbors at the luncheon.

Leilani McGrath said she was having a ball in Clearwater with Mom and Richard! Love spending time one-on-one with them. Kim is awesome....life is good.....precious.....I am blessed!

Ladies, this is just a sample of the fun! Please join us next month!

**T**he "Men of the Hood" met on June 16th for their monthly breakfast. The restaurant of choice was Lenny's. The attendees were: Larry, John, Dick, Wayne, Gene, two Bills, Jim, Ken and Eric.

The food was just OK. It was the first time I thought about asking for a hacksaw to cut my waffle. It was that tough.

The topic of conversation centered around Ed Dennison's fall the night before. He was still in the hospital. Ed fell while carrying an armful of

## Remembrance and Concerns

*Submitted by Rose Montgomery Oliver, #184, 301-262-3057 or 727-726-0637*

Our neighborhood was saddened by the death of Lilia Zarvas Rull, #192 on June 16th. Lilia had been ill for many years as was cared for by Jim, her devoted husband with love and tenderness. Lilia was born on January 23, 1950. She had lived in the park for many years. Our prayers go out to Jim and to her many neighbors who were touched by her love and her love for beautiful flowers.

Rene Boisvert, #108, had a heart attack in June. Our prayers are for him and his recovery.

Our prayers and thoughts are with Frank Hopkins, #298, for his lengthy health problems.

Our president, Larry Taylor, is still recovering from his fall. His arm is improving but still gives him pain.

David Vargus, #182, fell from his motorcycle in Tennessee when he ran upon an unexpected patch of gravel in the road. This happened on May 30th, leaving him with 2 broken collar bones, three broken ribs and other problems. He has returned home. We all wish him a speedy recovery.

June 16th was a bad day for Ed Dennison, #210. Ed and Helen had been shopping. He was carrying packages to the car and missed the curb. He fell forward and landed on his face which left him with serious eye and nose problems. Ed, we all wish you a speedy recovery.

Marcy Shiels was treated in the hospital for a heart condition. We are happy to say that she is now home and is doing well.

A special prayer is sent to all of those with health problems that we are now aware of. Please let us know if we can help.
