## IN MEMORY OF SALLY SHOOP

*Submitted by Helen Dennison, Lot 210, 727-754-6977*

Sarah Ann Thomas was born on July 2nd 1940 in the town of Media, Pennsylvania. She was the youngest of four children born to William (Bud) and Laura Thomas. Sally, as we know her, had two brothers, Francis (Shorty) and William, who are now deceased. Her sister, Jean Menghetti resides in Pa. Sally's mother passed when Sally was 21 years old. On July 9th 1966, Sally was united in marriage to Kenneth Shoop. They were married 47 years when Ken passed in 2014. They would have celebrated their 50th wedding anniversary this month. Ken was a past President of Island In the Sun, and Sally was very involved in park activities. Sally was the mother of two children, Mark Shoop of Virginia and Kim Granados who resides in Virginia. She also has two Grand Children, Thomas and Aiden. Eleven years ago, Sally and Ken left chilly Pennsylvania and found their way to sunny Florida. They settled right here at Island in the Sun at lot 214 with their two Italian Greyhounds, Rambo and Lily. Rambo passed a couple of years ago, and Lily has moved in with Helen and Ed Dennison to live out her final years. Lily is now 16 years old.

Sally will be greatly missed by her family as well as her friends here in Florida. She was the chairperson of the Ladies Luncheon program since 2009. We could always depend on her to find a great restaurant where we could enjoy lunch, and sometimes she invited us all to her home to eat. She was one special lady. Sally loved to participate in the pool aerobics program headed by Karen Custy and attended as long as she was able. Sally dressed up for Halloween, even when she was feeling ill. She had great courage and enjoyed life to the very end. Sally could be seen almost every evening sitting on the back of Helen and Ed's golf cart beside Shirley Fennel, enjoying the breeze and pointing out where everybody lived, where they came from and how long they had lived here. Her mind was like a computer. She never forgot dates or figures. Even in her final hours she balanced her checkbook. Sally was a wonderful, fun loving person who never demanded much from life. She was just content to be here in this place she called home. We will miss you Dear Friend. You have made your mark in this world and it is a better place because of you.

## From The Desk of the President

*Robert F. Newman, Lot 46, 727-724-6283*

By now I am sure all of you have noticed that when the HOA holds events, current, paid-up members, get a discount when purchasing tickets for the event. That means that if you get your membership in the HOA from Don Salisbury, at lot #221, you will begin to save money after the third event you attend this year. This also is one answer to the question, "What do I get by joining the HOA?"

With the amazing job Stann Cherniack has been doing lining up great entertainment for the HOA activities, you will be missing out on some fantastic events planned for our park if you don't get in line and purchase tickets for the upcoming events. So join the HOA, get your event tickets, save some money and enjoy some wonderful, entertaining times at our clubhouse.

## Retired Person's Perspective

*Submitted by Pat Henderson, Lot 266, 727-400-6002*

1. I'm not saying let's go kill all the stupid people. I'm just saying let's remove all the warning labels and let the problem work itself out.
  2. I changed my car horn to gunshot sounds. People move out of the way much faster now.
  3. You can tell a lot about a woman's mood just by her hands. If they are holding a gun, she's probably very unhappy.
  4. You know that tingly little feeling you get when you really like someone you've just met? That's common sense leaving your body.
  5. I don't like making plans for the day. Because then the word "pre-meditated" gets thrown around in the courtroom.
  6. I didn't make it to the gym today. That makes 1,500 days in a row.
  7. I decided to change calling the bathroom the "John" and renamed it the "Jim". I feel so much better saying I went to the "Jim" this morning.
  8. Dear paranoid people who check behind shower curtains for murderers: If you find one, what's your plan?
  9. Everyone has a right to be stupid. Politicians just abuse the privilege.
- Old age is not as bad as I thought. It's a good feeling when you just don't give a hoot anymore and you feel happy just to wake up in the morning.

## Spotlight on New Residents

### Duane Duffey, Jeff Loken-Duffey, and Peggy Beighley

By Pat Henderson, Lot 266, 727-400-6002

A very interesting, and friendly trio lives at Lot# 297. All of them are from Minnesota and grew up and worked in that area. They just moved to Island in the Sun on June 4th. Although they are newcomers, it hasn't taken them long to fit into our park and get acquainted with many residents.

Duane has an Agriculture degree, a farming background and 20 years of Customer Service. His marriage produced two boys, one girl and five granddaughters. In July he flew to Minnesota to visit his family for a few days. He enjoys reading, genealogy, browsing antique shops, and he is a handyman.

Jeff and Duane both worked in the medical field. Jeff has also worked in sales and owned a bakery. He just accepted a Medical Receptionist position at Bay Care. Jeff does cross stitching and sews aprons. They have a Yorkie named Princess and you may have seen them out walking her. You might often spot Jeff wearing bright yellow clogs and neon shorts or shirts. Jeff's love of bright colors is evidenced in the colors of the rooms of their home. Their home feels like a "happy place".

During her marriage, Peggy had two children, one boy and one girl, five grandchildren, and two great-grandkids. Most of her working career was in factories. She sews, embroideries, makes hats and dolls, and loves to bake. If you're out walking or riding your golf cart around Kingston and Trinidad you may get a scent of a sweet aroma in the air and it's probably Peggy baking. She likes to do her baking in the evenings, when it is cooler.

Jeff and Duane met online and have spent twelve years together. Jeff and Duane have known Peggy for many years and after she became an Ordained Minister, they asked her to marry them, two years ago. The three of them get along well and share chores. They just all pitch in to do whatever needs to be done.

After several trips to Florida, Duane and Jeff decided to leave the snow and cold and move here. A local real estate agent brought them to Island in the Sun where they found a home suitable for the three of them. Jeff and Duane asked long-time friend Peggy to join them.

They love Clearwater Beach and try to go there once a week. All of them like people and have enjoyed the pool and several activities in the community. The trio told me to tell people to stop by and say "hello" as they all enjoy meeting the residents in our community. I'm sure you'll share some laughter with these folks.

## Musings for the Media

Submitted by Jaci Salisbury, Lot #221, 727-953-6285

There are 2 books on my reading shelf that have been there for over 35 years. They are out of print now, but I find myself going back to them time and time again. One is, "You Can't Afford the Luxury of a Negative Thought" by John-Roger & Peter McWilliams, and the other is, "A Book of Days, and A Month of Sundays", by Rod McKuen. They are very different from each other. The first is very technical and the latter a plethora of short, wonderful sayings that make me stop and think about life. I go to them when I start to have doubts about myself, have an ill feeling about someone, or say something I wish I could take back or should never have said in the first place. We all do this at one time or another. One of my favorite quotes from the first book is, "Always forgive your enemies-nothing annoys them so much", Oscar Wilde., but my most read quote is from the second book. "If we must judge, let us first use the mirror on our own wall for practice", Rod McKuen. It isn't easy to do this and I doubt that I will ever master it, but I keep on trying.

My husband and I are in our ninth year of living at IITS. We've seen bad times and good times here. Fortunately the good times far outweigh the bad. We've watched improvements continually take place. When we moved here, it was supposed to be for a short time, but over the past few years we have realized, this is where we want to be. We have good friends here and know we will have a lot more. The best way to stay young is to stay positive, go out to functions and meet people. Life is made easier by the joining of hands. This is a great community. Go out and enjoy it.

The Men of the Hood" met in June 16th, 2016 at the Acropol Restaurant on Sunset Point Road and the Intersection with U.S. 19. There was 10 men in attendance: 2 Richards, Ed, Gerald, Bill,

Wayne, Larry, Don, John and David. We welcomed Richard, Jerald and David as new members of the IITS Men.

We had to tease Larry by saying he showed up in his usual costume, i.e. with something in bandages. This time it was his wrists as he has a Carpal Tunnel problem in both wrists.

The restaurant was well appointed, the food was very good, plentiful and well served.

The banter was light hearted and mostly stories from the new men. They told us where they came from. They were duly impressed by the comradery they found in the park. They said it was a great plus and they were glad then chose to settle here.

Please remember that we do this on the **3rd Thursday** of each month and we go to a different restaurant each time. There is a signup sheet in the Club house. If you are going to go, Please sign up so that Ed Dennison knows in advance how many to make seating arrangements for.

**The next Men's Breakfast will be Thursday at ATHENS RESTAURANT, 226 Main St. Safety Harbor, Thursday, August 18th at 8:30 am.**

## What you should know

**P**hil Tursi, would like to know if anyone is interested in playing Black Jack. There is a signup sheet at the clubhouse or call Phil at 727-754-1606. No dates or times have been set yet.

Did you know there is an **Island In the Sun Social Group on Facebook**. It is a closed group for all people who live here. Search for it on Face Book then ask to join and you will be approved.

Looking for someone to chair a monthly **“Movie Night”** in the club house. Movies will be purchased from Red Box and they will be the newer movies that are out at the time. If there is something you want to see, just list it in the signup sheet and we will see if it is available. The price is \$2.00 per person and you get popcorn and pop with it. Since the audio has been fixed in the hall it should be a great time. Bring your lawn chairs if you want to sit on something other than the clubhouse chairs. Starts at 7PM. Please let us know if anyone would like to chair this.

For those of you who are new to our Park, we have a **Pot Luck** dinner the second Tuesday of every month. All you have to do is signup in the book in the clubhouse and then bring a dish to share, desserts, main meals, veggies, etc. There is no cost other than supplying a dish to share.

Several people in the park want to start a Billiards Game Night in the Clubhouse. There is a signup sheet at the clubhouse. Someone will be contacting you soon.

In October of every year, we have a community yard sale. Start saving your items for the sale.

Also in Oct/November we will be having a Chili Cook off along with a resident craft show. Taste some good food and purchased great gifts for the Holidays. Start making those craft items now.

## Crafts, Crafts, Crafts

**W**e are in need of someone to chair a monthly meeting of Crafters here in the park. If you can sew, quilt, Cross stitch, embroider or if you do paper piecing or scrapbooking. Come up and let's get together and get some great crafters working in groups. Wednesday night's 6:30PM.

## Spotlight on new Residents **Sudie Borders & Jerald Cardin Lot #145**

By Pat Henderson, Lot 266. 727-400-6002

**A** lovely and sweet couple moved to Island in the Sun about six weeks ago from Alabama. It seems that every time I run into them they are both smiling and enjoying their golden years at Island in the Sun.

Gerald was born and raised in the little town of Cedar Springs near Gadsden, AL. He got an under-graduate degree at Jacksonville State University, and his Masters at UAB, both of these degrees in Education. At University of Alabama he took 30 hours beyond his Masters in Administration. He has taught junior high and high school, and coached. He has been a principal at all grade levels. After a 40 year career in Education, he finally retired.

Sudie was born in Charlotte, North Carolina. She was adopted by an aunt and uncle.

She grew up in Buffalo, New York. She attended nursing school and became a Registered Nurse. She was married 28 years and had one son and moved to PA, where she lived for 10 years. Later she moved to Jacksonville, AL. Most of her 50 year career in nursing was in hospitals, but part of that time she was working in home health.

A 28 year marriage ended in divorce, and after being single 4 years, she married again for 11 years and had 3 step-sons. She and Jerald had briefly met before her 2nd marriage, but had not “clicked”. Jerald had been married and had a son and a daughter. During her career doing home health, Sudie took care of Jerald’s mom. It was his mom that told him about this wonderful and sweet lady who was taking care of her, and she insisted that Jerald meet Sudie.

In a short time the relationship took off and blossomed. They made a trip to Florida to visit Jerald’s daughter, 55 and her husband. Driving across the Courtney Campbell Causeway, Sudie fell in love with Florida and told Jerald she would love to live here. She and the daughter hit it off great. Sudie and Jerald fell in love and married 3 ½ years before moving here.

They had built a new home in Alabama and intended to buy a home here. Sudie was busy searching the internet and saw that Island in the Sun was having an open house.

They already had an appointment to look at a house in Largo, but when they toured the home in Island in the Sun, they both felt it was a perfect fit. They needed 3 bedrooms since Sudie has 2 sons with disabilities. Shannon, from her 2nd marriage is 46 and PJ, from the 1st marriage is 42.

Both Sudie and Jerald follow college football, and Auburn is their favorite team, as both of Jerald’s kids attended that university. On their first date, after chatting on the phone, Sudie showed up in an Auburn tee shirt. She immediately made “Brownie Points” with Jerald and he knew she was a “keeper”. They keep up with the Atlanta Braves baseball team and Auburn basketball. They love to dance, just started playing Bingo, enjoy nice restaurants and swimming in the pool. Jerald would like to find some people to form a pool league and to play rook. Sudie is mostly a home-body and actually loves housekeeping chores. I think she is “one of a kind”. Friday night is “date night” when they go out with Jerald’s daughter and her husband. They just helped Jerald’s son and daughter in law move here in an apartment close by.

Living in our community has offered them many activities. They told me they have met lots of nice people and look forward to meeting more. If you see them at one of the activities, go talk to them and get acquainted. They are a fun couple.

Do you still want to read your Media when going back home but cannot get them on the website to view? We can help with that. You will need to get your manila envelopes for the months you will be gone, put your name and address on them, put your postage on them and delivery to Lot 312. Let us know when you are leaving and when you will return. We will mail them to you when they are received here. The media weighs 3 oz. without the extra advertisement in it so the Post Office will tell you what the costs will be. We are zip code 33759.

## Words of Wisdom

*Submitted by Helen Dennison, Lot 210, 727-754-6977*

**T**here are many areas in your life that require constant maintenance. Your yard, the porch, your home and your relationships.

When someone does something good for you, never forget it.

If you make an effort to overlook the faults in others, they'll do the same for you.

Listening to gossip is as wrong as spreading it.

Live longer by worrying less. Being a good example is better than giving good advice.

## Pier 60

**P**ier 60 is a 1,080-foot-long fishing pier located at Clearwater Beach, Florida. Operated by the city of Clearwater, it is open 364 days a year (closed on Christmas day) and features various amenities for anglers and other visitors.

The pier itself is known as a premiere fishing location. The last 10 feet or so are specifically reserved for the use of anglers, who can expect to catch a number of different kinds of fish off the pier. There is a bait and tackle shop located on the pier for the convenience of fishermen as well as a snack bar concession stand, which sells a variety of light fare. Just before visitors reach the pier, there is also a larger shop that sells beach gear, apparel, suntan lotion, towels, and other items anglers or others might need for the day.

Besides fishing, visitors can walk the length of the pier - for a small fee - to catch photos of the magnificent sunset over the Gulf of Mexico. It is considered one of the best places in town from which to photograph the brilliant colors of dusk and well worth the small price one must pay to enjoy the view.

Pier 60 also includes a covered playground for children and an event pavilion that plays host to a variety of different festivities.

The main reason for visiting Pier 60, however, is to take advantage of the daily event known as Sunsets at Pier 60. First organized in 1995, this approximately 4-hour-long festival provides locals and visitors with a variety of entertainment and shopping experiences throughout the year, weather permitting, even on holidays. Hours vary according to the time of sunset, but most start at around 3:30 or 4 pm in the winter time and about 6 pm in the summer months.

Sunsets at Pier 60 feature street entertainers or "buskers" of various genres, including vocalists, instrumentalists, magicians, jugglers, dancers, stilt walkers, balloon artists, and fire breathers, all lined up along the pier to entertain crowds with their antics. The entertainment is
