Service vs. Volunteerism

No one in the HOA gets paid. It's a contentious and time-consuming job. So why bother? Some people say it's just a social club. Others don't give us that much credit, "The HOA doesn't do anything." Some say, "I already did that. I'm done."

As new people come in, we find that more and more residents have jobs. We are transitioning from a retirement community to a residence for older workers. People come home from work tired and do not have much energy for volunteering. The ones that do are too few.

Let's not be negative, though.

I see acts of kindness and generosity in this community every day. Some neighbors hauled 28 bags of leaves from a backyard. Others chased down two puppies and returned them to their house. A woman who needed surgery and lived alone required someone to accompany her to the surgery, per doctor's orders. A friend here went to court on behalf of an owner with an auto repair dispute. The community folks helped clean up a weedy yard for a disabled lady. Some of the houses owned by Canadians get weeded and tended by residents.

There's more. It's too long a list to show here.

These acts of kindness and community show the real character of most folks at IITS.

So what about the HOA?

Volunteers at IITS set up tables for an event, serve food, go to breakfast or lunch with a few friends every month. It's nice and deserves credit. However, it sometimes gets criticism, and then many volunteers quit. They go off in a huff.

Some jobs need a lot more than that. We do them just because they need to be done. We can't stop doing them just because things get difficult. They need backups, Plan B in case Plan A fails. They have a learning curve. You can't just walk in and take over one of these jobs. It absolutely requires a serious commitment.

That is service. Service is the level beyond volunteering. Soldiers don't quit under fire. Surgeons can't resign in the middle of a surgery. Plumbers can't leave the pipes half done.

Rent Negotiation needs service.

Communications need service.

Activities need service.

Your HOA provides all these things and more. We need people for this service.

Thank you in advance!

RECAP OF PRIOR EVENTS

Note that we usually cover events that occur after the publication date of the previous month's media through to the publication date of the current month's media. We have to submit each month's articles approximately a month prior, so we are currently writing for the August media magazine. Therefore, we are covering events from mid-June through mid-July.

The activities committee and others who volunteer do an excellent job of bringing different kinds of entertainment to our community, but we do need others to step up and bring new/different ideas and be willing to chair and support events.

June 23rd – Dance party. Everyone enjoyed dancing to the music of our own resident DJ, David Grillo. Donna Grillo and crew provided the setup and table decorations. This was their 1st time to host an event, and we hope there will be many more! See photo collage.

July 4th – The annual Independence Day Golf Cart parade was hosted by Bill and Marci Shiels, and he did a fabulous job as usual. Although the entrants were small in number, the parade was thoroughly enjoyed by those who did participate, and we appreciated those who came out to cheer us on.

July 7th – The 1st Independence Day Corn Roast was hosted by Bob Disney and Kenn Brody. On the menu was B-b-que chicken, roasted corn on the cob, with cole slaw and various pies for dessert. 'Magic Mike' Velez was our DJ for the evening. See photo collage

My apologies for any event not mentioned.

From the IITS Media Editor:

July 15, 2018 –

Welcome to the August edition of your ‘Island in the Sun Sentinel’.
I am sad to report that this will be my last month of preparing the monthly media for our residents. As far as I know, at this point no one has stepped up to assume this responsibility. However, I know the HOA board is working to ensure everyone in our community is kept apprised of things that are happening around the park. I have enjoyed working on the magazine every month, but unfortunately have other commitments that prevent me from continuing.

Note that August will also be the last month that Jim and I will sort and distribute the magazines to the delivery captains, so we need someone to fulfill this function as well.

Ladies Luncheon

Submitted by Sudie Borders, #145

Summer is definitely here and the Lovely Island Belles in no way, shape or form want to cook. Well...do we really ever? Why cook when you can go to Margarites in Dunedin?

Thank you, Shirley Fennel for recommending this lovely little restaurant to us. I knew when I pulled up and saw its cottage like setting that we would really enjoy our time here. The restaurant was like home with windows all around letting in the sunshine to cheer us.

Sandwiches and salads were the order of the day and although the choices were not exotic they were delicious and served with cheer by our waiter. He did an excellent job although admittedly a "newbie".

The door prize was won by Rose LeDuc. Congratulations Rose. And thank you once again Jan and Cindy for donating. We continue to enjoy the fruits of your labor.

Northern friends we miss you! You always come up in our conversations so hurry back.

Remember...Ladies Luncheon is the 3d Thursday of the month and guests are always welcome. Also if you have a favorite place let me know. Sign up in the Activities book at the Clubhouse. Call me @256-399-7478 or stop by #145 if you have questions.

Our tool lending library was established in 2016, the first in the state of Florida. Our mission is for all residents to have access to quality tools at no cost. All you need to borrow tools from us is a PPLC library card. Library cards are free for residents of Pinellas County and may be obtained at any PPLC member library. Tools must be reserved online through our catalog at least one day prior to the day that you would like them, and they can be picked up during our open hours. Upon your first visit to pick up tools, you will be required to sign a membership agreement (<http://cityofsafetyharbor.com/DocumentCenter/View/9687>) and release form (<http://cityofsafetyharbor.com/DocumentCenter/View/9688>) which will remain on file.

You must first create a MyTurn account before you can reserve tools. Click here to view a video tutorial to learn how. (<https://youtu.be/Owgi-8o8mNE>)

A PDF version is also available here (<http://cityofsafetyharbor.com/DocumentCenter/View/9631>).

We always accept donations of quality, working condition, hand or electric tools (no gas powered tools, please). If you have the original manual, please include it with your donation. After tools are donated, we evaluate and determine if they are safe and usable. Tools may be dropped off during normal library business hours. Pickups can be arranged by emailing shplref@cityofsafetyharbor.com (mailto:shplref@cityofsafetyharbor.com). We also accept monetary donations to purchase and maintain tools for our users. Thank you for your support!

REMEMBRANCE CORNER

By Dottie Newman Lot #46 724-6283 pcfriar64@yahoo.com or dlnewman823@gmail.com

Jean MacDonald, #304, had some corrective surgery to a previous surgery she had for an abdominal aortic aneurism two years ago. We're hoping that they have finally got you back to good health again. We heard you were home and doing well. "Well" being the operative word here.

We were told of the passing of Jim Rull, #192. Condolences were sent to his son who Jim spent many hours with doing things together.

Roxane Obenauf, #153, has passed away in Indiana. She was predeceased by her husband, Paul. She and Paul were part time residents in the park but had many friendships here in the park.

John Pertenaci, #32, had knee replacement surgery. It must have gone well because I saw him out walking. No even a limp! Good going, John.

Thanks to the several callers I had to inform me of this latest list. Thanx!

NOTE: I do not participate on any social media (my choice), so I depend on friends, family and neighbors to alert me to a resident's passing or sickness so that an appropriate card can be sent. Please contact me the old fashioned way by calling me @ 724-6283 or the more up-to-date way of emailing @ pcfriar64@yahoo.com or dlnewman823@gmail.com.

Keep your dog safe in hot weather

Dogs are often like members of the family, so you will want to treat them with care during hot weather. Here are a few tips to keep your four-legged friends happy and healthy:

- **Never leave your dog—or any animal—in the car during hot or even warm weather.** The interior temperature of your car can easily soar to 120 degrees in just minutes. The only way dogs can cool down is by panting and through the pads of their feet. Many animals die every year because their owners leave them in cars. Even if you leave the windows partially down, the temperatures can soar to dangerously high levels.

- **Don't let your dog ride in the bed of a pickup truck.** Serious eye injuries can occur from debris hitting their eyes at up to 70 miles per hour. The dog could also be thrown into oncoming traffic or could fall underneath the truck and be injured. Serious injury or death can also occur when a driver hits the brakes suddenly, swerves, or is hit by another vehicle.

- **Keep your dog away from fertilizers, plant foods, and insecticides.** They can be fatal if your pet ingests them. Don't let your pet walk or play on a treated lawn.

- **Make sure your pet always wears an ID tag.** Even if your dog has an embedded identification chip, you'll still want to make sure it has a tag so that he can be returned quickly to you if it is found. It's also a good idea to keep a current picture of your pet with you. That way, if it disappears or wanders off, you have a photo to show to people when you ask them if they've seen your dog.

- **Give your dog prescribed heartworm medicine on a regular basis.** It is also a good practice to use only flea and tick medications prescribed by your dog's veterinarian.

- **Make sure your pet has plenty of water and shade outdoors.** You'll also want to make sure your dog isn't walking on hot asphalt when the heat is high, because it can burn its paws.

Good health is not something we can buy. However, it can be an extremely valuable savings account.

—Anne Wilson Schaefer

New initiative in the hunt for E.T.

The search for extraterrestrial life is moving to a new, more ambitious phase, reports an article on the Independent website. Up until now, scientists have been restricted to surveying a relatively small area of the sky, studying stars only a few light-years from Earth. A new project, called Breakthrough Listen, will use new technology at the Parkes telescope in Australia to scan a much wider area of the sky more quickly than before.

The Parkes telescope and others will gather 1,500 hours of data in 2018, then analyze it for any phenomena that appear artificial—while ruling out activity from Earth.

The project is one of several from Breakthrough, one of which includes a plan to send small spacecraft on deep-space missions far from Earth.

Don't let boredom cramp your creativity

You can't be creative if you're bored out of your skull. We all feel jaded and restless from time to time, but if you're suffering from a complete lack of stimulation, try these tricks for snapping out of it:

- **Read something new.** Pick a book by an author you've never read, or one that covers a foreign subject.
- **Talk to people.** Pick someone you don't know very well, and find out all you can about him or her.
- **Explore your surroundings.** Stop ignoring the sights on your way to work, or at work. Pay attention to all you see—look for something different and original.
- **Rearrange your space.** Sometimes shifting things around at home or at work can force you to look at your surroundings, and your life, in a new light.
- **Try a new recipe.** Get out of the rut in your kitchen. Pick a challenging recipe for dinner, or stop making the same old sandwiches for your lunch.

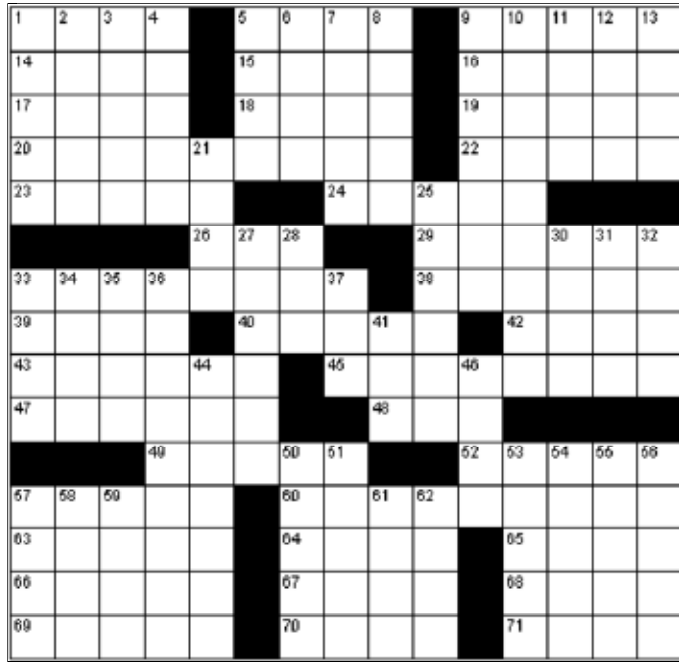

Happiness lies in the joy of achievement and the thrill of creative effort.

Monthly

American Adventures Month. This is your last chance to get away before summer ends and school starts. Take a road trip, go camping for a weekend, or visit tourist attractions in your home state or a neighboring one. Whatever you do, don't let the season end before you and your family have had an adventure.

Happiness Happens Month. Of all the random things that can happen in your life, choosing happiness can have a powerful influence on your quality of life. Embrace joy, smile more, choose kindness, and let the good vibrations flow.

National Peach Month. Once again peaches are in season. If that's not something to be happy about, then what is? Because some of the best tasting peaches have been grown in western Colorado for over 125 years, consider attending the 50th Palisade Peach Festival this month. To learn more, visit <https://palisadepeachfest.com/>.

National Water Quality Month. How can you reduce pollution and help protect natural sources of water in your community, and the world at large? Use environmentally friendly household cleaners; dispose of waste, pharmaceuticals, and hazardous chemicals properly; and manage the gray water and debris flowing into your storm drains.

Weekly

Simplify Your Life Week, Aug. 1–7. It's not at all complicated. If it doesn't serve a purpose, isn't working, and can't be fixed, get rid of it.

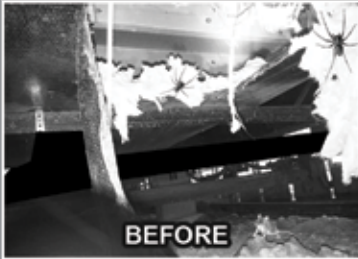

Exercise with Your Child Week, Aug. 5–11. Do your part to prevent obesity, improve bone density, and contribute to the overall health and welfare of younger generations. Help your children develop a habit of regular physical exercise and activity. Walk your talk this week and beyond.

Safe and Sound Week, Aug. 13–19. Workplace and employee safety take center stage this week. Visit <https://www.osha.gov/safeandsoundweek/> for ideas and activities.

Be Kind to Humankind Week, Aug. 25–31. What the world needs now is for people to show more kindness to each other. This week, allow courtesy, respect, and mindfulness to shape your conversations and actions.
